CITYWIDE No. 1

CITY OF YES FOR HOUSING OPPORTUNITY

CITYWIDE N 240290 ZRY IN THE MATTER OF an application submitted by New York City Department of City Planning, pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, modifying multiple Sections to expand opportunities for housing within all zoning districts, and across all 59 of the City's Community Districts.

NOTICE

On Wednesday, July 10, 2024, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP is proposing a package of zoning text amendments with citywide applicability to provide a broader range of housing opportunities across the city. The Proposed Action seeks to enable more housing and wider variety of housing types in all neighborhoods citywide, from the lowest-density districts to the highest, to address the housing shortage and high cost of housing in New York City. Incremental changes across a wide geography can create a significant amount of housing and affordable housing without resulting in dramatic change to neighborhoods. To create more housing and more types of housing, the Proposed Action comprises project components in four broad categories: Medium- and High-Density proposals in R6-R10 districts and equivalents; Low-Density proposals in R1-R5 districts and equivalents; Parking proposals, which span the full range of districts and densities; and assorted other changes in line with project goals. In general, the Proposed Action would apply in underlying zoning districts, Special Districts, and other geographies that modify underlying zoning, with limited adjustments to reflect planning goals in specific areas. As such, the Proposed Action would affect all 59 community districts in the City. The analysis year is 2039.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, July 22, 2024.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DCP033Y.

Human Services / Client Services

ASSERTIVE COMMUNITY TREATMENT - Required Method (including Preferred Source) - PIN# 81624M0015001 - \$8,552,981.00 - TO: The Bridge Inc, 290 Lenox Avenue, 3rd Floor, New York, NY 10027.

The New York State Office of Mental Health ("OMH") continues to recognize re-solicitation of contracts for ongoing operations may result in awards to different providers which have not previously served the specific population. In such cases, associations between recipients and providers which are of limited durations may prove to be detrimental to recipient's recovery. Frequent changes in service providers can also seriously compromise continuity of care, which is also detrimental to those served. Since there continues to be a need for these services, the State requires us to continue contracting with the same vendors as long as the vendors demonstrate fiscal integrity, positive program performance and administrative compliance. This applies to all funding awarded on the State Aid Letter, including both State and federal funding.

BOARD OF CORRECTION

NOTICE

Notice of Adoption of Rules

Notice is hereby given in accordance with section 1043(f) of the New York City Charter that the Board of Correction is adopting rules relating to restrictive housing, emergency lock-ins, de-escalation confinement, and use of restraints to comply with Local Law 42 of 2024.

These rules are promulgated pursuant to sections 1043 and 626 of the New York City Charter.

On June 17, 2024, the Board held a public hearing on these rules at 125 Worth Street, New York, NY. On June 25, the Board of Correction voted to approve these rules at a public meeting held at 125 Worth Street, New York, NY.

Statement of Basis and Purpose of Rules

New York City Charter § 626(e) authorizes the Board of Correction (“BOC” or “Board”) to “establish minimum standards for the care, custody, correction, treatment, supervision, and discipline of all persons held or confined under the jurisdiction” of the Department of Correction (“DOC” or the “Department”). To that end, the Board has enacted major reforms related to restrictive housing and solitary confinement practices (also known as punitive segregation or “PSEG”) through rulemaking in 2015¹ and 2021.²

On June 8, 2021, the Board approved rules, which created a new Chapter 6 and amended certain existing rules, ending the use of PSEG and most other forms of restrictive housing, including Enhanced Supervision Housing (ESH), and replacing the eliminated units with the Risk Management Accountability System (“RMAS”). RMAS is a three-level alternative disciplinary model (Level 1, Level 2, and the Restorative Rehabilitation Units) intended to separate people from general population in response to their commission of an offense. The newly enacted Chapter 6 included rules regarding immediate placement responses to violence, and the use of restraints and canines. Chapter 6 also set forth a comprehensive set of rules addressing key aspects of RMAS, including placement criteria and exclusions; time limitations, periodic reviews, and progression through restrictive housing placement; procedural due process protections; case management and individual behavior support plans; staffing, training, and programming; and out-of-cell time and other conditions. RMAS’ expected implementation date was November 1, 2021.

On September 15, 2021, former Mayor Bill de Blasio declared a state of emergency in New York City jails due to a staffing crisis. Pursuant to this state of emergency, on November 1, 2021, Mayor de Blasio issued Emergency Executive Order No. 279, suspending multiple facets of RMAS, namely:

- § 6-04 – Pre-Hearing Detention
- § 6-07 – Policy on Prohibition on the Use of Punitive Segregation
- § 6-11 – Case Management
- § 6-24 – Due Process and Procedural Justice
- § 6-27 – Restorative Rehabilitation Units (RRUs)
- § 6-28 (e-g) – Restraints (elimination of non-individualized use of restraints)

Emergency Executive Order No. 279 has been renewed every five days since November 1, 2021 and remains largely in effect, preventing RMAS’ implementation.

At the Board’s February 2022 public meeting, former Department Commissioner Louis Molina committed to the implementation of RMAS in the City’s jails by July 1, 2022. However, on June 30, 2022, Nunez Federal Monitor Steve Martin, appointed pursuant to the consent decree in the case of *Nunez vs. City of New York*,³ issued a status report declaring that he did not approve of the Department’s implementation of RMAS and recommending that the Department instead hire a correctional consultant to develop a restrictive housing model. Pursuant to this status report, the Department halted the implementation of RMAS. To date, RMAS has not been implemented.

