## notice

On Wednesday, November 30, 2011, at 10:00 A.M., in Reade Street in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning a zoning map amendment and zoning text amendments as well as special permits
for a large-scale general development project (LSGD). The zoning map amendment would rezone the block between West 11th and 12th Streets east of Seventh Avenue from C2-6 to C6-2 for the portion within 100 feet of Seventh Avenue and rezone the adjacent midblock portion from R6 and C1-6 to R8. The zoning text amendments would permit the floor area ratio available for certain LSGDs within Manhattan Community District 2 to be used without regard to height factor or open space ratio requirements and allow for a reduction in open space requirements for appropriate open space with superior landscaping. The applicant is also requesting special permits under ZR Sections 74-743, 74-744, and 13-561 to waive certain bulk and open space requirements for their LSGD and to permit an accessory parking garage on their site. The proposed actions would facilitate a proposal by the applicant, RSV, LLC, to redevelop a vacant former hospital and support buildings for residential use with retail and medical office uses on the lower floors of the buildings along Seventh Avenue, an accessory parking garage with approximately 152 spaces, and an approximate 15,100 -square-foot publicly accessible open space. Comments are requested on the DEIS and
will be accepted until Monday, December 12, 2011 .

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 10DCP003M.
