MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, December 9, 1890.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted November 25, 1890, to compel the owners of buildings in the City of New York to provide receptacles for rubbish, ashes and garbage, to place the same on the sidewalk near the curb, in front of their premises, and to place therein all the rubbish, ashes and garbage of such premises.

The President of the Board of Health has hitherto with me detailed objections against the resolution and the Counsel to the Health Board has strenuously insisted that the Board of Health has sole and exclusive jurisdiction of this matter, and that it is not within the power of the Board of Aldermen to pass the resolution in question.

The Commissioner of Street Cleaning and the President of the Board of Police also protest against the signing of the resolution, upon grounds affecting the merits of the question. Under these circumstances my approval of the proposed ordinance at this time would result in a conflict between Departments of the City Government, and I am unwilling that any action of mine shall bring about such a result. I have determined to withhold my signature from the proposed ordinance until such time as an adjudication can be had upon the legal points raised, but in doing so I wish it to be distinctly understood that I do not express any opinion whatever upon the merits of the resolution before me.

HUGH J. GRANT, Mayor.

AN ORDINANCE to compel owners of buildings in the City of New York to provide receptacles for ashes, rubbish and garbage.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

Section 1. The owner or owners of all tenement-houses and other buildings in the City of New York are hereby required to provide a barrel or tub, or box, or can of sufficient size to contain all the rubbish and ashes and garbage that may accumulate from day to day on his, her or their premises, which said barrel, tub, box, or can shall be placed on the sidewalk, near the curb, in front of each house or tenement, and it shall be the duty of the owners or occupants of all such houses and tenement to put all their rubbish, ashes and garbage into said barrel, tubs, boxes or cans when so provided.

Sec. 2. Every person who shall violate any of the provisions of section 1 of this ordinance shall be deemed guilty of a misdemeanor, and on conviction thereof before any police magistrate shall be punished by a fine of not more than five (\$5) nor less than one (1) dollar for every offense, and in default of payment of such fine, by imprisonment for a period of not more than ten nor less than one day.

Sec. 3. The Commissioners of the Department of Police of the City of New York are hereby directed to cause the provisions of this ordinance to be strictly enforced.

Sec. 4. All ordinances or parts of ordinances inconsistent or conflicting with the provisions of this ordinance are hereby repealed.

Sec. 5. This ordinance shall take effect December 1, 1890.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, December 8, 1890.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted November 25, 1890, which provides for the placing of an improved iron drinking-fountain at the southeast corner of Thirty-eighth street and Eleventh avenue.

The Commissioner of Public Works reports hereon, as follows:

"There are now two public drinking-fountains in use in that vicinity, one at Eleventh avenue and Thirty-fourth street, and the other at Eleventh avenue and Forty-second street, consequently there is no necessity for an additional fountain at Thirty-eighth street."

HUGH J. GRANT, Mayor.

Resolved, That an improved drinking-fountain be erected on the southeast corner of Thirty-eighth street and Eleventh avenue, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, December 8, 1890.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted November 25, 1890, which provides for the laying of a crosswalk on Sixth avenue, midway between Twelfth and Thirteenth streets.

The Commissioner of Public Works reports that under this resolution the proposed crosswalk would have to be laid at the expense of the city, whereas it should be laid at the expense of the property-owners who desire it for their benefit.

HUGH J. GRANT, Mayor.

Resolved, That a crosswalk of two courses of blue stone, with a row of paving-blocks between the courses, be laid across Sixth avenue, in the centre of the block, between Twelfth and Thirteenth streets, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, December 8, 1890.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen adopted November 25, 1890, which provides for the laying of water-mains in Buckhout street, from Morris to Alten streets.

The Commissioner of Public Works reports on this resolution as follows: "The Chief Engineer of the Croton Aqueduct reports that he can find no 'Alten' or 'Allen' street on the City map. The resolution should properly designate the streets or points between which the water-mains are to be laid."

HUGH J. GRANT, Mayor.

