IV. EEO, DIVERSITY, INCLUSION, AND EQUITY INITIATIVES FOR FY 2023

Please describe your progress this quarter in implementing the primary goals in Section IV of your Agency Diversity and EEO Plan for FY 2023 - Proactive Strategies to Enhance Diversity, EEO and Inclusion:

A. WORKFORCE:

Please list the Workforce Goal(s) included in <i>Section IV: Proactive Strategies to Enhance Diversity, EEO and Inclusion,</i> which you set/declared in your FY 2023 Diversity and EEO Plan (e.g., underutilization, workforce planning, succession planning and diverse applicant pool, among others):	Please describe the steps that your agency has taken to meet the Workforce Goal(s) set/declared in your plan. Include steps that were taken or considered to build an inclusive and sustainable pipeline for your agency across all levels.	Q1 Update	Q2 Update	Q3 Update	Q4 Update
A central workforce goal is for OMB to secure, support, and maintain a high-performing and diverse workforce.	To start this new fiscal year, OMB continued its ongoing efforts to recruit from a diverse, qualified group of applicants. Including discussing options for developing a more effective recruitment and hiring system, continue to train hiring managers in best practices and recommending necessary changes to make the workforce more inclusive. The agency is in the process of selecting and implementing a new HRIS which will help us better track details about job applicants and current employees. The EEO/DEI Officer works closely with the HR Director and other agency leadership as necessary to implement DCAS's Diverse and Inclusive Recruitment Best Practices, as established by DCAS in the first quarter of FY 2022 and add additional practices as necessary	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed

	to help build a diverse and inclusive workforce. The EEO/DEI Officer and HR Director meet on a weekly basis to discuss diversity efforts in recruitment and retention, amongst many other issues relating to their work. OMB continues to recruit employees from a diverse group of schools. OMB posts job openings using Handshake which reaches a large pool of applicants. This quarter, the Recruitment team began using a list compiled by the EEO/DEI Officer of additional organizations with a focus on diversifying the pool of qualified applicants (e.g., affinity groups within colleges and universities, HBCUs, etc.). The Recruitment team met with the EEO/DEI Officer on December 16, 2022 to discuss how to best utilize this contact list. As part of efforts to enhance the hiring process at OMB, the agency began working with the Mayor's Office of Veteran's Services to participate in the VetConnect program last fiscal year and continue to build upon those efforts in FY2023.				
Promotion and Retention Processes Continue to support the promotion and retention of staff with diverse experience and attributes this fiscal year.	This quarter, the agency continued its analysis of the composition of its workforce, as well as demographic information of job applicants and staff selected for promotion, to better understand how that information might influence certain practices and programs developed by the agency.	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed

	This quarter, the agency began implementing a new HRIS system, which includes the ability to better track internal data. This new system also provides better mechanisms for administering the employee evaluation process, which helps standardize certain elements of the employee review process — and, in turn, play a role in ensuring that promotional opportunities are given in an equitable manner. The agency also continued to engage in efforts such as work with EquityNYC (including requirements under Executive Order 34) and performing additional analysis of workforce composition, including a review of promotion practices, professional development opportunities, and other issues relevant to this workforce goal.				
Mentorship Program One agency goal is to update its mentorship program to strengthen its efforts while supporting the existing mentor/mentee connections.	The existing program pairs together senior managers and less experienced staff to share perspectives, values, and experiences. It also provides an opportunity for staff to explore areas of interest outside their assigned portfolio. To allow for greater participation throughout the agency, each year preference is given to mentees who have not participated in program.	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed

	opportunities for leadership and skill building throughout the agency. This fiscal year, mentors and mentees have been meeting on a quarterly basis.				
Professional Development Opportunities Significantly expanding professional development opportunities is another key workforce goal for this fiscal year.	The agency's Chief Learning Officer, who began her work last fiscal year, is in the process of building up a formal learning and development program for the agency. The L&D program will include training for employees at all levels, initially targeting managers and analysts. This quarter, the L&D team continued its work to build a new training program focused on managers first.	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed

Describe steps that were taken or considered to address underutilization identified through quarterly workforce reports. Please list Job Groups where underutilization exists in the current quarter.

