Resolved, That, in addition to the usual standing committees of this Board, the President appoint a committee, to consist of three members, to be known as the Committee on Harlem River Improvement, and to which shall be referred all papers and business relating to said subject which may come before this body.

Resolved, That said Committee be and it hereby is directed to confer and co-operate with his Honor the Mayor, the United States Engineer in charge of the proposed improvement, and the Commissioners of Estimate and Assessment appointed pursuant to acts of the Legislature, and to report to this Board, as early as possible, what further legislative action on the part of the City or State is needed to facilitate the progress of the above-mentioned work.

##### By Alderman Grant—

Whereas, The discontinuance of the trains on the Sixth Avenue Railroad, from 12 o'clock, M., until 5 o'clock A. M., every day, by order of the Managers of the Manhattan Elevated Railway Company, causes great annoyance and inconvenience to all the residents on the west side of the city, and many others, and is such a reprehensible exercise of arbitrary power, and such an outrage upon them, as to justify the most indignant remonstrance and condemnation, and a resort to the most extreme measures to compel this Railway Company to respect the rights of these people, and restore to them the accommodation for transit to which they have been accustomed, and to which they are entitled; and

Whereas, It is generally supposed to be the duty of this Railway Company, which is simply a common carrier, and bound by every consideration of justice and equity to operate its road, prima-

rily, for the convenience of the public, in return for the valuable public property it uses, and for which it is asked to pay no other equivalent; but, as it chooses, deliberately to subordinate this duty to the saving of a few paltry dollars from its enormous receipts during the other portion of each day, action should be taken by the representatives of the people, in this Common Council, to compel it to afford all the facilities necessary to enable all our citizens to reach their homes and places of business, both by day and night, with rapidity and safety; and

Whereas, As it is doubtful if the local authorities possess the requisite power to compel a prompt compliance with any direction they may give, in the premises, it being claimed that by the special act of the State Legislature that called the scheme of elevated railways in this city into existence, the company is amenable for its acts, only to that body, it is the imperative duty of this Common Council to interfere to the extent of its power, in favor of our aggrieved citizens, and to take the lead in the effort to secure to them their rights, thus wantonly violated by this giant monopoly, by an appeal to the Legislature in their behalf; be it therefore

Resolved, That the Legislature of this State be and hereby is respectfully requested, by the corporate authorities of this city, in behalf of its people, to take prompt and decided action to compel the Manhattan Elevated Railway Company to operate its roads in such a manner as to afford all needed facilities for public travel, both day and night, by specifically providing that trains shall be run on its roads continually, as often as the public convenience may require, and at no greater intervals of time, from twelve o'clock A. M. until five o'clock A. M., than fifteen minutes; and be it further

Resolved, That this Common Council hereby reiterates and approves of the proceedings taken by their predecessors in recommending to the Legislature the passage of a law similar to the law of the last session (which failed to receive the approval of the Governor), fixing the fare at a uniform rate of five cents for any distance traveled on either of the elevated railways; and be it further

Resolved, That the members of the State Legislature representing constituencies in this city, be and they are hereby earnestly requested to use every honorable means to secure the passage of an act that will secure to our citizens the rights and privileges mentioned in the foregoing preamble and resolutions, and the Clerk of this Board is hereby directed to transmit to the President of the Senate, to the Speaker of the Assembly, and to each Senator and Assemblyman from this city, a copy of the foregoing preamble and resolutions.

Which was referred to the Committee on Railroads, when appointed.

Subsequently Alderman Grant moved a reconsideration of the vote by which the preamble and resolutions was referred.

The President put the question whether the Board would agree with said motion.

Which was decided in the negative.

(G. O. I.)

