CITY ORDINANCES.

The ordinance to prevent the danger of hydrophobia to any of the inhabitants of the City of New York, as amended and passed by the Board of Aldermen, May 29, 1877, is as follows:

AN ORDINANCE to prevent the Danger of Hydrophobia to any of the Inhabitants of the City of New York.

The Mayor, Aldermen, and Commonalty of the City of New York do ordain as follows:

Section 1. Hereafter it shall not be lawful to permit any dog to go abroad loose or at large in any of the public streets, lanes, alleys, highways, parks or places within the corporate limits of the City of New York, under a penalty of three dollars for each offense, to be recovered against the owner, possessor, or person who knowingly harbored such dog within three days previous to the time of such dog being so found going abroad loose or at large; and the Commissioners of Police are hereby authorized and directed to cause complaint to be made to the Corporation Attorney against the owner or possessor of every dog permitted to go loose or at large within the corporate limits, as aforesaid, for the recovery of the penalties prescribed in this ordinance; such penalties and all license fees, when collected, to be accounted for semi-monthly, and paid to the Comptroller of said city, and upon the requisition of the Mayor, to be applied towards the payment of enforcing the provisions of this ordinance. Nothing in this ordinance shall prevent any dog from going into any such street, lane, alley, highway, park or public place, provided such dog shall be held, by such owner or other person, securely by a cord or chain, to be not more than four feet long, fastened to a collar around the neck of the animal.

Sec. 2. Every owner, possessor, or person who harbors any dog shall take out a permit for each dog, at the Permit Bureau, paying the sum of two dollars (\$2) for the same. All permits, and renewals of the same, shall be dated from the first day of May in each and every year, and shall be for one year from date, and all renewals shall be one dollar (\$1). Said permit shall have the name of the owner and the number of the permit or license on it. Any dog so licensed must have a collar around his neck, with a metal tag attached, having the number of the license on it. And any dog so licensed must, when in the street, be held by such owner, or other person, secured by a cord, rope, or chain, not more than four feet in length; but the owner, at his option, may use, instead of the above, a muzzle, constructed so as to prevent the dog from biting. Any dog that is not so secured, although he is licensed, shall be captured the same as if no license was granted. No dog having a collar and tag, with the number of his license on it around his neck, that may be in a wagon or other vehicle belonging to his owner, shall be captured. Any person appointed by his Honor the Mayor to capture dogs who shall permit any person to take one or more dogs from him for nothing, or for pay, shall be arrested, and taken before a police justice, and upon the facts being proven, the judge shall impose a fine of not less than \$10, or more than \$50, for each offense. Any person may make a complaint of persons having dogs unlicensed at the police stations, and the officer in command shall entertain the same; and all policemen on patrol duty must report all violations of this ordinance the same as any other violation of a Corporation ordinance. All such reports shall be transmitted to the Corporation Attorney, the same as for other violations of city ordinances, and in addition to the \$3 fine, shall be added all costs of suits for the recovery of the same as for any other violation of the city ordinances. The provisions of this section, except those relating to leading and muzzling dogs, shall not apply to dogs owned by non-residents, in remaining temporarily or in passing through this city, or to dogs brought into this city and entered for exhibition at any dog show or annual exhibition of dogs.

Sec. 3. The Mayor of the City of New York is hereby authorized and empowered to take such measures as he may deem most efficient to carry into effect the provisions of section 1 of this ordinance. All dogs found loose or at large, as aforesaid, shall be seized, captured and delivered by such persons as the Mayor shall designate, at a place to be provided and indicated by him, where such animals, if not within forty-eight hours thereafter claimed and redeemed by the owner or some other person, shall be killed and destroyed in such manner and by such persons as the Mayor shall designate.

Sec. 4. Any owner or other person who may claim such dog shall, before being placed in possession thereof, pay therefor the sum of three dollars. The provisions of this ordinance shall apply only to dogs owned or claimed by residents of this city; and any person who shall knowingly present any such dog, and claim payment for the capture thereof, which shall not be owned or captured within the corporate limits of this city, shall thereby incur a penalty of ten dollars.

