MESSAGES FROM HIS HONOR THE MAYOR.

The Vice-Chairman laid before the Board the following message from his Honor the Mayor:

Nos. 1558 and 1657.

City of New York, Office of the Mayor, July 19, 1910.

To the Honorable the Board of Aldermen of The City of New York:

Gentlemen—I return herewith, disapproved, proposed resolutions Nos. 1657 and 1558, respectively entitled:

"Resolution for leave of absence to veterans in employ of the City to attend forty-fourth encampment of the G. A. R.

"Resolution granting leave of absence with pay to members of the National Guard in municipal employ when ordered out."

I have already called the attention of your Board to the fact that the heads of departments can best take care of matters of this kind, exercising a proper discretion herein and they are doing so. Respectfully,

W. J. GAYNOR, Mayor.

Whereas, The veterans of the Civil War will hold their Forty-fourth National Encampment at Atlantic City, New Jersey, September 19 to 24, 1910, inclusive; and

Whereas, A number of the veterans of that great struggle of 1861 to 1865 are employees of the various Departments of The City of New York and delegates to the encampment; and

Whereas, By reason of the services rendered by these veterans to our country in the hour of her need they are worthy of deep consideration, their ranks being gradually thinned by death at the rate of one hundred and twenty per day; therefore be it

Resolved, That it is recommended to the heads of the several departments of The City of New York that all employees who are veterans of the Civil War and in good standing in their Posts be granted a leave of absence for six days with pay to attend said encampment; and be it further

Resolved, That his Honor, William J. Gaynor, Mayor of The City of New York, be respectfully requested to approve of said resolution of the Board of Aldermen of The City of New York.

The Committee on Salaries and Offices, to which was referred on June 14, 1910 (Minutes, page 1213), the annexed resolution in favor of granting leave of absence with pay to members of National Guard in City employ when ordered out, exclusive of summer vacation, respectfully

REPORTS:

That, having examined the subject, it believes the proposed resolution to be reasonable, and it therefore recommends that the said resolution be adopted.

Resolved, That all employees of The City of New York who are members of National Guard organizations ordered by proper authority to perform a tour of duty (10 days or less) in the joint maneuvers of the United States Army and National Guard troops, at Pine Plains, N. Y., during the ensuing summer season, be granted leave of absence, exclusive of the time allowed them for regular vacation, with full pay, for the time required by their respective commands, to participate in the said maneuvers and return to their home stations.

WILLIAM J. HEFFERNAN, JOHN J. WHITE, FREDERICK SNELL, JAMES H. FINNIGAN, FRANCIS P. BENT, SAMUEL MARX, Committee on Salaries and Offices.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-Chairman laid before the Board the following message from his Honor the Mayor:

Nos. 1680, 1681 and 1770.

City of New York, Office of the Mayor, July 18, 1910.

To the Honorable the Board of Aldermen of The City of New York:

Gentlemen—I return herewith, disapproved, proposed resolutions Nos. 1680, 1681 and 1770, respectively entitled:

"Resolution to permit pushcart peddlers to stand on the south side of Moore st., Brooklyn, for the sale of their wares."

"Resolution to permit pushcart peddlers to stand on Seigel st., Brooklyn, for the sale of their wares."

"Resolution to permit pushcart peddlers to sell their wares on Belmont ave., Brooklyn."

An ordinance like this would be absolutely void. We cannot authorize any one to occupy a fixed place on any street. See the case, Matter of Fiegle, 36 Miscellaneous Reports, page 27. Respectfully,

W. J. GAYNOR, Mayor.

Whereas, The pushcart peddlers have for the past twelve years or more been standing on the north side of Moore st., between Manhattan ave., and Leonard st., and on the east side of Manhattan ave., between Varet st. and McKibben st., selling their several wares for the purpose of earning their livelihood; and

Whereas, The landlords of the property on the north side of Moore st., or some of them, have been annoying or interfering with the said pushcart peddlers, and as a result the pushcart peddlers have requested that the authorities permit them to remove their stands from the north side of Moore st. to the south side of Moore st.; and

Whereas, To discontinue selling will cause great injury to the said pushcart peddlers because many of them are unable to work indoors, and on account of ill-health were told by their physicians to get outside work; and

Whereas, The business men and landlords who own the property immediately in front of where the said pushcart peddlers desire to stand on the south side of Moore st., between Graham ave. and Leonard st., and the business men who conduct their various businesses have given the said pushcart peddlers the right and permission to stand in front of their property and stores; be it

Resolved, That the Board of Aldermen hereby grants permission to the said pushcart peddlers to earn their living in the same manner as they have heretofore been doing, and to stand on the south side of Moore st., between Graham ave. and Leonard st., and on the east side of Manhattan ave., between Varet and McKibben sts., in the Borough of Brooklyn.

Whereas, The pushcart peddlers are now stationed with their carts on the southerly side of Seigel st., between Manhattan ave. and Leonard st., selling all kinds of wares and merchandise, and thereby drawing the crowds to the said side of the street; and

Whereas, The said pushcart peddlers, by drawing the crowds on the said southerly side of the street have greatly injured and are greatly injuring the storekeepers who conduct and manage their stores on the northerly side of Seigel st., by taking away the trade from them; and

Whereas, The owners of the property on the said northerly side of Seigel st., on account thereof, are suffering great loss owing to the decrease of the rental value of their stores; and

Whereas, An arrangement by which the said pushcart peddlers should be stationed with their carts in the forenoon hours on the said southerly side of Seigel st. would be advantageous and beneficial to the pushcart peddlers, the storekeepers and the owners of the property, and would increase the value of the real estate; be it

Resolved, That the Board of Aldermen hereby permit the said pushcart peddlers to be stationed on the southerly side of Seigel st. in the forenoon hours, and in the afternoon hours on the northerly side of Seigel st., between Manhattan ave. and Leonard st., in the Borough of Brooklyn, providing they conduct their business in a proper and legitimate manner.

Whereas, The pushcart peddlers of the Brownsville section for the past fifteen years have been selling their wares in Belmont ave., between Rockaway ave. and Junius st., Borough of Brooklyn, a distance of five short blocks; and

Whereas, This short space has been by custom regarded as the market place for the poor of this locality; and

Whereas, There is no objection on the part of the property owners and citizens of this locality, who, on the contrary, have given permission to the peddlers to sell their wares; be it

Resolved, That the Board of Aldermen hereby grants permission to said pushcart peddlers to earn their living in the same manner as recited in the above preamble.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-Chairman laid before the Board the following message from his Honor the Mayor:

No. 1695.

City of New York, Office of the Mayor, July 19, 1910.

To the Honorable the Board of Aldermen of The City of New York:

Gentlemen—I return herewith, disapproved, proposed resolution No. 1695, entitled

"Resolution calling upon his Honor the Mayor to direct that compensation of laborers in employ of the City be fixed at $3 per day."

I am informed by the introducer of this resolution that the Comptroller requested or prompted him to introduce it. I do not see how this can be so, as the following shows. There must be some misunderstanding.

On April 26, 1910, your board requested the Board of Estimate and Apportionment to fix the compensation of day laborers at the minimum rate of three dollars per day. This request was referred to the Comptroller and the President of the Board of Aldermen who reported to the Board of Estimate and Apportionment on June 28, 1910, that in their opinion it was advisable to make the minimum pay of day laborers $2.50 per day, until the first day of January, 1911, and to include in the budget for 1911 appropriations for day laborers at the minimum rate of $3 per day.

