SUPREME COURT OF THE STATE OF NEW YORK,

COUNTY OF NEW YORK.

THE MAYOR, ALDERMEN AND COMMONALTY of the City of New York, Plaintiffs,

against

WILLIAM P. KIRK AND OTHERS, as members of, and as the Board of Aldermen, otherwise called the Common Council, of the City of New York, Defendants.

Upon reading the summons and complaint, and the affidavits of Franklin Edson and E. Henry Lacombe, and the papers therein referred to, and the schedule thereto annexed, on motion of E. Henry Lacombe, Counsel to the Corporation, attorney for the plaintiffs, and it appearing to me from the said complaint and other papers that the defendants above-named are about to pass the resolution of August 6, 1884, mentioned in said complaint and prayed for in the petitions of the Broadway Surface Railroad Company for the consent of the defendants to the construction of its road, or a resolution of like substance or effect, and to grant to the said Broadway Surface Railroad Company a consent which shall require, involve, permit or sanction the operation of a street surface railroad by the Broadway and Seventh Avenue Railroad Company upon that portion of Broadway lying between Union Square and Park place, or upon a portion of that part of Broadway, or upon some portion of Broadway between Union Square and the Battery, or which shall permit or operate as a consent to the Broadway Surface Railroad Company to operate a surface railroad under an agreement with the said Broadway and Seventh Avenue Railroad Company, without requiring said latter company to pay to the plaintiffs the percentages of its gross receipts, mentioned in section 8 of chapter 252 of the Laws of 1884, and without such consent being made upon such terms as shall expressly and definitely secure the payment of such percentages to the plaintiffs, and that the defendants, unless restrained, will pass such resolution and give such consent; and that an order to show cause is necessary; and that no previous application for this order has been made; and it further appearing that such resolution would be unlawful and in excess of the power of the Common Council, under chapter 252 of 1884; and the grounds of this injunction being such illegality; it is

Ordered, That the said defendants show cause, if any there be, before this Court, at a Special Term thereof, to be held at the Chambers thereof, at the Court-house in the City of New York, on the 10th day of November, 1884, at 11 o'clock in the forenoon, or as soon thereafter as counsel can be heard, why they should not be enjoined and restrained from passing any such resolution or giving any such consent as aforesaid, or according to the prayer of the complaint of the plaintiffs herein; and until such time, and the further order of this Court in the premises, the defendants and each of them are hereby enjoined, restrained, and commanded to desist from voting for, adopting or passing any such resolution as is mentioned in the said complaint, or as is hereinbefore mentioned, and from giving his or their consent or approval, or the consent or approval of the Board of Aldermen, or the said Common Council, to the Broadway Surface Railroad Company, or to any other railroad company, to operate a surface railroad upon or through any part of Broadway, between Union Square and Park place, under any agreement with any other railroad company, unless such other railroad company be one liable to pay to the plaintiffs the percentage of its gross receipts mentioned in section 8 of chapter 252 of the Laws of 1884, and such consent be made upon such terms as shall expressly and definitely secure the payment of such percentages to the plaintiffs. And sufficient cause having been shown therefor, it is hereby ordered that service of this order and of the papers on which the same is made upon the defendants, on or before the 6th day of May, 1884, shall be sufficient.

Dated, New York, November 5, 1884.

—will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9:30 o'clock A. M. of Tuesday, November 11, 1884. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Hardware, Leather, Paints, Lumber and Ice," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, and the bids or estimates will be tested.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES FOR THE COMPLETION OF THIS CONTRACT, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for

the same purpose, and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

The bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will be held jointly and severally in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be reawarded and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

JURORS

NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 2, 1883.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 o'clock A. M. to 4 P. M., on all persons hitherto exempted or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enforcement notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption, if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The first of unpaid will be entered as judgments upon the property of the delinquent.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or reward, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

GEORGE CAULFIELD,
Commissioner of Jurors,
Room 17, New County Court-house
