WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE TUESDAY, AUGUST 21, 1917.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date.

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

MUNICIPAL CIVIL SERVICE COMMISSION.

Minutes of Meeting of the Municipal Civil Service Commission of New York, Held Thursday, July 5, 1917, at 10.30 A. M.

Present—Dr. Henry Moskowitz, President, and Darwin R. James, Jr., Commissioner. The President presided.

A public hearing was had on the proposed adoption of a special resolution waiving the provisions of clause 11 of Rule VII to permit the Commission to grant Mrs. Margaret Ryan, Mrs. Susan Green and Mrs. Margaret J. McCormack, employees of the Department of Correction, a special examination for promotion to the position of Matron. Frederick T. Newell, Secretary of the Department of Correction, appeared in favor of the proposed resolution. There were no other appearances and the Chair declared the hearing closed.

A public hearing was had on the proposed amendment of the Classification by striking from the Exempt Class the following:

"Coroners. Clerk to each Coroner in the Boroughs of Manhattan, Richmond, The Bronx, Brooklyn and Queens."

Ernest C. Wagner, Coroner, Borough of Brooklyn; Carl Voegel, Coroner, Borough of Queens; Timothy Healy, Coroner, Borough of Manhattan; William J. Flynn, Coroner, Borough of The Bronx; James L. Vail, Coroner, Borough of Richmond; Harry Leisersohn, Clerk to the Coroner, representing Israel L. Feinberg, Coroner, Borough of Manhattan; Philip J. Coffey, Chief Clerk, Coroner's Office, Borough of Brooklyn; and Abraham L. Eisner, Clerk to the Coroner, Borough of The Bronx, appeared in favor of the proposed amendment. Philip A. Johann, Esq., representing the Commissioner of Accounts, appeared in opposition thereto. There were no other appearances and the Chair declared the hearing closed.

The Commission then went into regular session and the minutes of the meetings held June 6 and June 12, 1917, were approved.

On motion, the following preamble and resolution were adopted:

Whereas, with the approval of the Mayor and the State Civil Service Commission, a promotion examination for the competitive position of Matron in the Department of Correction, open to persons serving in various positions appearing in the Non-Competitive Class of the Department of Correction, was held by the Municipal Civil Service Commission on May 17, 1916; and

Whereas, Mrs. Margaret Ryan, Mrs. Susan Green and Mrs. Margaret J. McCormack were unable to participate in said examination either because of illness or conditions arising out of special services rendered to the Department of Correction; and

Whereas, clause 11 of Rule VII prohibits the holding of a special examination for any candidate "unless it be shown to the satisfaction of the Commission that his failure to appear for or gain admission to or complete such examination or test was due to a manifest error or mistake for which the Commission is responsible, the nature of which shall be set forth in its minutes, or that such failure was due to compulsory attendance before any court or other public authority having the power to compel such attendance"; and

Whereas, the above mentioned examination was held in order to permit the adjustment of assignments of employees of the Department of Correction and resulted in the appointment of all candidates who passed therein and would have resulted in the appointments of Mrs. Margaret Ryan, Mrs. Susan Green and Mrs. Margaret J. McCormack, had they competed in and passed such examination; and

Whereas, the conditions in the cases of Mrs. Margaret Ryan, Mrs. Susan Green and Mrs. Margaret J. McCormack are not covered by clause 11 of Rule VII; therefore be it

Resolved, that, with the approval of the Mayor and the State Civil Service Commission, the provisions of clause 11 of Rule VII, be and are hereby waived so that the Municipal Civil Service Commission may grant a special examination to the above named employees of the Department of Correction for promotion to the position of Matron, in said department, such action, however, not to be regarded as any precedent for waiving the requirements of clause 11 of Rule VII.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days

from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

"No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions, shall in any case be re-located or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be re-located or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made."

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and be it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
