COMMUNICATIONS FROM CITY, COUNTY AND BOROUGH OFFICERS.

The President laid before the Board the following communications from the Board of Estimate and Apportionment, transmitting resolutions:

No. 2588.

Department of Finance—City of New York,
December 23, 1905.

Hon. CHARLES V. FORNES, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment December 22, 1905, recommending to the Board of Aldermen the fixing of the salary of the additional grade of the position of Clerk of Records in the office of the City Clerk at the rate of \$1,650 per annum, together with copy of a report of the Auditor of Accounts, Investigations' Division, Department of Finance, relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Yours very truly,

J. W. STEVENSON, Deputy Comptroller.

December 4, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In the matter of a resolution adopted by the Board of Aldermen November 21, 1905, as follows:

"Resolved, That the Board of Estimate and Apportionment be and hereby is requested to fix the salary of Charles A. Glazer, Clerk in the office of the City Clerk and Clerk of the Board of Aldermen, at the rate of one thousand eight hundred dollars (\$1,800) per annum, to take effect January 1, 1906."

—referred to the Investigations Division for examination, I beg to submit the following report:

Charles A. Glazer, Clerk in the office of the City Clerk and Clerk of the Board of Aldermen, referred to in the resolution previously quoted, is officially designated as Clerk of Records. His salary is now fixed at \$1,500 per annum, it having been increased to that amount from \$1,200 during 1903 upon the recommendation of Mr. Herbert Parsons, Chairman of the Special Committee of the Board of Aldermen appointed to regulate the salaries of the attaches of the Board of Aldermen and the City Clerk's office.

According to City Clerk Scully there has been stated to a representative of the Finance Department that Mr. Glazer is an exceptionally good clerk.

I would respectfully recommend that the Board of Estimate and Apportionment adopt a resolution fixing the salary of Charles A. Glazer, Clerk of Records in the office of the City Clerk, at the rate of \$1,650 per annum, to take effect January 1, 1906.

Yours respectfully,

(Signed) CHAS. S. HERVEY,
Auditor of Accounts, Investigations Division.

Whereas, The Board of Estimate and Apportionment at a meeting held December 22, 1905, adopted the following resolution:

Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Clerk of Records in the office of the City Clerk, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade be fixed at the rate of sixteen hundred and fifty dollars (\$1,650) per annum.

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the additional grade of the position of Clerk of Records in the office of the City Clerk at the rate of sixteen hundred and fifty dollars (\$1,650) per annum.

Alderman Goodman moved the adoption of this resolution.

The President put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Baldwin, Bennett, Boerner, Boyhan, Brenner, Callahan, Chambers, Donohue, Doull, Dowling, Doyle, Gillies, Goodman, Gunther, Harburger, Harnischfeger, Higgins, James, Keely, Kline, McCall, Marks, Morris, Arthur H. Murphy, Owens, Poole, Redmond, Richter, Robinson, Schappert, Schloss, Stapleton, Stumpf, Sturges, Twomey, Wafer, Wentz, President Haffen and the President—40.

No. 2589.

Department of Finance, City of New York,
December 23, 1905.

Hon. CHARLES V. FORNES, President Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment December 22, 1905, recommending to the Board of Aldermen the fixing of the salary of the additional grade of the position of Stenographer and Typewriter in the office of the City Clerk at the rate of \$1,050 per annum, together with copy of report of the Auditor of Accounts, Investigations Division, Department of Finance, relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Yours very truly,

J. W. STEVENSON, Deputy Comptroller.

December 4, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In the matter of a resolution adopted by the Board of Aldermen September 26, 1905, as follows:

"Resolved, That the Board of Estimate and Apportionment be and hereby is respectfully requested to advance the salary of Lillian K. A. Murphy, Stenographer and Typewriter in the office of the City Clerk, from nine hundred to twelve hundred dollars per annum."

—referred to the Investigations Division for examination, I beg to submit the following report:

Inquiry was made of City Clerk P. J. Scully regarding the recommendation of the Board of Aldermen in the case of Lillian K. A. Murphy, Stenographer and Typewriter, and he stated that she was originally appointed September 15, 1904, at a salary of \$900, the amount she is now receiving. The City Clerk stated that in his judgment Miss Murphy's services were worth more than she now receives in comparison with the work of others similarly employed.

It appears that none of the employees of the City Clerk's office or the Board of Aldermen are subject to Civil Service regulations in any way, they being attached to a legislative body. The provisions of section 56 of the Charter, however, would seem to require that the Board of Estimate and Apportionment should fix the salaries to be paid.

In view of the fact that Miss Lillian K. A. Murphy has been employed a little over a year I would recommend that an increase of \$150 be allowed; in other words, that her salary be fixed at the rate of \$1,050 per annum, taking effect January 1, 1906.

Yours respectfully,

(Signed) CHARLES S. HERVEY,
Auditor of Accounts, Investigations Division.

Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Stenographer and Typewriter in the office of the City Clerk, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade be fixed at the rate of one thousand and fifty dollars (\$1,050) per annum.

Whereas, The Board of Estimate and Apportionment at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Stenographer and Typewriter in the office of the City Clerk, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade be fixed at the rate of ten hundred and fifty dollars (\$1,050) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the additional grade of the position of Stenographer and Typewriter in the office of the City Clerk at the rate of ten hundred and fifty dollars (\$1,050) per annum.

Alderman McCall moved the adoption of this resolution.

The President put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Baldwin, Bennett, Boerner, Boyhan, Brenner, Callahan, Chambers, Coggey, Donohue, Doull, Dowling, Doyle, Gaffney, Gass, Gillies, Goodman, Gunther, Haenlein, Harburger, Harnischfeger, Higgins, James, Keely, Kenney, Lochner, McCall, Marks, Morris, Arthur H. No. 2590.

Department of Finance—City of New York,
December 23, 1905.

