The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute such contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned such contract, and as in default to the Corporation, whereupon the Commissioner of Street Cleaning will readvertise and relet the work, and so on till the contract be accepted and executed.

Bidders are required to state in their estimate, under oath, the names and places of residence, the names of all persons interested with them therein, and if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making any bid or estimate for the above work or supplies, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each estimate shall also be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, or a guarantee company incorporated under the Laws of the State of New York, as shall be satisfactory to the Comptroller, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance in the amount of Fifteen Thousand (\$15,000) Dollars; and that if he or they shall omit or refuse to execute the same, they will pay to the Mayor, Aldermen and Commonalty of the City of New York any difference between the sum to which he would be entitled on its completion and that which The Mayor, Aldermen and Commonalty of the City of New York may be obliged to pay to the person or persons to whom the contract may be subsequently awarded. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller.

The price must be written in the bid or estimate, and also stated in figures. Permission will not be given for the withdrawal of any bid or estimate, and the right is

expressly reserved by the Commissioner of Street Cleaning to reject any or all the bids, or to select the bid or bids, the acceptance of which will, in his judgment, be deemed best for the interest of the City. No bid will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or proposal must be accompanied by a certified check on one of the State or National banks of the City of New York, payable to the order of the Comptroller of said city, for seven hundred and fifty dollars (\$750), or money to that amount. On the acceptance of any bid, the checks or money of the unaccepted bidders will be returned to them, and upon the execution of the contract, the check or money of the accepted bidder will be returned to him.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

"Section 1. All that territory comprised within the limits of the towns of Westchester, Eastchester and Pelham, which has not been annexed to the city and county of New York at the time of the passage of this act, which lies southerly of a straight line drawn from the point where the northerly line of the city of New York meets the centre line of the Bronx river, to the middle of the channel between Hunter's and Glen Islands, in Long Island Sound, and all that territory lying within the incorporated limits of the village of Wakefield which lies northerly of said line, with the inhabitants and estates therein, is hereby set off from the county of Westchester and annexed to, merged in and made part of the city and county of New York, and of the twenty-fourth ward of the said city and county, and shall hereafter constitute a part of the city and county of New York, and of the twenty-fourth ward of said city and county, subject to the same laws, ordinances, regulations, obligations and liabilities, and entitled to the same rights, privileges, franchises and immunities, in every respect, and to the same extent as if such territory had been included within said city and county of New York at the time of the grant and adoption of the first charter and organization thereof, and had so remained up to the passage of this act, and except as may be modified by the provisions herein contained, as if such territory had been included within said twenty-fourth ward by the provisions of chapter six hundred and thirteen of the laws of eighteen hundred and seventy-three, entitled 'An act to provide for the annexation of the towns of Morrisania, West Farms and Kingsbridge, in the county of Westchester, to the city and county of New York,' and the several acts amendatory thereof, and had so remained up to the passage of this act."

Whereas, Section 3 of said act provides as follows: "All the public property of each of said towns and villages, as well as the property now vested in the boards of education of said towns and villages, and lying within the territory hereby annexed to the city and county of New York, shall be vested in and is hereby declared to be the property of the mayor, aldermen and commonality of the city and county of New York, and the mayor, aldermen and commonality of the city and county of New York shall succeed to all the rights, claims, causes of action, rights to uncollected taxes, liens, uses, trusts, duties, privileges and immunities of each of said towns and villages so far as they relate to the territory hereby annexed to the city and county of New York, except as herein otherwise provided. * * *"; and

Whereas, Under and by virtue of the ancient charters and patents of the said Towns of Westchester, Eastchester and Pelham, title to all the lands under water between high and low water-mark adjacent to the uplands of said towns, together with the lands under water in all rivers, creeks, harbors, waters, lakes, etc., was vested in said towns, and under and pursuant to the provisions of said act hereinbefore set forth, title to the same became vested in The Mayor, Aldermen and Commonality of the City of New York, except to such portions of the lands under water as may have been aliened, granted or sold by the said respective towns; and

And said department is also invested with the exclusive government and regulation of all wharves, piers, bulkheads and structures thereon and waters adjacent thereto, and all the basins, slips and docks, with the land under water, in said city, not owned by said corporation; and

Whereas, It is important and necessary that the Dock Department should have and place some one in charge and control of the said lands under water as well as the property owned by private individuals in that portion of the territory annexed to the City of New York under and pursuant to the provisions of said chapter 934 of the Laws of 1895; therefore, be it

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per cent. of the amount of the security required upon the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct.
