“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

ACCESSIBLE TRANSPORTATION AND EVACUATION PLANNING FOR PERSONS WITH DISABILITIES - Negotiated Acquisition - other - PIN# 01715N0001 - Due 7-29-15 at 5:00 P.M.

The New York City Emergency Management Department (NYCEMD) is seeking an appropriately qualified vendor to conduct a needs analysis to determine a statistically significant measure of demand for government-administered transportation services for people with disabilities and access and functional needs (DAFN). This will subsequently inform the need for potential revisions to the City's evacuation plans - specifically the Homebound Evacuation Operations (HEO) plan - for people with disabilities and others with access and functional needs.

This Negotiated Acquisition is a response to a court stipulation (Brooklyn Center for Independence of the Disabled v. City of New York) as part of a remedial plan to provide accessible transportation during evacuations. The City agrees to consult with Plaintiffs regarding the process and form of the needs analysis and meaningfully consider the Plaintiff's comments, incorporate those suggestions where practical and consistent with the goals of the Accessible Transportation Memorandum of Understanding.

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a

3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

*Firms that are in the process of becoming a New York City-certified M/WBE ay submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has began the Certification process.

Statement of Basis and Purpose of Proposed Rule

Section 2903(a)(15)(a) of the New York City Charter ("Charter") empowers the New York City Department of Transportation (DOT) Commissioner to issue Special Vehicle Identification Parking Permits, including Parking Permits for People with Disabilities (PPPD). It further provides that "[a]ny abuse by any person to whom such permit has been issued of any privilege, benefit or consideration granted pursuant to such permit, shall be sufficient cause for revocation of such permit." Section 4-08(o)(1)(v) of Title 34 of the Rules of the City of New York ("RCNY") provides that "any abuse by any person of any privilege, benefit or consideration granted by such permit, shall be sufficient cause for revocation of said permit."

Currently, neither the Charter nor the RCNY provides any guidance for the procedures to revoke or suspend a PPPD.

This proposed rule sets forth the procedures for an administrative appeal of a determination by the DOT to revoke or suspend a PPPD.

New material is underlined. [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule

Subparagraph (v) of paragraph 1 of subdivision (o) of section 4-08 of chapter 4 of title 34 of the Rules of the City of New York is amended to read as follows:

(v) Revocation or Suspension. Any abuse by any person of any privilege, benefit or consideration granted by such permit, will be sufficient cause for revocation or suspension of said permit.

(A) If the Department determines that a permit holder has abused a permit, the Department will issue a notice of intent to revoke or suspend the permit. The Department will send such notice to the permit holder by mail, and the notice will state the grounds for the proposed revocation or suspension. The notice will also inform the permit holder that he or she has an opportunity to be heard, either in-person or by teleconference.

(B) Grounds for suspension or revocation shall include, but not be limited to the following:

- (1) Use of the permit that does not meet the requirements of section 2903(15)(a) of the New York City Charter, which states: "Any vehicle displaying such permit shall be used exclusively in connection with parking a vehicle in which the person to whom it has been issued is being transported or will be transported within a reasonable period of time."
- (2) Transfer of the permit, copying of the original permit, use of a copied permit, or refusal to return an expired permit after receipt of a new permit.

(C) If the permit holder wants an opportunity to be heard, the permit holder must submit a request to the Department in writing. The Department must receive such request within thirty (30) calendar days of the date of the Department's notice. If the Department does not receive a written request for an opportunity to be heard within thirty (30) calendar days of the date of the Department's notice, the Department will revoke or suspend the permit.

(D) If the permit holder submits a timely written request for an opportunity to be heard, the Department will schedule such opportunity to take place no later than thirty (30) calendar days from the date that the Department receives the permit holder's request. The Department will notify the permit holder of the date of the opportunity to be heard by mail.

(E) The permit holder may make a written request to receive copies of the evidence used by the Department in its decision making. Such request must be received by the Department at least fourteen (14) calendar days in advance of the date of the opportunity to be heard. The Department will provide a copy of the evidence in the manner requested by the permit holder (e.g. mail, e-mail, or in-person) no later than seven (7) days prior to the date of the opportunity to be heard.

(F) Requests for rescheduling, by either the permit holder or the Department, of the opportunity to be heard must be received by the other party at least forty-eight (48) hours in advance of the originally scheduled date. If the request for rescheduling is agreed upon by both the permit holder and the Department, a new date will be scheduled within fourteen (14) days of the original date as agreed upon by the permit holder and Department.

(G) The opportunity to be heard will be conducted by a designee of the Commissioner. The designee will (1) review the Department's decision to issue the notice of intent to revoke or suspend the permit, and (2) provide an opportunity for the permit holder to present reasons and evidence why the revocation or suspension is not warranted. The designee will issue findings of fact and a recommendation following the opportunity to be heard.

(H) Within thirty (30) days of the opportunity to be heard, the Commissioner, or his or her designee, other than the designee who conducted the opportunity to be heard and issued the recommendation, will issue a final decision. The final decision will include such findings of fact and recommendation of the person who conducted the opportunity to be heard and will accept, reject or modify that recommendation. The Department will send the final decision to the permit holder via mail within five (5) calendar days. The final decision will constitute a final agency determination.

- Request for Proposals - PIN#62510001 - Due 7-28-15 at 4:00 P.M.

New York City Economic Development Corporation (NYCEDC), on behalf of the City of New York (the "City") benefitting New York City Health and Hospitals Corporation ("HHC"), is seeking a consultant or consultant team for construction management, Resident Engineering, and Inspection and other consultant services for Coney Island Hospital in Brooklyn, Bellevue Hospital Center in Manhattan, Metropolitan Hospital Center in Manhattan, and Coler Specialty Hospital on Roosevelt Island. These hospitals were severely impacted by Hurricane Sandy, and these projects seek to make existing facilities more resilient and protect against future disasters. These projects will complement the other initiatives being undertaken, but not included in this contract, to create facilities that meet the City's resiliency goals when completed. Once complete these initial projects will ensure the public hospitals have the necessary safeguards in place to operate continuously during a storm and mitigate damage and power loss.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the approach and quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the quality of the plan for M/WBE participation. These services are expected to be funded through the Federal Emergency Management Agency (FEMA), which are administered by the New York State Division of Homeland Security and Emergency Services.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit an M/WBE Sub-Contractors Participation Plan with their response. For the list of companies who have been certified with the Empire State Development's Division of Minority and Women Business Development as M/WBE, please go to the <http://www.esd.ny.gov/MWBE/directorySearch.html>.

NYCEDC established the Kick Start Loan programs for Minority, Women and Disadvantaged Business Enterprise (M/W/DBE) interested in working on NYCEDC projects. Kick Start Loans facilitates financing for short-term mobilization needs such as insurance, payroll, supplies and equipment. Bidders, sub-contractors and sub-consultants are strongly encouraged to visit the NYCEDC website at www.nycedc.com/opportunitymwbe to learn more about the program.

An optional pre-proposal session will be held on Wednesday, July 1, 2015 at 1:00 P.M. at NYCEDC. Those who wish to attend should RSVP by email to PMPCM@edc.nyc on or before June 30, 2015.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 5:00 P.M. on Wednesday, July 8, 2015. Questions regarding the subject matter of this RFP should be directed to PMPCM@edc.nyc. Answers to all questions will be posted by Monday July 20, 2015, to www.nycedc.com/RFP.

Please submit seven (7) sets in hard copy and three (3) USB flash drives in electronic copy of your proposal.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