Hon. CHARLES V. FORNES, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment December 22, 1905, recommending the fixing of the salary of an additional grade of the position of Stenographer and Typewriter in the office of the President, Borough of The Bronx, at the rate of \$1,800 per annum, together with copy of report of the Auditor of Accounts, Investigations Division, Department of Finance, relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,

J. W. STEVENSON, Deputy Comptroller.

December 14, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In the matter of a request of Hon. Louis F. Haffen, President of the Borough of The Bronx, for the establishment of a grade of Stenographer and Typewriter in his office at the salary of \$1,800 per annum, I beg to report as follows:

According to the Civil List there are now three Stenographers employed in the Borough President's office, two at \$1,500 each per annum and one at \$1,050 per annum. One of the two employees receiving \$1,500 per annum, to whom the Borough President desires to grant promotion, is William F. Oderwald, who furnishes me with the following reasons as to why the request in his case is justifiable:

"First—I am the Stenographer to the Local Boards in the Borough of The Bronx, having held this position continuously since January 1, 1898, when they were first organized under the Greater New York Charter.

"Second—I have been employed in President Haffen's office for the past twelve years as Stenographer and Typewriter.

"Third—A favorable report has always been made on requests of Stenographers to Local Boards in other boroughs for promotion to the \$2,100 grade.

"Fourth—I have been doing stenographic work for the City longer than any of the other Stenographers to the Local Boards.

"Fifth—I think it has been proved by my long service that I am thoroughly capable, accurate and faithful. In this connection I should state that I have multifarious duties to perform other than those covered by the title of my position.

"Sixth—I passed an examination nearly four years ago and I am, therefore, still eligible for promotion to the grade of \$2,100 per annum, if grade be established. I was in the same examination with several of the other Stenographers to the Local Boards in the other boroughs, who are now receiving \$2,100 per annum. In fact, the one in the Borough of Richmond receives \$2,400 a year."

In view of the fact that the compensation of Stenographer and Typewriter is considerably lower in the office of the President of the Borough of The Bronx than in the other Borough Presidents' offices, it would seem that the request for the creation of a grade of \$1,800 in this office is reasonable, and I would respectfully recommend the approval of the same.

Yours truly,

(Signed) CHARLES S. HERVEY,
Auditor of Accounts, Investigations Division.

Whereas, The Board of Estimate and Apportionment, at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Stenographer and Typewriter in the office of the President of the Borough of The Bronx, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade be fixed at the rate of eighteen hundred dollars (\$1,800) per annum";

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the additional grade of the position of Stenographer and Typewriter in the office of the President of the Borough of The Bronx at the rate of eighteen hundred dollars (\$1,800) per annum.

Which was made a Special Order for 2.30 p. m.

Subsequently Alderman Twomey called up the Special Order and moved its adoption.

The President put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Baldwin, Boerner, Boyhan, Brenner, Bridges, Callahan, Chambers, Coggey, Collins, Donohue, Doull, Dowling, Gass, Gillies, Goldwater, Goodman, Haenlein, Haggerty, Harburger, Harnischfeger, Higgins, Keely, Kevin, Kline, Koch, Lochner, McCall, McCarthy, Malone, Marks, Owen J. Hon. CHARLES V. FORNES, President Board of Aldermen:

Dear Sir—I send you herewith certified copy of resolution adopted by the Board of Estimate and Apportionment December 22, 1905, approving of the establishment of the position of Attending Physician at the Tuberculosis Clinics, Department of Health, and recommending the fixing of the salaries of said position at the rates of \$300 and \$600 per annum, together with copies of communications from the Department of Health and report of the Auditor of Accounts, Investigations Division, relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,

J. W. STEVENSON, Deputy Comptroller.

December 7, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In the matter of the request of the Department of Health for the creation of the position of Attending Physician at the Tuberculosis Clinic of that Department, with salaries at \$600 per annum for seniors and \$300 per annum for assistants, I beg to report as follows:

On March 1, 1904, a clinic for the treatment of pulmonary diseases, such as consumption, etc., was opened by the Board of Health in a new one-story building adjoining the headquarters of the Department on Sixth avenue, near Fifty-fifth street. This building was constructed especially for the purpose mentioned and was fitted up and equipped at great expense. The annual rental paid is \$4,735. The building contains a registration room, drug room, two waiting rooms, X-ray room, throat department and two clinics for male and female patients, respectively, each with an examination room, each room being lighted by a skylight. Trained nurses are always in attendance.

It is generally admitted by medical men that tuberculosis, taken in its incipient stages under favorable conditions, may be cured, but to insure recovery the diagnosis must be made at the earliest possible moment.

These clinics of the Department of Health are open from 9 a. m. to 4 p. m. every week day, and from 8 p. m. to 9 p. m. on Mondays, Wednesdays and Fridays. They are at present attended and patients examined by a corps of twelve physicians, whose work is voluntary and without compensation of any character. These physicians devote two hours per day three days per week to examinations and treatment.

In the first ten months of 1905, after the clinics were properly started, there were 3,230 cases examined, and 1,126 of these were found to have tuberculosis. Fifty per

cent. of the latter continued to receive treatment, which resulted in 15,795 additional visits being made to the clinics. Twenty-five per cent. of the infected cases were sent to the various City and State pulmonary institutions and to private hospitals.

Dr. John S. Billings, Jr., Associate Director in charge of this division of the Department of Health, informed your representative that the work expected to be performed by the attending physicians was especially hazardous to them. It has assumed unexpected proportions and is of such an onerous character that many of the skilled practitioners heretofore engaged in it have refused to continue to give their services gratuitously and many now engaged have signified their intention of abandoning the work.

Commissioner Darlington desires to re-employ the experts who have left and retain those at present engaged, and to do this it is his purpose to pay the present force, or those first employed, at the rate of \$300 per annum for the first six months and not more than \$600 per annum thereafter. He has also planned to engage three junior assistant physicians at \$300 per annum.

The Commissioner, as well as the attending physician in charge, informed your representative that if these physicians were paid the stipends mentioned it would ensure better system and discipline than now prevails at the clinics, and the visiting physicians could be held to a stricter accountability as regards punctuality, attendance and obedience to instructions.

