Upon fixing the value of said buildings* as aforesaid, said commissioners shall, within the time above limited, make and file in the office of said comptroller a certificate, in writing, stating the total amount of the tax which, according to the rates of taxation established in each year, from the year one thousand eight hundred and seventy-one to the year one thousand eight hundred and seventy-nine, both inclusive, should have been levied and imposed upon said building, separately from said lot, and the amount so stated by said commissioners shall be the amount to be paid to said bank, as hereinbefore provided.

Sec. 3. The comptroller of the city of New York is hereby authorized and directed to raise such sums of money as may be necessary to make all payments herein provided for, by the issue of revenue bonds in anticipation of the taxes of the year one thousand eight hundred and eighty-four, and said moneys so to be raised shall be applied to the making of the payment directed by this act. Such bonds shall bear interest at a rate not exceeding six per centum per annum.

Sec. 5. This act shall take effect immediately.

* So in original.

An appeal from the judgment rendered in the justice's court of the city of Albany, or the justice's court of the city of Troy, may be taken in a case where an appeal may be taken to a county court from a judgment rendered by a justice of the peace as prescribed by title eight of that chapter, and in no other case. The degree shall be ascertained by ascending from the judge to the common ancestor; and descending to the party, counting a degree for each person in both lines, including the judge and party, and excluding the common ancestor. A judge other than a judge of the court of appeals shall not decide, or take part in the decision of a question which was argued orally in the court, when he was not present and sitting therein as a judge.

§ 1166. Section eleven hundred and sixty-six so that it will read as follows:

§ 1166. The first twelve persons who appear, as their names are drawn and called, and are approved as indifferent between the parties, and not discharged or excused, must be sworn, and constitute the jury to try the issue. Persons shall be disqualified from sitting as jurors if related by consanguinity or affinity to a party to the issue in the same cases in which judges are disqualified. The party related to the juror must raise the objection before the case is opened; but any other party to the issue may raise the objection within six months from the date of verdict.

Sec. 4. Nothing in this act contained shall affect in anywise any action now pending in either of said courts.

Sec. 5. All acts and parts of acts now in force applicable to the district courts of the city of New York shall apply to the courts mentioned in this act, excepting, however, all acts and parts of acts inconsistent with this act are hereby repealed.

Passed April 30, 1883; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The boards of commissioners of excise in the cities of this state, having a population of over three hundred thousand inhabitants, shall, if all other requirements of the law have been complied with, have power to grant license to sell strong or spirituous liquors, ale, wine or beer, to be drunk on the premises, to be named in the application for such license, to any person or persons having a good moral character, whether or not they propose to keep an inn, tavern or hotel, provided that no such license shall be granted unless the said commissioners shall be satisfied, upon examination, that the applicant therefor is a person of good moral character, and that a license may properly be granted for such sale in the place proposed.

Sec. 2. Any such board shall have at all times, discretionary power to permit any person or persons to whom a license may have been granted in respect of any specified premises, to remove to any other place within jurisdiction of the same board during the period covered by such license, and there to continue the conduct of business under such license in the same manner as if no removal had been made, provided always that such discretionary power shall not be exercised until and unless all the requirements of law to be observed upon the granting of an original license shall, upon said application for removal, be complied with and fulfilled with in every respect.

Sec. 3. No person or persons having a license under this act, nor any assistant, agent, employee, or servant of any such person or persons so licensed shall be arrested for any alleged violation of any provision of any excise law by any peace officer or other person, unless a warrant therefor, based on affidavit, shall have first duly issued according to law, except and provided that in case of any violation of any provision of any excise law between the hour of one o'clock Sunday morning and the hour of twelve o'clock Sunday night, in presence of any officer or person authorized to make arrests for violation of law, such officer or person may forthwith and without warrant make arrest of the person or persons so violating any provision of any excise law. Any officer or person authorized to make arrests for violation of law may arrest, without warrant, any person who, in the presence of such officer or other person authorized to make arrests, may be engaged in the sale of any intoxicating liquor without a license.

Sec. 4. No city of this state having a population of more than three hundred thousand inhabitants shall hereafter be subject to or be embraced within any provision of the sixth section of the act, chapter six hundred and twenty-eight of the laws of eighteen hundred and fifty-seven, entitled "An act to suppress intemperance and to regulate the sale of intoxicating liquors," passed April sixteenth, eighteen hundred and fifty-seven.

Sec. 5. Any person who shall, without a license, sell or give away any strong or spirituous liquors, ale, wine or beer to be drunk upon the premises, shall be guilty of a misdemeanor. And nothing in this act contained shall alter or affect the provisions of existing laws touching the sale or giving away of intoxicating liquors to be drunk upon the premises or the prohibition thereof in the cases mentioned in said laws, and the penalties prescribed therefor, except as provided in section four of this act. And such provisions of existing laws as are applicable to persons who might thereby be licensed to sell intoxicating liquors to be drunk upon the premises shall be applicable to persons who may be licensed under this act, except as such laws are modified by the terms of this act.

Sec. 6. This act shall take effect immediately.

NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1883.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9:30 o'clock A. M., of Friday, June 8, 1883. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Lumber, and Hardware," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department, and read.

The Department of Public Charities and Correction reserves the right to reject any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the Contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may

be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract or from time to time, as the Commission may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications and showing the manner of payment, can be obtained at the office of the Department.

ESTIMATES FOR ERECTING AND FINISHING a sea wall on North Brothers' Island, City and County of New York, will be received by the Commissioners of the Health Department, at their office, No. 301 Mott street, until 2.30 o'clock P. M. of the 5th day of June, 1883, at which time and place they will be publicly opened and read by said Commissioners.

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the head of said Health Department, indorsed "Estimate for Erecting and Finishing a Sea Wall on North Brothers' Island, City and County of New York," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default of the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimate their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation or the Health Department may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same, within three days after the contract is awarded. If the successful bidder shall neglect or refuse within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are required, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

The Department reserves the right to reject any or all estimates not deemed beneficial to or for the public interest. Plans may be examined and specifications and blank forms for bids or estimates obtained by application to the Secretary of the Board, at his office, 301 Mott street, New York.