## By the same—

Whereas, The "Penal Code," enacted by a former Legislature of this State, to take effect December 1, 1882, contains provisions relating to the observance of the Sabbath day which are peculiarly oppressive to many of our citizens; and

Whereas, The said "Code" is but the re-enactment of laws passed many years ago, some of which had practically become inoperative and void, and were regarded and treated by all of our citizens as obsolete; and

Whereas, While acknowledging that the "Code" contains many provisions which meets popular approval, and are obeyed and respected accordingly, yet it is as a whole incomplete in its construction, indefinite in its meaning, and incapable of an intelligent and uniform application, and so far as the provisions relating to the observance of the first day of the week are concerned are susceptible of being construed and arbitrarily applied in violation of the opinions and convictions of a great majority of our people; and

Whereas, The experience acquired since the law went into effect shows conclusively that its enforcement, or attempted enforcement, causes great dissatisfaction, and its operation is antagonized, by more than half the population of the city, and while it is evident that all our citizens favor a proper respect for and observance of the Sabbath day, it is equally clear that the greatest good will not accrue to the greatest number by the enforcement of this or any other law that is antagonistic to the wishes or opinions of a majority of those whom it is designed to govern; be it therefore

Resolved, That the Legislature of this State now in session be and is hereby respectfully, yet earnestly, requested to take such action as will revise and modify the said Penal Code, more particularly the clauses relating to the observance of Sunday, by stipulating definitely what may or may not be considered necessary and charitable works permissible on that day, and so clearly that nothing will be left discretionary in administering the law by which the rights or liberties of any of our citizens may be unduly jeopardized, and the Representatives of this city in the Legislature are hereby specially requested to use every honorable means to secure such a revision and modification of the said Penal Code; and be it further

Resolved, That a copy of the foregoing preamble and resolutions be transmitted by the Clerk of this Board to the President of the Senate, the Speaker of the Assembly, and to each Representative from this City in the Legislature of the State.

Alderman O'Connor moved that the resolution be laid over.

The President put the question whether the Board would agree with said motion. Which was decided in the affirmative.

Affirmative—The President, Aldermen Carroll, Cochrane, De Lacy, E. Duffy, M. Duffy, Farley, Finck, Fitzpatrick, Fleischbein, Foley, Grant, Jaehne, Kenney, Kirk, McLoughlin, O'Connor, O'Neil, Kinckhoff, Seaman, Sheehy, Smith, Waite, and Wells—24.

## By Alderman Cochrane—

Whereas, The City of New York, at the outbreak of the Revolution, the Capital of the Province of New York and the fourth commercial city of the thirteen colonies, was, in the summer of 1776, the second year of the war, after the disastrous battle of Long Island, captured by the British, together with the remainder of the Island of New York, notwithstanding the temporary check opposed in the gallant action at Harlem and the defence of Fort Washington, whereupon the entire territory became the fortified headquarters of the British standing forces in America, occupied by a large army and protected by a formidable fleet; and

Whereas, The City of New York was, at the time of its capture by the British, a well-ordered and well-built city, with elegant public edifices, commodious dwellings, and warehouses, the home of an industrious and thriving population; and

Whereas, The seven years of British occupation was one uninterrupted period of disaster, during which the sufferings incident to a military occupation were aggravated by conflagrations which destroyed nearly one-third of the city, including churches and public buildings, which were left to smoulder in their ruins, while large numbers of dwelling-houses which escaped the flames, deserted by their patriotic owners, were defaced and injured beyond repair; and

Whereas, The City of New York had, on many and critical occasions, shown her devotion to the cause of liberty, and resisted British oppression, among others, namely: When her citizens, refusing to submit to the Stamp Act, forced the Royal Governor to surrender the stamps to the keeping of the city authorities; when, in opposition to the acts of Parliament restrictive of colonial commerce, she, alone, of the cities which entered into the Non-Importation Agreement, adhered to the compact; in the determination of her people in public mass meeting to prevent the unloading of the tea ship which on its arrival was compelled to return with unbroken cargo; in the instantaneous uprising of the citizens in April, 1775, upon the news of the battle of Lexington, when they seized the arms and munitions of war, set aside the Royal authority and appointed a Committee of Safety for their own government; in their hearty adhesion to the Declaration of Independence, ratified by the Provincial Convention, and proclaimed in the streets of the city, under the guns of a British fleet which covered the bay, and in hourly expectation of an attack by land and water; and, finally, by the extensive and voluntary enlistment of her sons in the Continental Army, where they served in rank and file from the beginning to the close of the war; and

