DHS Adult Services Shelter Performance Ranking FY 2013 Q1 (July - September 2012)

The Performance Incentive Program - the PIP - holds shelter providers accountable on four primary indicators: permanent placements, recidivism, 9-month stayers, and-long term stayers placed (clients who have been in shelter for two out of the past four years). In the first two quarters of FY 2013, providers were held accountable only on permanent placements due to implementation of new data procedures. Providers returned over 9,000 clients to permanent housing in the community in FY 2013.

We congratulate our top ten performers this quarter:
