REPORTS.

(G. O. 635.)

The Committee on Law Department, to whom was referred the annexed proposed "Ordinance to define certain duties of the Inspectors and Sealers of Weights and Measures in the City of New York," do respectfully

REPORT:

That the whole question of providing our city with a practical, efficient and economical system for the proper inspection and sealing of the weights and measures used by merchants and traders is an important and difficult one. It is a governmental duty to protect the citizen against the use of false and inaccurate weights and measures, and at the same time to guard the trader against oppressive visitations on the part of inspectors or other public officers. The working of the existing system in the past does not appear to have given satisfactory results; but in the present condition of the law regulating the subject, an adequate remedy for existing defects and abuses does not seem within the power of the Common Council to grant. Additional State legislation is required, and until relief comes through that channel, all action by the Board of Aldermen and the Board of Estimate and Apportionment must be but patchwork and make-shift, applied to a radically defective system.

The number of inspectors is limited to two by section 106 of the New York City Consolidation Act of 1882.

By the same section, the Board of Aldermen may prescribe, by ordinance, the number of sealers, which is at present also two. There seems no good reason why the offices of inspector and sealer should be distinct.

They might be combined, to the advantage of the public service, but under existing law they must remain separate.

Your Committee are therefore of opinion that the passage of the annexed proposed ordinance would only assist in perpetuating the present defective and utterly inadequate system, and for this and the reasons stated above, cannot recommend the adoption of the proposed measure.

Your Committee do recommend, however, that the careful and considerate attention of the Legislature of this State be called to the necessity of better public protection in this matter of weights and measures.

We would also respectfully suggest that his Honor the Mayor take such action as may bring this important subject to the consideration of the Legislature.

All which is respectfully submitted.

Dated New York, December 14, 1886.

JAMES T. VAN RENSSELAER, BANKSON T. MORGAN, JAMES J. MOONEY,	} Committee on Law Department.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to Domenico Adamo to erect a barber-pole on the sidewalk, near the curb-line, in front of No. 290 Canal street; such permission to continue only during the pleasure of the Common Council.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, December 14, 1886.

I return, without my approval, the resolution of the Board of Aldermen, adopted December 3, 1886, to pave, curb and flag Sylvan place, from One Hundred and Twentieth to One Hundred and Twenty-first street, with Belgian pavement, etc., for the reason that the resolution should be amended so as to provide for "trap-block" pavement instead of "Belgian" pavement, as the latter term does not give a sufficiently definite description of the kind of pavement to be laid.

W. R. GRACE, Mayor.

Resolved, That the carriageway of Sylvan place, from One Hundred and Twentieth to One Hundred and Twenty-first street, be paved with Belgian pavement, except that a crosswalk of two courses of blue stone be laid at or near the intersections of each terminating street, and within the lines of the sidewalks on said One Hundred and Twentieth and One Hundred and Twenty-first

streets, where not already laid; also that the curb-stones be set and the sidewalk be flagged a space four feet in width through the centre thereof, where not already done, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

W. R. GRACE, Mayor.

Resolved, That a crosswalk of two courses of blue stone be laid across One Hundred and Twenty-fourth street, at or near the easterly intersection of Madison avenue, and within the lines of the sidewalk on the east side of Madison avenue; the work to be done under the direction of the Commissioner of Public Works, and the cost thereof to be paid from the appropriation for "Boulevards, Roads and Avenues, Maintenance of."

consent hereby given, or the sale had in pursuance thereof, shall be subject to the same conditions, liabilities, obligations, duties and payments in respect to such use or operation by him or it or upon such tracks as the bidder to whom the sale shall be made under this consent would be subject were such use or operation made by such bidder, and in computing any percentage upon gross receipts that may hereby become payable, the amount thereof shall be computed upon a fare of five cents as having been received as part of the gross receipts from every passenger who shall ride upon any part of the route hereinabove described, and irrespective of the fact whether such passenger enters or leaves the car at any point upon the said route, and the bidder to whom such sale shall be made shall be jointly and severally liable with any such person or company for any default in any of such conditions, liabilities, obligations, duties and payments.

Seventh—That the percentage upon gross receipts payable under the bid at said sale shall be made annually on the first day of November for the year ending on the next preceding thirtieth day of September.