Whereas, The simultaneous evacuation of the City of New York by the British troops on the twenty-fifth day of November, 1783, and its formal occupation by the Army of the United States with General Washington, the Commander-in-Chief, attended by General George Clinton, the Governor of the State of New York, at its head—was to the city the final act of release, as it was to the nation the final act in its struggle for independence; and

Whereas, By the beneficent freedom from the oppressive and restrictive legislation of Great Britain, which that independence assured, and the consequent enormous development of the commerce of the United States, the City of New York has been enabled to realize its great natural advantages and to become not only the metropolitan city through which seven-tenths of the entire commerce of the country passes, but the chief commercial port of the world; therefore

Resolved, That New York holds in grateful memory the illustrious men who secured the independence of the States by their counsel and their arms, and cherishes with measureless attachment the union which brought together the discordant fragments of the Seaboard Confederation, and welded them into a national empire whose power and population now stretch from sea to sea, across the continent; and, therefore, in public acknowledgment of that gratitude and attachment, it is hereby

Resolved, That the City of New York will duly celebrate Monday, the twenty-sixth day of November, 1883 (the 25th falling on Sunday), as the Centennial Anniversary of the day of municipal deliverance and the beginning of an era of cosmopolitan grandeur, and that it respectfully requests the Legislature of the State to declare it a legal holiday; and invites the citizens, as individuals and in such corporate capacities as the State has conferred upon them, to make preparations to join in the ceremonies which may be hereafter appointed for the occasion, and that a Committee of be appointed by the President of the Board with authority to prepare, direct, and take charge of the same, to accept the offered co-operation therein of the Historical Society and the Chamber of Commerce of the city, and to invite other bodies elsewhere, private or corporate, civil or military.

Alderman O'Connor moved to fill in the blank in the resolution by inserting the word "nine."

Which was accepted by Alderman Cochrane.

The President then put the question whether the Board would agree with the preamble and resolution offered by Alderman Cochrane.

Which was decided in the affirmative.

And the President appointed as such Committee—

Aldermen Cochrane,  
Kirk,  
Fitzpatrick,  
Grant,  
Waite,  
De Lacy,  
E. Duffy,  
Jaehne, and  
O'Connor.

HEADQUARTERS  
FIRE DEPARTMENT, CITY OF NEW YORK,  
155 AND 157 MERCER STREET,  
NEW YORK, December 23, 1882.

## SEALED PROPOSALS FOR FURNISHING THIS

Department with the following articles:  
300,000 pounds Hay, of the quality and standard known  
as Good Sweet Timothy.  
55,000 pounds good clean Rye Straw.  
2,500 bags clean White Oats, 80 pounds to the bag.  
1,800 bags Fine Feed, 60 pounds to the bag.  
—will be received by the Board of Commissioners at the  
head of the Fire Department, at the office of said Depart-  
ment, Nos. 155 and 157 Mercer street, in the City of New  
York, until 10 o'clock A. M., Wednesday, January 10, 1883,  
at which time and place they will be publicly opened by  
the head of said Department and read.

Proposals must include all of the items, specifying the  
price per cwt. for hay and straw, and per bag for oats and  
feed.

All of the articles are to be delivered at the various  
houses of the Department in such quantities and at such  
times as may be directed.

No estimate will be received or considered after the  
hour named.

The award of the contract will be made as soon as prac-  
ticable after the opening of the bids.

