COMPTROLLER'S OFFICE, January 9, 1882.

Hon. JOHN R. VOORHIS, President Department of Docks:

SIR—Your communication of 7th instant, relating to a claim against David Whipple for rent of Pier 12, East river, from November 1, 1880, to May 1, 1881, amounting to \$1,927.50, has been received.

It is proposed to settle and compromise this claim for the sum of \$963.75, for reasons fully set forth in correspondence with the Counsel to the Corporation, and as advised by him.

You ask my approval of this proposed settlement, pursuant to the provision of section 31 of chapter 335 of the Laws of 1873, and in view of the facts as stated, I do hereby give my consent to and approval thereof.

(Signed) Respectfully yours,
ALLAN CAMPBELL, Comptroller.

On motion of the President, the following preamble and resolution in relation thereto were unanimously adopted:

Whereas, The claim of this Department against David Whipple for the sum of \$1,927.50, for rent of westerly half of Pier 12, East river, from November 1, 1880, to May 1, 1881, having been proposed to be settled and compromised for the sum of \$963.75, and the Counsel to the Corporation having advised that this Board accept the said sum of \$963.75 in settlement of said claim, and the Comptroller of the city having, pursuant to section 31 of chapter 335 of the Laws of 1873, given his consent to and approval thereof; therefore,

Resolved, That the settlement of said claim be approved by this Board, and the Treasurer be and is hereby authorized to accept the sum of \$963.75 in full settlement in discharge thereof.

A communication from Ogden & Co., in reference to notice served on them December 28, 1881, requiring them to repair bulkhead between Twenty-first and Twenty-second streets, North river, and asking for a suspension of the order, was received, read, and,

On motion, placed on file, and the resolution offered by the President in relation thereto, as follows:

Resolved, That the order above referred to be suspended temporarily, say until March 1, 1882, in consequence of the liability of frost entering the ground during the progress of the repairs, provided the lessees or owners of the bulkhead at once make the same safe and free from all danger, this suspension, however, not to authorize the continuance of any obstruction on said bulkhead that may be in violation of law.

Which was lost by the following vote:

Aye—The President.

Noes—Commissioners Vanderpoel and Laimbeer.

And the application for suspension of said order was therefore denied.

The communication from the Engineer-in-Chief respecting repairs required to bulkhead south of Pier, old 54, North river, was,

On motion, taken from the table and placed on file, and the Secretary instructed to direct the Engineer-in-Chief to have the necessary repairs made thereto at a cost of about \$500.

Commissioner Laimbeer, to whom was referred the communication from John J. Astor, in reference to Pier at Thirteenth street, North river, reported thereon that it would require a search to be made to show in whom the title is vested, and offered the following resolution in relation thereto, which was unanimously adopted:

Resolved, That all papers and information now in the hands of this Department in regard to Pier at foot of Thirteenth street, North river, and the alleged ownership thereof by John J. Astor, be sent to the Counsel to the Corporation for his opinion as to what this Department should do in regard to the income thereof, collection of wharfage therefrom, and whether they would be justified in taking possession of said pier on behalf of the city.

The President, to whom was referred the form of the proposed agreement to be executed by People's Ferry Company to keep and maintain Pier 55, East river, in good order, and to repair any and all damage that might be done to said pier by reason of the boats used by said ferry striking against and injuring the same, reported thereon and presented a form of agreement, which was,

On motion, approved, and the Secretary directed to inclose same to said ferry company to be executed.

The President offered the following resolution respecting Pier 15, East river, which was unanimously adopted:

Resolved, That the Counsel to the Corporation be and hereby is requested to advise the Department of Docks at as early a day as possible as to the liability and duty of the Union Ferry Company to repair, maintain, and keep in good and safe condition the easterly half of Pier 15, East river, under the terms and conditions of the lease or agreement by virtue of which the ferry company occupy and use for ferry purposes the slip or bulkhead between Piers 15 and 16, East river.

The President offered the following resolutions, which were unanimously adopted:

Resolved, That the Treasurer be and hereby is directed to report at the next meeting of this

Board a complete exhibit of the amount of moneys received by him from every source for or on account of the Department of Docks, for the period embraced between May 1, 1881, and December 31, 1881, inclusive, stating in detail from whom said moneys were received and for or on account of what object or purpose, with the date of each, and the disposition of such moneys so received, with the date of such disposition.

Resolved, That the Treasurer be and hereby is directed and required to report in detail as above, at the next meeting of this Board, the amount of money received by him for or on account of the Department of Docks, from January 1, 1882, to date, with the disposition and the date of such disposition.

Resolved, That the Treasurer be and hereby is directed to report at each stated meeting of the Board such and every sum of money, check, obligation, or article of value received by him for or on account of the Department of Docks since the date of the preceding report, giving in detail the amounts received, the names of the parties paying or contributing the same, and the purpose or object on account of which such payments or contributions have been paid or made, and the disposition of such receipts, with the date thereof.