Introduction Number (“Int.”) 549-A, primarily sponsored by Public Advocate Jumaane Williams, was introduced and referred to the New York City Council (“Council”) Committee on Criminal Justice on June 16, 2022. Following amendments to the originally introduced bill, the Council approved the bill on December 20, 2023.

On January 19, 2024, Mayor Eric Adams issued a message of disapproval for Int. 549-A. On January 30, 2024, the Council overrode Mayor Adams’ veto and re-passed Int. 549-A.

Local Law No. 42 of 2024 takes effect on July 28, 2024. Local Law No. 42 directs the Board to take any actions necessary for the implementation of this local law, including the promulgation of rules relating to procedures and penalties prior to the effective date. These rules implement Local Law 42.

Local Law No. 42 bans the use of solitary confinement – defined to mean “placement of an incarcerated person in a cell, other than at night for sleeping for a period not to exceed eight hours in any 24-hour period or during the day for a count not to exceed two hours in any 24-hour period” – in city jails and provides individuals in custody due

- 1 The Board enacted the limitations on the use of PSEG and the creation of enhanced supervision housing (“ESH”) for adults in January 2015. The 2015 amendments eliminated the use of PSEG for 16 to 21-year-olds and individuals with serious mental or serious physical disabilities or conditions.

process protections prior to being placed in restrictive housing or continued use of restraints. Local Law No. 42 also sets limits on how DOC can use emergency lock-ins and requires regular reporting on the Department's use of de-escalation confinement, restrictive housing, and emergency lock-ins.

The requirements of Local Law No. 42 overlap significantly with the provisions set forth in Chapter 6 of the Board's Rules, but differ from Chapter 6 in some respects. The following are some of the major variations from the 2021 RMAS Rules that are set forth in these proposed rules.

Major Amendments

- RMAS retitled Restrictive Housing

The restrictive housing model known as RMAS has been retitled **Restrictive Housing**. These new restrictive housing rules eliminate RMAS Level 1 and Level 2, consolidating the two into a single level. Only individuals who committed Grade 1 violent offenses are eligible for placement in restrictive housing.

- Maximum time spent in de-escalation confinement

§ 6-05 of the 2021 RMAS Rules prohibited the Department from placing a person in de-escalation confinement for more than *six* (6) hours. **Local Law No. 42** prohibits the Department from placing a person in de-escalation confinement for more than *four* (4) hours.

- Emergency lock-in duration limit

§ 6-06 of the 2021 RMAS Rules required the Department to notify the Board when emergency lock-ins extended past six (6) hours but did not limit how long emergency lock-ins could last. **Local Law No. 42** does not permit emergency lock-ins to last more than four (4) hours.

- Duration of RMAS placement limits

§ 6-13 of the 2021 RMAS Rules required individuals to progress from RMAS Level 1 to Level 2 after fifteen (15) days (unless DOC authorized an extension) and from RMAS Level 2 to RRU after fifteen (15) days (unless DOC authorized an extension). § 6-15 of the 2021 RMAS Rules set forth the requirements for placement extensions. **Local Law No. 42** requires the Department to discharge incarcerated persons from restrictive housing completely within thirty (30) days after their initial placement. The local law further prohibits the Department from placing people in restrictive housing for more than a total of sixty (60) days in any twelve-month period. Lastly, the local law does not authorize placement extensions.

- Required out-of-cell time

§ 6-16 of the 2021 RMAS Rules allowed people in custody housed in RMAS Level 1 to spend at least ten (10) hours outside of their cells a day and people housed in RMAS Level 2 to spend at least twelve (12) hours out of their cells a day. **Local Law No. 42** requires that all individuals in custody be allowed to spend *at least fourteen* (14) hours outside of their cells a day, except during emergency lock-ins and in de-escalation confinement units.

- Representation by advocates at hearings

§ 6-24 of the 2021 RMAS Rules allowed people in custody to be represented by a legal representative (defined as an attorney or layperson who works under the supervision of an attorney) at restrictive housing placement hearings. **Local Law No. 42** also allows people in custody to be represented by advocates (defined as a law student, paralegal, or another incarcerated person).

- Use of restraints

Local Law No. 42 prohibits the use of restraints on people under the age of twenty-two (22) unless for transportation purposes or during escorted movement where an individualized determination is made that restraints are necessary to prevent immediate risk of self-injury or injury to others. The local law also requires a hearing to determine if continued use of restraints is necessary in some instances, including when a person is restrained for two consecutive days.

(1) The person is reasonably believed by the Department to have committed a Grade I violent offense within the past one (1) business day;

(2) The person’s removal from general population is necessary to[

(i) Protect] protect the safety of any person, including staff or other people in custody, prior to the person’s hearing; [or

(ii) Prevent the person from intimidating or coercing other people in custody to give false testimony or to refuse to testify at the person’s infraction hearing] and

(3) The person has caused serious physical injury or poses a specific and significant risk of imminent serious physical injury to staff or other incarcerated persons.

(b) Placement in pre-hearing temporary restrictive housing must be approved in writing by the Commissioner, a Deputy Commissioner, or another equivalent member of Department senior leadership over the operations of security. The written approval shall include the basis for a reasonable belief that the incarcerated person has committed a Grade I violent offense, and whether such person has caused serious physical injury or poses a specific and significant risk of imminent serious physical injury to staff or other incarcerated persons.