The only other clinic in the Department is for the examination and treatment of trachoma and other eye diseases among school children. The physicians in attendance at this clinic are drawn from the regular staff of Medical Inspectors, who devote their whole time to the service and are paid from \$1,200 to \$1,500 per annum.

On September 14 last the State Civil Service Commission placed in the non-competitive class "Attending Physicians at the Tuberculosis Clinic of the Department of Health of New York City."

I would therefore respectfully recommend that the request of the Department of Health be granted.

Yours respectfully,

(Signed) CHARLES S. HERVEY,
Auditor of Accounts, Investigations Division.

Whereas, The Board of Estimate and Apportionment at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of the position of Attending Physician at the tuberculosis clinics, Department of Health, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salaries of said position be fixed at the rates of three hundred dollars (\$300) and six hundred dollars (\$600) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the position of Attending Physician at the tuberculosis clinics, Department of Health, at the rates of three hundred dollars (\$300) and six hundred dollars (\$600) per annum.

Which was made a Special Order for 2.30 o'clock p. m.

Hon. CHARLES V. FORNES, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment December 22, 1905, recommending the fixing of the salary of the position of Draughtsman's Helper under the jurisdiction of the President, Borough of Queens, at the rate of \$900 per annum, as of date October 15, 1905, together with copy of a communication from the Secretary, Borough of Queens, relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,

J. W. STEVENSON, Deputy Comptroller.

November 29, 1905.

J. W. STEVENSON, Esq., Secretary, Board of Estimate and Apportionment:

Dear Sir—I transmit herewith resolution for fixing the salary of Draughtsman's Helper at the sum of \$900 per annum, which kindly have placed on the calendar for Friday's meeting of the Board of Estimate, and thereby oblige,

Yours respectfully,

(Signed) GEO. S. JERVIS, Secretary to President.

N. B.—The reason that the same is requested to take effect as of October 15 is that the Civil Service Commission, prior to that time, certified Draughtsman's Helpers to this Department, who were duly appointed, but their pay has been held up for the reason that there appears to be no schedule.

Whereas, The Board of Estimate and Apportionment, at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of the position of Draughtsman's Helper, under the jurisdiction of the President of the Borough of Queens, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said position be fixed at the rate of nine hundred dollars (\$900) per annum, as of date October 15, 1905."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the position of Draughtsman's Helper, under the jurisdiction of the President of the Borough of Queens, at the rate of nine hundred dollars (\$900) per annum, as of date October 15, 1905.

Which was made a special order for 2.30 o'clock p. m. Subsequently Alderman McCarthy called up the special order and moved its adoption.

The President put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Baldwin, Bennett, Boerner, Boyhan, Brenner, Callahan, Chambers, Collins, Dietz, Donohue, Doull, Dowling, Downing, Doyle, Gaffney, Gillies, Goldwater, Grimm, Gunther, Haenlein, Harburger, Harnischfeger, Hann, James, Keely, Kenney, Kevin, Kline, Koch, Lochner, McCall, McCarthy, Marks, Morris, Arthur H. Hon. CHARLES V. FORNES, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment December 22, 1905, recommending the fixing of the salary of position of Rodman in the Department of Parks, Boroughs of Manhattan and Richmond, at the rate of \$1,050 per annum, together with copy of report of the Auditor of Accounts, Investigations Division, Department of Finance, relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,

J. W. STEVENSON, Deputy Comptroller.

December 4, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—Examination has been made in the Investigations Division in relation to the facts connected with an application of Samuel Parsons, Jr., Commissioner of Parks, Boroughs of Manhattan and Richmond, dated November 15, 1905, asking that the Board of Estimate and Apportionment establish the positions or grades of Rodmen at a compensation of \$1,080 and \$1,200 per year respectively.

In the communication of the Commissioner of Parks, attached hereto, it is stated that these grades have never been established, and the further statement is made that it is necessary that they should be so established to enable a proper compliance with the Civil Service laws.

On May 1, 1902, there was one Chainman on the pay-rolls at \$90 a month, or \$1,080 per annum, and under a ruling of the Civil Service Commission it was held

that the duties of Rodmen and Chainmen were the same. The one Chainman or Rodman died since 1902, and several men since assigned to the work of Rodmen have been graded and paid \$75 per month, which, the Commissioner says, is the regular compensation of Axemen. There is said to have been a large increase in the amount of work required of these men in connection with opening and development of new parks and park improvements, and the Commissioner states that it is only fair that the men doing the work of Rodmen should be paid as such.

The three men affected by the request of the Commissioner are Phillip J. McKenna, Christopher A. Farrell and Harry De Venoge. All three of these men are receiving \$75 a month, which is the same compensation as paid them when on the pay-roll as Axemen. They passed an examination in 1904 for promotion to the positions of Rodmen, and their names now appear on the rolls of the Department as Rodmen, they doing the work of such. Commissioner Parsons says that no extra appropriation will be required to make the proposed increases in the salaries of these three men. The salary grades for Rodmen employed in several of the City departments are found to be as follows:

Park Department, Brooklyn, \$4.11 per diem.
Park Department, The Bronx, \$75 per month and \$1,050 per annum.
Board of Rapid Transit Commissioners, \$960 per annum.
Department of Water Supply, Gas and Electricity (on Croton Aqueduct), \$1,000, \$1,050, \$1,200 and \$1,500 per annum.

It would appear that there is no uniformity in the matter of salary grades for Rodmen employed in the several departments of the City government. From a general knowledge, however, of the character of the work required to be done by Rodmen, it would seem that the duties of Rodmen employed on the Croton Aqueduct under the jurisdiction of the Department of Water Supply, Gas and Electricity are more onerous than those performed by men in the Park Department or the Rapid Transit Commission.

As a result of the facts disclosed in this examination it is hereby recommended that the Board of Estimate and Apportionment adopt a resolution establishing one grade of Rodman in the Department of Parks, boroughs of Manhattan and Richmond, at a compensation of \$1,050 per annum.

Yours respectfully,
(Signed) C. S. HERVEY,
Auditor of Accounts, Investigations Division.

