## DEPARTMENT OF FINANCE.

# WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE THURSDAY, AUGUST 6, 1914.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some

reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

WILLIAM A. PRENDERGAST, Comptroller.

#### DEPARTMENT OF DOCKS AND FERRIES.

Auction Sale of Lease. OFFICE OF THE DEPARTMENT OF DOCKS AND FERRIES, PIER "A," FOOT OF BATTERY PLACE, NORTH RIVER, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

Bryan L. Kennelly, Auctioneer, will sell, on behalf of the Department of Docks and Ferries.

behalf of the Department of Docks and Ferries, at Pier "A," foot of Battery Place, North River, Borough of Manhattan, at public auction to the highest bidder on FRIDAY, AUGUST 14, 1914,

commencing at 11.30 o'clock A. M. for a term of five years beginning September 1, 1914, a lease of the following described property:

The inshore or most easterly dump on the northerly side of the pier at the foot of

Manhattan, together with the right to use the ramp or approach thereto.

It being understood that the lessee shall not in any way interfere with the operation of the Department of Street Cleaning dumps on the northerly side of said pier.

The lessee shall make all repairs to the dump-

ing board above described. All repairs to that portion of the ramp or approach extending from the easterly end continue to operate a dumping board on the thereof to the westerly end of the inshore premises leased and that said dumping board dumping board shall be made by the Department of Street Cleaning, but one-half of the cost thereof, as shown by the books and accounts of the Department of Street Cleaning shall be borne by the lessee.

The lessee shall covenant and agree that he will at all times do such dredging from time to time during the term of said lease as may be considered necessary or proper by the Commissioner of Docks to a depth of at least 20 feet at mean low water, in the basin or slips, or water adjacent at the porthely side of said or water adjacent at the northerly side of said pier, commencing at the bulkhead line and extending outshore to the westerly end of the inshore or most easterly dumping board.

TERMS AND CONDITIONS OF SALE. The upset price of the parcel offered for sale will be \$5,000 per annum. The Commissioner of Docks reserves the right to reduce the upset price at the time of the sale if in his opinion he deems it advisable so to do.

The auctioneer's fee of Fifty Dollars (\$50) must be paid by the purchaser at the time of

The purchaser will be required at the time of the sale to pay, in addition to the auctioneer's fee, to the Department of Docks and Ferries twenty-five per cent (25%) of the amount of the annual rent bid as security for the execution of the lease, which twenty-five per cent (25%) will be applied to the rent first accruing under the lease, when executed, or will be for-feited to the Department of Docks and Ferries f the purchaser neglects or refuses to execute the lease with good and sufficient surety to be approved by the Commissioner of Docks within ten (10) days after being notified that the lease s prepared and ready for execution at the office the Department of Docks and Ferries, Pier A." foot of Battery Place, North River.
The Department expressly reserves the right

to resell the lease of the premises bid for by those failing, refusing or neglecting to comply with these terms and conditions, the parties so failing, refusing or neglecting to be liable to The City of New York for any deficiency re-sulting from or occasioned by such resale. The term for which this lease is sold will commence at the date mentioned in this advertisement, namely, September 1, 1914, and rent will be payable from that date.

No dredging will be done prior to the com-mencement of the lease in the slip or basin or water immediately adjacent to the premises and the structures thereon must be taken in the condition in which they are at the commencement of the term of the lease, and no claim or demand that the premises or property or any structures thereon are not in suitable and tenantable condition at the comemncement of the term will be allowed by the Commissioner of Docks.

The Commissioner of Docks expressly reserves the right to reject any and all bids if in his judgment he deem it for the best interests of the City of New York so to do. No person will be accepted as a successful bidder who is delinquent on any form of contract with the Department of Docks and Ferries or with the City of New York. No bid will be received from any person who is in arrears to the Department of Docks and Ferries or to the City of New York upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the Department of Docks and Ferries or to the City of New York.