(c) A person in custody who qualifies for and is placed in pre-hearing [detention] temporary restrictive housing shall be afforded a disciplinary hearing as soon as reasonably practicable but no later than [seven (7)] five (5) [business] days after the person’s placement in pre-hearing detention, unless such person placed in pre-hearing temporary restrictive housing seeks a postponement of such hearing. (d)e) If the Department determines that the person’s retention in pre-hearing [detention] temporary restrictive housing is not necessary for the safety or security of that person or others, including staff and other people in custody, the Department must release the person from pre-hearing [detention] temporary restrictive housing.

(f) Pre-hearing temporary restrictive housing shall comply with all requirements for restrictive housing.

(g) During the first day of placement in pre-hearing temporary restrictive housing, Department staff must regularly monitor the person and engage in continuous crisis intervention and attempt de-escalation, work toward a person’s release from pre-hearing temporary restrictive housing and determine whether it is necessary to continue to hold the person in pre-hearing temporary restrictive housing.

(e)h) The Department shall provide the Board with a semiannual report with information related to its use of prehearing [detention] temporary restrictive housing including but not limited to: (1) the number of people placed in prehearing [detention] temporary restrictive housing, (2) their placement infractions, (3) time from placement to hearing, (4) whether people placed in pre-hearing [detention] temporary restrictive housing were adjudicated for

§ 6-05 Confinement for De-Escalation Purposes. (a) The Department may only confine a person in custody for de-escalation purposes immediately following an incident where the person has caused physical injury or poses a specific risk of imminent serious physical injury to staff, themselves or other incarcerated persons. The purpose of de-escalation confinement is to:

(1) Aid a person in calming behavior [that] where such person poses an immediate threat to the safety of the person or others or significantly disrupts Department activities in progress. The Department may only resort to confinement for this purpose after other less restrictive measures have been exhausted or have been or are likely to be ineffective.

(2) Temporarily place a person in custody for the person’s own safety after the person has been assaulted or otherwise victimized by another person in custody and such person poses a specific risk of imminent serious physical injury to staff, themselves or other incarcerated persons.

(3) Facilitate the decontamination of people in custody following exposure to chemical spray.]

(b) The Department shall immediately notify CHA of a person in custody’s placement in de-escalation confinement, including the initial and any subsequent locations of such confinement, so that the person’s access to medical and mental health services and medication is not interrupted.

(c) The Department shall conduct visual and aural observation of every person in de-escalation confinement every fifteen (15) minutes, shall refer any health concerns to medical or mental health staff, and shall bring any person displaying any indications of any need for medical documentation, observation, or treatment to the medical clinic.

(d) Suicide prevention aides may conduct check-ins with a person in de-escalation confinement at least every fifteen (15) minutes and refer any health concerns to department staff who will get medical or mental health staff to treat any reported immediate health needs. No suicide prevention aide shall face any retaliation or other harm for carrying out their role.

(e) Department staff must regularly monitor a person in de-escalation confinement and engage in continuous crisis intervention and de-escalation to support the person’s health and well-being, attempt de-escalation, work toward a person’s release from de-escalation confinement and determine whether it is necessary to continue to hold such person in such confinement.

(d)f) The Department shall only utilize individual cells for the purpose of de-escalation confinement. Such cells may not be located in intake areas or decontamination showers.

(e)g) Cells used for de-escalation confinement must have the features specified in and be maintained in accordance with the personal hygiene and space requirements set forth in 40 RCNY § 1-03 and 40 RCNY § 1-04.

(h) Throughout de-escalation confinement, a person shall have access to a tablet or device that allows such person to make phone calls outside of the facility and to medical staff in the facility.

(f)i) The Department must serve meals and snacks to people in custody while in de-escalation confinement at or about the same time as, and be of the same quality and quantity of, the meals served to people in the general population.

(g)j) The Department shall not hold someone in de-escalation confinement for longer than the minimum amount of time required for the Department to conduct an assessment and determine the person’s subsequent placement. A person shall be removed from de-escalation confinement immediately following when such person has sufficiently gained control and no longer poses a significant risk of imminent serious physical injury to themselves or others. In addition, the following time limitations apply:

(1) The Department may not place a person in de-escalation confinement for more than [six (6)] four (4) hours immediately following the incident precipitating placement in such confinement, more than four (4) hours in any twenty-four-hour period, or more

than twelve (12) hours in any seven-day period. The Department shall document every placement on a form designed for this purpose, which shall specify the reasons for the placement, why it was necessary to de-escalate an immediate conflict, and the person's length of time in de-escalation confinement.

§ 6-06 **Emergency Lock-Ins.** (a) Emergency lock-ins may only be used when the Commissioner, a Deputy Commissioner, or another equivalent member of Department senior leadership with responsibility for the operations of security for a facility determines that such lock-in is necessary to de-escalate an emergency that poses a threat of specific, significant and imminent harm to incarcerated persons or staff.

(b) Emergency lock-ins shall never be in effect longer than necessary to allow staff to investigate or avoid a serious incident, conduct searches, or restore order or safety. Emergency lock-ins may only be used when there are no less restrictive means available to address an emergency circumstance and only as a last resort after exhausting less restrictive measures.