Any person making an estimate for the articles shall  
present the same in sealed envelope, to said Board, at  
said office, on or before the day and hour above named,  
which envelope shall be indorsed with the name or names  
of the person or persons presenting the same, the date of  
its presentation, and a statement of the articles to which it  
relates.

The Fire Department reserves the right to decline any  
and all bids or estimates if deemed to be for the public  
interest. No bid or estimate will be accepted from, or  
contract awarded to, any person who is in arrears to the  
Corporation upon debt or contract, or who is a defaulter,  
as surety or otherwise, upon any obligation to the Cor-  
poration.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or them  
therein; and if no other person be so interested, it shall  
distinctly state that fact; that it is made without any con-  
nection with any other person making an estimate for the same  
purpose, and is in all respects fair and without collusion or  
fraud; and that no Member of the Common Council, Head  
of a Department, Chief of a Bureau, Deputy thereof or  
Clerk therein, or other officer of the Corporation is  
directly or indirectly interested therein, or in the supplies  
or work to which it relates, or in any portion of the profits  
thereof. The bid or estimate must be verified by  
the oath, in writing, of the party or parties making the  
estimate, that the several matters stated therein are in all  
respects true. Where more than one person is interested,  
it is requisite that the verification be made and subscribed  
by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders of the  
City of New York, with their respective places of business  
or residence, to the effect, that if the contract be awarded  
to the person making the estimate, they will, on its being so  
awarded, become bound as his sureties for its faithful per-  
formance in a sum not less than one-half the amount of the  
estimate; and that if he shall omit or refuse to execute the  
same, they will pay to the Corporation any difference be-  
tween the sum to which he would be entitled on its comple-  
tion and that which the Corporation may be obliged to pay  
to the person or persons to whom the contract may be  
awarded at any subsequent letting; the amount in each  
case to be calculated upon the estimated amount of the work  
by which the bids are tested. The consent above men-  
tioned shall be accompanied by the oath or affirmation,  
in writing, of each of the persons signing the same, that he  
is a householder or freeholder in the City of New York, and  
is worth the amount of the security required for the comple-  
tion of this contract, over and above all his debts of every  
nature, and over and above his liabilities as bail, surety,  
or otherwise; and that he has offered himself as a surety  
in good faith and with the intention to execute the bond  
required by law. The adequacy and sufficiency of the  
security offered is to be approved by the Comptroller of  
the City of New York before the award is made and prior  
to the signing of the contract.

No estimate will be considered unless accompanied  
by either a certified check upon one of the national  
banks of the City of New York, drawn to the order of the  
Comptroller, or money, to the amount of two hundred  
and fifty (\$250) dollars. Such check or money must  
not be inclosed in the sealed envelope containing the  
estimate, but must be handed to the officer or clerk  
of the Department who has charge of the Estimate-box,  
and no estimate can be deposited in said box until such  
check or money has been examined by said officer or  
clerk and found to be correct. All such deposits, except  
that of the successful bidder, will be returned to the per-  
sons making the same within three days after the contract  
is awarded. If the successful bidder shall refuse or  
neglect, within five days after notice that the contract has  
been awarded to him, to execute the same, the amount of

the deposit made by him shall be forfeited and retained  
by the City of New York, as liquidated damages for such  
neglect or refusal; but, if he shall execute the contract  
within the time aforesaid, the amount of his deposit will  
be returned to him.

Should the person or persons to whom the contract  
may be awarded neglect or refuse to accept the contract  
within five days after written notice that the same has  
been awarded to his or their bid or proposal, or if he or  
they accept but do not execute the contract and give the  
proper security, he or they shall be considered as having  
abandoned it and as in default to the Corporation, and  
the contract will be readvertised and relet as provided  
by law.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.