The job groups where underutilization was identified in the DCAS quarterly workforce reports were Management Specialists (Black, -55) and Managers (Black, -11), nearly identical numbers to last quarter (Black, -55.2) and Managers (Black, -11.1).

The following steps were taken to address underutilization as identified in the Q3 workforce reports:

- 1. Expanding internal and external applicant pools to address the underutilization through outreach strategies for broader recruitment, including finalizing a list of additional contacts to help diversify the pool of qualified applicants.
- 2. Continuing to inform and encourage applications for the upcoming civil service examinations.
- 3. Continue to use the quarterly workforce report and dashboard to identify specific job groups where underutilization exists and guide recruitment efforts.
- 4. Strengthen professional development opportunities to better train existing staff to grow into more senior-level positions, including those that fall under the Managers categories. The agency's first Chief Learning Officer will continue to work in partnership with HR and EEO where appropriate to develop these opportunities.
- 5. Expanding efforts to cultivate an inclusive workplace that enables full participation encourages collaboration, flexibility, and fairness, including starting consistent DEI-related activities. See *Workplace* section below for full list of details on the agency's DEI-related activities for this quarter.

B. WORKPLACE:

Please list the Workplace Goal(s) included in <i>Section IV: Proactive Strategies to Enhance Diversity, EEO and Inclusion,</i> which you set/declared in your FY 2023 Diversity and EEO Plan (e.g., job satisfaction/engagement surveys, exit interviews/surveys, and onboarding surveys):	Please describe the steps that your agency has taken to meet the Workplace Goal(s) set/declared in your plan. The EEO/DEI Officer has implemented a process, with the assistance of other staff, to consistently track training completions and engage additional measures to encourage staff to complete the trainings prior to their deadlines, including individualized emails, outreach to supervisors, and phone calls. This quarter, the agency worked diligently to				
	get 100% compliance with the Everybody Matters training by the end of the training cycle, which happened this quarter. The agency prioritized EEO/DEI-related training compliance by designating an employee to assist the EEO/DEI Officer in monitoring training compliance and leading outreach to staff who are not yet in compliance.				
Continue to distribute and highlight the City's EEO Policy.	OMB provides EEO training in New Employee Orientations (which highlights the EEO Policy, amongst other topics relating to EEO) in addition to providing all new employees with a copy of the City's EEO Policy when they first start at the agency. This quarter, the EEO/DEI Officer provided an Introduction to EEO Training during the New Employee Orientation held on January 31, 2023.	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed

	The agency held the OMB Institute in Q1 this fiscal year. This program consists of trainings open to all employees which are led by OMB senior management and aim to educate employees on current budget issues. This event took place in the previous quarter, with 18 unique events focusing on issues including "Vision for OMB and the Challenges and Opportunities Ahead," "Bond, not James Bond: An Introduction to Municipal Bonds," and "COVID-19 Impacts." OMB's Data Science Huddle, which is a group organized by employees that focuses on various issues relating to data science				

	relevant to employees' work at the agency and issues of general interest that impact people who live in NYC. The Data Science Huddle provides positive educational opportunities in a less-formal setting and across taskforces/divisions. The group also creates an environment where employees can explore data-related issues that may have personal meaning to them and explore tools that they might not use in their day-to-day work but might incorporate in the future. At times, the Data Science Huddle also hosts events with a focus on equity-related issues. Overall, the DSH contributes greatly to the agency and efforts relating DEI and overall community. A list of the events put on by this group is below.				
Improve workplace by strengthening the existing employee resource group and mentorship programs.	Last quarter, the EEO Officer finalized the employee equity group toolkit in partnership with an employee volunteer. An EEG launch meeting took place this quarter. The EEG program will be open to all interested employees but focusing on groups that may fall under the City's EEO Policy, as well as groups that have been identified as underutilized based on DCAS reporting. The EEGs are intended to put on events and address the myriad of issues to help enhance equity at the agency and continue and strengthen existing efforts such as the mentorship program, and events to address broader issues relating to race relations.	 ☑ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed 	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed

Please specify any other EEO-related activities during the quarter (e.g., postings, meetings, cultural programs promoting diversity, newsletters/articles, etc.) and describe briefly the activities, including the dates when the activities occurred.