Whereas, The Board of Estimate and Apportionment at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of the position of Rodman in the Department of Parks, boroughs of Manhattan and Richmond, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said position be fixed at the rate of ten hundred and fifty dollars (\$1,050) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the position of Rodman in the Department of Parks, boroughs of Manhattan and Richmond, at the rate of ten hundred and fifty dollars (\$1,050) per annum.

No. 2594.
Department of Finance—City of New York,
December 23, 1905.

Hon. CHARLES V. FORNES, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of resolution adopted by the Board of Estimate and Apportionment December 22, 1905, approving of the establishment of an additional grade of the position of Chief Examiner of Accounts in the office of the Commissioners of Accounts, and recommending the fixing of the salary of said additional grade at the rate of \$2,500 per annum, together with copies of communication from the Commissioners of Accounts and report of the Investigations Division (Auditor of Accounts), relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,
J. W. STEVENSON, Deputy Comptroller.

Office of the Commissioners of Accounts,
Stewart Building, No. 280 Broadway,
New York, November 15, 1905.

Hon. JAMES W. STEVENSON, Secretary, Board of Estimate and Apportionment:
Sir—We beg to request the Board of Estimate and Apportionment, pursuant to the provisions of section 56, Greater New York Charter, to fix a new grade in our office, namely, Chief Examiner of Accounts, at \$2,500 per annum.

At present there is no grade in our office for Chief Examiner of Accounts between \$2,100 per annum and \$3,000 per annum. In this situation, if an employee in the lower grade be deemed worthy of promotion, there is no intermediate grade to which he may be raised, and we are confronted with the alternative of increasing such Examiner's salary by \$900 per annum, or leaving him in the same grade indefinitely, however worthy of promotion he may be. This would be manifestly unfair.

The present classification of the positions in our office was arbitrarily made by our predecessors, and apparently without regard to the future needs of the Department. The object of the above request is to remedy this condition and put us in position to act fairly with the employees of the office without giving them more than they are entitled to.

Respectfully,
JOHN C. HERTLE,
WILLIAM HARMAN BLACK,
Commissioners of Accounts.

December 7, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In the matter of a request of the Commissioners of Accounts for the establishment of a grade of Chief Examiner of Accounts at \$2,500 per annum, I beg to report as follows:

There are at present eight Chief Examiners of Accounts in the office of the Commissioners of Accounts, one at a salary of \$3,500, three at \$3,000, two at \$2,100 and two at \$2,000. As stated in the letter of the Commissioners, it will be seen that there is no grade between the salary of \$2,100 and \$3,000, which precludes promotion, under ordinary conditions, of an Examiner from the \$2,100 grade, as the increase would amount to \$900.

The request for the establishment of a grade at \$2,500 would seem to be reasonable, and I would respectfully recommend the approval of the same.

Yours respectfully,
(Signed) CHARLES S. HERVEY,
Auditor of Accounts, Investigations Division.

Whereas, The Board of Estimate and Apportionment, at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of the additional grade of the position of Chief Examiner of Accounts in the office of the Commissioners of Accounts, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade be fixed at the rate of twenty-five hundred dollars (\$2,500) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of an additional grade of the position of Chief Examiner of Accounts in the office of the Commissioners of Accounts at the rate of twenty-five hundred dollars (\$2,500) per annum.

Which was made a special order at 2.30 o'clock p. m.
Subsequently Alderman Coggey called up the Special Order and moved its adoption.

The President put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Baldwin, Boerner, Boyhan, Brenner, Callahan, Chambers, Coggey, Collins, Donohue, Doull, Dowling, Doyle, Gaffney, Gass, Gillies, Goodman, Gunther, Haenlein, Haggerty, Harburger, Harnischfeger, Hann, Higgins, James, Jones, Kenney, Kevin, Koch, Lochner, McCall, McCarthy, Malone, Arthur H. Murphy, Owen J. Murphy, Owens, Poole, Redmond, Richter, Schappert, Schloss, Stapleton, Stumpf, Tolk, Twomey, Wafer, President Cromwell, President Haffen, President Ahearn, by Wm. Dalton, Commissioner of Public Works; the Vice-Chairman and the President—51.

Hon. CHARLES V. FORNES, President Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment December 22, 1905, recommending to the Board of Aldermen the fixing of the salary of the additional grade of the position of Veterinarian in the Department of Finance at the rate of \$1,800 per annum, together with copy of a communication from the Comptroller relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,
J. W. STEVENSON, Deputy Comptroller.

December 19, 1905.

To the Board of Estimate and Apportionment:

Gentlemen—Request is hereby made that the Board of Estimate and Apportionment recommend to the Board of Aldermen, in accordance with section 56 of the Greater New York Charter, that an additional salary for the position of Veterinarian in the Department of Finance be established at \$1,800 per annum, in order to promote the present occupant of this position.

Previous to the permanent employment of a Veterinarian, examinations of horses owned by the City were paid for by fees, which, according to the records of this Department, amounted to \$2,936 during 1902 and \$2,240 during the period between January 1, 1903, and July 17, 1903, on which date a Veterinarian, with annual salary of \$1,500, was appointed.

During 1904 1,224 examinations of horses were made, and from January 1, 1905, to date there have been 1,317 examinations, which, under the old fee system, would have cost not less than \$2 each.

It will therefore be seen that even with the proposed increase in the salary of Veterinarian, the cost to the City for such examinations will be much less than formerly.

Respectfully,
(Signed) EDWARD M. GROUT, Comptroller.

Whereas, The Board of Estimate and Apportionment, at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Veterinarian in the Department of Finance, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of the said additional grade be fixed at the rate of eighteen hundred dollars (\$1,800) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the additional grade of the position of Veterinarian in the Department of Finance at the rate of eighteen hundred dollars (\$1,800) per annum.

Which was referred to the Committee on Salaries and Offices.

Hon. CHARLES V. FORNES, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of resolution adopted by the Board of Estimate and Apportionment December 22, 1905, approving of the establishment of the position of Attendant in the office of the County Clerk of New York County, and recommending the fixing of the salary of said position at the rate of \$1,200 per annum, together with copy of report of the Auditor of Accounts, Investigations Division, relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,
J. W. STEVENSON, Deputy Comptroller.