After receiving this report, the Board of Estimate and Apportionment adopted the following resolution on July 1, 1910:

"Resolved, That the Board of Estimate and Apportionment hereby instructs its Secretary to communicate to the heads of various Departments its indorsement of the immediate increase of the wages of all City Laborers now receiving less than $2.50 per diem to a rate of $2.50 per diem, and the Board hereby commits itself to the appropriation of special revenue bonds for such Departments as have not sufficient surplus in their funds to meet the added expense.

"Resolved, That the Board of Estimate and Apportionment hereby recommends that in the preparation of the budget for 1911 a sufficient allowance shall be granted for the labor force in all Departments to permit of the payment of the minimum wage of three dollars ($3) per diem to all City Laborers."

As you know, the heads of Departments are required to keep within their annual appropriations, and as the Board of Estimate and Apportionment has authorized them to pay only a minimum rate of $2.50 per day until the 1st of January, 1911, no more can be paid legally.

Moreover, allow me to say that it is quite inconceivable that there should be any member of your honorable body who does not know that the Mayor has not the power to fix salaries and rates of pay of City employees. I am certain this resolution must have been passed in a moment of inadvertence. Respectfully,

W. J. GAYNOR, Mayor.

Whereas, The Laborers and per diem men of the various City departments receive the least wage paid out of the City treasury of The City of New York; and

Whereas, Facts and figures are available to prove that the average income of the per diem men in the Bureau of Highways, as an illustration, is but eight dollars a week, because four days is about the maximum in this Bureau; and

Whereas, The Board of Estimate and the Board of Aldermen have passed and ratified scores of resolutions carrying increases in the salaries of the City employees whose monthly income exceeds $100; and

Whereas, This discrimination against the Laborers and per diem men should be rectified as a matter of justice; and

Whereas, The Select Committee of the Board of Estimate, based upon an opinion of the Corporation Counsel, holds that the Charter leaves it discretionary for the heads of the various City departments to fix the compensation of the laboring forces of the City without the sanction of the Board of Estimate and Board of Aldermen; it is hereby

Resolved, That the Mayor of this City be and is hereby requested to affix his signature to the following resolution:

Resolved, That the head of every department in the City which employs Laborers, is hereby directed to fix the compensation of these Laborers at $3 per day, and that if the money is not available to pay this increased compensation, the heads of these City departments are hereby directed to apply to the Board of Aldermen for the issue of revenue bonds in the sums required to make up the deficiency in their respective departments.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-Chairman laid before the Board the following message from his Honor the Mayor:

No. 1777.

City of New York, Office of the Mayor, July 19, 1910.

The Honorable the Board of Aldermen:

Sirs—A number of persons have asked me to issue an "order," to use their own words, that the pictures of a recent prize fight be not exhibited in this City. Others, having a truer conception of the limitations of government, and of its division into departments, and that no official may do anything which he is not authorized by some law to do, have asked me to ascertain what the law is and help to have it enforced by the District Attorneys of the four counties, the police and the courts. The Mayor has no power to revoke the licenses of the theatres which are exhibiting such pictures, as the City Charter gives the power to revoke such licenses to the Judges of the Supreme Court for cause after a hearing; and if the showing of such pictures be not a criminal offense, or forbidden by statute or ordinance, licenses could not be revoked therefor. The Corporation Counsel advises me that to show such pictures is not made a criminal offense by the Penal Law, and that there is no statute forbidding the showing of them. In fact, prize fight pictures have been shown in the theatres and minor places of amusement here for many years, and also in some newspapers in the most vulgar and repulsive form, and are being so shown now, without any one ever having thought that it was illegal. I therefore refer the matter to you, pointing out that under subdivision 14 of section 49 of the City Charter you have the power to make it a penal offense to so exhibit such pictures. Respectfully submitted,

W. J. GAYNOR, Mayor.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen:

Dear Sir—In submitting the inclosed copy of a petition, the original of which has been presented to his Honor Mayor Gaynor some time ago, but to which the Mayor, owing to other urgent matters of administration very likely has been unable to devote the necessary time, I beg to inform you that it is an urgent necessity to undertake this public improvement without further delay. I therefore respectfully suggest that you, Mr. President, have the Board of Aldermen pass the necessary resolution to clear the triangle and use it for the public purposes for which it was purchased by the City.

Since the construction of the New Municipal Building only one very narrow sidewalk is available on Park Row while the narrow N. William st. is the only street east of Broadway open for the heavy truck traffic going south, causing great annoyance to pedestrians and continuous blockading of N. William st.

Trusting that you will be able to take up this matter in the next meeting of the Board, very respectfully yours,

C. B. WOLFFRAM, per J. Holz, Attorney.

New York City, N. Y.

Hon. WILLIAM J. GAYNOR, Mayor, New York City:

Dear Sir—The undersigned property owners and business men of N. William st. and Park row, beg to call your attention to the delay in removing the triangle at the junction of Park row and N. William st., which the City acquired several years ago for the purpose of razing the old buildings in order to relieve the congestion of traffic at this point.

As owing to certain influences, this for the general public so important matter has been delayed for about five years, and traffic conditions in front and rear of the triangle are now worse than ever, it is an urgent necessity to undertake the contemplated improvement without further delay.

The undersigned, therefore, take the liberty to respectfully ask you to give this matter your earnest consideration. Yours very respectfully,

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen:

Dear Sir—I have the honor to inform you that the following resolution was adopted by the Board of Education at a meeting held on the 13th inst.:

"Whereas, On June 21, 1910, the Board of Aldermen adopted the following resolution:

"Resolved, That the Board of Education be requested to hire the necessary buildings in the neighborhood of Public School 15, in the Borough of The Bronx, at once, so as to have them in readiness at the reopening of the school in September; and

"Whereas, The matter was referred to Mr. Samuel R. Brick, Jr., Deputy Superintendent of School Buildings for the Borough of The Bronx, who reports as follows:

"In regard to the resolution adopted by the Board of Aldermen on June 21, 1910, relative to condition of premises at Public School 15, The Bronx, I desire to say that I have made a thorough investigation and can find no building at all suited for this purpose; therefore be it

"Resolved, That the Board of Aldermen be notified that the Board of Education regrets that compliance with the above mentioned request is impracticable for the reason stated in the report of Deputy Superintendent Brick." Respectfully yours,

No. 1781.

Department of Finance, City of New York, July 8, 1910.

Hon. JOHN PURROY MITCHEL, President of the Board of Aldermen, City of New York:

Sir—Under the provisions of the Greater New York Charter you are the official custodian of the tax or assessment rolls from the first Monday of July until the books, with taxes properly estimated and computed, extended in the several assessment rolls or tax books, are delivered to the Receiver of Taxes. The Charter provides that this shall be on or before the 15th day of September.

I hereby request that you, as President of the Board of Aldermen, "cause to be properly estimated and computed the taxes annually imposed, and cause the same to be properly set down or extended in the several assessment rolls or tax books" as rapidly as is practicable, and that you cause these assessment rolls to be delivered to the Receiver of Taxes as fast as the work is completed and at as early a date as possible.

My reason for making this request is that I intend to put in operation this fall a new plan for the collection of the City taxes.

The present system of paying and receiving taxes is unscientific. It is burdensome alike upon the taxpayer and the City. The confusion and inconvenience attendant upon the early rush of taxpayers to the office of the Receiver are matters of common knowledge.

