Re: Resolution #12/12/850C: Implementation of Corrective Actions Pursuant to the Audit of Compliance by the New York City Department of Design and Construction with the City's Equal Employment Opportunity Policy from January 1, 2007 to December 31, 2009

Dear Mr. Burney:

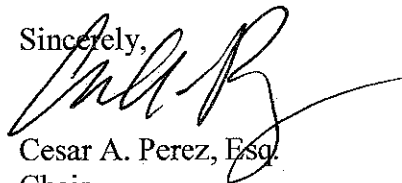

Pursuant to Section 832 of Chapter 36 of the New York City Charter, the Equal Employment Practices Commission (EEPC) was required to monitor audit compliance by the Department of Design and Construction (DDC) for a period not to exceed six months. The compliance period was from January 2012 through June 2012. The DDC's Final Compliance Report was submitted on May 25, 2012.

The goal of monitoring was to determine if the DDC implemented all recommended corrective actions pursuant to our audit of compliance by your agency with the Citywide Equal Employment Opportunity Policy from January 1, 2007 to December 31, 2009.

After completing its review of the Compliance Reports submitted by your agency, EEPC staff submitted a Summary Compliance Report for Commission review. This Commission has determined that the DDC has implemented the recommended corrective actions as required by Chapters 35 and 36 of the New York City Charter to the Commission's satisfaction. The Department of Design and Construction is now in compliance with the requirements of the Citywide Equal Employment Opportunity Policy and the Commission's positions.

On behalf of this Commission, I want to thank you and EEO Director Dalela Harrison for the cooperation extended to the EEPC Compliance Unit during the compliance-monitoring period.

Sincerely,
