NEW YORK, May 29, 1886.

PUBLIC NOTICE.

A resolution, of which the following is a copy, was adopted by the Common Council, May 26, 1886, and was approved by the Mayor, May 28, 1886, viz.:

"Resolved, That in consideration of the fact that little, if any, business is transacted in the public offices of the Corporation after 12 o'clock, M., on Saturdays during the summer season, the various offices of the City, except those specially required by law to be kept open, be closed at noon every Saturday during the months of June, July, August and September, and the heads of the several departments of the City government be and are hereby requested to give their employees a half-holiday on Saturdays during the months above named."

FRANCIS J. TWOMEY, Clerk Common Council.

AQUEDUCT COMMISSION.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their office, No. 209 Stewart Building, on Wednesday, July 7, 1886, at 2 o'clock P. M.

Present—Commissioners Spencer, Dowd, Commissioner of Public Works, Commissioners Baldwin, Barnes, Ridgeway, and Fish.

Also, Chief Engineer Church, and Chief Engineer Birdsall, and Consulting Engineer Adams of the Department of Public Works.

The meeting was opened for public hearing pursuant to the public notice published in the CITY RECORD, "Times," Tribune, and "Graphic."

The President announced that the Commissioners were ready to hear any one present, but no one responding, the public hearing was suspended, and the regular order of business taken up.

The minutes of the stated meeting of June 30, and of the special meeting of July 1, were read and approved.

The Committee of Finance and Audit reported their examination and audit of bills included in vouchers Nos. 1836 to 1848; and, on motion of Commissioner Dowd said vouchers were approved by the Commissioners, and ordered certified to the Comptroller for payment.

The Committee on Construction made report, dated July 2, with regard to the plans for the new gate-house at One Hundred and Thirty-fifth street and Convent avenue, and reported for adoption by the Commissioners the following resolution:

Resolved, That the plans of the gate-house at One Hundred and Thirty-fifth street and Convent avenue and connections with the iron mains running south, and with the Old and the New Aqueducts referred to us by the Commissioners—the said plans consisting of general plan of gate-house, marked "No. 1," showing the connections with the New Croton Aqueduct entering it; and also the connections between this gate-house and the Old Croton Aqueduct, and the connections with pipes, gates and stop-cocks of the eight mains running south from that gate-house; plan marked No. 2, sheet No. 62, showing the longitudinal vertical sections through foundations; plan marked No. 3, sheet No. 63, showing transverse vertical sections through foundations; plan marked No. 4, sheet No. 64, showing vertical sections through Aqueduct entering gate-house, the same having been approved by the Chief Engineer, are hereby approved by the Committee on Construction, and so certified to the Commissioners for their approval and adoption.

The Commissioners approved and adopted the abovenamed plans.

The Committee also offered the following resolution, which was unanimously adopted:

Resolved, That the resolution passed at the last meeting, referring the plans for ironwork at Saw-mill river gate-house to the Committee on Construction, shall include a small portion of ironwork immediately required for the Pocantico and Tibbet's brook gate-houses, contained in said plans.

In response to the resolution of the Commissioners of the 5th of May last, the Commissioner of Public Works, under date of July 6, submitted a general plan, map, specification and estimate for a conduit or pipe-lines between the gate-house at One Hundred and Thirty-fifth street and the gate-house at the New Reservoir in Central Park, the said map being Exhibit M M.

The Commissioner also called attention to the provisions of section 316 of the Consolidation Act of 1882, and in view thereof recommended that the contracts, detailed drawings, direction, supervision and inspection for the construction of said conduit or pipe-lines be entrusted to the Engineers and other subordinates of the Department of Public Works, under the provisions of section 30, chapter 490, of the Laws of 1883.

On motion of Commissioner Barnes, the said maps, plans, specifications and estimates were referred to the Chief Engineer for examination and report, and the communication of the Commissioner of Public Works was ordered placed upon file for future consideration.

The Comptroller gave notice, under date of July 3, of the issue of a warrant for the payment of a voucher not certified by the Aqueduct Commissioners, for expenditure of the Commissioners of Appraisal for New York City and County, amounting to \$315.85, which notice was ordered placed upon file, and entered upon the books of this Commission.

The Secretary presented a detailed abstract of the total expenditures of the Commission up to June 30, 1886, which was referred to the Committee of Finance and Audit.

Commissioner Ridgeway called from the table the majority report of the Committee of Finance and Audit, of June 23, in relation to the compensation of employees in the office of the Secretary of the Commission, and presented a minority report, dated July 7, 1886.

Commissioner Dowd objected to receiving the report as out of order, for the reason that two meetings had passed since the submission of the majority report, and the minority report had never been considered by the Committee of Finance and Audit.

The President held that the Commissioners were not bound by any order of procedure in the case, and that the report could properly be presented.

Commissioner Barnes then moved that the minority report be received, which motion was carried.

The minority report was then read, and Commissioner Dowd moved to lay it upon the table.

The motion was lost; Commissioners Barnes, Ridgeway, Fish, and the Commissioner of Public Works voting in the negative; Commissioners Dowd and Baldwin voting in the affirmative, the President not voting.

Commissioner Ridgeway then moved the adoption of the recommendation of the minority report, that the salaries of the employees in the Office of the Secretary remain as now fixed, with the exception of the compensation of the Secretary, and that that be reduced to the rate of \$4,000 per annum; said reduction to take place from and after this date.

Commissioner Dowd moved an amendment that the majority report of June 23 be adopted, which motion was lost by the following vote: In the affirmative, President Spencer, Vice-President Dowd, and Commissioner Baldwin; in the negative, Commissioners Barnes, Ridgeway and Fish, and the Commissioner of Public Works.

The motion of Commissioners Ridgeway was then adopted by the affirmative vote of the Commissioner of Public Works, and Commissioners Barnes, Ridgeway, and Fish; the President, Vice-President, and Commissioner Baldwin voting in the negative.

The public hearing was then resumed, and the notice read.

No one present desiring to be heard, Commissioner Barnes moved that the said public hearing be now finally closed.

The motion was carried unanimously, and the President declared the public hearing closed.

The Commissioners then adjourned.

JAMES W. McCULLOH, Secretary.

SEALED BIDS OR ESTIMATES FOR THE aforesaid job, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third avenue, in the City of New York, until 9.30 o'clock A. M. of Tuesday, July 20, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for one New Boiler and Surface Condenser for Steamer 'Fidelity,' City of New York," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as

surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of five thousand (\$5,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered, to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
ROOM 127, STEWART BUILDING,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the cause of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR SUPPLYING the Police Department with two thousand tons of best quality of Lehigh Coal, will be received at the Central Office of the Department of Police, in the City of New York, until ten o'clock A. M., of Friday, the 23d day of July, 1886.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for Furnishing Coal," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read, and the award of the contract made to the lowest bidder with adequate security as soon thereafter as practicable.

For particulars as to the quality, kind and size of coal required, reference must be made to the specifications, blank forms of which may be obtained at the office of the Chief Clerk in the Central Department.

Bidders will state a price per ton of two thousand pounds for the coal to be delivered (see eighth paragraph of the specifications). The price must be written in the bid, and stated in figures. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject any or all bids which may be deemed prejudicial to the public interests.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The entire quantity of coal is to be delivered within thirty days from the date of the execution and delivery of the contract.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract in the manner prescribed by law, in the sum of five thousand dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or

parties making the estimate, that the several matters stated therein are in all respects true. When more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Blank forms for estimates may be obtained by application to the undersigned, at his office in the Central Department.