December 7, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In the matter of a request of Hon. Thomas L. Hamilton, County Clerk, New York County, that "the salary of the position of Attendant in this office be graded at \$1,200 and \$1,500," referred to the Investigations Division for examination, I beg to report as follows:

The intention, if this request be granted, is to create the position of Attendant in the office of the County Clerk and to appoint to that position Mr. Charles Freedman, who is now one of the Custodians in said office, and receives a salary of \$1,200 per annum.

Although designated as Custodian, Mr. Freedman's duties, I am informed by the Deputy County Clerk, are really those of Court Attendant. He has been employed in the County Clerk's office since January, 1898, and has proved to be a competent employee.

The granting of the request of the County Clerk will not carry with it any increase in the number of employees or in the present salary of \$1,200 received by Mr. Freedman, and, as the work performed is really that of an Attendant and not that of a Custodian, a change in the title of the position would seem to be proper.

I therefore respectfully recommend that the position of Attendant in the office of the County Clerk of New York County be created and the salary fixed at \$1,200 per annum. I would recommend that the additional grade at \$1,500 be not approved.

Yours respectfully,
(Signed) CHARLES S. HERVEY,
Auditor of Accounts, Investigations Division.

Whereas, The Board of Estimate and Apportionment at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of the position of Attendant in the office of the County Clerk of New York County, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said position be fixed at the rate of twelve hundred dollars (\$1,200) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the position of Attendant in the office of the County Clerk of New York County at the rate of twelve hundred dollars (\$1,200) per annum.

Which was made a Special Order for 2.30 o'clock p. m.

Subsequently Alderman McCall called up the Special Order and moved its adoption.

The President put the question whether the Board would agree with said resolution.

Which was unanimously decided in the affirmative by the following vote:
Affirmative—Aldermen Ahner, Baldwin, Bennett, Boerner, Boyhan, Callahan, Chambers, Coggey, Collins, Dietz, Donohue, Doull, Flynn, Gaffney, Gass, Gillies, Goldwater, Goodman, Haenlein, Haggerty, Harburger, Harnischfeger, Hann, Higgins, James, Jones, Keely, Kenney, Kevin, Lochner, McCall, McCarthy, Morris, Arthur H. Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment December 22, 1905, recommending to the Board of Aldermen the fixing of the salary of an additional grade of the position of Chemist in the Department of Health, at the rate of \$1,800 per annum, together with copy of report of the Auditor of Accounts, Investigations Division, Department of Finance, relative thereto.

December 7, 1905.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In the matter of the request of Commissioner Darlington of the Department of Health for the establishment of the grade of Chemist at \$1,800 per annum, I beg to report as follows:

There are eight Chemists now employed in said Department at the following salaries: One at \$2,100, who is in charge of the chemical laboratory; two at \$1,500 and five at \$1,200 per annum. The Commissioner desires to appoint additional Chemists to perform the extra work devolving upon the Department by reason of new laboratories with valuable equipments.

In his communication to the Board of Estimate and Apportionment the Commissioner requests that the position of Chemist be created at \$1,800 per annum. It is his intention to appoint to such position Mr. Halsey Durand, a Chemist who has been in the Department since July 25, 1893, a period of over twelve years, and who is now receiving \$1,500 per annum. Mr. Durand is a graduate of Princeton University.

The principal reason for such promotion is to make Mr. Durand Assistant in Charge of Laboratory Work, in order that the ideas, methods, system and discipline of such division may be more effectively carried out in the absence of the regular chief, and to locate responsibility in the handling of the valuable apparatus owned by the Department.

It is furthermore intended to place Mr. Durand in charge of the researches connected with impure foods and similar materials, a work that has greatly developed of late in the Department of Health, and as stated by Commissioner Darlington and Dr. Atkinson, the latter in charge of the chemical laboratory, Mr. Durand is fully qualified to perform the onerous duties connected with such position.

In view of the foregoing facts, I would respectfully recommend that the grade asked for be established.

Yours respectfully,

(Signed) CHARLES S. HERVEY,
Auditor of Accounts, Investigations Division.

Whereas, The Board of Estimate and Apportionment at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Chemist in the Department of Health and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade be fixed at the rate of eighteen hundred dollars (\$1,800) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of an additional grade of the position of Chemist in the Department of Health at the rate of eighteen hundred dollars (\$1,800) per annum.

Hon. CHARLES V. FORNES, President Board of Aldermen:

Dear Sir—I send you herewith certified copy of a resolution adopted by the Board of Estimate and Apportionment December 22, 1905, recommending to the Board of Aldermen the fixing of the salary of the additional grade of the position of Engineer of the College of The City of New York at the rate of \$2,250 per annum, together with copy of a report of the Auditor of Accounts, Investigations Division, Department of Finance, relative thereto.

I also inclose form of resolution for adoption by the Board of Aldermen to indicate its concurrence therein.

Hon. EDWARD M. GROUT, Comptroller:

Sir—In regard to the request of the Board of Trustees of the College of The City of New York, that the Board of Estimate and Apportionment and the Board of Aldermen fix the salary of the Engineer of the College at the rate of \$2,250 per annum, which matter was referred to the Investigations Division for examination, I beg to report as follows:

The Secretary of the Board of Trustees of the College of The City of New York informed a representative of the Department of Finance on December 13 that it is desired to place the Engineer, who has been for years employed at the old building, corner of Twenty-third street and Lexington avenue, in charge of the big plant connected with the group of five large new buildings of the College at Amsterdam avenue and One Hundred and Thirty-eighth street; that the Engineer at present receives \$1,200 per annum, but is supplied with living apartments, fuel and light, without charge; that the Engineer will have none of these perquisites in the future, as he will reside outside the College buildings.

The present engineer will also have charge of the electrical engineer and plant installed in the new buildings. He is, in addition, a machinist by trade, has always made all ordinary repairs to boilers, etc., and is considered a valuable man by the Board of Trustees. The engineer in charge must be within call at all times, and is virtually constantly employed. Of the five new buildings one is already occupied, and the heating plant is in operation. It is one of the largest plants in the City.