The procedure which I have determined upon is intended to relieve both the taxpayer and the City from the burden of the present system. It comprises three principal features:

1. The preparation annually, before October 1, of an individual bill for each piece of taxable real estate, showing thereon section, volume, block and lot number; the filing of these bills in the different Borough offices of the Receiver of Taxes, indexed in a scientific manner and arranged in the same order as the tax rolls. This will make them instantly available upon the application of the taxpayer, who will not be required to wait while a search is made and his bill written.

2. At the time the bills are written, schedules in detail will also be prepared with controlling totals, which will enable the Comptroller to exercise accounting control as well as maintain an effective audit of each day's collections.

3. The development of a system whereby taxpayers may pay their taxes by mail. This will be made possible by the establishment of a Registry Bureau in each of the offices of the Receiver of Taxes. In this Bureau taxpayers wishing early advice by mail of assessments against their property may file their names, together with the section, volume, block and lot number of the property upon which they wish to pay the taxes.

From the above outline it will be clear to you that I shall require the assessment rolls at an earlier time than that permitted by law, September 15. I am confident of your co-operation and assistance in this effort to relieve the taxpayers of the city of an unnecessary burden. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Jesse F. Orton, No. 73 Sixth st., Elmhurst, Borough of Queens, New York City, July 8, 1910.

Hon. JOHN PURROY MITCHEL, President of Board of Aldermen, City Hall, New York:

Dear Sir—I desire to call your attention to the enclosed letter published recently in the "Times." The subject seems to me of great importance and one which the Board of Aldermen should consider. I shall be glad to have you bring it before them officially.

Since this letter was published, two policemen have been bitten in New York and at least two young children, with the usual result of Pasteur treatment and suspense for parents, if nothing worse. See "Post" and "World" for June 28 and "Times" for June 13 and 16. Very truly yours, JESSE F. ORTON.

Dogs in the City: Injuries and Deaths Caused by Them as Shown by Newspapers.

To the Editor of the "New York Times":

In an editorial article, "Defense of a Defender," June 2, you scout the suggestion that dogs should be "exterminated" on account of the damage and annoyance they cause. Some protection of the public might be obtained without such extreme measures. It may be granted that many dogs have good and useful qualities. By no means does it follow that their owners should be allowed to let them run at large in an urban community.

Your own news columns speak eloquently on this subject nearly every week. On March 17 you reported the death in New York of a well-known lawyer, caused by rabies resulting from a dog's bite. On December 13 you gave nearly a column to the story of a full-grown man killed by a dog, and also reported the case of a woman who had her nose "almost torn off" by a pet dog. On November 14 you told of a "baby mortally bitten by a dog" and of an eight-year-old boy on the public street bitten "severely" in the cheek. On April 12 you gave an account of a man who, being "powerful," was able to choke to death a bulldog and thus "save his wife, five little children, and himself." On February 17 you reported a woman bitten by a strange dog on the roof of her apartments. On March 5 you told of a vicious bulldog which "broke his chain" and ran at two children, biting the boy "severely on the hands and legs" when he seized it to "save his baby sister." On March 22 you described the injury of a ten-year-old boy by a dog. The boy, with "his right arm torn in several places," with "six deep rents in his right cheek and ten upon his head," and with "his right calf chewed literally into shreds," was said to have "only a slight chance to recover." On January 2 you told of a St. Bernard dog running into a group of boys, "biting right and left." After biting three children and a policeman he was subdued. April 20 you reported that a four-year-old girl was bitten and knocked down by a dog, which also attacked and bit the mother, who came to the aid of the child. On April 2 you reported that in a Queens Borough suburb a mad dog had bitten "one man and four children," besides biting ten other dogs, and that parents were keeping children from school. May 8 you published the names of ten persons bitten by a dog which "went on a rampage" in Manhattan.

On November 27 "The Evening Post" told of the death of a man at the Presbyterian Hospital of rabies due to the bite of a dog. On April 15 "The Evening Post" reported the death of a veterinary surgeon at Bellevue Hospital from the same cause.

These outrages being merely those casually gleaned by one person from two newspapers, and occurring in this city or its immediate vicinity, indicate that the price paid the country over for the privilege of keeping dogs is a terrible one. With this harvest of death and injury in about six months, is it rash to conclude that dogs are a greater danger to life and safety than either fireworks or football, about which there is such serious complaint?

How long will men and women who have children submit to these conditions? Keepers of dogs have no right to impose the risk on others. It is impossible to tell what dog will next become vicious. Any child may be the next victim. The law must be changed so as to prevent dogs from running at large, at least in thickly settled communities. J. F. O.

National Conservation Congress, St. Paul, Minn., September 6 to 9, inclusive. St. Paul, Minn., July 12, 1910.

President, Board of Commissioners, New York, New York County, N. Y.:

Dear Sir—The Second National Conservation Congress will be held in St. Paul September 6 to 9, inclusive.

Every indication points to a great meeting. The plan will be to agree upon definite measures for the development and use of our natural resources. The keynote of the Congress will be practical work.

Colonel Roosevelt and other men of national and international prominence have accepted invitations to address the Congress.

It is particularly important that the Congress shall be truly representative of the people of the United States. We hope greatly that you and your Board can be present and that you will also appoint two delegates for New York County.

Since the time is short, please send the names and addresses of these delegates to Mr. Thomas R. Shipp, Executive Secretary, National Conservation Congress, St. Paul, Minn., at the earliest possible moment. Sincerely yours,

The Honorable Board of Estimate and Apportionment:

Gentlemen—In reference to a resolution of the Board of Aldermen, adopted May 3, 1910, recommending to your Board the establishment of the following positions and grades of positions: 1 Sergeant-at-Arms, Board of Aldermen, $2,000; 2 First Sergeants-at-Arms, Board of Aldermen, $1,400 each; 6 Assistant Sergeants-at-Arms, Board of Aldermen, $1,200 each, referred to a select committee consisting of the Comptroller and the President of the Board of Aldermen, we report thereon as follows:

It is the desire of the President of the Board of Aldermen to employ Sergeant-at-Arms and Assistant Sergeant-at-Arms on important and necessary public work. It is his belief that salary increases for these employees should be deferred until they have proved their efficiency in the new work and that then the increases should be based on merit. For that reason your committee recommends that the application be placed on file at this time. Respectfully,

No. 1787.

Board of Estimate and Apportionment, City of New York, Office of the Secretary, No. 277 Broadway, July 6, 1910.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen:

Dear Sir—At a meeting of the Board of Estimate and Apportionment held July 1, 1910, a report was presented from the Comptroller, referring to resolutions of the Board of Aldermen, requesting the Board to appropriate funds as follows:

1. $480,000 for the erection of a high school building in the East New York section of Brooklyn.

2. For the erection of a new school building in the Hunts Point section of The Bronx.

3. For the erection of additional portable buildings to relieve the overcrowded condition of public schools in The Bronx, etc.

—which were ordered on file and copy of report sent to the Board of Aldermen.

I transmit herewith copy of said report for the information of your Board. Very truly yours,

JOSEPH HAAG, Secretary.

The Honorable Board of Estimate and Apportionment:

Gentlemen—In the matter of three resolutions of the Board of Aldermen, requesting the Board of Estimate and Apportionment to appropriate funds as follows:

1. The sum of $480,000, for the erection of a high school building in the East New York section of Brooklyn.

2. An appropriation for the erection of a new school building in the Hunts Point section of The Bronx.

3. Funds for the erection of additional portable schools or for procuring temporary structures to relieve the overcrowded condition of the public schools of The Bronx.