([b]c) The Department shall limit the scope of emergency lock-ins so that only those housing areas that must be locked down are affected and they must be lifted as soon as possible. Emergency lock-ins must be confined to as narrow an area as possible and impact as limited a number of people as possible.

The Department may make this notification through the Department's Incident Reporting System, or a similar system that is in place for real-time, operational reporting.

([e]h) The Department shall document the locations and reason(s) for each emergency lock-in (e.g., fight, slashing, use of force, missing razor) and the objectives to be accomplished during the lock-in related to those reasons (e.g., investigate use of force, conduct searches to recover contraband) in a manner that may be analyzed electronically by the Board.

([f]i) [When] As long as the emergency lock-in has not lasted more than four (4) hours, when authorizing an extension of an emergency lock-in beyond a regularly scheduled lock-in period, the Department shall re-evaluate the stated reasons and objectives for the lock-in and shall document reasons as to why the lock-in must be continued (e.g., search still underway, not enough staff on post to lock out housing area).

(k) Throughout an emergency lock-in, other than in a department-wide emergency lock-in or a facility emergency lock-in, each person locked in shall have access to a tablet or other device that allows the person to make phone calls both outside of the facility and to medical staff in the facility.

([h] For lock-ins continuing for twenty-four (24) hours or more, the Department shall notify the Board in writing of the steps taken to address the emergency and lift the lock-in.

([i]l) For the following services, the Department shall track and record, in a manner that may be analyzed electronically by the Board, whether services were impacted (i.e., cancelled, delayed, or not affected) due to an emergency lock-in and the number of housing areas and people affected:

([k]n) The Department shall provide the Board with direct access to all documentation related to emergency lock-ins and lock-in extensions.

([l]o) The Department and CHA shall issue a written directive to staff regarding the requirements of this section. The directive shall include protocols for communication and coordination between the Department and CHA during and after emergency lock-ins to facilitate the triage of necessary care by CHA, minimize disruptions to patient care, and ensure the rescheduling of medical/mental health appointments.

([m]p) CHA shall provide the Board with a quarterly report including, but not limited to, the following data on reported emergency lock-ins and lock-in extensions occurring during the reporting period, disaggregated by month:

§ 33. Subdivision (c) of section 6-23 of Title 40 of the Rules of the City of New York, as renumbered by this rule, is amended to read as follows:

(c) *Notice of Infraction.*

(1) Prior to the disciplinary hearing provided in 40 RCNY § [6-24(d)] 6-23(d), people in custody and their legal representative or advocate must receive written notice detailing the charges against them, their rights to legal representation and to attend the disciplinary hearing, the reason for the proposed placement in restrictive housing, and any supporting evidence as soon as practicable, and no later than forty-eight (48) hours prior to the hearing. The notice must be legible, detailed, and specific and must include, at a minimum:

(ii) A description of the person’s actions and behavior that gave rise to the alleged violations[;].

(2) The Department must provide necessary assistance to any person in custody who is unable to read or understand the notice.

(3) Whenever the Department places a person into pre-hearing [detention] temporary restrictive housing, the Department must serve them notice of the infraction within twenty-four (24) hours. If extenuating circumstances prevent the possibility of service within this time frame, the Department must serve notice as soon as possible and document each reason for delay.

(4) When the Department has charged a person with an infraction and has not placed them in pre-hearing [detention] temporary restrictive housing, the Department must serve [them] the person charged and their legal representative or advocate, if any, written notice of the infraction, the reason for the proposed placement in restrictive housing, and any supporting evidence as soon as practicable, and no later than [two (2) business days] forty-eight (48) hours prior to the hearing. Failure to do so shall constitute a due process violation warranting dismissal [, unless the Department can demonstrate through documentation that extenuating circumstances beyond the Department’s control prevented timely service] of the matter that led to the hearing.

(5) Any member of DOC staff may serve the person charged with the notice of infraction, except those who participated in the incident. The person will be asked to sign the notice as proof of receipt and to verbally indicate whether they would like to have a legal representative or advocate at their hearing. Staff members who serve the notice, including staff members who note a person's refusal to sign the notice, shall indicate their name and shield number legibly on the notice.

(6) All refusals to sign a notice of infraction and waivers of legal representation shall be videotaped with audio. Failure to do so shall constitute a due process violation warranting dismissal.

(7) The Department must send the notice of infraction to the charged person's defense counsel of record and the designated contact for each law office providing such defense.

(8) In the event that the person charged with an infraction is unable to secure legal representation for the hearing through their counsel of record, the Department shall provide the contact information for one or more law offices providing criminal or civil defense services for people who are financially unable to obtain counsel. § 34. Paragraphs (5) through (9) of subdivision (d) of section 6-23 of Title 40 of the Rules of the City of New York, as renumbered by this rule, are amended to read as follows:

(5) *Refusal to Attend or Participate.* The refusal of people in custody to attend or participate in their hearing or waiver of legal representation or advocacy must be videotaped [or audiotaped] with audio and made a part of the hearing record.

(6) *Rights of the Person Charged.* The Hearing Adjudicator shall advise the person charged of the following rights at the hearing, which must also be set forth in the notice of infraction:

(i) The right to legal representation: People charged with any infraction that could result in a placement in [RMAS Level 1 or 2] restrictive housing have the right to legal representation at their disciplinary hearing. If a person eligible for legal representation appears at a hearing unrepresented, the Department shall inform the person that they have the right to adjourn the hearing so they can engage a legal representative.