As the engineer at the New York Stock Exchange receives \$3,000 per annum, it was at first proposed by the Trustees that their engineer should receive a similar salary, but the desire being to promote a deserving and competent man, a compromise was arrived at recommending the salary to be \$2,250.

It is therefore recommended that the request of the Board of Trustees of the College of The City of New York that the salary of engineer be placed at \$2,250 per annum be granted.

Respectfully,

(Signed) C. S. HERVEY,
Auditor of Accounts, Investigations Division.

Whereas, The Board of Estimate and Apportionment, at a meeting held December 22, 1905, adopted the following resolution:

"Resolved, That the Board of Estimate and Apportionment hereby approves of the establishment of an additional grade of the position of Engineer of the College of The City of New York, and recommends to the Board of Aldermen, in accordance with the provisions of section 56 of the Greater New York Charter, that the salary of said additional grade be fixed at the rate of twenty-two hundred and fifty dollars (\$2,250) per annum."

Resolved, That the Board of Aldermen hereby concurs in said resolution and fixes the salary of the additional grade of the position of Engineer of the College of The City of New York at the rate of twenty-two hundred and fifty dollars (\$2,250) per annum.

Hon. GEORGE B. McCLELLAN, Mayor and Chairman of the Board of Estimate and Apportionment:

Dear Sir—I regret to report that a fire occurred about 2.30 o'clock a. m. at the Workhouse, Blackwell's Island, and the women's wing was almost entirely destroyed. I am happy to add to this report, however, that there was no loss of life, and that the flames were confined to that portion of the structure in which the fire originated.

About 590 of the female inmates of the Workhouse are temporarily housed at the Penitentiary, but it is of the greatest importance that steps should be taken at once to restore and rebuild this portion of the Workhouse. For this purpose the sum of fifty thousand dollars (\$50,000) will be required, and I would respectfully ask the Honorable the Board of Estimate and Apportionment to set aside that amount at the earliest possible time, so that the work may be begun.

In reporting this loss I must not fail to add that the efficiency of the fire corps organized from the employees and inmates of the Workhouse did excellent service, and to the efforts of the Warden and Keepers, aided by this corps, is due the fact that no more damage was done and no lives lost.

Very respectfully yours,

FRANCIS J. LANTRY, Commissioner.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of fifty thousand dollars (\$50,000), for the purpose of providing means for the construction, permanent betterment and equipment of buildings under the jurisdiction of the Department of Correction.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment December 20, 1905, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

"Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York, to an amount not exceeding fifty thousand dollars (\$50,000) to provide means for the construction, permanent betterment and equipment of buildings under the jurisdiction of the Department of Correction, and that when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller is authorized to issue Corporate Stock of The City of New York, in the manner provided by section 169 of the Greater New York Charter, to an amount not exceeding fifty thousand dollars (\$50,000), the proceeds whereof to be applied to the purposes aforesaid."

Alderman McCall moved the adoption of the ordinance.

The President put the question whether the Board would agree with said ordinance.

Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Ahner, Baldwin, Boerner, Boyhan, Brenner, Callahan, Chambers, Coggey, Diemer, Donohue, Doull, Doyle, Flynn, Gass, Gillies, Goodman, Gunther, Haenlein, Harburger, Harnischfeger, Higgins, Keely, Kline, Lochner, McCall, Malone, Morris, Arthur H. Hon. CHARLES V. FORNES, President, Board of Aldermen:

Dear Sir—I send you herewith certified copy of resolution adopted by the Board of Estimate and Apportionment December 22, 1905, authorizing an issue of Corporate Stock in the sum of \$12,000, in addition to the amount heretofore authorized, to provide means to carry on the work of making maps, etc., and for making drainage and sewerage district plans of the Borough of The Bronx, together with copies of communications from the President of the Borough of The Bronx and the Engineer in charge of Sewers relative thereto.

I also inclose form of ordinance for adoption by the Board of Aldermen to indicate its concurrence therein.

Very truly yours,

J. W. STEVENSON, Deputy Comptroller.

December 12, 1905.

Mr. JOSIAH A. BRIGGS, Chief Engineer of the Borough of The Bronx:

Sir—In the Departmental Estimate of the Bureau of Sewers for the year 1906, request was made for an appropriation of \$53,535 for "preliminary surveys, estimates, etc." and included among the items forming this amount was the sum of \$11,365 for salaries chargeable in 1905 against Corporate Stock Fund for Drainage and Sewerage District Plans.

The Board of Estimate and Apportionment, in the Budget for 1906, appropriated the same amount as available for 1905, i. e., \$32,000 for preliminary surveys, estimates, etc., thereby making no provision for the salaries and charges requisite to the continuance of the making of necessary drainage and sewerage district plans, and the work preliminary to their preparation.

Inasmuch as this work is one of primary importance, and it far from complete, and as of the Corporate Stock Fund of \$10,000 for Drainage and Sewerage District Plans, provided by the Board of Estimate and Apportionment and the Board of Aldermen in December, 1904, under authority of the Charter, as amended by chapter 409, Laws of 1904, there was an unexpended balance of only about \$2,000 on December 1, 1905, it is evident that more funds will have to be provided for this work for 1906.

In view of the foregoing, it is respectfully recommended that the Board of Estimate and Apportionment be requested to provide, as soon as practicable, an appropriation of \$12,000 by an issue of Corporate Stock, under authority of chapter 409 of the Laws of 1904, to carry on the work of making maps, etc., and for the making of drainage and sewerage district plans of the Borough of The Bronx.

The detailed estimate of the \$12,000 required is as follows:

1 Assistant Engineer.....	\$2,700 00
1 Assistant Engineer (one-half salary)	975 00
1 Assistant Engineer (one-half salary).....	900 00
1 Transitman	1,800 00
1 Transitman (one-half salary).....	900 00
1 Computer	1,500 00
1 Leveler	1,500 00
1 Rodman (one-half salary).....	600 00
1 Axeman (one-half salary).....	450 00
1 Axeman (one-half salary).....	360 00
Instruments and supplies (estimated).....	315 00
Total.....	\$12,000 00

Respectfully,

(Signed) CHARLES H. GRAHAM,
Engineer in Charge of Sewers.