—which were referred to the Comptroller at meetings of the Board of Estimate and Apportionment held April 22 and May 13, 1910, my report is as follows:

Appropriations for the first two items were requested by the Board of Education in its estimate of corporate stock requirements for the current year, aggregating $14,521,039.13, but when, at the suggestion of the Committee on Corporate Stock Budget, Board of Estimate and Apportionment, this estimate was reduced to an approximate $5,000,000, these items were not included in the list of most urgent matters selected to be covered by the latter amount. They are not therefore provided for in the Corporate Stock Budget for 1910. There can be no doubt as to the need of the new buildings specified, but it has been deemed advisable at this time to hold appropriations therefor in abeyance, in order to provide for other buildings to which the Board of Education has given the priority as being more urgent.

As to the appropriation of funds for portable buildings, the Corporate Stock Budget provides seven portable buildings for The Bronx, as follows: Three for Public School 8, Mosholu parkway, Bedford Park; one for Public School 14, Eastern boulevard, Throggs Neck, and three for Public School 15, Westchester ave., which is the number requested in the revised $5,000,000 corporate stock estimate hereinbefore mentioned.

I would suggest that a copy of this report be transmitted to the Board of Aldermen for its information. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Board of Estimate and Apportionment, City of New York, Office of the Secretary, No. 277 Broadway, July 6, 1910.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen:

Dear Sir—At a meeting of the Board of Estimate and Apportionment held July 1, 1910, a report was presented from the Comptroller relative to a resolution of the Board of Aldermen, requesting the transfer of $12,610 from some unexpended balance, to the office of the President of the Borough of Queens, in view of the emergent need of help to clean and care for the County Court House, stating that there is no unexpended balance in the office of the said Borough President from which any amount may be transferred, and recommending that the resolution of May 17, 1910, be returned to the Board of Aldermen for its further consideration, together with a copy of the report.

I return the Board of Aldermen resolution herewith, also copy of the Comptroller's report, for the information of your Board. Very truly yours,

JOSEPH HAAG, Secretary.

June 29, 1910.

The Honorable Board of Estimate and Apportionment:

Gentlemen—On May 27, 1910, your Board referred to the Comptroller a resolution, adopted May 17, 1910, by the Board of Aldermen, requesting that the sum of $12,610 be transferred from some unexpended balance to the account of the President of the Borough of Queens, to provide means for emergent help to clean and care for the Queens County Court House. In connection therewith I would report as follows:

The original request was made by the President of the Borough of Queens to the Board of Aldermen on April 4, 1910, and was for an issue of special revenue bonds to the amount of $19,030. This estimate, it is stated, was to cover salaries and wages for eight months of the following staff:

22 Female Cleaners, at $40 a month	$7,040 00
10 Laborers, at $2.50 a day	5,050 00
2 Watchmen, at $900 per annum	1,200 00
2 Elevatormen, at $900 per annum	1,200 00
1 Electrician, at $4.50 a day	1,095 00
2 Stationary Engineers, at $4.50 a day	2,245 00
2 Telephone Operators, at $900 per annum	1,200 00
	$19,030 00

This estimate does not include one Janitor and five Firemen at present employed and which force it is stated it is intended to retain. On the President's original request the yearly cost would be as follows:

22 Female Cleaners, at $40 a month	$10,560 00
10 Laborers, at $2.50 a day	7,575 00
2 Watchmen, at $900 per annum	1,800 00
2 Elevatormen, at $900 per annum	1,800 00
2 Telephone Operators, at $900 per annum	1,800 00
1 Electrician, at $4.50 a day	1,363 50
2 Stationary Engineers, at $4.50 a day	2,727 00
1 Janitor, at $1,200 per annum	1,200 00
5 Firemen, at $3 a day	4,545 00
Total yearly	$33,370 50

Under date of April 28, 1910, the President modified his request by asking for seventeen Cleaners and six Laborers, the other line items remaining unchanged.

The Superintendent of Public Buildings and Offices, Borough of Queens, states that it would be possible to clean and care for the Court House with the following staff:

17 Female Cleaners, at $40 a month	$8,160 00
6 Laborers, at $2.50 a day	4,545 00
2 Watchmen, at $900 per annum	1,800 00
2 Elevatormen, at $900 per annum	1,800 00
2 Telephone Operators, at $900 per annum	1,800 00
1 Electrician, at $4.50 per day	1,363 50
2 Stationary Engineers, at $4.50 a day	2,727 00
1 Janitor, at $1,200 per annum	1,200 00
5 Firemen, at $3 a day	4,545 00
Total yearly	$27,940 50

The Superintendent's estimate would make the yearly cost of cleaning as follows:

Janitor	$1,200 00
Female Cleaners, 17 at $480 per annum	8,160 00
Laborers, 6 at $2.50 per day	4,545 00
	$13,905 00

There are 90,000 square feet in the Court House, and on the above estimate the cost would be 15½ cents per square foot. The Superintendent of Public Buildings and Offices, Borough of Manhattan, states that the cost for the year 1909 of cleaning the New York County Court House, 82,000 square feet, was more than 35 cents per square foot. The following table shows the cost of various public buildings in Manhattan for the year 1909:

	1909 Cost.	Square Feet.	Cost Per Square Foot.
Criminal Court Building	$30,087 01	142,710	.2108
Hall of Records	36,809 13	167,000	.2204
Harlem Court House	9,551 42	14,000	.6824
City Hall	13,493 14	40,000	.3373
Essex Market Court	6,524 58	4,320	1.5103

These figures are on the cost of cleaning the floor space, and against them the cost of cleaning the floor space of nine private buildings, I am informed, was .0938 for the year. This rate of less than 9½ cents is on cleaning floor space alone, and in these private buildings the floor cleaning staff also cleans the windows.

The Queens County Court House is being cleaned at present by seven Female Cleaners and ten Laborers assigned from various bureaus or departments of the office of the President of the Borough. The Superintendent of Public Buildings and Offices states that he is prepared to clean the Court House on the basis of ten cents per square foot, and it would seem reasonable to make an allowance on this basis for the rest of the year, or a period of six months. This would call for $4,500 for the six-months period, or $9,000 a year, and would average only about one-half cent more than the cost per square foot of cleaning nine private buildings. At $9,000 for the cleaning bill for the year there will be a reduction of $4,905 on the Superintendent's estimate.

The President requests two Watchmen at $900 per annum. The Superintendent, however, states that one Watchman will be sufficient, and it would seem provision should be made for one.

There are two electric elevators in the Court House, and they will require two operators.

Two Telephone Operators are requested. There is a public switchboard at present in the Court House, operated by an employee of the telephone company. He states that he finds no difficulty in taking care of all the telephone business. The Superintendent of Public Buildings and Offices states that the telephone company will soon withdraw its operator, and that it will then become necessary for the City to install an Operator of its own. It would seem provision for one Operator should be made at the rate of $900 per annum.

The Superintendent further states that at least one Electrician is required to care for all the electrical equipment in the building.

The boiler room force at present consists of one Stationary Engineer and five Firemen. There is no need in the Court House during the summer for a fire in any one of the three boiler furnaces. One boiler is being kept in operation during the summer solely for the purpose of supplying steam to a soup cauldron in the Queens County Jail, adjoining the Court House. Soup is prepared three times a day in this cauldron for the prisoners in the jail. The Superintendent of Public Buildings and Offices states that if it was not necessary to heat this cauldron it would be possible to close down the boiler room in the Court House for at least three months in the summer. As conditions exist at present, however, one Stationary Engineer and five Firemen are employed at a cost of $19.50 a day to heat a soup cauldron, and it is costing the City almost $500 a month to boil a cauldron of soup for jail prisoners three times a day. It is now proposed to add an additional Stationary Engineer on the ground that one or more of the Firemen have been acting as Engineers.