Resolved, That the Treasurer be and hereby is directed to report at the next meeting of this Board a list of all sums and amounts owing or remaining unpaid on the 1st instant on the part of any and all persons to the Department of Docks, for any privileges, permits, wharfage, or use of any article or property under the control or jurisdiction of this Department.

Resolved, That the Treasurer be and hereby is directed to report from time to time all and every omission or delay on the part of any lessee or debtor of the Department to promptly comply with the terms of payment of any lease, contract, or agreement entered into with or by the Department of Docks. It being understood, and the Commissioners unanimously agreeing, that the Treasurer be authorized to employ such additional clerical help as might be necessary to enable him to comply with the terms of the resolutions.

The following requisitions were read, and,

On motion, approved:

its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment can be obtained at the office of the Department.

NOTICE TO TAXPAYERS.

RELATING TO THE PAYMENT OF UNPAID TAXES, ASSESSMENTS, AND CROTON WATER RENTS.

THE COMPTROLLER OF THE CITY OF NEW York hereby gives notice to owners of real and personal estate in this city, that all unpaid taxes, assessments, and Croton water rents may now be paid with interest thereon at the rate of seven per cent. per annum, as provided by chapter 33 of the Laws of 1881, which is as follows:

CHAPTER 33.

AN ACT relative to the collection of taxes and assessments, and of arrears of taxes and assessments, and Croton water rents, in the City of New York.

(Passed March 16, 1881; three-fifths being present.)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid on the first day of November, after the assessment-rolls and the warrants to collect such taxes have been delivered to the Receiver of Taxes in the City of New York, it shall be the duty of said Receiver to give public notice, by advertisement for at least ten days in two of the daily newspapers, and in the CITY RECORD, printed and published in said city, respectively, that unless the same shall be paid to him at his office on or before the first day of December, in any such year, he will immediately thereafter proceed to collect such unpaid taxes, as provided in the following section of this act.

Section 2. If any such tax shall remain unpaid on the said first day of December, it shall be the duty of the said Receiver of Taxes in said city to charge, receive, and collect upon such tax so remaining unpaid on that day, in addition to the amount of such tax, one per centum on the amount thereof; and to charge, receive, and collect upon such tax so remaining unpaid on the first day of January thereafter, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the day on which said assessment-rolls and warrants shall have been delivered to the said Receiver of Taxes to the date of payment.

The same rate of interest shall be so charged and collected upon any tax levied in the year eighteen hundred and eighty, remaining unpaid at the date of the passage of this act.

Section 3. All existing provisions of law which impose a charge and require the collection of interest at the rate of twelve per centum per annum upon arrears of taxes on real and personal estate within the City of New York, upon arrears of assessments for local improvements and street openings in said city, and upon arrears of Croton water rents in said city, are hereby repealed; and in lieu of such charge of interest at the rate of twelve per centum per annum, there shall be charged and collected by the officer authorized to collect and receive any such arrears of taxes and assessments and Croton water rents, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated for the same period as interest at the rate of twelve per centum per annum is now required by law to be calculated thereon. This provision shall apply to taxes, assessments, or Croton water rents remaining unpaid and due, for the non-payment of which the lands and tenements liable therefor shall be hereafter sold at public auction as now provided by law; provided, however, that nothing in this act shall be construed to affect the rights of purchasers at sales for taxes, assessments, or Croton water rents, heretofore made, or to authorize the redemption of lands and tenements from sales heretofore made for any lesser sums than the sums collectible for such redemption under the provisions of existing laws.

Section 4. It shall be the duty of the Comptroller of the City of New York to give public notice by advertisement for at least ten days, in the CITY RECORD, printed and published in said city, immediately after the confirmation of any assessment for a local improvement or street opening in said city, that the same has been confirmed specifying the title of such assessment and the date of its confirmation by the Board of Revision and Correction of Assessments in proceedings for local improvements, and by the Supreme Court in proceedings for street openings,

and also the date of entry in the record of titles of assessments kept in the Bureau for the Collection of Assessments, and of Arrears of Taxes and Assessments, and of Croton water rents, notifying all persons, owners of property affected by any such assessment, that, unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of any such assessment, interest shall thereafter be collected thereon as provided in the following section of this act, and all provisions of law or ordinance requiring any other or different notice of assessments and interest thereon are hereby repealed.

Section 5. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said record of titles of assessments, it shall be the duty of the officer authorized to collect and receive the amount of such assessment, to charge, collect, and receive legal interest thereon, at the rate of seven per centum per annum, to be calculated from the date of such entry to the date of payment.

Section 6. This act shall take effect immediately.