New York, December 16, 1905.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman Board of Estimate and Apportionment:

Dear Sir—I inclose copy of a communication sent by Mr. Charles H. Graham, Engineer in Charge of Sewers, requesting the Board of Estimate and Apportionment to provide \$12,000 for the purpose of continuing the work of the necessary drainage district plans for the Borough of The Bronx.

I approve of the request made by Engineer Graham, and would respectfully request that the Board of Estimate and Apportionment provide an appropriation of

\$12,000 to carry on the work of making maps, etc., and for the making of the drainage and sewerage district plans for the Borough of The Bronx.

An appropriation of \$10,000 was made for use last year under the Betterment Act. This fund is about exhausted, and the \$12,000 hereby requested is necessary for work required to be done in 1906.

Yours truly,
LOUIS F. HAFFEN,
President of the Borough of The Bronx.

AN ORDINANCE providing for an issue of Corporate Stock in the sum of twelve thousand dollars (\$12,000), in addition to the amount heretofore authorized, to provide means to carry on the work of making maps, etc., and for making drainage and sewerage district plans of the Borough of The Bronx.

Be it Ordained by the Board of Aldermen of The City of New York as follows: Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution adopted by the Board of Estimate and Apportionment December 22, 1905, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

"Resolved, That, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, the Board of Estimate and Apportionment hereby approves of the issue of Corporate Stock of The City of New York to an amount not exceeding twelve thousand dollars (\$12,000), in addition to the amount heretofore authorized, to provide means to carry on the work of making maps, etc., and for making drainage and sewerage district plans of the Borough of The Bronx, and that when authority therefor shall have been obtained from the Board of Aldermen the Comptroller is authorized to issue Corporate Stock of The City of New York, in the manner provided by section 169 of the Greater New York Charter, to an amount not exceeding twelve thousand dollars (\$12,000), the proceeds whereof to be applied to the purposes aforesaid."

President Haffen moved the adoption of the ordinance.
The President put the question whether the Board would agree with said ordinance.

Which was unanimously decided in the affirmative by the following vote:

REPORT:

That, having examined the subject, they believe the proposed request should be granted.

They therefore recommend that the annexed resolution and ordinance be adopted.

Police Department of The City of New York,

To the Honorable Board of Aldermen:

Very respectfully,
WM. H. KIPP, Chief Clerk.

(Copy.)

Police Department of The City of New York,
Bureau of Repairs and Supplies, No. 300 Mulberry Street,
New York, October 12, 1905.

Hon. WILLIAM McADOO, Police Commissioner:

Sir—I respectfully recommend that the Board of Aldermen and the Board of Estimate and Apportionment be requested to authorize the issuance of Special Revenue Bonds in the sum of \$40,000, of which \$30,000 be applied to the appropriation of this year, entitled "Supplies for Police," and \$10,000 to the appropriation for this year, entitled "Police Stations, Alterations, Fitting Up, etc."

In the annual Budget for the year 1905, prepared in September, 1904, an appropriation of \$534,484 was asked for "Supplies for Police," of which only the sum of \$424,000 was granted.

At the same time an appropriation of \$140,000 was asked for "Police Station-houses, Alterations, Fitting Up, etc.," of which only \$44,000 was granted, which amount has since been supplemented by the issuance of Corporate Stock for the sum of \$82,000 for "Permanent Betterment." The latter appropriation is being expended under contracts awarded and in preparation and cannot be diverted, while the original appropriation (\$44,000) is practically exhausted and no funds are available to meet the ordinary emergency repairs of the Department now known and anticipated.

After the Budget of 1905 had been passed upon and the appropriation fixed, contracts were awarded in the closing days of 1904 for the purchase of fifty-five (55) additional horses, and in January, 1905, contract was awarded for the purchase of seventy-five (75) additional horses (of which fifty-five (55) have been placed in the service), no provision or appropriation being made for the equipment and maintenance of these 110 horses, which has cost approximately \$27,100. The Budget appropriation, which did not contemplate these demands, and being reduced \$110,484 below the appropriation asked has proven entirely inadequate to meet even the most urgent demands of the service.

It is estimated that there will be a saving of \$35,681 on the contracts of this year. The strictest economy has prevailed, as will be shown by the following schedule of comparative open order expenditures for the year 1904, as against those of 1905, to date:

	Supplies.		Repairs.	
	1904.	1905.	1904.	1905.
January	\$24,986 32	\$2,046 94	\$2,981 00	\$1,023 00

	\$135,254 35	\$62,079 87	\$53,993 42	\$12,675 78
Contracts for supplies and repairs in 1905, which were purchased on open orders in 1904—				
Wagon repairs		8,985 05
House equipments		17,165 27
Alterations, repairs, painting, etc.	29,700 00
	\$135,254 35	\$88,230 19	\$53,993 42	\$42,375 78

Note—The expenditures for April and May, 1905, show larger than other months, for the reason that during the first three months requisitions were held pending investigations and were released in April. May account includes \$4,800 for automobile.

Requisitions are now pending amounting to \$9,888.78 for "Supplies for Police," and \$1,494.38 for "Police Stations, Alterations, Fitting Up, etc.," and it is estimated that the amounts recommended will suffice to meet the above and additions for the balance of the year.

The savings under contracts mentioned have been considered and otherwise expended, and it is absolutely necessary that funds be procured to maintain this branch of the service for the remainder of the year.

Respectfully,
(Signed) RICHARD E. ENRIGHT,
Inspector, Repairs and Supplies.

Resolved, That, upon the annexed request of the Police Commissioner, the Board of Estimate and Apportionment be and hereby is requested, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, to authorize the Comptroller to issue Special Revenue Bonds to the amount of forty thousand dollars (\$40,000), the proceeds whereof shall be applied to the benefit of the Police Department in following manner: Thirty thousand dollars (\$30,000) to be applied to the appropriation for the year 1905, entitled "Supplies for Police," and ten thousand dollars (\$10,000) to the appropriation for the year 1905, entitled "Police Station-houses, Alterations, Fitting Up, etc."

