AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

NOTICE

Notice of Promulgation of Rules

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates rules implementing the provisions of Local Law 16 of 2008 by making several changes to Taxi and Limousine Commission adjudications procedures.

These rules are promulgated pursuant to sections 1043 and

2303(b)(11) of the Charter and section 19-503 of the Administrative Code of the City of New York.

These rules were published on July 3, 2008, for public comment in the City Record. On August 7, 2008, a public hearing on such rules was held by the TLC at its offices at 40 Rector Street, 5th Floor, New York, New York 10006. These rules were voted on and passed on September 10, 2008. Pursuant to section 1043(e)(1)(c) of the Charter, these rules will take effect 30 days following the publication in The City Record.

New material is underlined.
[Material inside brackets indicates deleted material]

Section 1. Subdivision (a) (definition of "Administrative Law Judge") of section 8-01 of Chapter 8 of Title 35 of the Rules of the City of New York is amended:

§8-01 Definitions.

(a) Administrative Law Judge ("ALJ"). An attorney admitted to practice law in the State of New York and duly appointed by the Commission to conduct administrative hearings for the Commission, or an Administrative Law Judge duly appointed to conduct administrative hearings for the Office of Administrative Trials and Hearings ("OATH").

Section 2. Subdivision (c) of section 8-02 of Chapter 8 of title 35 of the Rules of the City of New York is amended to read as follows:

(c) The Commission may, in its discretion, seek the adjudication of any violation of the Administrative Code or Commission Rules before the New York City Office of Administrative Trials and Hearings (OATH). In this event, the Rules governing the procedures for the conduct of such hearings before OATH shall govern. The determination of OATH with respect to penalty shall be a recommendation to the Chairperson [as set forth in § 8-14].

Section 3. Paragraph (iv) of subdivision (d) of section 8-02 of Chapter 8 of Title 35 of the Rules of the City of New York relating to discretionary revocation is deleted:

§8-02 Scope of this Chapter.

(d)

[(iv) Whenever a penalty of discretionary revocation is imposed, in which case decisions shall be recommended decisions to the Chairperson, pursuant to §8-14.]

Section 4. A new subdivision (f) is added to section 8-10 of Chapter 8 of Title 35, of the Rules of the City of New York to read as follows:

\$8-10 Attendance at Hearing.

<u>(f)</u> In the event that the Commission is unable to produce a complaining witness in person at the hearing, where such witness's credibility is relevant to the charges made in the notice of violation, the Commission shall make reasonable efforts to make such witness available during the hearing by videoconferencing or teleconferencing. If the complaining witness is not available to testify at the hearing in person, or by videoconference or teleconference, the Commission shall produce a statement outlining its efforts to produce such witness. The ALJ must determine whether the Commission's efforts to produce the complaining witness were reasonable and if found to be inadequate, the ALJ shall dismiss the notice of violation.

Section 5. Subdivisions (b) and (d) of section 8-12 of Chapter 8 of Title 35 of the Rules of the City of New York are amended as follows:

§8-12 Procedures in the Event of a Failure to Appear.

- (b) The Commission shall inform the respondent of the determination of the inquest by regular, first class mail to the address of the respondent on file with the Commission. The Commission shall prepare a record containing the name of the person who mailed the notice, and the date and time of the mailing of the notice. The Commission shall make this record available upon request to the respondent.
- (d) A respondent may move to vacate the inquest determination within [one hundred twenty (120) calendar days] two (2) years of the date of the inquest. Said motion must be made in writing unless otherwise authorized by the Executive Director of Adjudications or his designee and shall be filed in accordance with the Commission

procedures for the submission of such motions. In support of this motion to vacate, the respondent shall present written evidence as to:

- (i) the reasons for his failure to appear at the hearing; and
- (ii) a defense to the charge, which, if established and proven at a hearing, would result in the dismissal of the

If the respondent fails to make a timely motion to vacate the default, any penalties imposed pursuant to Rule 2-70 or 6-23 shall be assessed and the respondent shall be notified of this determination by regular, first class mail.

Section 6. Paragraphs (i), (ii), and (iii) of subdivision (a), and subdivision (b) of section 8-13 of Chapter 8 of Title 35 of the Rules of the City of New York are amended to read as follows:

§8-13 Procedures on Appeal.

