BOROUGH PRESIDENT - BROOKLYN

NOTICE

NOTICE IS HEREBY GIVEN that pursuant to Section 201 of the New York City Charter, the Brooklyn borough president will hold a public hearing on the following matters in the Community Room of Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY 11201, commencing at 6:00 PM on December 17, 2018.

Calendar Item 1 — 103 North 13th Street (190083 ZRK, 190084 ZSK, 190085 ZSK)

Applications submitted by North 13 Holdings LLC pursuant to Sections 197-c and 201 of the New York City Charter for the following land use actions: a zoning text amendment to New York City Zoning Resolution (ZR) Section 74-96 to designate four tax lots and parts of two others on the Wythe Avenue side of a block bounded by Berry, North 13th, and North 14th streets, as a new Industrial Business Incentive Area (IBIA); a special permit pursuant to ZR Section 74-962 to increase the maximum permitted floor area ratio (FAR) for specific commercial, industrial, and manufacturing uses, and allow an adjustment in the underlying height and setback regulations, and a special permit pursuant to ZR Section 74-963 to modify the accessory parking and loading berth requirements for the development site. Such actions would facilitate the development of a seven-story commercial building within an M1-2 district in Brooklyn Community District 1 (CD 1). The building would contain a mix of industrial, office, and retail uses, with a total floor area of approximately 60,000 square feet. The proposed development would provide one loading berth and no off-street parking.

Calendar Item 2 — 1640 Flatbush Avenue (190053 ZMK, 190054 ZRK)

Applications submitted by 1640 Flatbush Owner LLC pursuant to Sections 197-c and 201 of the New York City Charter for zoning map amendments to rezone from C8-2 and R6 to C4-4D on the northwest corner of a property at the intersection of Aurelia Court and Flatbush Avenue to within 200 feet of East 31st Street, and rezone part of a C8-2 district to R6 on portions of two blocks bordering the Long Island Rail Road (LIRR) Bay Ridge Division between Nostrand Avenue and East 31st Street. The applicant also seeks a zoning text amendment to designate the site as a Mandatory Inclusionary Housing (MIH) area. Such actions would facilitate the development of a 13-story mixed-use building containing 114 dwelling units, with approximately 34 affordable households at an average of 80 percent of Area Median Income (AMI), according to MIH Option 2 and approximately 30,000 square feet of retail uses on the first two floors, and accessory parking for 40 vehicles in Brooklyn Community District 14 (CD 14).

Calendar Item 3 — 1010 Pacific Street (180042 ZMK, 180043 ZRK)

Applications submitted by 1010 Pacific Street LLC pursuant to Sections 197-c and 201 of the New York City Charter for zoning map and text amendments to rezone the northeast section of a block fronting Classon Avenue and Pacific Street to a length of 440 feet. The zoning map amendment would change the properties from M1-1 to R7D and establish a C2-4 commercial overlay within the rezoning area. The zoning text amendment would designate the site as an MIH area. Such actions would facilitate the development of an 11-story mixed commercial, community facility, and residential building, containing 154 dwelling units in Brooklyn Community District 8 (CD 8). Approximately 39 apartments would be affordable to households at an average of 60 percent AMI, according to MIH Option 1. The development would provide approximately 7,056 square feet of commercial floor area, 4,378 square feet of area for community facility use, and accessory parking for 50 vehicles. The applicant would recruit a local arts non-profit organization to operate the community facility space.

Calendar Item 4 — 1050 Pacific Street (160175 ZMK, 160176 ZRK)

Applications submitted by 1050 Pacific LLC pursuant to Sections 197-c and 201 of the New York City Charter for zoning map amendments to rezone the western section of a block extending from Classon Avenue for 225 feet, between Dean and Pacific streets. The zoning map amendment would change the properties from M1-1 to M1-4/R7A, and establish a Special Mixed Use District (MX-20) within the rezoning area. The zoning text amendment would designate the site as an MIH area. Such actions would facilitate the development of an eight-story mixed-use building containing 103 dwelling units in CD 8. Approximately 33 apartments would be affordable to households at an average of 80 percent AMI, according to MIH Option 2. The development would provide approximately 15,800 square feet for commercial use on the ground floor, and accessory parking for 42 vehicles and 54 bicycles in the cellar, for both commercial and residential uses.

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

GOVERNORS ISLAND SEWAGE PUMP STATION RENOVATION - Request for Proposals - PIN# SEWAGE1 - Due 1-4-19 at 5:00 P.M.

Governors Island is a 172 acre island in the heart of New York Harbor (the "Island") between Lower Manhattan and the Brooklyn waterfront. A former military base, the Island is a now popular seasonal destination open to the public from May 1st to October 31st (the "Public Access Season"). The Trust for Governors Island ("TGI"), a nonprofit corporation created by the City of New York, is responsible for the redevelopment and operation of the 150 acre portion of the Island. TGI's mission is to transform Governors Island into a vibrant resource for New York City, with extraordinary public open space as well as educational, not-for-profit, and commercial facilities.

Governors Island utilizes a sewage pump station to discharge sanitary waste through a 14" force main under Buttermilk Channel to a sewer main in Brooklyn. This pump station, constructed in 1971, was damaged during Superstorm Sandy in October 2012. The purpose of this RFP is to procure a contractor to perform renovations to this pump station. Proposed renovations include improvements to all components of the pump station including, but not limited to, piping, valves pumps, comminutors, sump pump, HVAC systems, MEP systems, lighting,

structural systems, roof replacement, and architectural elements. The design also includes installation of a bypass connection on the force main to allow the use of a mobile pump to bypass the entire system in the event of a catastrophic failure.

For more information and the full RFP, contact KuehnC@iro.com.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