The form of the agreement and specifications, and  
showing the manner of payment for the articles, may be  
seen and forms of proposals may be obtained at the  
office of the Department.

awarded to the person making the estimate, they will,  
upon its being so awarded, become bound as his sureties  
for its faithful performance; and that if he shall refuse or  
neglect to execute the same, they will pay to the Corpora-  
tion any difference between the sum to which he would be  
entitled upon its completion, and that which the Corpora-  
tion may be obliged to pay to the person to whom the con-  
tract shall be awarded at any subsequent letting; the  
amount to be calculated upon the estimated amount of  
the work by which the bids are tested.

The consent last above mentioned must be accompanied  
by the oath or affirmation, in writing, of each of the per-  
sons signing the same, that he is a householder or free-  
holder in the City of New York, and is worth the amount  
of the security required for the completion of the con-  
tract, over and above all his debts of every nature, and  
over and above his liabilities as bail, surety, or otherwise,  
and that he has offered himself as surety in good faith,  
with the intention to execute the bond required by law.

No estimate will be considered unless accompanied  
by either a certified check upon one of the national  
banks of the City of New York, drawn to the order of the  
Comptroller, or money, to the amount of five per centum  
of the amount of the security required for the faithful per-  
formance of the contract. Such check or money must  
not be inclosed in the sealed envelope containing the esti-  
mate, but must be handed to the officer or clerk of the  
Department who has charge of the Estimate-box, and no  
estimate can be deposited in said box until such check or  
money has been examined by said officer or clerk and  
found to be correct. All such deposits, except that  
of the successful bidder, will be returned to the persons  
making the same within three days after the contract is  
awarded. If the successful bidder shall neglect or refuse,  
within five days after notice that the contract has been  
awarded to him, to execute the same, the amount of the  
deposit made by him shall be forfeited and be retained  
by the City of New York as liquidated damages for such  
neglect or refusal; but, if he shall execute the contract  
within the time aforesaid, the amount of his deposit will  
be returned to him.

which to inclose the same, the specifications and agree-  
ments, and any further information desired can be obtained

NEW YORK, December 30, 1882.

## PUBLIC NOTICE.

PROPOSALS INCLOSED IN SEALED ENVEL-  
opes, and indorsed with the name of the person or  
persons making the same, and the date of presentation,  
will be received at the office of the Department of Street  
Cleaning, No. 51 Chambers street, in the City of New  
York, under and in pursuance of authority conferred by  
chapter 367, Laws of 1881, entitled "An act to create a  
Department of Street Cleaning in the City of New York,  
and to provide for the cleaning of the streets of said city,  
for the removal of snow and ice therefrom, and for the  
collection of ashes, garbage and street-sweepings, and the  
disposal of the same," passed May 26, 1881, three-fifths  
being present, until 12 o'clock M., of Monday, the 15th day  
of January, 1883, at which time and place the proposals will  
be publicly opened and read: For the final disposition  
of the street sweepings, ashes, and garbage, collected in  
the City of New York and delivered at the several dumps  
or dumping-places of the Department of Street Cleaning  
in said city, for the term of four years, from the first day  
of February, 1883.

The person or persons to whom the contract may be  
awarded will be required to furnish suitable and suffi-  
cient scows or boats for the reception of said substances  
and material, when the same are delivered at said  
dumps or dumping-places of the Department of Street  
Cleaning; to defray the expense of trimming, towing,  
and unloading said scows or boats, and all other expenses  
incurred in disposing of said substances and material,

and to conform to and obey all laws of the United  
States, of the State of New York, ordinances of the  
Board of Aldermen of the City of New York, the Sanitary  
Code of the Board of Health of said city, touching  
the removal from said city of said substances and ma-  
terial or dumping thereof, or any part thereof, either  
within the limits of said city, or in the waters of the  
North or East rivers, adjoining the counties of New  
York, Kings, Westchester, or Richmond, or in the bay  
of New York, or Raritan bay, within the jurisdiction of  
the State of New York, or in the waters of Jamaica bay,  
or in the waters of the Atlantic ocean, within three  
miles of Coney Island, or within three miles of Rocka-  
way Beach or Far Rockaway, or within less than one  
mile beyond the outer bar.

