PETITIONS.

To the Honorable the Board of Aldermen of the City of New York :

The petition of the Riverside and Fort Lee Ferry Company respectfully shows :

1. That the Riverside and Fort Lee Ferry Company is a corporation organized and existing under an act of the Legislature of the State of New York, passed April 9, 1853, entitled "An act to authorize the formation of corporations for ferry purposes, etc.," and that the articles of incorporation under such act were filed on the 27th day of June, 1853.

2. That heretofore, namely on the 12th day of July, 1892, a certain indenture of lease was entered into between the Mayor, Aldermen and Commonalty of the City of New York as parties of the first part and your petitioner as party of the second part ; whereby, under and in pursuance of section 170 of chapter 410 of the Laws of 1882, and the ordinances of the Common Council of the City of New York, after due appraisal, advertisement and sale, your petitioner became the lessee of the franchise or license (under certain conditions and limitations in said lease contained) to operate a ferry over and across the waters of the Hudson river, from and to the foot of One Hundred and Thirtieth street, in the City of New York, and to and from Fort Lee, Bergen County, in the State of New Jersey, for the period of five years terminating on the 1st day of April, 1897.

3. That in said lease and on the third page thereof (as appears by a copy thereof hereto annexed) there appears the following language :

"Now This Indenture Witnesseth, that the said parties of the first part, for and in consideration of the rents, covenants and agreements hereinafter mentioned Do grant, demise and to farm let, unto the said party of the second part, the privilege or franchise to run a ferry from and to the foot of One Hundred and Thirtieth street and Manhattan street in the City of New York, over and across the waters of the Hudson or North river, to and from the existing terminal point of said ferry at Fort Lee, Bergen County, in the State of New Jersey, together with all that certain wharf property situate in the City and County of New York,

4. That in order to increase the business of said ferry whereby the rental charge paid to the City of New York under said lease will be increased, and in order to better meet the demands of the public and to facilitate travel, and in accordance with the desire of the majority of the stockholders of said corporation, and without amending, altering, changing or adding to the privileges granted by said lease in so far as the New York terminal of said ferry is concerned,

Your petitioners pray that the language of the paragraph as heretofore quoted may be amended so as to read

"Now This Indenture Witnesseth, that the said parties of the first part, for and in consideration of the rents, covenants and agreements hereinafter mentioned Do grant, demise and to farm let, unto the said party of the second part, the privilege or franchise to run a ferry from and to the foot of One Hundred and Thirtieth street and Manhattan street in the City of New York, over and across the waters of the Hudson or North river, to and from the existing terminal points of said ferry, viz. : at Ferry street, Fort Lee, Ridgefield Township, Bergen County, in the State of New Jersey ; also at the foot of Dempsey avenue in the same township, county and State ; also at the foot of Susquehanna street in the same township, county and State, together with all that certain wharf property situate in the City and County of New York,

And your petitioner further prays that a resolution of your Honorable Body may be passed, directing the amendment, as aforesaid and that the same become a part of the original lease entered into, as aforesaid, under the same conditions and agreements as therein contained.

Dated NEW YORK, December 4, 1894.

REPORTS RESUMED.

(G. O. 1449.)

The Special Committee appointed to carry into effect the arrangements made by your Honorable Body, testifying sincere sorrow for the death and suitable respect for the memory of our late associate, William H. Murphy, Alderman from the Twelfth Assembly District, at a regular meeting of the Board, held January 9, 1894, respectfully

Resolved, That the Comptroller be and he is hereby authorized and directed to draw a warrant in favor of Messrs. Murphy, and charge the amount thereof to the appropriation for "City Contingencies."

JACOB C. WUND,
NICHOLAS T. BROWN,
ANDREW A. NOONAN,
JOHN T. OAKLEY,

Special
Committee.

Which was laid over.

Your Committee beg leave to report that "The Society of the War of 1812," commonly known as "The Veteran Corps of Artillery," was originally organized in this City on "Evacuation Day," in November, 1790, by ex-officers and soldiers of the War of the Revolution, and was recognized by the State of New York as an independent military organization.

After 1808, for many years, national salutes were fired on Independence Day, in the City Hall Park, by this patriotic corps.

In the War of 1812, it volunteered, in June of that year, for temporary garrison duty in the North Battery, foot of Hubert street, and in 1814, at request of Governor Daniel D. Tompkins, volunteered in defense of the country against anticipated invasion by a British army, and was mustered into the service of the United States in this city, on September 2, 1814, and honorably discharged on December 3, 1814.

During this service in the defenses of New York Harbor, the corps was attached to the Third Regiment, New York State Artillery, now known as the Eighth Battalion, National Guard, State of New York, in this city.

As the Revolutionary members passed away, the corps was recruited and increased from among those citizens of New York and vicinity who had served honorably in the War of 1812.

It has consequently numbered in its ranks some of the most eminent citizens who had served in that war. Among whom may be mentioned the late Governor William L. Marcy, Thurlow Weed, General John A. Dix, John Leveridge, Recorder John B. Scott, Judge David Murray Hoffman, Comptroller Azariah C. Flagg, President Charles King, of Columbia College, and the former President of this Board, James B. Murray, and many of the former members of this Board.