Local Union 319 of the International Union of Steam Engineers has interested itself in this matter; and in a letter to the Superintendent of Public Buildings and Offices requests that requisition be made on the "Municipal Civil Service Commission for two additional Stationary Engineers to be assigned to duty to the Court House." This letter was transmitted by the Commissioner of Public Works of Queens to the Municipal Civil Service Commission, which replied that the present assignment of one Stationary Engineer and five Firemen is not in compliance with the provisions of the Civil Service Law. The Superintendent of Public Buildings and Offices states that as a result of the opinion of the Municipal Civil Service Commission, he feels justified in asking for an extra Engineer, bringing the force up to two Engineers and five Firemen. This would give seven men for the summer months to heat one soup cauldron three times a day.

With the proposed changes in the several line items the yearly cost of cleaning and general operation would be as follows:

Female Cleaners and Laborers	$7,800 00
Janitor, at $1,200 per annum	1,200 00
Watchman, at $900 per annum	900 00
Elevatormen, 2 at $900 per annum	1,800 00
Telephone Operator, at $900 per annum	900 00
Electrician, at $4.50 a day	1,363 50
Stationary Engineers, 2 at $4.50 a day	2,727 00
Firemen, 5 at $3 a day	4,545 00
	$21,235 50

The President of the Borough of Queens requested that an issue of special revenue bonds be authorized for the cleaning and general maintenance of the Court House. The Board of Aldermen, however, in its resolution requested that the sum of $12,610 be transferred from some unexpended balance to the President of the Borough of Queens for the aforesaid purposes. It is stated that there is no "unexpended balance" in the office of the President of the Borough of Queens from which any amount may be transferred.

In view of the fact, therefore, that no account has been indicated from which the amount necessary to clean and generally maintain the Queens County Court House for the remaining six months of the current year may be transferred, it is recommended that the resolution of May 17, 1910, be returned to the Board of Aldermen for its further consideration, together with a copy of this report. It is also recommended that a copy of this report be sent to the President of the Borough of Queens. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Board of Estimate and Apportionment be and it is hereby respectfully requested to transfer from some unexpended balance to the President of the Borough of Queens, in view of the emergent need of help to clean and care for the County Court House, the sum of $12,610.

Adopted by the Board of Aldermen May 17, 1910, a majority of all the members elected voting in favor thereof.

P. J. SCULLY, Clerk.

Board of Estimate and Apportionment, City of New York, Office of the Secretary, No. 277 Broadway, July 6, 1910.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen:

Dear Sir—At a meeting of the Board of Estimate and Apportionment held July 1, 1910, a resolution was presented from the Board of Aldermen requesting that provision be made for the payment to all per diem employees of The City of New York of a wage at least equal to that paid by private concerns, said provision to include pay for labor performed on Sundays and legal holidays, which was referred back to the Board of Aldermen in accordance with resolution adopted by this Board on June 10, 1910, copy of which is enclosed for the information of your Board.

I return herewith the resolution of the Board of Aldermen. Very truly yours,

JOSEPH HAAG, Secretary.

"Resolved, That the Board of Estimate and Apportionment will consider at present only those applications for the establishment of new positions or grades under section 56 of the Greater New York Charter which were assigned to the Select Committee on Salaries and Grades up to and including the meeting of June 3, 1910, and this Board requests that further applications of this character by Departments be deferred until the first meeting of this Board in September, the latter to be considered in connection with the Administrative Budget for 1911."

A true copy of resolution adopted by the Board of Estimate and Apportionment June 10, 1910. JOSEPH HAAG, Secretary.

Which were severally ordered on file.

The Vice-Chairman laid before the Board the following communication from the President, Borough of Brooklyn:

No. 1790.

The City of New York, Office of the President of the Borough of Brooklyn, Brooklyn, July 8, 1910.

To the Honorable Board of Aldermen:

Gentlemen—Request is hereby made for the issuance of special revenue bonds, proceeds to be used by the President of the Borough of Brooklyn for the erection of headstones over the graves of deceased soldiers and sailors.

We have just received an application from the Secretary of the G. A. R. Committee, filing 80 applications, and these, together with others which have previously been filed, total up to about 100. As these headstones cost in the neighborhood of $15 each, I would respectfully request that your Honorable Body adopt the resolution in accordance with the above. Yours very truly,

L. H. POUNDS, Acting Borough President.

Which was referred to the Committee on Finance.

The Vice-Chairman laid before the Board the following communication from the Park Commissioner, Boroughs of Brooklyn and Queens:

No. 1791.

The City of New York, Department of Parks, Boroughs of Brooklyn and Queens, Litchfield Mansion, Prospect Park, Borough of Brooklyn, July 7, 1910.

To the Honorable Board of Aldermen, City of New York:

Gentlemen—In conformity with the resolution adopted by your Honorable Body on June 7, 1910, regarding the triangle bounded by Pitkin ave., Barrett st. and E. New York ave., I beg to report as follows:

The triangle in question was ceded to the City some years ago. Since its acquisition it was used as a store yard by this Department for its road material, sprinkling wagons and tools. Last year, endeavoring to improve its appearance, I caused it to be surrounded with a substantial close board fence about 7 feet in height and neatly painted. It is still used for the above purpose and must continue to be so used until this Department can secure a suitable site for storage purposes. There has never been any money granted to permit of the laying out of this triangle as a park nor is there any available for this purpose at the present time.

In conclusion, I desire to state that the appearance of the plot in question compares very favorably with that of the improved property surrounding it. As to the unimproved property in the neighborhood there cannot be any comparison.

Respectfully, M. J. KENNEDY, Commissioner.

Which was referred to the Committee on Parks.

The Vice-Chairman laid before the Board the following communications from the Corporation Counsel:

No. 1792.

Law Department, Office of the Corporation Counsel, New York, July 8, 1910.

The Honorable Board of Aldermen:

Sirs—I am in receipt of a communication from the City Clerk transmitting a copy of a resolution adopted June 14, 1910, as follows:

"Resolved, That the Corporation Counsel be and he is hereby requested to examine into the question of the present titles to lands comprising the beach front of Coney Island and the question of the original grants thereof, and kindly report his findings to this Board at the earliest practicable date."

In reply I would state that said resolution is very general in its form, but I have assumed that it has application to the lands under water along the ocean front of Coney Island and to certain uplands in the neighborhood of Ocean parkway.

The Town of Gravesend was created by a Colonial Charter granted by Francis Lovelace, Esq., in the year 1670, by which a certain parcel of land beginning at the mouth of the creek adjacent to Coney Island, bounded on the westernmost part by the land appertaining to Anthony Jansen and Robert Penoyer and extended easterly to the Stroom Kill or Garretsons Creek and bounded southerly with the ocean, "together with all ye havens, harbours, ryvers, creeks, woodlands, marshes and all other appurtenances * * * together with all Couney Island," was granted to said town.

