"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)

 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)

AGENCY RULES

HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

Notice of Repeal of the Neighborhood Entrepreneurs Program Rules

Notice is hereby given that, pursuant to the authority vested in the Commissioner of the Department of Housing Preservation and Development ("HPD") by Section 1802 of the New York City Charter, and in accordance with the requirements of Section 1043 of the Charter, HPD is repealing Chapter 35 of Title 28 of the Rules of the City of New York, the "Neighborhood Entrepreneurs Program". This rule was identified as part of a comprehensive rules review initiative undertaken by the NYC Mayor's Office of Operations, working with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget. HPD determined, pursuant to New York City Charter Section 1043(e), that a public hearing on the proposed rule would have served no public purpose.

Statement of Basis and Purpose of Rule

Chapter 35 of Title 28 of the Rules of the City of New York were adopted in 2002 to establish the procedures for selecting buildings for the Neighborhood Entrepreneurs Program ("NEP"), notifying tenants of such selection and the rental adjustments made in conjunction with the program, and carrying out rehabilitation and disposition of buildings in the program. NEP enabled neighborhood-based private property owners to own and manage clusters of occupied and vacant City-owned buildings. The program has been completed and there are no more properties to be disposed of.

This rule was identified as part of a comprehensive rules review initiative undertaken by the NYC Mayor's Office of Operations, working with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget. The initiative identified rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance.

New material is underlined.
[Deleted material is in brackets.]

Section 1. Chapter 35 of Title 28 of the Rules of the City of New York, relating to the Neighborhood Entrepreneurs Program, is hereby REPEALED.