Resolved, That water-pipes be laid in Buckhout street, from Morris street to Alten street, as provided in section 356 of the New York City Consolidation Act of 1882.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

MOTIONS AND RESOLUTIONS.

By the Vice-President—

Resolved, That permission be and the same is hereby given to Teculsky Brothers to place and keep a watering-trough in front of their premises at No. 33 Monroe street, the water to be supplied and the work to be done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

The President put the question whether the Board would agree with said resolution. Which was decided in the affirmative.

By Alderman Barry—

Whereas, The removal of all the stations on the Second Avenue branch of the Manhattan Elevated Railroad, north of Eighty-sixth street, is such a high-handed disregard of the rights of the residents in the upper part of the city, and such a direct threat to owners of property on the line of the entire elevated railroad system, that unless unquestioned submission is given to the exactions and impositions of the Manhattan Company by aggrieved property-owners, a like disregard of their rights will be shown by this great monopoly, as to call for the most indignant remonstrance from the representatives of the people in this Common Council, and will justify any action on their part looking to a redress of the wrong thus put upon the people; and

Whereas, The removal of such stations confines the dense population east of Third avenue, and north of Eighty-sixth street, numbering probably more than 100,000 people, to the use of the Third Avenue branch of the elevated system, which, in addition to the annoyance and inconvenience it causes to men, women and children, by compelling them in some cases to walk a mile in order to reach a station, results in so overcrowding the Third Avenue cars, at certain hours of the day, as to be positively dangerous to the lives of the passengers; and

Whereas, Beyond question, this company is bound to operate its roads for the accommodation and convenience of the public, and to this all other considerations should be secondary; but when it willfully and deliberately pursues an opposite course, it is the duty of the people's representatives to protest, and they are justified in adopting any measure to render their protest effectual; and

Whereas, The power of the Common Council to compel a compliance on the part of this company with its obligations to the public has been questioned, and it is doubtful, in view of the fact that the special State laws that called this system of transit in this city into being, gives the local authorities the desired power, it is clearly their province, however, to appeal to the Legislature, on behalf of its constituents, and to apply to the State Government to compel this company to afford the facilities for public travel to which our citizens are entitled; be it therefore

Resolved, That the Legislature of this State, when next in session, be and hereby is most earnestly requested to compel the Manhattan Elevated Railroad Company to restore all the stations it has recently removed from its Second Avenue branch, in violation of its duty to the traveling public; and be it further

Resolved, That the Legislature be and is also hereby earnestly requested to empower the Mayor of this city, the Commissioner of Public Works, or some other local authority, to control absolutely the running of trains or cars and the location of depots or stations on the present system of elevated railroads, to the end that the public convenience may be promoted, and all the facilities possible be provided to enable our citizens to reach their homes and places of business at all hours of the day and night comfortably, safely and rapidly; and be it further

Resolved, That the Clerk of this Board be and he is hereby directed to transmit a certified copy of the foregoing to the President of the Senate and the Speaker of the Assembly of this State, and to each representative in the State Legislature from this city, when next in session.

Which was referred to the Committee on Railroads.

Very respectfully yours,

AARON OGDEN.

NEW YORK, December 3, 1890.

To the Honorable Board of Armory Commissioners:

GENTLEMEN—Since my acceptance of the site on Fourteenth street for an Armory for the Ninth Regiment, I have learned of certain restrictions which reduce the available area for an Armory building on that site, and while I regard such a restriction as a great disadvantage, the plot being rather small, still, in view of the great difficulty of securing a suitable site in a desirable location, formally accept the site as now considered.

Respectfully,

WILLIAM SEWARD, JR.,
Colonel, Commanding the 9th Regiment, N. G., S. N. Y.