- (a) The respondent may appeal the decision of an ALJ
 - (i) An appeal must be addressed to the Deputy Commissioner for Legal Affairs/General Counsel and received within thirty (30) calendar days of the date of the decision to be appealed. If a respondent timely files an appeal, any fines imposed by the Tribunal shall be stayed until a decision is made in such appeal; however, the Commission shall not be required to refund any fines paid before respondent made his or her appeal unless such appeal is successful.
 - (ii) The appeal must be accompanied by a copy of the ALJ decision [and proof that all fines imposed have been paid in full].
 - (iii) The respondent may request a copy of the recording of the hearing within seven (7) calendar days of the ALJ's determination. Such request must be made in writing on a form to be prescribed by the Chairperson. Such form shall be completed and submitted in accordance with instructions to be printed on the form. If, for the purposes of appealing a decision, a respondent requests a copy of the hearing recording, such recording shall be produced to such respondent within thirty (30) days after receipt of a written request from such respondent. If the Commission cannot produce the recording to the respondent within the thirty (30) day period the determination being appealed shall be dismissed without prejudice. An appeal must be received by the Commission within twenty-one (21) days of the issuance of the requested copy by the Commission, whether by mailing or otherwise.
- (b) If the ALJ's decision resulted in the suspension or revocation of a license, the determination of the appeal shall be expedited. If the ALJ's decision resulted in the suspension of a license, the Deputy Commissioner for Legal Affairs/General Counsel or his designee may, in his discretion, issue a temporary license after an appeal has been filed which may remain in effect pending the determination of the appeal. In making the determination as to whether or not to issue a temporary license, the following factors may be considered: the respondent's record, the seriousness of the charges, the likelihood of the success of the appeal and the significance of the issues raised on appeal.

Section 7. Subdivision (b) of section 8-14 of Chapter 8 of Title 35 of the Rules of the City of New York is amended to read as follows:

§8-14 Discretionary Revocation Proceedings.

If the Commission seeks the penalty of revocation for a Rule violation not providing for [discretionary or] mandatory revocation as a penalty, as provided for in §8-03(b), said proceeding must be commenced before the Office of Administrative Trials and Hearings (OATH). The Commission shall not commence such a proceeding unless the Chairperson makes a determination that the continued licensure of the respondent presents a threat to the public health, safety or welfare. [If the specific rule violation charged provides for the discretionary penalty of revocation, the proceeding shall be commenced before the Commission Adjudications Tribunal and heard by an ALJ.]

Section 8. Subdivision (c) of section 8-16 of Chapter 8 of Title 35 of the Rules of the City of New York is amended to read as follows:

§8-16 Summary Suspension Pending Revocation to Protect the Public Health or Safety.

(c)

Notwithstanding paragraph (b) of this section, the Chairperson may summarily suspend a license subject to the provisions of (a) and (d) through (g) of this section based upon an arrest on criminal charges that the Chairperson determines is relevant to the licensee's qualifications for continued licensure. At the hearing pursuant to subdivision (e) of this section, the issue shall be whether the charges underlying the licensee's arrest, if true, demonstrate that the licensee's continued licensure during the pendency of the criminal charges would pose a direct and substantial threat to the health or safety of the public. Revocation proceedings need not be commenced during the pendency of the criminal charges. In such a case, within five (5) calendar days of the Commission's receipt from the licensee of a certificate of disposition of the criminal charges, the Chairperson shall either lift the suspension or commence revocation proceedings.

Statement of Basis and Purpose of Promulgated Rule

The promulgated rules implement Local Law 16 of 2008 by making several changes to Taxi and Limousine Commission adjudications procedures.

First, the rules codify the Commission's existing practice of referring discretionary revocation cases to the Office of Administrative Trials and Hearings ("OATH").

Second, these rules specifically allow Commission prosecutors to call witnesses by teleconference or videoconference when they are unable to appear at the hearing in person. This provision will enhance the credibility determination when, for example, the complainant is a foreign tourist who is unable to travel to New York to appear personally at a hearing.

Third, the rules codify the Commission's existing practice of summarily suspending a license only when continued licensure poses a direct and substantial threat to public health or safety.

Fourth, these rules increase the time for respondents to vacate inquest determinations from 120 days to two years and require that the Commission maintain a record detailing how the respondent was informed of the inquest determination. That record will be available to the respondent upon request.

Fifth, these rules require expedited appeals decisions where the administrative appeal is taken from a decision imposing a license suspension or revocation, and provide that fines imposed after a hearing are stayed pending decision of the administrative appeal.

Finally, the rules provide that, if the Commission fails to produce a timely copy of the recording of the hearing in response to a timely request filed by a respondent seeking to appeal, the decision appealed from must be dismissed. Given the Commission's recent conversion from audiocassette recording to digital recording of hearings, copies of recordings are available promptly and reliably.

COURT NOTICE MAP FOR GRANTWOOD RETENTION BASIN, STATEN ISLAND

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the $\it CR$.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
