NEW YORK, June 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given. Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. ## DEPARTMENT OF PUBLIC WORKS.

DEPARTMENT OF PUBLIC WORKS,  
NEW YORK, January 26, 1886.

## TO THE PUBLIC.

THE CHIEF ENGINEER OF THE CROTON Aqueduct reports to me to-day that during the past twenty days the water in the city reservoirs has gone down three feet three inches, equal to 98,000,000 gallons, showing that this amount of water was used and wasted over and above the supply received through the Croton Aqueduct and the Bronx river conduit. The Department has no means to stop this enormous waste, which is caused by consumers keeping faucets open day and night to wash dishes, wash clothes, wash pipes, and can only make this most urgent appeal to them to stop it, and notify them that unless it is stopped the pressures in the water-mains will be so much reduced that in a few days the water will not rise to the basements and cellars in thousands of buildings.

Respectfully,  
ROLLIN M. SQUIRE,  
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
Room 6, No. 31 CHAMBERS STREET,  
NEW YORK, January 18, 1886.

## TO COAL DEALERS.

BIDS OR ESTIMATES, INCLOSED IN A SEALED envelope, with the title of the work and the name of the bidder endorsed thereon, will be received at this office, until Saturday, January 30, 1886, at 12 o'clock M., at which place and hour they will be publicly opened by the head of the Department and read.

FOR BRUSHING THE DEPARTMENT OF PUBLIC WORKS, WITH THREE THOUSAND GROSS TONS (2,400 POUNDS TO A TON) OF EGG SIZE LEHIGH AND WILKESBARRE COMPANY'S BEST WILKESBARRE COAL.

Bidders for the above contracts must be regularly engaged in the business and well prepared for furnishing the materials they propose for; and no contract will be made with any bidder who is not prepared to furnish satisfactory evidence to that effect.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person is so interested, it shall distinctly state that fact. That it is made without any connection with any other person, and that the bidder, or his surety, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that he is the person making the same, and that he is not connected with any other person therein stated as true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will be entitled upon its completion to the same, and that they will be its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and the sum which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the work is to be done.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMES IT FOR THE BEST INTERESTS OF THE CITY.
