Preconsidered Res. No. _____

CITYWIDE

20215008 GFY

By Council Members Salamanca and Moya (at request of the Mayor):

Proposed authorizing resolution submitted by the Mayor pursuant to Section 363 of the Charter for the granting of franchises for the provision of telecommunications services.

WHEREAS, by Executive Order 25, dated August 23, 1995, the Mayor has designated the Department of Information Technology and Telecommunications (“DoITT”) as the responsible agency for the granting of telecommunications franchises; and

WHEREAS, pursuant to Section 363 of the Charter (the “Charter”) of the City of New York (the “City”), the Commissioner of

DoITT has made the initial determination of the need for franchises for telecommunications services; and

WHEREAS, the Mayor has submitted to the Council a proposed authorizing resolution for the granting of such franchises pursuant to Section 363 of the Charter; and

WHEREAS, the Council has determined that the granting of such franchises will promote the public interest, enhance the health, welfare and safety of the public and stimulate commerce by assuring the widespread availability of telecommunications services;

The Council hereby resolves that:

A. The Council authorizes DoITT, or any successor thereto, to grant non-exclusive franchises for the installation of cable, wire and/or optical fiber and associated equipment in the inalienable property of the City (including through pipes, conduits and similar improvements thereto) to be used in providing one or more telecommunications services (as that term is defined in Section C of this resolution) in the City.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City"), has proposed the sale of the following City-Owned property (collectively, "Disposition Area"), in the Borough of Manhattan:

BLOCKS	LOTS
1988	27
1988	12
1988	8

Under HPD's Affordable Neighborhood Cooperative Program, occupied City-Owned residential buildings are purchased by Restoring Communities Housing Development Fund Corporation ("Sponsor"), and then rehabilitated by a private developer, selected through a request for qualifications. Upon conveyance to the Sponsor, buildings will be managed by the private developers. Following completion of rehabilitation, Sponsor conveys the building to a cooperative housing development fund corporation ("Cooperative Corporation"), formed by the building's tenants. The cooperative interests attributable to occupied apartments, will be sold to the existing tenants, for \$2,500 per apartment. The cooperative interests attributable to vacant apartments, will be sold for a price affordable to families, earning no more than 165% of the area median income.

Under the proposed project, the City will sell the Disposition Area, to Sponsor, for the nominal price of one dollar (\$1.00), per building. When completed, the project will provide approximately 69 affordable cooperative dwelling units.

At the time of sale, the Sponsor will be required to sign a rental regulatory agreement with HPD containing, among other things, restrictions on rents, incomes, and assets. When the Sponsor conveys the building to the Cooperative Corporation upon the completion of rehabilitation, the Cooperative Corporation, will be required to sign a cooperative regulatory agreement, with HPD containing, among other things, restrictions on sale prices, incomes, and assets, as well as requirements for a flip tax and building reserve fund.

The appraisal and the proposed Land Disposition Agreement and Project Summary, are available for public examination, by contacting HPD, at careym@hpd.nyc.gov, on business days, during business hours.

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
