

PROJECT RESET

An alternative to Criminal Court

Have you just arrested a 16 or 17 year-old?

**Are you charging the teen with a
non-violent misdemeanor?**

**Have you determined whether the youth is
eligible for a Desk Appearance Ticket (DAT)?**

**Then CALL Real Time Crime Juvenile Desk
at (646) 610-5884.**

Under [Project Reset](#), eligible 16- and 17-year olds charged with certain non-violent offenses will be recommended for diversion services (community service or accountability workshops). Upon the approval of the DA, youth who successfully complete the program will not have to appear in court and will have their arrest records sealed.