In 1818 the Corps assisted in receiving the remains of Major-General Richard Montgomery, who had been killed at Quebec in 1775.

In 1824 it officially received Major-General, the Marquis de Lafayette, on his arrival at the Battery.

In 1836 it was formally reviewed and commended in general orders by Governor Marcy, and on January 8, 1848, it consolidated with the military society of the War of 1812, which had been organized in this city in January, 1826, exclusively by officers and ex-officers of the Armies and Navies of the United States who had served in that war.

On July 4, 1851, Mayor Ambrose C. Kingsland reviewed the corps in City Hall Park, and presented to it the National colors.

For many years it was given by the Corporate authorities of this City the use of Room No. 4, in the City Hall, for a headquarters' office.

Since 1815, it has charged itself with the duty of raising the National flag on the staff at the Battery and on the Block House, near McGown's Pass, on Harlem Heights in Central Park, on July 4, "Independence Day," and on November 25, "Evacuation Day."

Frequently the only public celebration of the evacuation of this city by the British Army in 1783 has been by this honorable old military organization, which has been so closely identified with our city.

The last public parade of the corps was on April 30 and May 1, 1889, when it met the President of the United States at the reviewing stand in Madison Square, on the occasion of the Centennial Celebration of the Inauguration of the Government of the United States under the Constitution.

On that occasion but five veteran members were able to attend, and the twenty-two venerable survivors then decided to perpetuate the corps by admitting descendants and by incorporating as a military institution.

Six Veterans still survive, two of whom are on the Council of Administration, or Board of Directors, viz.: Lieutenant Michael Moore, United States Army, retired, and Thomas Morgan Sturtevant, who manage, despite their advanced years, to attend meetings.

Last year the Corps sent a delegation which, under escort of the detachment from the regular Army and Navy, assisted in the unveiling of the statue of Captain Nathan Hale, in City Hall Park.

For a number of years the Corps has had the prescriptive use of the Governor's Room in the City Hall for its annual meeting on the Anniversary of Major-General Andrew Jackson's great victory in the battle of New Orleans.

The resolution herewith submitted and recommended for adoption is merely proposed to sanction such temporary use until the further order of this Board.

Resolved, That, until the further order of this Board, "The Society of the War of 1812," founded and incorporated by the veterans of that war, and commonly known as "The Veteran Corps of Artillery," may continue to have the use of the Governor's Room in the City Hall of this City, for their annual meetings on the anniversary of the Battle of New Orleans, or succeeding day, when such anniversary shall fall on Sunday.

SEALED BIDS OR ESTIMATES FOR FURNISHING and delivering, free of all expense, at the Bake-house pier, Blackwell's Island (east side), twenty-two thousand two hundred and fifty (22,250) Barrels Flour, will be received at the office of the Department of Public Charities and Correction, No. 66 Third avenue, until Saturday, December 22, at 10 o'clock A. M., the said flour to conform to the samples exhibited and to be delivered as required during the year 1895. To be delivered in barrels only.

Empty barrels to be returned, as per specification, and the price bid for the same by the contractor to be deducted from the price of the flour.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed, "Bid or Estimate for Flour," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

The contractor shall furnish a certificate of inspection by the Flour Inspector of the New York Produce Exchange, also an award from the Committee on Flour of the Exchange that the flour offered is equal to the standards of the Department, and which certificate shall accompany each delivery of flour, the expense of such inspection and award to be borne by the contractor, also certificate of weight and tare to be furnished with each delivery.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; and that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 2 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
NO. 31 CHAMBERS STREET,

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

SEALED BIDS OR ESTIMATES, WITH THE title of the work and the name of the bidder indorsed thereon, will be received by the Department of Public Parks at its offices, Nos. 49 and 51 Chambers street, until eleven o'clock A. M., on Wednesday, December 12, 1894.

FOR EXCAVATING AND REMOVAL OF ROCK AND EARTH FROM THE GORE OF LAND NORTH OF ONE HUNDRED AND FIFTY-THIRD STREET, between Seventh avenue and Macomb's Dam road, for an approach to the New Macomb's Dam Bridge.

The Engineer's estimate of the work to be done, and by which the bids will be tested is as follows: 6,800 cubic yards excavation of solid material upon the gore.

340 cubic yards excavation of earth piled on Seventh avenue.

The time allowed to complete the whole work will be SIXTY CONSECUTIVE WORKING DAYS, and the damages to be paid by the contractor for each day that the contract, or any part thereof, may be unfulfilled after the time fixed for the completion thereof has expired are fixed at TEN DOLLARS per day.

The amount of security required is FOUR THOUSAND DOLLARS.

Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the nature and extent of the work, and shall not, any time after the submission of an estimate, dispute or complain of such statement, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

The estimates received will be publicly opened by the head of the said Department at the place and hour last above mentioned and read.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Secretary.

The form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Secretary of the Board.

The Board of Health reserves the right to reject any and all bids, if, in their opinion, the best interests of the city require such rejection, and to award the contract for the best interests of the city, as authorized by section 567 of the New York City Consolidation Act.