If any part of said substances and material should be  
required by any person or persons, or department of the  
City of New York, for the purpose of filling in lots, or for  
other purposes, the Commissioner expressly reserves the  
right to deliver as much of said substances and material  
as he may deem necessary for such purposes, without  
invalidating the terms of the contract.

The price for which the work will be done must be  
written in the bid and stated in figures, and shall be at a  
rate per cubic yard, measurements and estimates to be  
made by an Engineer appointed by the Commissioner of  
Street Cleaning, on the boats or scows of the contractor  
or contractors, at the several dumps or dumping-places of  
the Department of Street Cleaning; or if the street-  
sweepings, ashes and garbage are bid for at a separate  
price for each class of work, and the said Commissioner  
accepts bids in that form, the measurements and esti-  
mates may be made by said Engineer on the substances  
and material delivered at the dumps or dumping-places,  
upon the scows or boats at said dumps or dumping-  
places.

Bidders will be allowed, at their option, to bid a price  
per cubic yard upon the work, as a whole, as a mass, or  
a separate price for each class of the work, the bid or bids  
being for the performance of the whole work, as herein-  
after described and classified, to wit:

1st. For the final disposition of the street-sweepings,  
ashes and garbage collected in the City of New York,  
and delivered as a mass at the several dumps or dump-  
ing-places of the Department of Street Cleaning in said  
city:

Per cubic yard.....  
Or, 2d. For the final disposition of the street-sweep-  
ings collected in the City of New York, and delivered at  
the several dumps or dumping-places of the Department  
of Street Cleaning in said city, said street sweepings to be  
separated from all other substances and material only as  
far as may be practicable in the judgment of the Com-  
missioner of Street Cleaning.

Per cubic yard.....  
And for final disposition of the ashes, separated from  
all other substances and material only as far as may be prac-  
ticable in the judgment of the Commissioner of Street  
Cleaning, collected in the City of New York, and deliv-  
ered at the several dumps or dumping-places of the De-  
partment of Street Cleaning, in said city:

Per cubic yard.....  
And for the final disposition of the garbage, separated  
from all other substances or material only as far as may  
be practicable in the judgment of the Commissioner of  
Street Cleaning, collected in the City of New York, and  
delivered at the several dumps or dumping-places in said  
city.

Per cubic yard.....  
The estimated quantities of street sweepings, ashes and  
garbage to be removed from the City of New York, and  
finally disposed of per year, are as follows:

1. Street sweepings, two hundred thousand cubic yards.  
2. Ashes, seven hundred thousand cubic yards.  
3. Garbage, one hundred thousand cubic yards.

The person or persons to whom the contract may be  
awarded will be required to attend at this office with the  
sureties offered by him or them, and execute the contract  
within five days from the date of the service of a notice  
to that effect; and, in case of failure or neglect so to do,  
he or they will be considered as having abandoned it, and  
as in default to the Corporation, whereupon the Commis-  
sioner of Street Cleaning may either make another selec-  
tion from the proposals submitted in accordance with this  
public notice, or readvertise and relet the work, as he  
may consider best for the public interest.

If the person or persons to whom the contract may be  
awarded, shall neglect or delay to commence the work or  
any portion thereof, on or after the 1st day of February,  
1883, the Commissioner of Street Cleaning may perform  
the said work or any portion thereof for such period of  
neglect or delay, and charge the whole expense of the  
same against the said person or persons, and deduct the  
same from any amount due or to become due under the  
contract.