(ii) The right to appear: The person charged has the right to appear personally unless the right is waived in writing or the person refused to attend the hearing.

(A) If the person charged is excluded or removed from a restrictive housing hearing because it is determined that such person's presence will jeopardize the safety of themselves or others or security of the facility, the basis for such exclusion must be documented in the hearing record.

(B) The Department shall grant reasonable requests for adjournments, including where such request facilitates the person appearing with their legal representative or advocate. The Department must establish that a person who does not appear knowingly and voluntarily waived their right to appear. Failure to establish such voluntary waiver may lead to the dismissal of the charges.

(C) A virtual hearing option shall be made available upon request of the legal representative or advocate of the person charged. In both the in-person and virtual options, the legal representative or advocate shall be provided the ability to privately confer with their client both before and during the hearing.

(iii) The right to make statements or remain silent: The person charged has the right to make statements. In cases where the infraction in question could lead to a subsequent criminal prosecution, the Hearing Adjudicator must inform the person that while the proceeding is not a criminal one, the person's statements may be used against the person in a subsequent criminal proceeding. The Adjudicator must also inform the person of the right to remain silent and that silence will not be used against the person at the hearing.

(iv) The right to present evidence and call witnesses: The person charged has the right to present evidence [and], call witnesses, and cross-examine witnesses.

(A) Witnesses shall testify in person at the hearing unless the witnesses' presence would jeopardize the safety of themselves or others or security of the facility. If a witness is excluded from testifying

in person, the basis for the exclusion shall be documented in the hearing record.

(B) If a witness refuses to provide testimony at the hearing, the department must provide the basis for the witness's refusal, videotape such refusal, or obtain a signed refusal form, to be included as part of the hearing record.

(v) The right to review the Department's evidence:

(A) The person charged and their legal representative or advocate have the right to review[,] the evidence [relied upon by the Department] supporting the proposed placement in restrictive housing prior to the infraction hearing. The Department shall provide such evidence as soon as practicable but no later than forty-eight (48) hours prior to the hearing.

(B) Such evidence or information may, as applicable, include but is not limited to:

(a) surveillance footage video or stills;

(b) body-worn camera footage;

(c) notices of infraction;

(d) facility and staff reports;

(e) use of force reports;

(f) injury reports;

(g) medical documentation (subject to local, state, and federal medical information privacy laws);

(h) witness list;

(i) all statements (written, recorded or summarized) in any writing or recording made by persons who have evidence or information relevant to the allegations; and

(j) any evidence of alleged refusals, including body-worn camera footage and any evidence that the charged individual knowingly and voluntarily waived their right to appear or right to access legal representation.

(C) Specific documented intelligence may be redacted in limited instances where the Department determines that disclosing such information would present a serious safety risk to specific individuals. In such cases, the Department shall inform the person in writing that the information is being redacted due to a specific security risk. The Department shall maintain records of both redacted and unredacted evidence.

(D) Where the Department fails to comply with paragraph (v) of subdivision (6) of this section or an order imposed or issued pursuant to this rule, the Hearing Adjudicator may make a further order for discovery, grant a continuance, order that a witness be called or recalled, draw an adverse inference regarding the non-compliance, preclude or strike a witness's testimony or a portion of a witness's testimony, admit or exclude evidence, order the dismissal of all or some of the charges, or make such other order as it deems appropriate under the circumstances.

(E) For purposes of placement in pre-hearing temporary restrictive housing, any adjournment sought by the person charged or their legal representative or advocate due to the Department's failure to provide evidence as required by paragraph (v) of subdivision (6) of this section will not extend a person's placement in pre-hearing temporary restrictive housing beyond five (5) business days pursuant to 40 RCNY § 6-04(d).

(B)F Should the Department provide any evidence to the person for the first time at the hearing, the Department shall inform the person or their legal representative or advocate at the hearing that they have the right to adjourn the hearing so they can review and prepare their defense.

(G) Where evidence is lost or destroyed, or unavailable due to the failure or inability of the Department to preserve such evidence, the Hearing Adjudicator shall impose a remedy that is appropriate and proportionate to the prejudice suffered by the person charged with the infraction. If relevant body-worn camera footage is lost or destroyed, or correctional staff fails to turn on body-worn camera when required by DOC policy, the Hearing Adjudicator may dismiss the charges.

(vi) The right to an interpreter. The Department shall ensure that every person charged is aware they are entitled to [request] an interpreter in their native language if they do not understand or are not able to communicate in English well enough to conduct the hearing in English. The Department shall take reasonable steps to provide an interpreter. If after taking reasonable steps the Department cannot provide an interpreter, the Hearing Adjudicator shall review all Department efforts to determine if the charges shall be dismissed due to failure to guarantee the right to an interpreter.

(vii) The right to an appeal. A person who is found guilty at a disciplinary hearing has the right to appeal an adverse decision as provided in 40 RCNY § [6-24(h)] 6-23(h).

(7) *Burden of Proof.* The Department has the burden of proof in all disciplinary proceedings. A person's guilt must be shown by a preponderance of the evidence to justify [RMAS] restrictive housing placement.

(8) *Hearing Time Frame.*

(i) Once the hearing has begun, the Hearing Adjudicator shall make reasonable efforts to conclude the hearing in one session.

