The following communications were received:

From the Corporation Counsel, advising the Department in regard to a proposed transfer from the Police Department appropriation to that of the Park Department of the amount necessary to maintain the Central Park ambulance service for the year 1898:

Commissioner Clausen offered the following:

Whereas, In the Departmental Estimate of the Department of Public Parks, approved at a meeting of the Board of Commissioners held September 7, 1897, a sum was set apart for the salaries of members of the Park Police force in The City of New York and employees connected therewith, including the sum of twelve hundred dollars for the salary of the Driver of the Central Park ambulance; and

Whereas, Under the provisions of the Greater New York Charter the Park Police force was merged into the Municipal Police force and the entire sum set apart for the uses of the Park Police force in the Borough of Manhattan was transferred to the Municipal Police Department; and

Whereas, The Municipal Police Department has decided that it is not the province of that Department to maintain the Central Park ambulance service and has not maintained such service, notwithstanding the same is urgently needed and its continuance has been requested by many citizens through petition;

Resolved, That the Board of Estimate and Apportionment be requested to transfer from the sum set aside for the said Police Department to the sum set aside for the uses of the Park Department in the Boroughs of Manhattan and Richmond the sum of twelve hundred dollars, the amount required for the said ambulance service in the year 1898.

Which was adopted by the following vote:

Ayes—Commissioners Clausen, Moebus, Brower—3.

Munckwitz, Jr., upon the application of Smith & Ryan for a remission of the penalty for overtime on their contract for constructing a pheasantry near the Arsenal Building in Central Park, be approved, and that the penalty for overtime be remitted (thirty-five and one-half days), as recommended, the delay being due to causes not the fault of the contractors.

Which was adopted by the following vote:

Ayes—Commissioners Clausen, Moebus, Brower—3.

From the Chief Engineer, Boroughs of Manhattan and Richmond:

1st. Reporting the cost of the temporary improvement of Hamilton Fish Park and William H. Seward Park, and showing a balance of \$6,000 unused of the funds appropriated for that purpose. Filed.

2d. Transmitting an estimate of the cost of necessary work at Fort Washington Park, including the filling of earth and rock and laying of drain-pipe, etc.

Commissioner Clausen offered the following:

Resolved, That the Board of Estimate and Apportionment be and hereby is respectfully requested to transfer and make applicable to the work of filling with earth and rock and laying drain-pipe, at the southerly end of Fort Washington Park, the sum of three thousand seven hundred and six dollars and eighty-nine cents, made up of balances of amounts heretofore provided for the following-named works, for which purposes they will not be required:

From the Engineer-in-Chief, Borough of The Bronx, submitting a time statement on the contract for the construction and improvement of a portion of Cedar Parks, in the Twenty-third Ward, and recommending that no penalty be charged against the contractor for overtime (62 days) on account of delays not the fault of the contractor.

Commissioner Moebus offered the following:

Resolved, That, upon the report of Daniel Ulrich, Engineer-in-Chief, Borough of The Bronx, in the matter of the contract for the construction and improvement of a portion of Cedar Parks, in the Twenty-third Ward of The City of New York, William H. 	\$11,000 00

—the above amounts not being required for the purposes for which they were originally appropriated, and the appropriation for "Labor, Maintenance and Supplies in the Boroughs of Manhattan and Richmond" being insufficient.

Which was adopted by the following vote:

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair

reject any or all bids which may be deemed prejudicial to the public interests.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The entire quantity of feed is to be delivered during the year 1898 in such quantities and at such places within the Boroughs of Manhattan and the Bronx, and at such time or times as may be required by the Police Department.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, in the manner prescribed by law, in the sum of Five Thousand Dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of this contract and herein stated over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Blank forms for estimates may be obtained by application to the undersigned at his office in the Central Department.

By order of the Board, WILLIAM H. KIPP, Chief Clerk.