The rent shall be paid in four equal quarterly

payments in advance. If by reason of total or partial destruction from any cause the premises hereby leased, or the structures thereon, shall require to be rebuilt, the same shall be so rebuilt under the direction of the Commissioner of Docks in like manner and similar to the premises destroyed by and at the expense of the lessee and in accordance with plans and specifications submitted to and approved by the Commissioner

of Docks. In case the lessee shall make default or shall neglect to make repairs or rebuilding or do such painting or dredging for the space of ten days after notice so to do shall have been given by the Commissioner of Docks or any proper officer, agent or employee of the Department of Docks and Ferries, then the lease shall be null and void and the lessee will pay to the City of New York such damages as it may have sustained, or the Commissioner of Docks may, at his option, make such repairs and rebuilding, or do such dredging and painting and the full cost and expense thereof shall and will be paid on demand by the lessee to the City of New York, and no claim for damages or for reduction of rent shall be made by the lessee y reason thereof.

No claim or demand will be considered or allowed by the Department for any loss or defrom use of said premises or otherprivation wise esulting from or occasioned by any de-lay on account or by reason of the premises or any part thereof being occupied for or on account of any repairs, rebuilding, painting or

dredging. The lessee will be required upon the execution of the lease to furnish a bond executed by a guaranty or surety company, to be approved by the Commissioner of Docks, in double the amount of the annual rent bid, for the faithful performance of all the covenants and conditions of the lease. In the event that the Commissioner of Docks shall, during the term of said lease, for any reason whatsoever, deem advisable that other surety or sureties should be substituted in lieu of the surety or sureties upon the bond, then, and in such event, the lessee shall and will, whenever so ordered by the Commissioner of Docks, furnish a new bond with such surety or sureties as may be approved by him in lieu of the bond originally

The lessee will be required to agree that he will at all times keep posted in at least two conspicuous places upon the pier, printed in large type so that the same can be readily seen by pasers-by on the adjacent marginal street the prices to be charged to the public for the privilege of dumping, and that the maximum prices to be charged to the public shall be as

For single dump cars, not exceeding 40

cents. For single trucks, not exceeding 50 cents. For double trucks, not exceeding 70 cents. Rubbish and light material, 20 cents additional per truck.

it being understood and agreed that the establishment of such maximum or limiting prices does not prevent the lessee, at his option, from charging lower rates, and that during the life of the lease the Commissioner of Docks may, in his discretion, increase but not decrease said maximum or limiting prices, but such prices shall only be increased after the establishment of

West 30th Street, North River, Borough of keep true and correct books of account showing moneys received, the quantity of material dumped and where disposed of, the rates charged therefor and the names of persons using the dump, and that said books of account shall at all times during the term of the lease be open to inspection by the Commissioner of Docks or

The lessee will be required to agree that he will at all times during the term of the lease shall be public to all, and that no application for dumping privileges shall be refused until the maximum capacity of the board is reached, and that there shall be no discrimination in price charged either by special rate or rebate.

The premises demised, or any part thereof, shall not be used as a stable nor for the sorting or storage of rags, barrels, boxes or refuse of any kind, and the premises shall at all times be kept in a clean and sanitary condition to the

satisfaction of the Commissioner of Docks.

The establishment of violation of any of the terms and conditions herein contained as fact in the judgment of the Commissioner of Docks shall be sufficient ground for the cancellation of the lease, and in such event the lessee will make no claim of any kind whatsoever for damages against The City of New York. The lessee will be required to agree that if

at any time during the term hereby created the Commissioner of Docks shall determine to proceed with the work of building or rebuilding wharves, piers, bulkheads, basins, docks or slips within a section or district of the waterfront which shall include the premises hereinbefore described, according to any plan or plans now adopted and approved, or which may hereafter be adopted and approved, and pursuant to any existing or future law, and if the said Commissioner of Docks shall determine that for the purpose of such building or rebuilding it will be necessary to terminate the interest of the lessee in the property hereby leased, or any part thereof, then upon service upon the lessee of written notice from the Commissioner of Docks to that effect, the interest of the lessee in the said property, or part thereof, shall be thereby terminated and the rent hereby reserved shall cease from the date specified in said notice, and of the lessee by reason of the termination of such interest or to, or on account of any construction or improvement that may have been erected by the lessee shall, at any time, be made by the lessee or by any person or persons whom-

The remaining terms and conditions of the lease shall be similar to those contained in leases of wharf property now used by the Department of Docks and Ferries, copies of which may be seen and examined at the office of the Department, Pier "A," foot of Battery Place, North River, Borough of Manhattan.