(ii) Adjudgments may be granted if [the person charged or their legal representative requests additional time to locate witnesses, obtain the assistance of an interpreter, or prepare a defense] requested by the person charged or their legal representative or advocate. The Department shall provide the person charged and their legal representative or advocate adequate time to prepare for such hearings and shall grant reasonable requests for adjournments. In determining what constitutes a reasonable request for adjournment, factors that must be considered include but are not limited to:

- (A) Additional time to locate witnesses;
- (B) Additional time to obtain the assistance of an interpreter;
- (C) Additional time to prepare a defense;
- (D) A reasonable time for both the legal representative or advocate and client to be notified;
- (E) A reasonable time for the legal representative or advocate to review discovery;
- (F) A reasonable time for the legal representative or advocate to confer with their client; or
- (G) Any other basis justifying the need for an adjournment.

(iii) Hearing Adjudicators may also adjourn a hearing to question additional witnesses not available at the time of the hearing, gather further information, refer the person charged to mental health staff, or if issues are raised that require further investigation or clarification to reach a decision.

(iv) Notwithstanding any adjournments, hearings must be completed within five (5) days, absent extenuating circumstances or unless the person charged waives this time frame in writing or on the record.

(9) *Legal Representation.* People charged with any infraction that could result in a sentence to [RMAS Level 1 or 2] restrictive housing shall be permitted to have a legal representative or advocate represent them at their disciplinary hearing and in any [in] related appeal. People entitled to such representation shall be permitted to choose their legal representative or advocate.

§ 35. Subdivisions (e), (f), and (g) of section 6-23 of Title 40 of the Rules of the City of New York, as renumbered by this rule, are amended to read as follows:

(2) The determination shall be in writing, legible, and contain the following:

- (ii) A detailed description of the evidence relied upon by the Hearing Adjudicator in reaching such finding;
- (iii) The sanction imposed, if any; and

(1) iv A summary of each witness's testimony, including whether the testimony was credited or rejected, with a statement of the reasons therefor. If the witness's testimony contains specific documented intelligence, that intelligence may be redacted on the copy of the determination provided to the person in custody and their representative if the Department determines that disclosing such information would present a serious safety risk to specific individuals. In such cases, the Department shall inform the person and their legal representative in writing that the information is being redacted due to a specific security risk. The Department shall maintain records of both redacted and unredacted determinations.

(1) iv Records generated pursuant to a disciplinary hearing in which a person is found not guilty of the charges, after either the disciplinary hearing or appeal, shall be kept confidential and shall not be considered in making decisions pertaining to the person's access to programs, services, or in the granting of or withholding of "good time" credit for sentenced people, as defined in 39 RCNY § 1-03.

(f) Hearing adjudicators shall impose sanctions that are fair and proportionate to the infraction of which a person was found guilty. Failure to comply with the requirements described in subdivisions (a) through (e) of this section shall constitute a due process violation warranting dismissal of the matter that led to the hearing.

(g) People in custody must be placed in [RMAS] restrictive housing within thirty (30) days of adjudication of guilt. If the Department does not place a person into [RMAS] restrictive housing within this thirty (30) day period, the Department may not place the person in [RMAS] restrictive housing for that infraction at a later time.

(3) Security staff assigned to RRU's housing young adults shall receive specialized training for managing and understanding young adult populations, including crisis intervention, conflict resolution, and trauma-informed training.

(e) *Programming.*

(1) The Department shall offer at least six (6) hours of daily programming to people who step down to the RRU from [RMAS] restrictive housing, in addition to one (1) hour of daily recreation. Meals, showers, and sick call shall not count towards the six (6) hour daily programming requirement.

(2) At least three (3) of the six (6) hours of daily programming required under 40 RCNY § 6-[27]26(e)(1) must be offered in a congregate setting and shall be led by therapeutic or programming staff.

(f) *Data Collection and Review.*

(1) The Department shall maintain and update as necessary a list of the type and specific location of all RRU units, including which RRU's contain individuals who have stepped down from [RMAS] restrictive housing. The list shall include the opening and closing dates of all such units. The Department shall provide this list to the Board on at least a monthly basis and notify the Board in writing when any new RRU units open or close.

(2) The Department shall maintain and develop the system(s) necessary to collect accurate, uniform data on RRU's and the requirements of 40 RCNY Subchapter F and to centrally store related documentation, in a manner that may be analyzed electronically by the Board.

(3) The Department shall provide the Board with a monthly public report with information on RRU's, including but not limited to the following information for the Adult and Young adult populations:

(i) Facility and housing unit locations for each RRU unit;

(ii) Number of placements and unique people who requested to be placed in RRU [by reason for placement (e.g., RMAS stepdown, other therapeutic reason, etc.)] following discharge from restrictive housing, the number of unique people who were discharged from restrictive housing and did not opt in for RRU placement, and the number of unique people who requested to be placed in RRU following discharge from restrictive housing but were not placed in RRU, including the reason why they were not placed in RRU;

(iii) The average daily population, and the number of adults and young adults currently housed in RRU as of the last day of the reporting period;

(iv) Average staff-to-person in custody ratios in each RRU unit operating during the reporting period;

(v) Number of exits of people from RRU during the reporting period and their cumulative and consecutive days in RRU during current incarceration (i.e., minimum, maximum, mean, median days) and for each exit;

(vi) Number of people in RRU as of the last day of the reporting period and their cumulative and consecutive days in the RRU (i.e., minimum, maximum, mean, median days);

(vii) The number of periodic reviews required and conducted by whether people attended their review, and whether any modifications were made to a person's individual behavior support plan;

(viii) The number of people who requested to be discharged from RRU as of the last day of the reporting period and the total number of days each person spent in the RRU;

(ix) Any other information the Department or the Board deems relevant to understanding the Department's use of RRU [for people stepping down from RMAS].

