#### DEPARTMENT OF STREET CLEANING.

##### Proposals.

SEALED BIDS WILL BE RECEIVED BY the Commissioner of Street Cleaning, Room 1244, Municipal Building, Manhattan, until 12 noon, on

**FRIDAY, SEPTEMBER 27, 1918.**

**Borough of Brooklyn.**

FOR A CONTRACT, PURSUANT TO SECTION 544 OF THE GREATER NEW YORK CHARTER, FOR THE RECEPTION, TRANSPORTATION AND FINAL DISPOSITION OF (1) THE ASHES, STREET SWEEPINGS AND RUBBISH WHICH SHALL BE COLLECTED BY THE CARS OR VEHICLES OF THE DEPARTMENT OF STREET CLEANING, FROM ANY SOURCE, IN THE BOROUGH OF BROOKLYN; (2) THE ASHES, STREET SWEEPINGS AND RUBBISH WHICH SHALL BE DELIVERED AT THE DUMPS IN THE BOROUGH OF BROOKLYN BY CARS OR VEHICLES AUTHORIZED BY THE DEPARTMENT OF STREET CLEANING TO USE THE DUMPS, DURING THE PERIOD COMMENCING JAN. 2, 1919, AND ENDING JAN. 1, 1922, WITH THE RIGHT TO RENEW THE CONTRACT FOR ANOTHER PERIOD OF TWO YEARS UPON THE SAME TERMS AND CONDITIONS, EXCEPTING THE PROVISION FOR RENEWAL.

Each bid must be accompanied by a certified check on a solvent banking corporation in the City of New York, payable to the order of the Comptroller of the City of New York for five (5) per centum of the amount for which the work bid for is proposed in any one year to be performed.

The check must not be enclosed in the envelope containing the bid, but must be delivered separately in another sealed envelope.

The amount of security required for the faithful performance of the contract is Two Hundred Thousand Dollars (\$200,000).

In addition, a special deposit of Fifty Thousand Dollars (\$50,000) in cash or in corporate stock or certificates of indebtedness of any nature issued by the City of New York, which the Comptroller shall approve as of equal value, shall be deposited with the Comptroller of the City of New York before the signing and delivery of the contract. This amount, or the unencumbered and unexpended portion thereof, will be returned to the Contractor in installments as set forth in the contract.

Each bidder shall furnish with his bid a statement showing a complete description of the methods to be used by him in performing the work required to be done under this contract, with specifications setting forth such methods in detail, and containing a reference to any patent or patent rights, or patented articles intended to be used by him. The bidder shall also furnish with his bid a list of the locations at which he proposes to establish dumps, and a statement of the kind and character of the dumps.

The compensation to be paid to the contractor, which shall be in full for all work performed, shall be as follows for the various items:

For the removal and final disposition of ashes and street sweepings, at a price or sum per standard ash cart load (a) or in like proportion.

For the removal and final disposition of rubbish at a price or sum per standard paper and rubbish cart load (b) or in like proportion.

These prices shall be written in words and shall also be stated in figures; in case of any discrepancy between the words and the figures, the words shall control.

All materials, whether more or less than the quantities estimated, stated or indicated in the "Information for Bidders," shall be received and disposed of by the contractor without any extra or other compensation than the said prices, which said prices shall cover all and every cost of reception, transportation and final disposition, however incurred, from the time that the materials are delivered to the contractor.

In the comparison to ascertain the lowest bid the following method will be used. Multiply the price or sum bid per cartload for ashes and street sweepings by the total number of standard cartloads as shown in the table for 1917 in the "Information for Bidders" (1,059,235); multiply the price or sum bid per cartload for rubbish by the total number of standard cartloads as shown in the said table (180,572); and add these two results.

The Commissioner of Street Cleaning reserves the right to select from the bids that bid the acceptance of which will, in his judgment, best secure the efficient performance of the work, or he may reject any or all of said bids.

#### NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing thereof or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchman or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point.