Another charter was granted to the Town of Gravesend by Thomas Dongan, Lieutenant Governor, which, after reciting that the Town of Gravesend was situate on the westernmost part of Long Island and contained a certain quantity or parcel of land "beginning at the westernmost part of a certain place called Cunie Island and from thence bounded to the westernmost part of Anthony Johnson and Robert Penoyer, and along the New Utrecht fence to the bounds of Flatbush, and thence along to the bounds of Flatlands and from thence upon a line agreed upon between the Towns to the Stroom Kill or Hugh Garretsons Creek and thence along the creek to the main ocean and so along the seaside to the westernmost part of Cunie Island" ratifies and confirms unto the Town of Gravesend the said recited tract and tracts, parcels of land and meadows abutted and bounded as in the former patent described.

In 1797 a map was prepared and filed in the Surveyor General's office and is now on file in the office of the State Engineer and Surveyor at Albany, which shows the bounds of the Town of Gravesend according to the patents, and also the boundary lines between Gravesend and New Utrecht as fixed by an agreement between such towns.

It will be observed that in the latter charter, the southern description of the premises granted and confirmed to the town is given as "so along the seaside to the westernmost part of Cunie Island."

Upon the map referred to, a copy of which is herewith transmitted, the Atlantic Ocean is shown as the southern boundary.

The Courts have held that such descriptions carry title to lands conveyed on navigable waters only to mean high water mark.

The Town of Gravesend, therefore, obtained no title to any lands under water of the Atlantic Ocean along its entire southern boundary and none became vested in the City of Brooklyn upon the annexation of the town to that City nor in The City of New York upon consolidation.

So far as the uplands are concerned, they were either allotted in early times at town meetings or were sold by the trustees of the Common Lands of the Town of Gravesend after authorization to sell given at a town election.

The town, therefore, retained no title to the uplands so disposed of and sold.

With regard to the Ocean parkway and Concourse the following facts appear:

By chapter 583 of the Laws of 1874 the Brooklyn Park Commissioners were authorized and directed to lay out and improve a public highway or avenue not more than 210 feet wide, exclusive of courtyards, from the Kings Highway, so called, through the town of Gravesend and on and across Coney Island to the Atlantic Ocean, a hundred foot road along the lands of the Prospect Fair Grounds Association, a concourse or shore road at the southerly terminus of said highway, not exceeding 3,000 feet in length at each side along the beach and five hundred feet in width.

The said act contained provisions as to buildings and courtyards along said highway; as to the grading and improving said highway and concourse or shore road; as to fixing district of assessment; as to application to Court for appointment of Commissioner to estimate value of lands and improvements necessary to be taken; as to making of estimates and assessments, the hearing of objections and the delivery of reports to the Park Commissioners; as to notice of application to Court by the Park Commissioners for confirmation of such reports.

Section 7 of the act so far as the same is material is as follows:

"Sec. 7. After the reports of estimate and assessment for taking and opening the said avenue and one hundred feet road and said concourse or lateral branch or shore road at the ocean beach, shall have been confirmed, the title to the concourse or lateral branch or shore road shall vest in the county of Kings in fee simple absolute, and said reports, together with the maps hereinbefore referred to, shall be filed in the office of the clerk of the county of Kings * * * ."

The remaining sections of the act are not material to the question under discussion.

Pursuant to the provisions of this act the Brooklyn Park Commissioners, by resolutions adopted at a meeting of the Board held November 21, 1874, to lay out the highway or avenue, the hundred foot road and the concourse or shore road at the ocean beach, the description of the last being as follows:

"All the land bounded as follows: On the south by the high water mark of the Atlantic Ocean, on the east by a line drawn parallel to and distant fifteen hundred feet from the centre line of Ocean parkway as hereby laid out, on the north by a line parallel and distant five hundred feet from the high water mark of the Atlantic Ocean and on the west by a line drawn parallel to and distant twelve hundred and fifty feet from the said centre line of the Ocean parkway."

The said Commissioners also adopted resolutions fixing district of assessment and authorizing the President of the Board to apply to Court for the appointment of Commissioners of Estimate and Assessment.

In 1875 the act of 1874 was amended by chapter 489 of the Laws of 1875 by changing the width of the concourse or shore road from 500 to 1,000 feet.

The other provisions of said act of 1875 are not material to the question under discussion.

At a meeting of the Board of Brooklyn Park Commissioners, held June 8, 1875, a resolution was adopted laying out the concourse or shore road 1,000 feet wide.

Application was made to the Court for the appointment of Commissioners to value the lands required. In such proceeding an order dated February 7, 1876, was entered and filed on February 9, 1876, confirming the report of the Commissioners theretofore appointed.

Upon the confirmation of said report the title to the lands 1,000 feet in width inshore of the high water line as it existed at such date, and extending from a line 1,500 feet east from the centre line of the Ocean parkway to a line 1,250 feet west of the centre line of the Ocean parkway, vested in fee simple absolute in the County of Kings.

By the provisions of the acts hereinbefore referred to, the control and management of such lands was vested in the Board of Brooklyn Park Commissioners.

An examination of the minutes of the Park Board, Brooklyn, discloses the following facts as to the control and management of such lands:

February 8, 1876, the confirmation of the report was stated and a resolution was adopted to proceed to improve the concourse and to adopt plans for such improvement.

May 9, 1876, the Board adopted plans for the concourse and shelters at Coney Island and the Executive Committee was authorized to advertise for estimates and contract for the improvement.

February 28, 1877, the Executive Committee was authorized to make arrangements for a lease of a portion of said lands for Aquarium purposes.

May 3, 1878, an application was presented for permission to erect a bathing establishment at each end of Concourse and a resolution was adopted authorizing a lease for ten years with privilege of one renewal of a strip along the westerly and easterly ends of the Concourse, between the drive and the beach, at a rental of $1,500 for the year 1878, $2,500 for the year 1879, and $4,000 for each year thereafter.

January 14, 1880, it was suggested that legislation be obtained to sell the lands at Coney Island Concourse north of the drive.

No legislation seems, however, to have been obtained.

May 5, 1881, permission was granted to occupy a portion of the Concourse lands with aquarium buildings.

February 15, 1883, the Chief Engineer and Superintendent were directed to report as to encroachments on the Concourse and to define the lines which bound the same.

March 6, 1883, the Chief Engineer was directed to construct a fence as suggested by him.

March 20, 1883, Mr. Reicher was authorized to occupy building for aquarium during season.

April 3, 1884, premises for aquarium again rented for a year at a rental of $500.

June 10, 1886, twenty-five bathing houses on the Concourse beach were ordered to be erected under the supervision of the President and Chief Engineer.

On June 17, 1886, the President reported the making of a contract with William Vanse for the erection of such bathing houses.

September 27, 1886, the Secretary reported the advertising of bids for the bathing houses.

It seems that in December, 1886, the ocean began to make inroads upon the Concourse.

In March, 1887, reports were received relating to the protection of the sea beach facing the Concourse.

Steps seem to have been taken in the direction of protecting the beach, for in December, 1887, the plan originally determined upon was changed.

In January, 1888, steps were taken to fill in the break on the east end of the Concourse.

In February, 1888, an inspection was had at which the Commissioners were present, together with an Inspector from the United States Coast and Geodetic Survey and Chief Engineer Van Buren.

On March 6, 1888, the Park Commissioners adopted a resolution to the effect that it was unwise and inexpedient to go to any further expense in trying to prevent the inroads of the ocean on the Concourse beach.

Since such time the ocean has made serious inroads upon the Concourse lands so that at present only a small portion of the 1,000 feet originally acquired remains, the larger part of which is at the foot of the Ocean parkway and west of it.

East of the Ocean parkway very little remains, in fact even a portion of Sea Breeze ave. has been washed away.