(g) On a monthly basis, the Department shall provide the Board with the individually identified data used to create the monthly public report required by 40 RCNY § 6-2[7]6(f)(3) and all supporting documentation including but not limited to RRU placement, review, and IBSP documentation.

(h) The Board and the Department shall jointly develop the reporting templates for the public report required by 40 RCNY § 6-2[7]6(f)(3).

§ 44. Section 6-27 of Title 40 of the Rules of the City of New York, as renumbered by this rule, is amended to read as follows:

§ 6-27 Restraints. (a) Nothing in this section shall prohibit:

(1) The use of restraints that are reasonable and necessary based on the totality of the circumstances to perform a lawful task, effect an arrest, overcome resistance, prevent escape, control a person in custody, or protect staff, other people in custody, and others from injury;

(2) The immediate use of restraints to prevent a person in custody from self-harm or harming others or causing serious property damage;

(3) The routine use of restraints for movement, escort, and transportation purposes when an individualized determination is made that such restraints are necessary and such use complies with this section.

(b) The Department shall not place an incarcerated person in restraints unless an individualized determination is made that restraints are necessary to prevent an imminent risk of self-injury or injury to other persons. Restraints are only to be used when necessary to prevent such an imminent risk. Restraints shall only be imposed when no lesser form of control would be effective in addressing the risks posed by unrestricted movement.

(c) The method of restraint shall be the least intrusive method necessary and reasonably available to control a person in custody's movement based on the level and nature of the risks imposed.

(d) Restraints shall be removed as soon as possible after the risks posed by unrestricted movement are no longer present and may be used no longer than is necessary to abate imminent risk of self-injury or injury to other persons.

(e) [As of November 1, 2021,] From the Effective Date of this section, the Department shall eliminate the non-individualized use of restraints – including restraint desks – during lockout in all facility housing units. Non-individualized use means placing any person or group of people in a restraint desk or other restraint as a condition of lockout, or solely based on their transfer to a restrictive housing unit.

(f) [From the Effective Date of the Rule, the Department shall not subject any person or group of people to routine restraints during lockout periods, unless the person or people have recently participated in an actual or attempted slashing or stabbing, or engaged in activity that caused serious injury to a staff member or another person. In such cases, the use of a restraint desk or other restraint must be the least restrictive option necessary for the safety of others.

(g) From the Effective Date of the Rule and until the prohibition on non-individualized restraints takes effect on November 1, 2021, the Department shall review the placement of people in custody in non-individualized restraint during lockout every seven (7) days.

(1) Prior to such periodic review, the Department shall provide written notice to people in custody of the pending review and of the person's right to submit a written statement for consideration and to participate in the review. People in custody who are unable to read or understand such notice shall be provided with necessary assistance.

(2) Periodic review of a person's placement in non-individualized restraint during lockout shall consider the following, with conclusions recorded in a written report made available to the person within two (2) days of the review:

(i) The justifications for continued placement of the person in non-individualized restraints during lockout;

(ii) The continued appropriateness of the person in a form of non-individualized restraint during lockout;

(iii) Information regarding the person's subsequent behavior and attitude since placement of the person in non-individualized restraints during lockout;

(iv) Any written statement the person submitted for consideration or any oral statement the person made at the person's periodic review;

(v) Any other factors that may favor retaining the person or removing the person from non-individualized restraints during lockout; and

(vi) If the person's placement in non-individualized restraints during lockout is to continue, any actions or behavioral changes that the person might undertake to further rehabilitative goals and facilitate the lifting of non-individualized restraints during lockout.

(3) At each periodic review, the Department shall advance a person out of non-individualized restraints during lockout unless:

(i) The person has engaged in violent behavior in the previous seven (7) days; or

(ii) There is credible intelligence that the person may engage in violence in a less restrictive level or housing unit.

(4) The Department shall determine whether the person shall advance out of restraint desks or other form of non-individualized restraint within twenty-four (24) hours of the person's periodic review. If the Department determines that a person in custody should be moved out of restraint desks or other form of non-individualized restraint during lockout, the use of restraints shall cease within forty-eight (48) hours of such determination. If the use of restraints does not cease within forty-eight (48) hours, the Department shall notify the Board, in writing, within forty-eight (48) hours of its decision. The notification shall include the reason the Department did not move the person out of restraint desk or other form of non-individualized restraint]

Any continued use of restraints must be reviewed by the Department daily and discontinued once there is no longer an imminent risk of self-injury or injury to other persons. Continued use of restraints may only be authorized for seven (7) consecutive days.

([h]g) Restraints shall never be:

(1) Applied as punishment or retaliation;

(2) Applied to the head or neck or in a manner that may restrict blood circulation or breathing;

(3) Used to pull or lead a person in custody;

(4) Used to cause unnecessary physical pain or discomfort;

(5) Used inside of a cell unless the cell is being used to hold more than one person in custody and restraints are the only way to ensure the safety of those held in the cell.

