Friday, August 26, 2011

Due to high web traffic, the NYC.GOV website is experiencing technical issues and may not load in your web browser. The City is currently working to fix the issue. Please find attached PDF files of the *Ready New York: Hurricanes and New York City* guide, which includes important information about what to do before, during, and after a storm, as well as a map of the City's hurricane evacuation centers.

Note two corrections to locations indicated on the map:

- The Evacuation Center marked in the NYC hurricane evacuation zone map as Aqueduct Racetrack in Queens has been moved to John Adams High School, 101-01 Rockaway Blvd., Ozone Park.
- The Evacuation Center marked in the NYC hurricane evacuation zone map as Christ the King H.S. in Queens has been moved to Grover Cleveland H.S. at 21-27 Hinrod Street, Ridgewood.

Please feel free to republish this guide.