Resolved, That the rules and regulations adopted by the Board of Health May 20, 1913, in reference to Day Nurseries, be and the same are hereby amended so as to read as follows: 1. Each child must be inspected on admis-

sion and if suspicious signs of contagious disease are noted, the child must be placed in the isolation room and kept entirely apart from the other children, and the Department of Health notified at once.

2. An isolation room for cases of suspected contagious diseases shall be provided. 3. All rooms devoted to nursery or kinder-garten purposes shall be above the street level unless there is a cellar underneath the room so

4. The premises shall at all times be kept in a clean and sanitary condition. Dry dusting or sweeping is prohibited.

5. Adequate ventilation, lighting and heating shall be provided. Except in extremely cold weather, adequate ventilation must be maintained hy means of open windows.

6. A well ventilated room for children's outer garments shall be provided. In this room the clothing removed from the children in the morning must be placed.

7. A minimum of 200 cubic feet of air space for each child shall be provided.

8. Each iron bed or crib shall be placed so that there will be a space of two feet on all sides except where the head or sides of a bed or crib may touch the wall.

9. Woven wire springs shall be provided, over which a folded blanket, protected by rubber or oilcolth sheeting, must be placed. Mattresses are not allowed.

10. The use of common wash cloths, towels combs and hair brushes is prohibited.

11. All diapers that have become soiled dur ing the day shall be immediately placed in water and thereofter thoroughly washed and boiled. No diapers in an unclean condition shall be re-

moved from the premises.

12. Unless the clothing worn by a child is thoroughly clean on admission, a suitable overapron (the property of the day nursery) shall be worn through the day, and each individual apron shall be marked for identification, unless

a clean apron is provided daily.

13. Adequate care must be taken of the milk, bottles and nipples used in infant feeding.

14. No more children shall be admitted daily. than are allowed by the permit of the Board of Health.

15. Each Day Nursery in the City of New York shall have attached thereto a regular physician of its selection, duly licensed under the laws of the State, and in good professional standing, and immediately upon the appointment of said physician, the Day Nursery shall notify the Director of the Bureau of Child Hygiene of the name and address of said physician. It shall be the duty of such physician:

a. To make a systematic examination of every regularly attending child at least twice a month, said examinations to be made at least

two weeks apart. b. To examine each child applying for admission and if suspicious signs of infectious disease are noted, to have such child placed in the isolation room, separate and apart from other children, and immediately notify the Depart-ment of Health, or if such child is found free from infectious disease, to issue a certificate to that effect and deliver same to the Matron-in-

charge of the Nursery.
c. To take a vaginal smear from every fe male child applying for admission and forward same to the Department of Health for examination, and not to issue a certificate of admission as provided in Rule 2, unless the result of the examination of such smear shall be negative.

d. To take later vaginal smears from all female children who have been denied admission because of gonorrheal vaginitis, or to have such smears taken by an inspector of the Department of Health.

16. It shall be the duty of the Matron in-

charge of each Day Nursery in the City of New a. To have on file, in the office of the Nur

sery, an original certificate of health, signed by the nursery physician, for each child that is a regular attendant.
b. To have on file, in the office of the Nursery, a record that each child regularly attend ing has been examined by the nursery physician at least twice a month, the said examinations to

be not less than two weeks apart.

c. To prevent the admission of chidiren to the nursery until after they have been examined by the nursery physician and a certificate to the effect that they are free from infectious

disease, has been issued.
d. To notify the Department of Health and the Nursery Physician immediately, by telephone, of any suspicious rash or illness which appears among the children, during the absence of the nursery physician, and to isolate any child or children so affected in the isolation room.

