J. McKEE BORDEN, Secretary.

Department of Public Charities of The City of New York, Foot of East 26th St., New York, July 29, 1910. Detroit Cadillac Motor Car Co., 1819 and 1821 Broadway, Ctv. Dear Sirs—Your proposition of July 28, 1910, reading as follows:

"Confirming conversation to-day in reference to repairs on the Coney Island Hospital Ambulance, wish to say that we have made a thorough investigation on this job and find the only serious damage having been done to the frame, and according to our best knowledge the frame is the only part of the wrecked car that will have to be replaced, under these conditions we beg leave to guarantee that the complete repairs to this car will not exceed \$500.

"In this respect we beg permission to proceed with the work in accordance with our regular custom, at the rate of 75 cents per hour, plus actual cost to us of any new parts which we may be compelled to supply. This operation will enable you to get the best results of our repair shop at a minimum cost. We are certain that the job will not cost the above full figure, but we may find, on a further examination of the engine, that the crank shaft might be bent, in which event the entire repairs will sum up very close to our original estimate of \$500, but believing that our examination is about correct the cost will be very much less than the amount stated.

"Upon being advised by the proper authorities to proceed with the work, and beginning from the date of its receipt, the complete job will take about two weeks," is accepted, as above specified, and you are hereby directed to proceed with the work.

By direction of the Commissioner. Respectfully yours, J. McKEE BORDEN, Secretary.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application thereto at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
