Dear Carting Customer,

Please be advised that 3Kings Carting, LLC (“3Kings”) and Faztec Industries Inc. (“Faztec”) have entered into a subcontracting arrangement regarding your waste hauling services. Under that subcontracting arrangement, you will continue to receive a bill from 3Kings.

The New York City Business Integrity Commission wants you to know that it is up to you to decide whether or not you approve of this subcontracting arrangement. If you would prefer not to have Faztec or 3Kings as your waste hauler, you may select a new waste hauler. If you would like to exercise your right to select another waste hauler, you may obtain a list of New York City Business Integrity Commission approved waste haulers at: nyc.gov/bic

If you have any questions about your rights, you may contact the New York City Business Integrity Commission at (212) 437-0500.
