No. 171.

In the death of that gallant fire-fighter, Hugh Bonner, The City of New York has been deprived of the services of a faithful and lifelong servant.

As member of the Volunteer and paid Fire Departments, in the latter of which he served from its inception in 1865 to 1899, as Foreman of Company, Chief of Battalion and eventually as Chief, he displayed those qualities of manhood and unique bravery characteristic of the Fire Department which have so often commanded the admiration of the people and brought to it the proud reputation of being the finest in the world.

As inventor of many devices, through the agency of which danger to life and property was brought to the minimum, he raised the standard of efficiency; by his conduct he aided largely in dignifying the service; throughout his career he exemplified the valor of New York's proudest boast.

His installation of the fire department in Manila is the wonder of civilized nations. In fine, his past was an augury of what might yet be accomplished in the service in which he was engaged and his career as Fire Commissioner was looked forward to as full of the bright promise of his Department's best capabilities.

The City of New York mourns the death of Hugh Bonner.

Resolved, That the Board of Aldermen, speaking for the people of The City of New York, laments the death of Hugh Bonner, late Fire Commissioner, and extends sincere sympathy to his family on their sad bereavement.

Resolved, further, That a copy hereof, suitably engrossed and duly authenticated, be transmitted to the family of the deceased.

Adopted by the Board of Aldermen, March 18, 1908.

Approved by the Mayor, March 24, 1908.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of The City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
