2. **[Copy Equity, Inclusion and Race Relations initiative from FY 2024 DEI-EEO plan]**

In 2024, NYC Mayor’s Office of Equity & Racial Justice embarked on a partnership with all city agency to develop and implement Racial Equity Plan. DEP is committed to fostering a safe and resilient New York City by actively listening to historically marginalized voices or disadvantaged populations, as well as acknowledging and addressing systemic inequities. Our agency’s racial equity plan focuses on our core business to identify concrete actions and measures for ensuring fair and equitable outcomes for all individuals and communities. DEP recognizes the disproportionate impacts on communities that host the critical operations and infrastructures that enable DEP to fulfill its mission to all New Yorkers. We must ensure government’s responsibility – our accountability – for environmental justice and a safe environment for all New Yorkers by implementing strategies for eliminating these inequities in the areas of our **capital projects/budgeting, service delivery, and staffing.**

Short-Term Goals (2 Years): 1-2 goals that can more immediately respond to assessment and can be achieved by 2026.

1. Develop an equitable rate structure for New Yorkers to pay their water bill.
2. Supporting legislation for the replacement of lead service lines to improve the health of New Yorkers.

Medium-Term Goals (4 Years): 2-5 goals that support more transformational change and can be achieved by 2028.

1. Improve air quality and mitigate noise pollution in historically marginalized communities by supporting reforms to the air/noise code.
2. Attract diverse workforce talent in historically underutilized job groups.
3. Reduce street flooding in the most overwhelmed communities.
4. Pilot a program for assisting individuals and homeowners to protect their buildings from flooding.

Long-Term Goals (10 Years): 1-3 goals that support structural reform and must address 2 of 5 core levers of government by 2034. All agencies must have at least one long-term goal that addresses equity in budgeting, and for agencies whose core business

involves providing services to the public, they must also identify one long-term goal that addresses equity in service delivery. All other agencies must choose one additional core lever to address.

1. Build a more diverse workforce and increase career advancement pathways.
2. Establish infrastructure to prevent flood zones.

Ensure a robust educational program and transparency regarding DEP’s efforts for fostering environmental justice.