EEO/DEI Activities

There were numerous meetings, trainings, and other activities relating to EEO and DEI efforts during the 3rd quarter of FY2023.

In February 2023, the EEO Officer sent out an agency-wide reminder to all staff reminding all about the City's strict non-discrimination policy. This correspondence stemmed from DCAS's circulation of information regarding the COVID-19 vaccination becoming voluntary, and was a reminder that no one should be targeted for discrimination based on their ethnicity, race or national origin, or perceived health status (including vaccination status).

The agency hosted an Employee Equity Group informational meeting this quarter, on January 21, 2023. This meeting was held to explain EEGs to interested staff and provide information on how to start an EEG.

The EEO Officer also met with Seramount on January 13, 2023 and January 30, 2023 to discuss potential trainings around unconscious bias, as well as for the EEO Officer to learn more about potential services offered by the company.

This quarter the EEO/DEI Officer worked with colleagues to put on cultural programming in recognition of Black History Month on February 16, 2023. The celebration was intended to celebrate the occasion as an agency and highlight the significant contributions of Black people to this country and around the world. The event featured Sandrine Saint Louis (also known as Lady Brown), a local artist and illustrator, who spoke about her art and creative process and her experience as a Black artist in NYC. There was also a craft activity that event participants engaged in.

The agency also had a celebration of Women's History Month on March 9, 2023. This year's event featured a panel of women speakers who were former senior leaders at OMB, and now hold different leadership positions outside of City government. The panelists were Alair Townsend (former OMB Director, currently a member of the Women's Forum and on the boards of Lincoln Center, NYC Ballet, Gibney Dance, and the Citizens Budget Commission), Flavia Barros (former OMB Assistant Director, currently the Senior Director of Finance and Administration, American Museum of Natural History), and Larian Angelo (former OMB First Deputy Director, currently a Senior Fellow at the CUNY Institute for State and Local Governance. The panel was moderated by the EEO/DEI Officer. Additionally, the event included a group trivia game and featured the art of women at OMB, including original paintings, fashion, photography, recordings of live performances, and poetry.

The EEO/DEI Officer continued to draft and distribute a monthly DEI newsletter this quarter. The newsletter is distributed to all agency employees via email and is also posted to the agency's intranet. Each month features various DEI-related celebrations and commemorations. The intent of these newsletter is to highlight key DEI-related occasions to highlight issues that may resonate to some of the agency's employees and serve as an educational tool. In January 2023, the newsletter featured Poverty in America Awareness Month, National Braille Day, International Day of Education, Martin Luther King Jr. Day, Lunar New Year, and International Holocaust Remembrance Day. In February 2023, the newsletter highlighted Black History Month, National Freedom Day, the Lantern Festival, World Day of Social

Justice, and Presidents' Day. The March 2023 newsletter provided information on Women's History Month, National Developmental Disabilities Month, International Women's Day, International Day for the Elimination of Racial Discrimination, and International Transgender Day of Visibility.

During the 3rd quarter of FY2023, the EEO/DEI Officer also took a training on Inclusive Language offered by LinkedIn Learning (on February 15, 2023).

Additionally, the EEO/DEI Officer attended meetings hosted by DCAS and other City partner agencies: (1) Domestic Violence/Gender-Based Violence Liaison Meeting (January 17, 2023), (2) DCAS Citywide Equity and Inclusion Fireside Chat (February 1, 2023), (3) joint APO/EEO Officers Meeting (February 7, 2023), (4) EEO Officers Best Practices Meeting (February 15, 2023), (5) 55-a Coordinators Meeting (February 23, 2023), (6) NYC Unity Project Ballroom Series, hosted by the Mayor's Office of Equity (February 27, 2023) and (7) Alternative Dispute Coordinators Meeting (March 8, 2023).