By order of the Board of Health,
CHARLES G. WILSON,
President.

EMMONS CLARK,
Secretary.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Bidders will be required to furnish testimonials that they are engaged in the coal business in the City of New York, and have the plant necessary to carry out promptly and regularly the contract, if it be awarded, to the entire satisfaction of the Board of Health, and must furnish an undertaking for the faithful performance of all the provisions thereof in the manner provided by law, executed by two householders or freeholders of the City of New York, each justifying in the penal sum of ONE THOUSAND TWO HUNDRED (1,200) DOLLARS, and agreeing that if he shall omit or refuse to execute the said contract they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or estimate, or if he or they accept, but do not execute, the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NOT be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract

is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are cautioned to examine the form of contract and the specifications for particulars before making their estimates. Bidders will write out the amount of their estimate in addition to inserting the same in figures.

CHARLES H. KNOX,

ARTHUR McMULLIN, Secretary.
Dated New York, December 12, 1894.

BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD,
No. 2 CITY HALL,
NEW YORK, December 8, 1894.

PROPOSALS TO SUPPLY PRINTED, LITHOGRAPHED OR STAMPED FORMS, BLANKS, PAMPHLETS AND STATIONERY, I. E., OFFICIAL WRITING PAPER AND ENVELOPES TO THE COURTS AND THE DEPARTMENTS AND BUREAUS OF THE GOVERNMENT OF THE CITY OF NEW YORK FOR THE YEAR 1895.

TO PRINTERS AND LITHOGRAPHERS.

SEALED ESTIMATES FOR SUPPLYING THE City Government with Printed, Lithographed or Stamped Forms, Pamphlets, and Stationery, i. e., Official Writing Paper and Envelopes, etc., will be received at the office of the Supervisor of the City Record, in the City Hall, until 12 o'clock M. of Friday, the 21st day of December, 1894. The said estimates will be publicly opened and read at a meeting of the Board of City Record to be held in the Mayor's Office at or about the time above-mentioned.

Each person making an estimate shall inclose it in a sealed envelope, indorsed "Estimate for Furnishing Printed, Lithographed or Stamped matter," and with his name and the date of its presentation.

Each estimate shall state the name and place of residence of the person making it; if there is more than one such person, their names and residences must be given; and it only one person is interested in the estimate it must distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the cost of the articles awarded to each person; the amount of preliminary security to be given until each award, and in which the sureties shall justly, shall be ONE THOUSAND DOLLARS.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accept but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimates will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record who has charge of the estimate-box; and no estimate will be deposited in said box until such check or money has been examined by said Supervisor and found to be correct. All such deposits, except that of a successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If a successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned city officers to reject any or all bids which may be deemed prejudicial to the public interests.

A contract will be made with the lowest bidder for all the printing, lithographing or stamping required by any department or court—also the District Courts being considered as one, the blanks, etc., being similar—unless there be an item involving more than five hundred dollars, or several items each involving the expenditure of a like sum, in which case a contract or contracts will

be made with the lowest bidder or bidders on such item or items, and the contract for the remainder of the work for the department will be awarded to the bidder ascertained to be lowest after the deduction of such item or items. The bids must, therefore, be in detail on the items required for a department or court.

The printed or lithographed blanks, etc., must be folded, and be put up in packages by the contractors, according to the directions of the Supervisor of the City Record. It is obvious that blanks should be folded for the convenience of the departments or for their better keeping, the contractor must fold them without specific direction from the Supervisor.

The contractor, or contractors, must complete the delivery of the blanks, etc., at the office of the CITY RECORD within ninety (90) days from the execution of the contract or contracts, unless the work is delayed by a court, department, board or bureau. From the operation of this rule are excepted the calculation cards for the Department of Taxes, the tax bills for the Finance Department, and other blanks, "copy" for which cannot be prepared until the tax rate for 1895 has been fixed. Provision will be made for payment of a proportionate part of the contract price, when it shall appear that the contractor has done his work, until temporary stayed by the inability of a department, etc., to furnish "copy."

As many of the printed forms would be made worthless by typographical errors, or by mistakes in the preparation of samples, proofs must be furnished, under an agreement that the contractors shall not be expected to make changes practically altering the character of the forms.

Blanks, etc., must be dated "1895," unless otherwise marked; but those of the Bureau of Assessments in the Finance Department shall have only the date "1895."

Particular care must be taken that the names of the new incumbents of offices are put upon the blanks, etc. For instance, Mayor, William L. Strong; President of the Board of Aldermen, John Jeroloman; Sheriff, Edward J. H. Tamsen; Recorder, John W. Goff; Judge of the Superior Court, Henry R. Beckman; Coroners, William O'Meara and Emil W. Hoeber.

The delivery of the work must begin within five days from the execution of the contracts, and be continued in such a manner that the immediate needs of the Department shall be supplied.

DESCRIPTION OF ARTICLES.

For particulars as to the quantities and kinds of Printing and Lithographing, reference must be had to the samples and specifications on file in the Department of Public Works. The kinds of paper to be used are stated on the samples. Copies of the specifications may be procured from the Supervisor of the City Record.

Mayor.