The title to such premises was by section 8 of the Greater New York Charter vested in The City of New York.

The portion of the premises washed away can, however, be identified, for the northern boundary thereof can be located, and it extends out from such boundary 1,000 feet.

Whether such portion can be reclaimed and so protected that it would not in the future be again washed away is an engineering question which I am unable to discuss.

I have no information as to any other property in this locality which is claimed by the City, and I have assumed that your resolution does not require an examination and search of the titles of the entire beach front. Respectfully yours,

G. L. STERLING, Acting Corporation Counsel.

To the Honorable the Board of Aldermen:

Sirs—I am in receipt of a communication from the Chairman of the Committee on Laws and Legislation, dated March 15, 1910, reading as follows:

"You are respectfully requested to favor the Committee on Laws and Legislation with your opinion on the following:

"No. 511.

"By Alderman Stapleton—

"Whereas, Thousands of drivers of vehicles are arrested each year in this City for violations of the ordinances regulating the traffic; and

"Whereas, By reason of these arrests and the subsequent proceedings growing out of the arrests, innocent persons are made to suffer delay and inconvenience; and

"Whereas, This system in a city of the size and importance of the City of Greater New York, is obsolete and a hardship to the general public; be it

"Resolved, That the Corporation Counsel be requested by the Board of Aldermen to cause to be introduced in the Legislature a bill which will authorize the creation of a system of summonses for violation of the traffic ordinances. This bill to have a clause therein which will give power to the Policeman to hand a violator a summons demanding his presence in a Magistrate's Court at a reasonable time thereafter. That the bill make failure to answer the summons a misdemeanor punishable by a severe fine, and that it also contain therein a clause making it mandatory for all drivers of all vehicles to register with the Police Department, and that the said Police Department furnish him with a certificate upon which will appear the name, address and a description of the holder thereof. That upon the serving of a summons by a Policeman upon an alleged violation of the law, that the driver shall surrender to the said officer his license certificate, the same to be returned to him in the Magistrate's Court upon the arraignment of the prisoner. That nothing in the bill shall apply to the drivers of automobiles.

"Which was referred to the Committee on Laws and Legislation.

"Will it be necessary for an act of the Legislature to attain the object desired, or is it not now in the power of the Board of Aldermen to pass a sufficient ordinance?"

I am also in receipt of proposed ordinance No. 809, adopted by the Board of Aldermen April 19, 1910, submitted to me with the request that I furnish you with an opinion as to the power of the Board to ordain the same, and if in my judgment the proposed ordinance can be strengthened, that I furnish another draft. The said proposed ordinance, with resolution, reads as follows:

"An ordinance to provide for the apprehension of persons guilty of violating any City ordinance by summons.

"Be it Ordained by the Board of Aldermen of The City of New York, as follows:

"Section 1. It shall be the duty of the Police Commissioner of The City of New York to supply each and every member of his command with a pad of blank summonses, which shall be substantially in form and manner as follows:

"Whereas, You have been apprehended upon a charge of , you are hereby summoned to answer said charge in the District City Magistrate's Court of The City of New York, Borough of , Division, on the day of , 1910, at o'clock in the noon of that day, and in case of your failure so to do, you will render yourself liable to immediate arrest.

"To No.

"Borough of

"Sec. 2. Whenever any person shall be arrested by a member of the Police Department of The City of New York upon a charge of violating a corporation ordinance, the officer making such arrest shall not at that time take the said person so arrested into custody, but shall serve him with a summons similar to the one above, filling in the blank parts thereof, the name of the offender, the nature of the charge, the Court in which he shall appear and the day and date thereof.

"Upon being served with a summons, as herein provided, the offender shall be allowed to depart.

"Sec. 3. In the event of a refusal on the part of a person arrested as above to give his name and address to the officer, or upon his refusal to accept such summons, the said officer shall forthwith take him into custody and arraign him for examination on such charge before the nearest Magistrate.

"Sec. 4. In the event of an offender served with a summons under the conditions herein set forth failing to put in an appearance pursuant to the command contained in said summons, he shall be subject to immediate arrest.

"Sec. 5. This ordinance shall take effect immediately.

"By the same—

"Resolved, That the foregoing proposed ordinance be submitted to the Corporation Counsel, with the request that he furnish the Board of Aldermen with an opinion as to the power of said body to ordain the same, and if, in his judgment, the said proposed ordinance can be strengthened, he be asked to furnish another draft."

The matter received my careful consideration, and I had prepared an opinion advising you how to proceed in the matter.

I did not send you the opinion for the reason that there had been introduced into the Legislature for passage, a bill which has since been enacted into law, and is known as chapter 659 of the Laws of 1910. That act contains provisions whereby on and after September 1, 1910, in lieu of arrest for violation of any ordinance, except in cases where persons are unable to take care of themselves, or are charged with conduct tending to a breach of the peace, the person offending shall be served with a summons if he has a card of identification as prescribed by the rules of the Police Department, which card can be obtained on or before August 15, 1910, by any one of good character who has been satisfactorily identified to the Police Department, and where he has no such identification card, under the rules of the Police Commissioner he may still be summoned instead of arrested, where he can otherwise be satisfactorily identified.

As this act achieves the purposes which it is sought to achieve by the proposed ordinance, no further action is necessary. Respectfully yours,

G. L. STERLING, Acting Corporation Counsel.

No. 1794.

District Attorney's Office, Kings County, N. Y., Brooklyn, New York City, July 6, 1910.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen, Borough of Manhattan, New York City:

Dear Sir—The District Attorney's Office of Kings County is indebted to the New York Telephone Company for telephone services, under contract, for the months of November and December, 1909.

The statement for November is $126.53; the statement for December is $218.76—making a total of $345.29.

As there are no funds out of which this sum can be paid, I would respectfully request that a resolution be introduced in the Board of Aldermen providing for the issuance of special revenue bonds to meet the amount of the bills, a copy of which I herewith inclose. I am, respectfully yours,

JOHN F. CLARKE, District Attorney, Kings County.

P. J. SCULLY, Esq., Clerk, Board of Aldermen, City Hall, New York City:

Dear Sir—Following the receipt of the resolution of the Board of Aldermen adopted June 16, 1910, in the matter of continuing the operation of certain lines across 3d ave. at 177th st. to avoid danger to transfer passengers who must walk across 3d ave., a thorough investigation was made. It is deemed inadvisable at present to order the change recommended.

The element of danger would not be lessened by the addition of right angle car operation to the present conditions. Moreover, because of the fact that single track operation on Walker ave. east of Morris Park ave. was made necessary by the grading work being conducted by the City, the present method of operation seems to be the only one permitting a fairly regular schedule to be maintained on the several lines affected. Very truly yours,

TRAVIS H. WHITNEY, Secretary.

P. J. SCULLY, Esq., City Clerk, City Hall, Manhattan:

Dear Sir—You duly transmitted a resolution adopted by the Board of Aldermen on May 17, 1910, asking that the Commission issue an order which would result in a stairway being installed, to connect the platform on the southbound track of the Kingsbridge station of the New York Central with the viaduct on Broadway. This matter was taken up informally with the company and has resulted in the company agreeing to make such a connection and the plans have been prepared accordingly. The company states, however, that the actual change cannot be made until the Department of Bridges of the City has given permission to make the connection with the Broadway bridge. As soon as this permission is obtained I understand the company is prepared to go ahead with the work. Very truly yours,

TRAVIS H. WHITNEY, Secretary.

