MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, March 24, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted March 20, 1888, that two lamp-posts be erected and street-lamps placed thereon and lighted at the curb-line in front of the new college building, No. 30 West Sixteenth street, in connection with St. Francis Xavier's Church. The Commissioner of Public Works reports that there are now four lamps in front of the church edifice, and two lamps on the Sixteenth street front, and two on the Fifteenth street front of the college building, which, I am advised appear to be amply sufficient. It is suggested by the Commissioner of Public Works that the two lamps on the Sixteenth street front of the college building might be reset, so as to come directly in front of the entrance to that building. I cannot, therefore, approve the resolution in its present form, but if it is amended so as to provide for the resetting of the two lamps referred to, so that they will be placed in front of the entrance to the college building, it will receive my approval.

ABRAM S. HEWITT, Mayor.

Resolved, That two lamp-posts be erected and street-lamps placed thereon and lighted at the curb-line in front of the new college building, No. 30 West Sixteenth street, in connection with the St. Francis Xavier's Church, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, March 29, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted March 20, 1888, giving permission to Ernest Kleinke to place and keep a watering trough in front of his premises, No. 248 Tenth avenue.

The Commissioner of Public Works reports that proposed trough is to be located on Tenth avenue, between Twenty-fourth and Twenty-fifth streets, and there is now a similar watering-trough on the northwest corner of Tenth avenue and Twenty-third street. An additional watering-trough in that locality is therefore unnecessary, and would lead to a waste of water.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Ernest Kleinke to place and keep a watering-trough in front of his premises, No. 248 Tenth avenue, the work to be done and water supplied at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, March 29, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted March 20, 1888, that an improved iron drinking-fountain be placed on the south side of Desbrosses street, about fifty feet west of Hudson street. The Commissioner of Public Works reports that there is now a watering-trough at the above location which answers all the purposes of the proposed fountain, and without expense to the city for repairs or supply of water. The proposed fountain will therefore involve unnecessary expense.

ABRAM S. HEWITT, Mayor.

Resolved, That an improved iron drinking-fountain (for man and beast) be placed on the south side of Desbrosses street, about fifty feet west of Hudson street, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

REPORTS RESUMED.

The Special Committee appointed at the last meeting of the Board "to prepare appropriate resolutions commemorative of the public services of the late William Dorsheimer," and "to attend to all matters relative to the funeral, on behalf of this Board," respectfully

REPORT:

That your Committee, pursuant to instructions relating to the funeral, invited his Honor the Mayor and the heads of all the executive departments of the City Government to unite with the members of the Common Council in paying the last sad tribute of respect to the remains of ex-Lieutenant Governor William Dorsheimer, which was very generally accepted, and the obsequies were attended at Grace Church, on Saturday last, the 31st inst., by the Common Council and many of the heads of the several executive departments of the City Government. As directed, your Committee has also prepared and herewith present for your adoption the following preamble and resolutions commemorative of his life and public services:

Whereas, The death of ex-Lieutenant Governor William Dorsheimer, an eminent, respected and honored citizen of this State, which occurred unexpectedly at Savannah, Ga., on Tuesday, the 27th ult., in the fifty-sixth year of his age, imposes upon the municipal authorities, of this the city of his residence, the sad duty of placing on record the high appreciation of our people for his exalted character, his stern integrity, his great ability, his devotion to duty, and to give expression to our deep sympathy with his bereaved wife, his afflicted relatives and sorrowing friends and acquaintances; be it therefore

Resolved, That this Common Council deploras the death of ex-Lieutenant Governor William Dorsheimer as a loss to the public, a bereavement to his family, an affliction to his relatives, and of the deepest sorrow to his acquaintances and friends. He possessed in an eminent degree all those characteristics that distinguish the eminent citizen, the tried, faithful public official, the genial companion, the disinterested and steadfast friend. The people trusted and honored him in his lifetime and profoundly lament the loss occasioned by his death. He was a mentor in politics, a jurist in law, a sage in ethics, a philosopher in the daily affairs of life, and he blended them all practically, so that he became one of the most eminent and versatile journalists of our day. Simple in his habits, dignified yet courteous in his demeanor, and affable in his intercourse with others, his death has left a void among our public men that cannot be easily filled; and be it further

Resolved, That in the general sorrow for his death, the poignancy of private grief is not forgotten, and to his bereaved widow and afflicted relatives we hereby tender our sincere sympathy and condolence; and be it further

Resolved, That as the people have already evinced in the interval since his death a sense of the loss they have sustained, it only further remains to place this preamble and these resolutions on record, among the archives of the City Government, in order to preserve and perpetuate its estimate and full appreciation of his noble life, character and public services; be it therefore

Resolved, That the foregoing preamble and resolutions be entered at length in the minutes of this meeting and published in the CITY RECORD; also that a copy thereof, signed by the President of this Board, sealed with the seal of the Corporation of the City of New York and attested by the Clerk of the Common Council, be prepared and transmitted to the widow of the illustrious deceased.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1887.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States Jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; and that the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.