Data Science Huddle

This quarter, the Data Science Huddle hosted [INSERT] events this quarter, all aimed at providing technical data education opportunities to all staff. These events are intended to provide unique educational opportunities to all interested staff, while helping to build community by bringing together employees who might not normally collaborate in their everyday work. The Data Science Huddle also ensures that at least some of their events center on an equity-based topic, including the event held this quarter, on January 27, 2023. The event, titled "Using Data to Advance Equity in NYC Government" featured three speakers from EquityNYC, who spoke about how to leverage data to advance equity.

The full list of Data Science Huddle events for this quarter are as follows:

January 27, 2023: Using Data to Advance Equity in NYC Government

C. COMMUNITY:

Please list the Community Goal(s) included in <i>Section IV: Proactive Strategies to Enhance Diversity, EEO and Inclusion,</i> which you set/declared in your FY 2023 Diversity and EEO Plan (e.g., community outreach and engagement, MWBE participation and customer satisfaction surveys):	Please describe the steps that your agency has taken to meet the Community Goal(s) set/declared in your plan. Actively utilize qualified M/WBE vendors. Continue to incorporate equity principles into the agency's work.	OMB attends M/WBE outreach events and procurement fairs hosted by various city agencies. In keeping with past precedent and dependent on available events, OMB plans to attend a minimum of four events this year while also fielding calls and conducting procurement-specific outreach to qualified M/WBE vendors. This quarter, the agency continued to work with EquityNYC on efforts to incorporate equity into the agency's broader budgeting work, continued strong use of purchasing from MWBEs, and through methods such as the future employee equity groups, and working toward a more diverse workforce and inclusive culture (including through efforts outlined above), which would drive a better understanding of the needs and relevant expectations of the community.	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed ☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed ☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed ☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed ☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed

The nature of OMB's work is not directly community-facing, but the agency does make efforts to integrate Community-directed activities where appropriate as outlined above.							

V. <u>RECRUITMENT</u>

A. RECRUITMENT EFFORTS

Please list Recruitment Strategies and Initiatives which you set/declared in your FY 2023 Diversity and EEO Plan (e.g., targeted outreach and outreach, diversity recruitment, social media presence, where jobs are posted, EEO and APO collaboration, evaluation of best recruitment sources, structured interview training and unconscious bias training):	Please describe the steps that your agency has taken to meet the Recruitment Goal(s) set/declared in your plan. As part of the agency's recruitment strategies and initiatives, continue active outreach within the agency.	OMB notifies its employees of all discretionary vacancies within the agency by emailing job notices agency-wide and requiring all hiring managers to interview any eligible internal candidates during the initial hiring period. All job notices are listed internally for 10 business days. All job notices are posted on the agency's website and on E-Hire. In addition, OMB's Office of Personnel Management actively works with staff interested in expanding or changing their portfolio.	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☑ Ongoing ☐ Delayed ☐ Deferred ☐ Completed	☐ Planned ☐ Not started ☐ Ongoing ☐ Delayed ☐ Deferred ☐ Completed

D. LOCAL LAW 101: CLIMATE SURVEY

Please provide a short description of your efforts to analyze the results of climate survey in your agency.

Describe any follow-up measures taken to address the results of the climate survey:
The HR Director and EEO/DEI Officer reviewed the results from the 2020 Climate Survey in Q4 of FY2022. The results of the survey were provided to the agency that quarter on June 21, 2022. They identified and discussed the potential areas of improvement based on the survey results, but also noted that the survey was done in 2020, during the thick of the pandemic, and with only 30 out of 394 employees responding (7.9%). Since the survey was distributed, the agency hired a full-time EEO/DEI Officer, who is tasked with playing a role in addressing many of the issues raised in the survey. The agency will continue with its strong commitment to ensuring adherence to the City's EEO Policy, including focusing on (1) employee familiarity with the EEO Policy and EEO complaint/inquiry process, (2) potential workplace discrimination, and (3) supervisor/managerial knowledge of EEO policies and procedures.
