Present: President James Creelman and Commissioners Richard Welling and Alexander Keogh.

The President, Mr. James Creelman, presided.

The following named persons appeared before the Commission, as directed, to show cause why their names should not be removed from the eligible list of Patrolman, pursuant to the provisions of clause 14 of Rule VII: Albert G. Herter, 429 East 19th street; William Knapp, 1358 Greene avenue, Brooklyn; Alva Speer, 495 Lorimer street, Brooklyn; Daniel Connolly, 510 DeKalb avenue, Brooklyn; Arthur C. deHart, 210 Reid avenue, Brooklyn; Lewis Walters, Jr., 268 6th avenue, Long Island City; Morris Pollock, 78 Essex street; James McMahon, 185 West 102d street; Frank Wolff, 167 Stanhope street, Brooklyn.

At the conclusion of the hearing the candidates were informed that their names would be permitted to remain on the list, with the exception of the following, whose names were removed from the list and ordered placed upon the blacklist: Alva Speer, Frank Wolff, Daniel Connolly.

The Chief Examiner stated that, in his opinion, all the Commission could properly require was that the candidates for veterinarian should possess a license to practise in the State of New York, and not a mere local county license. The report was adopted.

The action of the Secretary in permitting the following named candidates to amend their statements as to the date of birth, to conform to the proof submitted, was approved: Saul C. Silverman, Clerk, 1st Grade; Byron W. Smith, Assistant Electrical Engineer (non-competitive); John J. King, Inspector of Regulating, Grading and Paving.

A communication was presented from the Superintendent of the Brooklyn Disciplinary Training School for Boys, transmitting pay roll of Christian C. Antonius, "Helper." Present—Aldermen Mulhearn and Sheridan and the President of the Borough of The Bronx.

Minutes of the previous meeting were adopted, after a correction was made on No. 319, the proceeding for acquiring title to Bullard ave., which should have read "from E. 234th st. to the City Line," instead of "from E. 233d st."

366. Regulating and grading, etc., Bullard ave., from E. 238th st. to the northerly City Line.

Petition signed by Wm. W. Penfield, John Stahl, and five others.

No opposition. Laid over until the report of the estimated cost, etc., is received from the Chief Engineer.

367. Acquiring title to the lands necessary for Bullard ave., from E. 238th st. (Nereid ave.) to Demilt ave. (E. 242d st.).

Petition signed by Wm. D. Miller and two others. No one appeared in opposition.

It was resolved that the petition be amended so as to read "from E. 238th st. (Nereid ave.) to Demilt ave. (E. 242d st.)," instead of "Bullard ave. from E. 238th st. to the City Line."

Proceedings were initiated as amended.

The estimated cost for paving with sheet asphalt and with asphalt blocks was \$6,330, and for paving with bituminous pavement only \$3,050.

Owing to the fact that only a temporary sewer was installed, the Local Board recommended that the petition be amended to provide for bituminous pavement instead of two kinds of asphalt.

It was therefore resolved that proceedings be initiated for paving the roadway of Bronx Park ave. from Tremont ave. to Walker ave. with bituminous pavement on a concrete foundation, adjusting curb where necessary, and doing all work incidental thereto. Said pavement being designated under chapter 546 of the Laws of 1910 as Class "B," or preliminary pavement. Adopted.

Pursuant to call by President Miller, the members of the Local Board of Morrisania, 22d District, met on June 19, 1911, at 9 p. m.

Present—Alderman Fagan and the President of the Borough of The Bronx.

Minutes of the previous meeting were adopted after the Secretary was directed to insert the name of the street to be regulated, regraded and paved under section 322, namely, Manida st., from Lafayette ave. to Oak Point ave. (Eastern boulevard), which would also correct the omission in the printed minutes, page 5033 of the City Record.

322. Regulating, regrading and paving Manida st., from Lafayette ave. to Oak Point ave., Eastern boulevard.

After hearing Wm. Brown and Frank Baker in regard to the length of the avenue to be paved, it was suggested by the Board that the petition be adopted as presented, with the exception of substituting bituminous pavement instead of asphalt blocks.

It was resolved that proceedings be and the same hereby are initiated for regulating, regrading, setting curbstones and

flagging the sidewalks in, and paving with bituminous pavement on a concrete foundation the roadway of Manida st. from Lafayette ave. to Oak Point ave. (Eastern Boulevard), together with all work incidental thereto; said pavement being designated under chapter 546 of the Laws of 1910 as "Class B," or preliminary pavement. Adopted. Adjourned.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of the City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the De-

partment of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of the City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioner of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
