PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQL's and to obtain applications, please visit NYCHA's website at: https://www.nyc.gov/site/nycha/business/nycha-pql.page.

Statement of Basis and Purpose of Proposed Rule

The Department of Citywide Administrative Services (DCAS) has promulgated General Examination Regulations, codified at Title 55 of the Rules of the City of New York ("R.C.N.Y."), Chapter 11, for the administration of examinations for applicants for positions classified in the competitive class. Section 11-01 sets forth the procedure for late applications for promotional examinations.

This proposed rule amends section 11-01(b)(4) to permit provisional appointees to submit late applications for open competitive examinations if they are absent from work during the application period because of military duty, sick leave, vacation or other acceptable reasons. Pursuant to Section 50(1) of the Civil Service Law, the merit and fitness of applicants for positions in the competitive class of the City's classified service must be ascertained by competitive examinations administered by DCAS. Section 65 authorizes City agencies to fill vacancies in the competitive class with on a provisional basis when there are no civil service lists available to fill vacancies on a permanent basis, but requires that provisional appointees be terminated not later than two months after the establishment of an eligible list for the title. Many of the individuals who hold provisional appointments perform essential public services. Amending the rule to permit provisional appointees who have missed the application period for valid reasons to submit late applications for open competitive examinations advances the continued quality and effectiveness of governmental operations by allowing experienced employees to seek permanent status.

DCAS' authority for these rules is found in sections 15, 20, and 50 of the New York Civil Service Law and sections 1043, 811, and 814 of the New York City Charter.