Whereupon the Comptroller offered the following preamble and resolution:

Whereas, A resolution was adopted by the Armory Board on September 18, 1890, and presented to this Board on October 15, 1890, requesting the Counsel to the Corporation to take the necessary steps on behalf of the Armory Board for the purchase of the property on Fourteenth street in accordance with the offers of Messrs. Ogden and Tonnele, as part of the site for an Armory for the Ninth Regiment, as therein described, for the sum of three hundred and fifty thousand dollars (\$350,000), with four per cent. interest added from the date of original offer (April 1, 1889) to the date of payment for the same, and also the taxes for the current year; and the lot on Fourteenth street, east of and adjoining the site of the Old Armory, as described, in accordance with the offer of Mr. Daniel Lord, Jr., attorney, for the sum of forty thousand dollars (\$40,000); and appropriating the amount necessary for the purpose, and requesting the Board of Estimate and Apportionment to approve of said purchase in accordance with the provisions of chapter 485 of the Laws of 1890; and

Whereas, It has been agreed that the rate of interest provided in said resolution to be paid on the sum of three hundred and fifty thousand dollars (\$350,000) for the purchase of a part of said property shall be reduced from four to two per cent. per annum; and

Whereas, A resolution was also adopted by the Armory Board on October 6, 1890, which was also presented to this Board on October 15, 1890, requesting the Counsel to the Corporation to take the necessary steps on behalf of the Armory Board for the purchase of the property (one lot) on Fifteenth street, as a part of the site for an Armory for the Ninth Regiment, as therein described, for the sum of eighteen thousand dollars (\$18,000), and appropriating the amount for the purpose, and requesting the Board of Estimate and Apportionment to approve of said purchase in accordance with the provisions of said chapter 485 of the Laws of 1890; and

Whereas, The Commissioners of the Sinking Fund have, by a resolution adopted October 17, 1890, approved of said site for an Armory so selected by the Armory Board, in accordance with the provisions of section 3 of chapter 330 of the Laws of 1887, and the amendment thereof by chapter 485 of the Laws of 1890; therefore,

Resolved, That pursuant to the provisions of chapter 435, Laws of 1890, the Board of Estimate and Apportionment hereby approves of the purchase by the Armory Board of said site for an Armory on West Fourteenth and Fifteenth streets, for the several amounts and on the conditions specified in said resolutions of the Armory Board, the interest on the sum of three hundred and fifty thousand dollars, payable for a part of the site, being fixed at the rate of two per cent. instead of four per cent per annum, in accordance with the terms specified in a communication from Aaron Ogden, Esq., attorney, dated December 2, 1890.

The Honorable the Board of Estimate and Apportionment, City of New York:

GENTLEMEN—By direction of the Commissioners of Taxes and Assessments, I transmit herewith an opinion from the Counsel to the Corporation dated November 24, 1890, relative to the sale of the "Land Maps of the City of New York," which have been prepared by said Commissioners pursuant to the provisions of chapter 349 of the Laws of 1889, as amended by chapter 166 of the Laws of 1890, and which are now completed except the binding of 1,310 volumes, and ready for delivery to the official or officials whom your Honorable Board may decide to invest with authority to sell the same as advised in the opinion of the Counsel to the Corporation above referred to.

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, November 24, 1890.

FLOYD T. SMITH, Esq., Secretary to the Commissioners of Taxes and Assessments:

SIR—I have received your letter of 20th instant, communicating the request of the Commissioners of Taxes and Assessments for my opinion as to what official or officials are empowered by section 7 of chapter 349 of the Laws of 1889 to sell "Land Maps of the City of New York," made in accordance with said chapter as amended by chapter 166 of the Laws of 1890.

Section 7 of said act provides as follows:

"Such number of any of the aforesaid maps as the Board of Estimate and Apportionment of said city may direct shall be printed by said Board of Taxes and Assessments for sale, at a price fixed by said Board of Estimate and Apportionment, and the proceeds of such sale shall be paid into the city treasury to the credit of the general fund for the reduction of taxation."

There is no provision in the act which expressly provides the medium of sale, but since the Board of Estimate and Apportionment is empowered to determine the number of maps to be provided, also to fix the price of sale, and the proceeds of sale are to be paid into the city treasury to the credit of the general fund, it seems to me that the medium of sale should also be fixed by the same Board.

I therefore advise that you should communicate with the Board of Estimate and Apportionment and procure the adoption of a resolution which shall direct what official or officials shall be empowered to sell the maps in question.