([i]h) CHA shall notify the Department in writing of people in custody who have functional needs or impairments that contraindicate the imposition of one or more permitted restraints. The Department shall consider this information before such individuals are escorted in restraints, transported in restraints, or otherwise subject to restraints.

([j]i) A person in a wheelchair or a visually impaired person may be handcuffed only in front.

([k]j) People who are deaf, hearing impaired, or have impaired speech and communicate with hand gestures may only be restrained under controlled conditions, and when it is determined safe to do so, in a manner that allows for communication without jeopardizing safety.

([l]k) Four- and five-point restraints shall not be used other than pursuant to 40 RCNY § 2-06, governing the physical restraint of persons in custody being observed or treated for mental or emotional disorders.

(l) Restraints shall not be used on an incarcerated person under the age of 22 except in the following circumstances: (i) during transportation in and out of a facility, provided that during transportation no person shall be secured to an immovable object; and (ii) during escorted movement within a facility to and from out-of-cell activities where an individualized determination is made that restraints are necessary to prevent an immediate risk of self-injury or injury to other persons. The department is prohibited from engaging in attempts to unnecessarily prolong, delay or undermine an individual's escorted movements.

(m) The Department shall not place an incarcerated person in restraints beyond the use of restraints described in this section, or for two consecutive days, until a hearing is held to determine if the continued use of restraints is necessary for the safety of others. Such hearing shall comply with the Due Process and Procedural Justice rules described in 40 RCNY § 6-23.

([m]n) The Department shall provide the Board with a semiannual public report on the Department's use of restrictive statuses. The report shall include but not be limited to the following information for each restrictive status (i.e., Enhanced Restraint, Red ID, CMC), disaggregated by month:

(1) Number and percent of recommendations for placement in the restrictive status by age, race, ethnicity, gender, and "M" designation status of the person for which the restrictive status was recommended;

(2) Number and percent of people excluded from placement in such status due to a medical or mental health contraindication;

(3) Number of unique individuals placed in the restrictive status during the reporting period and the number of people currently classified in the restrictive status as of the last date of the reporting period;

(4) Number and percent of [periodic] daily reviews conducted, in total and disaggregated by outcome of review (i.e., continued or removed);

(5) Number and percent of appeals of placement into restrictive statuses, in total and disaggregated by outcome of appeal;

(6) Any other information the Department or the Board deems relevant to the understanding the Department's use of restrictive statuses.

([n]o) The Board and the Department shall jointly develop reporting templates for the public report required by 40 RCNY § 6-2[7(m)]6(n), for approval by the Board.

§ 45. Subdivision (d) of section 6-28 of Title 40 of the Rules of the City of New York, as renumbered by this rule, is amended to read as follows:

(d) Canines may not be stationed in [RMAS] restrictive housing units.

§ 46. Section 6-29 of Title 40 of the Rules of the City of New York, as renumbered by this rule, is amended to read as follows:

§ 6-29 Variances. The Department or CHA may apply for a variance from a specific subdivision or section of these 40 RCNY Chapter 6 rules in accordance with the procedures and criteria set forth in 40 RCNY § 1-15, provided that the request is not for a variance from the requirements of section 9-167 of the Administrative Code or a rule promulgated thereunder.

§ 47. Title 40 of the Rules of the City of New York is amended by adding a new subchapter I, to read as follows:

Subchapter I: Medical and Mental Health Housing

§ 6-30 Requirements for medical and mental health housing

(a) All housing for medical or mental health support provided to persons recommended to receive such support by CHA, including placement in contagious disease units, housing for people who are transgender or gender non-conforming, housing for voluntary protective custody, and housing for purposes of school attendance, shall comply with the requirements for restrictive housing and general population housing concerning out-of-cell time, programming and services.

(b) For purposes of the prevention of contagious disease, after a referral from health care staff, a person may be held in a medical unit overseen by health care staff, for as limited a time as medically necessary as exclusively determined by health care staff, in the least restrictive environment that is medically appropriate. Individuals in a contagious disease unit must have comparable access as individuals incarcerated in the general population to phone calls, emails, visits, and programming done in a manner consistent with the medical and mental health treatment being received, such as at a physical distance determined appropriate by medical or mental health staff. Such access must be comparable to access provided to persons incarcerated outside of restrictive housing units.

§ 48. This rule shall take effect on the same day as Local Law 42 for the year 2024 takes effect.

NOTE:

1. Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.
2. The National Oil Heat Research Alliance (NORA) has been extended until February 6, 2029. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. All other terms and conditions remain unchanged.
3. Items 1 - 4 on contract 4287148 and 5 - 20 on contract 4287149 are effective as of June 1st, 2022.
4. Items 1 - 4 on contract 4387063 are effective as of December 19, 2022.
5. Federal Superfund Tax is included in the DCAS weekly pricing schedule, and it should not show as an additional fee.

REMINDER FOR ALL AGENCIES:

All entities utilizing DCAS fuel contracts are reminded to pay their invoices **on time** to avoid interruption of service. Please send inspection copy of receiving report for all gasoline (E70, UL PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

Starting April 1st, city agencies must transition from winterized fuel to non-winterized fuel.

Please make sure your agency orders non-winter fuel according to the fuel options listed on the weekly price schedule.