Bidders are required to state in their proposals, under  
oath, their names and places of residence, the names of  
all persons interested with them therein, and, if no other  
person be so interested, they shall distinctly state the  
fact; also, that it is made without any connection with  
any other person making any bid or proposal for the  
above work; and that it is in all respects fair, and with-  
out collusion or fraud; and also that no member of the  
Common Council, head of a Department, chief of a bureau,  
deputy thereof, or clerk therein, or other officer of the  
Corporation, is directly or indirectly interested therein,  
or in the supplies or work to which it relates, or in any  
portion of the profits thereof. Where more than one per-  
son is interested, it is requisite that the verification be  
made and subscribed by all the parties interested. Each  
proposal shall also be accompanied by the consent, in  
writing, of two householders or freeholders of the City of  
New York, with their respective places of business or  
residence, to the effect that, if the contract be awarded  
to the person or persons making the proposal, they will,  
on its being so awarded, become bound as his or their  
sureties for its faithful performance, in the amount  
of fifty thousand dollars; and that if he or they shall  
omit or refuse to execute the same, they will pay to the Cor-  
poration any difference between the sum to which he  
would be entitled on its completion and that which the  
Corporation may be obliged to pay to the person or per-  
sons to whom the contract may be subsequently awarded.  
The consent above mentioned shall be accompanied by  
the oath or affirmation, in writing, of each of the persons  
signing the same, that each is a householder or freeholder  
in the City of New York, and is worth the amount of the  
security required for the completion of the contract as  
stated in the proposals, over and above all his debts of  
every nature, and over and above his liabilities as bail,  
surety, or otherwise; that he has offered himself as a  
surety in good faith, and with an intention to execute the  
bond required by law. The adequacy and sufficiency of  
the sureties offered shall be approved by the Comptroller  
of the City of New York.

Permission will not be given for the withdrawal of any  
bid or proposal, and the right is expressly reserved  
by the Commissioner of Street Cleaning to reject any  
or all bids, or to select the bid or bids the acceptance  
of which will, in his judgment, best secure the efficient  
performance of the work. No bid will be accepted from, or  
contract awarded to, any person who is in arrears to the  
Corporation upon debt or contract, or who is a defaulter,  
as surety or otherwise, upon any obligation to the Corpora-  
tion.

Each proposal must be accompanied by a certified check  
on a solvent banking corporation in the City of New York  
payable to the order of the Comptroller of the City of New  
York, for five per cent. of the amount bid for the perfor-  
mance of all the work required by said contract to be done  
in any one year. On the acceptance of any bid, the  
checks of the unaccepted bidders will be returned to them,  
and upon the execution of the contract the check of the  
accepted bidder will be returned to him.

The contract will contain a stipulation or condition that  
it may be terminated on ten days' notice to the Con-  
tractor by the Commissioner of Street Cleaning, with the  
approval of the Mayor.

All bids must be made with reference to the form of con-  
tract and the requirements thereof which will be on file at  
the Department of Street Cleaning, or they will be rejected;  
and the same is referred to as a part of this notice.

Blank forms of contract may be obtained at the Depart-  
ment of Street Cleaning, 51 Chambers street, New York  
City, on or after Wednesday, January 3, 1883.  
JAMES S. COLEMAN,  
Commissioner of Street Cleaning.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9:30 o'clock A. M., of Friday, January 12, 1883. The person or persons making any bid or estimate shall furnish the same in a sealed envelope indorsed "Bid or Estimate for Groceries, Dry Goods, Leather, Woodenware, Tin, etc." and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal sum of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated New York, December 30, 1882.

The above quantity is estimated and approximated only, and bidders are notified that if the Department shall require more than that quantity, the contractor must furnish all that is required and will be paid therefor only at the rates or prices named in the contract; and that in case the above-named quantity shall not be required by the Department, no allowance will be made for any real or supposed damage or loss of profit.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal sum of two thousand (\$2,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or estimate, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are cautioned to examine the form of contract and the specifications for particulars before making their estimates. Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payments will be made by a requisition on the Comptroller, issued monthly.

Bidders are informed that no deviation from the contract and specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, showing the manner of payment will be furnished at the office of the Department.

Dated New York, December 28, 1882.