I remain, yours respectfully,

WM. H. CLARK, Counsel to the Corporation.

(Previously submitted to Board of Estimate and Apportionment).

A statement of the expenditure already incurred and an approximate estimate of the additional amount required is herewith appended.

PROPOSALS FOR BINDING BLOCK INDEX MAPS.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

BIDS OR PROPOSALS FOR BINDING THE Block Index Maps, called for in the approved forms of contracts and specifications on file in the office of the Commissioners of Taxes and Assessments, will be received at this office until two o'clock P. M. on the 17th day of December, 1890, at which place and hour they will be publicly opened by the Commissioners of Taxes and Assessments, and the award for binding said maps will be made by said Commissioners as soon thereafter as possible.

Any person making an estimate shall furnish the same in a sealed envelope indorsed "Estimate for Binding Block Index Maps," and also the name of the person making it, and the date of its presentation.

Each estimate shall contain and state the name and place of residence of each of the persons making it, and the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose; and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be THREE THOUSAND DOLLARS.

Should the person to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accept but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.

No estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, and no estimates will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Secretary of the Commissioners of Taxes and Assessments who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said Secretary and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or

refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Commissioners of Taxes and Assessments to reject any or all bids which may be deemed prejudicial to the public interests.

Blank forms of contracts and specifications therefor are on file and may be examined at the office of the Commissioners aforesaid. Blank forms for bids or proposals and proper envelopes for their inclosure can also be obtained at the above office of the Commissioners on application.

By order of the Commissioners of Taxes and Assessments.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of TEN THOUSAND (\$10,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the Condensed Cow's Milk by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to

become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department; and bidders are especially cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt, or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall

omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The right is reserved, when an estimate is made containing bids for supplying gas to one or more of the markets, armories, buildings, offices, etc., as aforesaid, to accept from such estimate or bid so much thereof as may be the lowest in respect to each particular market, armory, building or office as aforesaid, and to reject the remainder of such estimate or bid which may not be the lowest as aforesaid. The contract for lighting any particular market, armory, building, office, etc., will be awarded, if awarded, to the lowest bidder on the lighting of each particular market, armory, building or office, etc.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Commissioner of Public Works.

The right is also reserved to discontinue the lighting of any of the public markets, armories, buildings, offices, etc., to which gas shall be furnished, if at any time gas should not be required in any such public market, armory, building or office.

The right to decline all estimates is reserved, if deemed for the interest of the Corporation, by the Commissioner of Public Works, and no estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise; upon any obligation to the Corporation.

If the estimate of any bidder shall include any market, armory, building or office, situated on any street in which the gas-mains of such bidder are not laid at the time of the making of the bid, and a contract for furnishing gas to said market, armory, building or office shall be awarded to any such bidder, then, in that case thirty days from the date of the execution of such contract shall be allowed to such bidder for the laying of the gas-mains of such bidder in said street, providing such bidder shall have a franchise or grant from the Mayor, Aldermen and Commonalty of the City of New York, authorizing the laying of gas-mains in such street.

Blank forms of estimates can be obtained on application at the office of the Commissioner of Public Works.

That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty, containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number, of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

THOS. F. GILROY,
Commissioner of Public Works.

Those entitled to exemption are: Clergymen, lawyers, physicians, surgeons, surgeon-dentists, professors or teachers in a college, academy or public school, editors, editorial writers or reporters of daily newspapers, licensed pharmacists or pharmacists, actually engaged in their respective professions and not following any other calling; militiamen, policemen, and firemen; election officers, jury non-residents, and city employees, and United States employees; officers of vessels making regular trips; licensed pilots, actually following that calling; superintendents, conductors and engineers of a railroad company other than a street railroad company; telegraph operators actually doing duty as such; Grand, Sheriff's, and Civil Court jurors; stationary engineers; and persons physically incapable of performing jury duty by reason of severe sickness, deafness, or other physical disorder.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible), and at this office only, under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States jurors, are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer.
