## JURORS.

## NOTICE

IN RELATION TO JURORS FOR  
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE  
heard here, from 9 to 4 daily, from all persons hitherto  
liable or recently serving who have become exempt, and  
all needed information will be given.

Those who have not answered as to their liability, or  
proved permanent exemption, will receive a "jury enroll-  
ment notice," requiring them to appear before me this  
year. Whether liable or not, such notices must be an-  
swered (in person, if possible, and at this office only) under  
severe penalties. If exempt, the party must bring proof of  
exemption; if liable, he must also answer in person, giving  
full and correct name, residence, etc., etc. No attention  
paid to letters.

Persons "enrolled" as liable must serve when called  
or pay their fines. No mere excuse will be allowed or  
interference permitted. The fines, received from those  
who, for business or other reasons, are unable to serve at  
the time selected, pay the expenses of this office, and if  
unpaid will be entered as judgments upon the property or  
the delinquents.

All good citizens will aid the course of justice, and  
secure reliable and respectable juries, and equalize their  
duty by serving promptly when summoned, allowing their  
clerks or subordinates to serve, reporting to me any attempt  
at bribery or evasion, and suggesting names for enrollment.  
Persons between sixty and seventy years of age, summer  
absences, persons temporarily ill, and United States and  
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-  
demeanor to give any jury paper to another to answer.  
It is also punishable by fine or imprisonment to give or  
receive any present or bribe, directly or indirectly, in re-  
lation to a jury service, or to withhold any paper or make  
any false statement, and every case will be fully prose-  
cuted.

the date of the contract.

Any bidder for this contract must be

Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates it deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