To make daily inc other person bringing the child, as to whether or not any sickness exists in the child's home, and if any suspicion is aroused as to the possibility of such home sickness being of an infec-tious nature, the child shall be excluded and the Departement of Health notified, and such exclusion shall continue until a certificate of the Department of Health is furnished, to the effect that the premises referred to are free from

infectious disease.

f. To require that every certificate of health for a female child shall not be considered complete unless attached thereto is a certificate of the Department of Health to the effect that the examination of the vaginal smear is negative. g. To exclude any female child who has been shown by examination of a vaginal smear

to be affected with gonorrhoeal vaginitis unless accompanied by a certificate of the Department of Health to the effect that two smears taken on successive days have shown negative results.

h. To enforce all rules and regulations of the Department of Health for the conduct of Day Nurseries, in so far as they relate to lighting, heating, ventilation, cleanliness and general sanitary condition of the Day Nursery under her charge, and the care and maintenance of the attending children and their clothing, and the

character and method of preservation of food. Note: The Department of Health will assume the responsibility of instructing the day nursery physicians in the technique of making smears for the detection of the bacilli of gonor-

The selected physicians should be notified by the day nursery authorities to apply to the Diagnosis Laboratory of the Department of Health for such assistance and instruction. Failure to observe these rules may result in the revocation of the permit.

## INVITATION TO CONTRACTORS.

Route No. 33, Section No. 3. THE PUBLIC SERVICE COMMISSION FOR the First District (hereinafter called the Commission), acting for and in behalf of The City of New York (hereinafter called the City),

No. 3 of Route No. 33, a part of the Broadway-Fourth Avenue and Seventh Avenue-Lexington Avenue Rapid Transit Railroads.

The points within the City of New York between which the said part is to run and the route or routes to be followed are briefly as

follows:

300.00

Section No. 3. Beginning at a point under Montague Street in the Borough of Brooklyn about seventy-five (75) feet west of the westerly line of Clinton Street, and extending thence eastwardly under Montague Street and con-tinuing southeastwardly under Fulton Street and eastwardly under private property, Willoughby Street and again under private property to a connection with the Fourth Avenue Rapid Transit Railroad in Flatbush Avenue Extension at Prince Street; with a station in Montague Street between Clinton Street and Court Street.

Also beginning at a point under Fulton Street in the Borough of Brooklyn about one hundred and forty-eight (148) feet south of the south-erly line of Clark Street, and extending thence southeastwardly under Fulton Street to a connection with the Brooklyn-Manhattan Rapid Transit Railroad subway under Fulton Street t Willoughby Street; with a station at Borough

Hall. The general plan of construction calls for a subsurface railroad in two parts, each part having two tracks.

The Contractor will not be required to pro-

vide or place permanent track, ventilating apparatus or station finish. The work under the contract will include the

care and support of buildings, vaults, sewers, pipes, railroads and other surface, subsurface and overhead structures, the maintenance of traffic and the restoration of pavements and other sur-

The method of construction will be generally by tunneling and partly by excavation from the

surface.

Bidders must examine the form of contract and the specifications and the contract drawings, must visit the location of the work and inform themselves of the conditions along the line of the work and must make their own estimates of the facilities and difficulties attending the ex-

ecution of the work.

The attention of bidders is especially directed to the contract requirements as to the methods of tunneling, the Contractor's responsibility for

damage to property, and the damages for non-completion within the time prescribed.

A fuller description of the work and other requirements, provisions, details and specifica-tions are given in the form of contract and in the contract drawings therein referred to. Copies of the form of contract, bond and con-tractor's proposal and of the contract drawings may be inspected and purchased at the office of the Commission, No. 154 Nassau Street, Borough of Manhattan, New York City. The form of contract, bond and contractor's proposal and the contract drawings are to be deemed a part of this Invitation.

Partial payments to the Contractor will be made as the work proceeds.

The Contractor must complete the work within thirty-six (36) months from the delivery of the

At the time of delivery of the contract, the Contractor must furnish security to the City by depositing a bond, cash or securities in the sum of three hundred thousand (\$300,000) dollars. As further security ten (10) per centum of the amounts certified from time to time to be due the Contractor will be deducted.

Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau street, Borough of Manhattan, City of New York, until the 21st day of August, 1914, at twelve fifteen (12.15) o'clock p. m., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Proposals must be in the form prescribed

A statement, based upon the estimate of the Chief Engineer of the Commission, of the quantities of the various classes of the work and of the nature and extent as near as practicable of the work required is to be found in the schedule forming a part of the form of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City for damages or an ticipated profit or loss of profit on account of any excess or deficiency, absolute or relative,

Every proposal must, when submitted, be enclosed in a sealed envelope endorsed "Proposal for Constructing Part of Rapid Transit Railroad—Route No. 33, Section No. 3," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. No proposal will be received unless accompanied by a separate certified check for the sum of fifty thousand dollars (\$50,000), payable to the order of the Comptroller of the City and drawn upon a national or state bank or trust company satisfactory to the Commission and having its principal office in New York City. Such check must not be enclosed in the envelope containing the proposal.

At the time of the delivery of the contract the contractor must furnish security to the City by depositing a bond or cash in a sum equal to ten per centum (10%) of the total amount to be paid under the contract. Payment will be made to the contractor on the expiration of forty (40) days after the acceptance of the materials and work, as provided in the form of contract.

A fuller description of the materials to be furnished and the work to be done is set forth and other requirements, provisions, details and specifications are stated in the form of contract and in the contract drawings therein referred to.

Scaled bids or proposals will be received at the office of the Commission, No. 154 Nassau street, Borough of Manhattan, New York City, until the 21st day of August, 1914, at twelve fifteen (12.15) o'clock p. m., at which time and place, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Proposals must be in the form prescribed by the Commission and must be signed and sworn to and must be accompanied by a copy of this Invitation and of the form of contract and form of bond. Copies of this Invitation and of the form of contract, bond and contractor's proposal and of the contract drawings may be inspected and purchased at the said office of the Commission. Bidders must state in their proposals the number of days, exclusive of Sundays and legal holidays, after the delivery of the contract within which the delivery of the Special Work

will be completed. Every proposal must when submitted be en-closed in a sealed envelope endorsed "Proposal for the Supply of Special Work, Portions No.

5, 6, 12, 13, 14, 15 and 16," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. No proposal will be received unless accompanied by a separate certified check for two thousand dollars (\$2,000), payable to the order of the Comptroller of the City and drawn upon a national or state bank or trust company satisfactory to the Commission and having its principal office in New York City. Such check must not be enclosed in the envelope containing the proposal.

The prices must not be improperly balanced and any bid which the Commission considers detrimental to the City's interests will be reiected.

Every proposal must be for supplying all the Special Work above referred to and no proposal will be received for supplying only a part there-of. No proposal, after it shall have been de-posited with the Commission, will be allowed to

be withdrawn.

The award of the contract will be made as soon as practicable after the opening of the proposals.

Deposits made by bidders whose proposals are not accepted will be returned within three (3) days after the contract is executed and delivered and its provisions in respect of the bond or deposit are complied with, unless all proposals shall be rejected, in which event such deposits will be returned within three (3) days after such rejection. THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expira-

tion of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the respective the land or the buildings. for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the pur chase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of

the above conditions of sale. The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will rot be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will

permit. All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurte-nances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plas-ter only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their founda-tions shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regu-lations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all 1914, and that the said Commissioners will hear parties so objecting, and for that purpose will the street and the openings of the main sewer in which the work is to be done. Plans and draw parties so objecting, and for that purpose will the street and the openings of the main sewer in ings of construction work may also be seen there

in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the

work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, togethe with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in

every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and tences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the ma-terials of said party walls shall be understood to be equally divided between the separate purchasers

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls are to be taken down and removed. The walls shall be made permanently self-supporting, beamholes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Computations of The City of New York re-

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

PROPOSALS FOR BIDS AND ESTI-MATES FOR THE CITY OF NEW

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according

to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so inter-ested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose. and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated

herein are in all respects true.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or Na ional banks of The City of New York, drawn to the order of the Comptroller, or money or cor-porate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The amount shall be as specified in the pro-posals or instructions to bidders and shall not be in excess of 5 per cent.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate

envelope addressed to the head of the Depart ment, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifica

tions, schedules, plans, etc., on file in the said office of the President, Board or Department. No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any

obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids

or estimates in addition to inserting the same in

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon applica-tion therefor at the office of the Department for