Sec. 5. No person shall hinder or molest any person or persons so appointed by the Mayor while engaged in seizing or capturing and delivering any such dog as aforesaid, or any other person engaged in the performance of any duty enjoined by the provisions of this ordinance, under a penalty of not less than twenty-five nor more than one hundred dollars for every offense, to be sued for and recovered in the manner now provided by law or ordinance for the recovery of penalties for violations of the ordinances of the Common Council, on the complaint of the person so hindered or molested; the penalty, when recovered, to be accounted for, paid, and appropriated, as provided in section one of this ordinance. The Commissioners of Police are hereby authorized and required to cause the persons so engaged in the performance of any of the duties prescribed by this ordinance, to be protected from hindrance or molestation.

Sec. 6. Chapter XLIV. of the Revised Ordinances of 1866, and all other ordinances or parts of ordinances inconsistent or conflicting with the provisions of this ordinance, are hereby repealed.

Sec. 7. This ordinance shall take effect immediately.

Resolved, That the representatives of the people of this State, now in session at Albany, particularly the representatives of the people of this city and county, be and they are hereby urgently solicited to pass Senate Bill No. 40, being "An act to regulate the quality, supply, and price of illuminating gas in the State of New York, and for the protection of manufacturers and consumers thereof," as such bill is clearly drawn for the protection of the public equally with the companies engaged in the manufacture of illuminating gas;

Resolved, That the Clerk of this Board is hereby instructed to transmit a copy of the foregoing resolution to every member of the Legislature.

Adopted by the Board of Aldermen, May 1, 1877.

Received from his Honor the Mayor, May 14, 1877, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That we the Board of Aldermen of the City of New York, while we are heartily in favor of an honest and economical administration of our city government, yet we heartily deprecate, condemn, and protest against that false and unwise economy in the public expenditures which would commence with the Educational Department first, and leaving hundreds and thousands of city employees of far less importance than our teachers, receiving munificent salaries, far beyond their merits, and we earnestly and respectfully request the Board of Apportionment to transfer any unexpended balances belonging to the Educational Department to the fund to restore the salaries of our public school teachers.

Adopted by the Board of Aldermen, May 1, 1877.

Received from his Honor the Mayor, May 14, 1877, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Adopted by the Board of Aldermen, May 12, 1877.

Approved by the Mayor, May 14, 1877.

Resolved, That permission be and the same is hereby given to Thomas Carlile to keep a stand for the sale of fruit at the southeast corner of Thirty-second street and Sixth avenue, the same not to cause an encroachment or obstruction upon the street or sidewalk; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 12, 1877.

Approved by the Mayor, May 14, 1877.

Whereas, The Legislature of this State has recently passed the act known as the "Omnibus Bill," which, for selfish and partisan purposes, makes very important alterations in the local government of the City of New York, is crude and unintelligible, and in many particulars injurious to the best interests of our city; therefore

Resolved, That we, the Common Council of the City of New York, elected to represent the people of said city, do respectfully request his Excellency Governor Robinson to withhold his signature from said bill;

Resolved, That a Committee of three be appointed by this Board to wait upon his Excellency Governor Robinson and present to him a copy of these resolutions, together with the views of the local authorities in relation to said bill.

Whereas, A preamble and resolutions were adopted July 6, 1876, providing that the lands bounded by George street on the north, Union avenue and White's lane on the east, Delmonico and Concord avenues on the west, and thence southerly to Long Island Sound, should be drained by other means than by sewers, as provided in chapter 566, Laws of 1871, as amended by chapter 549, Laws of 1875, and upon the certificate of the City Sanitary Inspector of the necessity of the work, filed in the office of the Board of Health of the Health Department of the City of New York, that Board also directed the draining to be done; and

Whereas, The Commissioner of Public Works, in a communication addressed to this Board, dated July 18, 1876 (see Journal of July 20, page 119), declined to perform the work, as the resolution did not authorize any assessment, and recommended that the above proceedings of the Board be supplemented by the passage of an ordinance authorizing an assessment upon the property benefited; be it therefore

Resolved, That the lands bounded by George street on the north, Union avenue and White's lane on the east, Delmonico and Concord avenues on the west, and thence southerly to Long Island Sound, be drained by other means than by sewers, as provided in chapter 566, Laws of 1871, as amended by chapter 549, Laws of 1875, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1876.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