JOHN T. McCALL, JOHN H. DONOHUE, OWEN J. MURPHY, WILLIAM WENTZ, JAMES E. GAFFNEY, Committee on Finance.

The City of New York—Department of Parks,
Boroughs of Brooklyn and Queens,
Litchfield Mansion, Prospect Park, Borough of Brooklyn,
December 7, 1905.

Hon. P. J. SCULLY, City Clerk:

Dear Sir—Herewith I send you, by direction of Commissioner Kennedy, copy of a communication mailed to you on November 28, which I am advised has been mislaid.

Respectfully,

THOS. F. REILLY, Secretary.

November 28, 1905.

To the Honorable Board of Aldermen:

Gentlemen—The consent of your Honorable Board is hereby respectfully requested to allow this Department to award a contract for sculptured statues and carving of pediment on Brooklyn Institute of Arts and Sciences without public letting. The character of the work is such that a master-hand is necessary to represent in most significant effect the ideals of the museum. To throw the award open to competition so that any person who considers himself qualified to secure the work if his price were low enough, would inevitably produce a mediocre result. The fullest artistic return for the money expended can only be obtained by the selection of a sculptor of the very highest standing. There is sufficient money available for the monolithic sculptures and carving of the pediment on the facade of the building, the amount of one hundred and twenty-two thousand dollars (\$122,000) having been appropriated to cover the entire cost of the work, and it is the opinion of the architect of the building and competent sculptors that the work can be completed within the appropriation. It is the judgment of the Trustees of the Institute, the architects of the building and also my own, that a satisfactory result cannot be secured by public letting. The sculpture work for the Institute should be done under the direction of a sculptor in whom the City government could and would place the highest confidence. I am, therefore, satisfied that to throw the award open to public competition would divert that end and would be a great mistake.

Trusting that the necessary authority to award without public letting will be granted, I am

Very truly yours,
(Signed) M. J. KENNEDY, Commissioner.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioners of Parks for the Boroughs of Brooklyn and Queens be and he is hereby authorized and empowered to contract without public letting, for sculptured statues and carving of pediment on the Brooklyn Institute of Arts and Sciences to an amount exceeding one thousand dollars (\$1,000).

DEPARTMENT OF HEALTH OF THE CITY OF NEW YORK, SOUTHWEST CORNER OF FIFTY-FIFTH STREET AND SIXTH AVENUE, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES WILL BE received by the Board of Health of the Department of Health until 10 o'clock a. m. on

SATURDAY, DECEMBER 30, 1905,

FOR FURNISHING AND DELIVERING 10,615 TONS OF WHITE ASH ANTHRACITE COAL, AS REQUIRED, TO THE DEPARTMENT BUILDING, SIXTH AVENUE AND FIFTY-FIFTH STREET; THE WILLARD PARKER AND RECEPTION HOSPITALS, AT THE FOOT OF EAST SIXTEENTH STREET; THE HOSPITAL FOR CONTAGIOUS EYE DISEASES, AT ONE HUNDRED AND EIGHTEENTH STREET AND PLEASANT AVENUE, BOROUGH OF MANHATTAN; THE DEPARTMENT BUILDING, AT THIRD AVENUE AND ST. PAUL'S PLACE; THE DISINFECTING STATION, AT THE FOOT OF EAST ONE HUNDRED AND THIRTY-SECOND STREET, AND THE RIVERSIDE HOSPITAL, AT NORTH BROTHER ISLAND, BOROUGH OF THE BRONX; THE DEPARTMENT BUILDING, AT NOS. 38 AND 40 CLINTON STREET, AND THE KINGSTON AVENUE HOSPITAL, AT KINGSTON AVENUE AND FENIMORE STREET, BOROUGH OF BROOKLYN, CITY OF NEW YORK, DURING THE YEAR 1906.

A sample of the coal proposed to be delivered under this contract shall be submitted for examination and test with the bid. This sample, if possessing the necessary qualifications, as to ash and carbon as indicated in the specifications, will be submitted to a calorimeter test to determine its value as expressed in British thermal units. By dividing the number of thermal or heat units in a ton, as determined by the calorimeter test aforesaid, into the price per ton as submitted by the contractors, the cost per heat unit will be obtained. This cost will be made the basis of payment for all deliveries. It is intended that all deliveries should be equal in heat units produced to the sample thus tested, but deliveries producing heat units within a margin of 3 per cent. either way, as will be determined by tests of samples selected from each delivery, will be paid for at the contract price. Any delivery falling below this margin will be paid for on a basis of the total number of heat units produced, as indicated by the selected samples aforesaid, multiplied by the cost per heat unit as determined by the original test. Likewise any delivery producing a greater number of heat units than the margin allowed will be paid for in like manner. It is understood, however, that the right is reserved to reject any delivery where the number of heat units produced falls eight per cent. (8%) or more below the standard fixed by the tests made on the original sample, or where the coal does not conform to the sizes and standards specified.

Delivery will be made at the respective hospitals, at the hours, in such quantities and in such manner as may be required by the Board of Health during the year 1906; any changes in the time or place of delivery, however, may be made in writing by the Board of Health.

The time for the completion of the work and the full performance of the contract is during the year 1906.

The amount of security required is fifty per cent. (50%) of the amount of the bid. Bids will be compared and the contract awarded to the lowest bidder for each class, as indicated by the specifications.

Blank forms and further information may be obtained, and samples may be seen, at the office of the Chief Clerk of the Department of Health, southwest corner of Fifty-fifth street and Sixth avenue, Borough of Manhattan.

The Department steamboats ply daily between North Brother Island, Borough of The Bronx, and the foot of East Sixteenth street, Borough of Manhattan. They will call at the dock of the Contractor daily, or as often as necessary, to receive such coal as is required to keep their bunkers well supplied. PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
