**JOINT STATEMENT FROM MAYOR ADAMS AND COUNCIL MEMBER AYALA ON
SUPPORT FOR FAMILY OF KRISTAL BAYRON-NIEVES**

“The murder of Kristal Bayron-Nieves was an evil act, but one that called our city to conscience. The outpouring of love and support from all corners of our city has been genuinely heartwarming, and we thank JetBlue for providing free flights for family to hold her funeral in Puerto Rico. We are committed to giving her family the resources they need as they and our entire city grieves the loss of such a promising young woman.”
