These actions are intended to facilitate the phased demolition and redevelopment of Lambert Houses, an existing residential and commercial development occupying approximately 12 acres in the West Farms neighborhood of the Bronx, New York (the "Proposed Project"). The "Development Site" is defined as parcels 1, 3, 5, and 10 in the northern section of the current Bronx Park South LSRD, and is comprised of the following properties:

The approximately 12-acre Development Site currently contains five groupings of six-story buildings containing 731 residential units, and one two-story building containing approximately 39,490 square feet (sf) of retail use and 375 parking spaces. The Proposed Actions would remove Lambert Houses (consisting of Parcels 1, 3, 5, 10) from the LSRD. The remainder of the Bronx Park South LSRD (consisting of Parcels 6, 7, 8a, 8b, and 9) would remain in the modified LSRD. There is currently a proposal (under a separate application) for a new residential development, sponsored by the Second Farms Neighborhood HDFC for Parcel 9 in the LSRD.

The Proposed Project involves the demolition of the existing Lambert Houses buildings and the redevelopment of the Development Site with approximately 1,665 new affordable residential units, approximately 61,100 sf of retail space, and a possible elementary school on Parcel 10 of up to approximately 86,608 sf. Construction of the Proposed Project has a Build Year of 2029, as construction would occur over a period of approximately 13 years.

Written comments on the DEIS are requested and will be received and considered by HPD, the Lead Agency, until Monday, August 22, 2016.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