Eighth—That the said St. Nicholas Avenue and Crosstown Railroad Company shall provide for the expense of publication of the aforesaid notice of sale before the said notice shall be published, and the Company which, at the said sale, shall be the highest bidder, shall at the time and place of sale reimburse the said St. Nicholas Avenue and Crosstown Railroad Company for all expenses of printing and publishing necessarily incurred by it upon the application and sale herein, under the provisions of said chapter 252 of the Laws of 1884, and of said chapter 642 of the Laws of 1886.

Ninth—This consent is given and the said sale shall be made upon the express understanding that the conditions herein stated do not relieve the said bidder or any person or company operating a road upon any of the tracks constructed under this consent from any conditions, obligations, liabilities, payments or duties to which they might have been liable in the absence of such conditions.

Tenth—That if the bidder shall not furnish satisfactory security, the said Comptroller may cancel the bid and sell this consent and the license in the same manner as is provided by chapter 642 of the Laws of 1886.

Eleventh—That the said bidder shall, within thirty days after the sale at public auction, execute under its corporate seal, to be attested by its president or treasurer, and by virtue of a resolution of its Board of Directors, an instrument in writing which shall be delivered to the Comptroller of the City of New York, and which shall contain and express the acceptance by the said bidder of this consent of the Common Council for the construction, maintenance, use and operation of the proposed railroad upon the streets and avenues above mentioned upon the terms and conditions upon which this consent is granted, and binding the said company to abide by, comply with, faithfully perform and keep the said terms and conditions.

And be it further Resolved, That the sale at public auction of the right, franchise and privilege mentioned above shall be attended and conducted by the Comptroller of the City of New York, and shall be held at a place in the City of New York to be designated by the said Comptroller, and on the earliest practicable day to be designated by the said Comptroller, or at such time to which the same may be adjourned from the day specified in the notice so published, not exceeding twice, for a period not exceeding four weeks in the aggregate, and only after notice of the time, place and terms thereof, and of the route or routes to be sold, and of the conditions upon which this consent is given, shall have been published by the said Comptroller three times a week for at least three weeks in two daily newspapers in said city to be designated by his Honor the Mayor of said city; and if the bidder shall not furnish satisfactory security, the said Comptroller may cancel the bid and sell this consent and the license in the same manner as is provided by chapter 642 of the Laws of 1886.

NOTICE.

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
 ROOM 127, STEWART BUILDING,
 CHAMBERS STREET AND BROADWAY,
 NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE
 heard here, from 10 A. M. to 3 P. M., from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given. Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Where liable or not, such notices must be answered in person, if possible, and at this office only, under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve who called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the cause of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their duties or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt. Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully presented.

CHARLES KELLY,
 Commissioner of Jurors.

will be received at the Department of Public Charities and Correction, in the City of New York, until 9:30 o'clock A. M. of Tuesday, December 28, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods & Lumber," with his or their name or names, and the date of presentation, to the head of the Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

The Board of Public Charities and Correction reserves the right to reject all bids or estimates if deemed to be for the public interest, as provided in section 64, chapter 410, Laws of 1882.
 No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.
 The award of the contract will be made as soon as practicable after the opening of the bids.
 Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in a business, and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and no person or persons shall be permitted to bid or estimate on this contract, or to be connected with any other person making an estimate for the same, unless he or she is in all respects clear, and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk thereon, or any officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the contractor, in the name of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the estimate be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent of the wife or husband or co-proprietor of the person or persons making the estimate, that he or she is a resident of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on his or her behalf, become bound as his or her sureties for the faithful performance; and that if he or she shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he or she would be entitled on its completion and the amount which the Corporation may be obliged to pay to the person or persons to whom the contract is awarded, at any subsequent letting.
 The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 2 of chapter 2 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.
 No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, for the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has the custody of the box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. The estimate must also state the name and place of residence of the person making the same, and the place of business; the names of all persons interested with him therein; that it is made without any connection with any other person making an estimate for the same work, and without collusion or fraud; and that no member of the Common Council or other officer of the Corporation is directly or indirectly interested therein, or in any portion of the profits thereof.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller of the City of New York, for the amount of \$15,000 dollars. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record or clerk who has charge of the bids, and the estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded to the successful bidder.

No contract will be made upon any estimate unless it appears that the party making the same is established in the printing business in the City of New York.

The undersigned officers reserve the right to reject any or all proposals if in their judgment the same may be for the purpose of obtaining a monopoly.

Copies of the specifications and the form of contract to be entered into, may be had at the office of the Supervisor of the City Record, City Hall, New York.

Dated New York, December 3, 1886.