P. J. SCULLY, Esq., Clerk, Board of Aldermen, City Hall, New York City:

Dear Sir—Following the receipt of the resolution of the Board of Aldermen, dated June 21, 1910, requesting that the Public Service Commission direct an exchange of transfers between the subway and elevated systems of the Interborough Rapid Transit Company at W. 60th st. and Broadway, considerable attention was given the matter. It seems that at present such a transfer arrangement would be neither necessary nor advisable in part for the following reasons:

Observations have shown that there is at present but slight actual movement of passengers between the two systems at this point during the rush hours, and although it might be expected that this movement would be greatly increased if an interchange of transfers were inaugurated, it is by no means certain that any large percentage of either the elevated or subway passengers would make use of the privilege in view of the fact that it would be necessary to change from local to express trains and vice versa in the subway at either 42d st. or 72d st., 60th st. being a local station. Furthermore, if any large transfer movement did result, especially from the elevated system to the subway system, it will readily appear that that part of the subway now most congested, that is, south of 96th st., would be further handicapped. Very truly yours,

TRAVIS H. WHITNEY, Secretary.

Nos. 1124 and 1697.

To the Honorable the Board of Aldermen of The City of New York:

The Committee on Finance of the Board of Aldermen, to whom was referred the assessment rolls of the estates, real and personal, of The City of New York for the year 1910, together with a communication from the Comptroller of The City of New York, dated June 6, 1910, transmitting the Budget in detail for the year 1910, accompanied by his certificates of: First, the aggregate amount of the Budget for the year 1910; second, amount of County charges and expenses for the respective counties included in the Budget for the year 1910; third, amount of County charges and expenses for the respective counties paid during the year 1909, from the proceeds of special revenue bonds; fourth, estimated revenues of the General Fund for the reduction of taxation during the current year, respectfully submits the following

REPORT:

The aggregate amount of the Budget for the year 1910 is one hundred and sixty-three million one hundred and twenty-eight thousand two hundred and seventy dollars and thirty-seven cents ($163,128,270.37), which includes County charges and expenses for the four counties of New York, Kings, Queens and Richmond, aggregating five million three hundred and fifty-five thousand one hundred and twenty-four dollars and eighty-four cents ($5,355,124.84), leaving one hundred and fifty-seven million seven

hundred and seventy-three thousand one hundred and forty-five dollars and fifty-three cents ($157,773,145.53) as the amount of the Budget, which affects the general tax rates of The City of New York.

In addition to the amount of five million three hundred and fifty-five thousand one hundred and twenty-four dollars and eighty-four cents ($5,355,124.84), included in the Budget for County charges and expenses, the following amounts disbursed during the year 1909 from the proceeds of special revenue bonds for judgments and claims for County charges or liabilities, are to be raised by tax in the year 1910, in the respective counties, as provided by subdivisions 3 and 7 of section 188 of the revised Greater New York Charter, viz.:

New York County	$243,478 67
Kings County	88,262 16
Queens County	36,342 54
Richmond County	12,918 82
Total	$381,002 19

Section 902 of the Charter, referred to in the Comptroller's communication, directs that the amounts required for the payment of all County charges and expenses shall be levied and collected from the taxable property within each of said counties respectively, to the end that each of said counties shall ultimately bear and pay all expenses necessary to be incurred for County as distinguished from City purposes. Compliance with this provision of the law will, of course, forever prevent a uniform tax rate from prevailing in The City of New York.

AMOUNT TO BE RAISED FOR CITY PURPOSES BY GENERAL RATES.

The following statement shows therefore the proportion of the Budget which is to be raised by taxation at uniform rates throughout the whole City:

Total Budget		$163,128,270 37
Less estimated revenues of the General Fund as certified by the Comptroller, and deducted, pursuant to section 900 of the Greater New York Charter	$32,030,989 45	
Less aggregate of County Budgets to be severally raised in the respective counties, as provided by section 902 of the Greater New York Charter	5,355,124 84	
		37,386,114 29
Tax to be raised by general rates throughout the City		$125,742,156 08

Your Committee recommends that in fixing the actual tax rates in the tax levy ordinance the decimal fractions of such rates be not carried beyond five figures, i. e., hundred thousandths of one per cent., as any smaller fraction would have no practical effect on individual assessments, while increasing enormously and unnecessarily the difficulties of extending the tax rolls and preparing tax bills. The total loss by omission of such remote decimals will be only three hundred and fifty-one dollars and forty cents ($351.40) in the whole tax levy of one hundred and thirty-one million four hundred and seventy-eight thousand two hundred and eighty-three dollars and eleven cents ($131,478,283.11).

As there is nothing to be gained by separate extensions on the tax rolls of the City and County rates, your Committee recommends that the aggregate thereof, or, in other words, the total tax rates in each Borough, as the case may be, be fixed in the ordinance levying the taxes for the year 1910. Such an ordinance has been prepared and is submitted herewith for approval and adoption by the Board of Aldermen.

SPECIAL ASSESSMENTS IN THE BOROUGH OF BROOKLYN, TO BE COLLECTED WITH THE ANNUAL TAXES.

The Commissioners of Taxes and Assessments have added to the assessment rolls of the Borough of Brooklyn:

First—The amounts required by law to be raised with the annual taxes for the payment of principal and interest on bonds issued pursuant to chapter 311 of the Laws of 1886, as amended by chapter 335 of the Laws of 1886, for flagging, curbing, guttering and paving certain streets in the Twenty-sixth Ward of said Borough (late Town of New Lots).

Second—The annual installment required by law to be collected as a part of the annual taxes for sewerage improvements in the Twenty-ninth Ward of said Borough (late the Town of Flatbush), pursuant to the provisions of chapter 161 of the Laws of 1889 and amendments thereto.

Third—The annual installment required by law to be collected as a part of the annual taxes for street improvements, in the Thirty-first Ward of said Borough (late the Town of Gravesend), pursuant to the provisions of chapter 118 of the Laws of 1892 as amended.

Fourth—The annual installment required by law to be collected as a part of the annual taxes for the improvement of Flatbush avenue, in the Twenty-ninth Ward of said Borough (late the Town of Flatbush), pursuant to the provisions of chapter 161 of the Laws of 1889, as amended by chapter 356 of the Laws of 1894.

The amount to be raised for the payment of the principal and interest on the New Lots bonds is fifty-four thousand seven hundred and sixty-nine dollars and twenty-four cents ($54,769.24); the amount of the Flatbush sewer installment is five thousand one hundred and twenty-eight dollars and twenty-eight cents ($5,128.28); the amount of the Thirty-first Ward improvement installment is forty-four thousand eight hundred and fifty-nine dollars and sixty-five cents ($44,859.65); the amount of the Flatbush avenue improvement installment is thirty-two thousand seven hundred and fifty-one dollars and two cents ($32,751.02).

The law requires that these assessments and installments be included in the tax levy ordinance to be levied and collected with the annual taxes.

New York, July 19, 1910. Respectfully submitted.

There shall be and hereby is imposed and levied upon the estates, real and personal, subject to taxation of and within The City of New York, the sum of one hundred and twenty-five million seven hundred and forty-two thousand one hundred and fifty-six dollars and eight cents ($125,742,156.08), to pay the expenses included in the Budget for the year 1910, for conducting the public business of The City of New York in each Department and branch thereof, including principal and interest of the City debt, and an amount provided for deficiencies in taxes, pursuant to chapter 209 of the Laws of 1906, amounting in the aggregate to one hundred and sixty-three million one hundred and twenty-eight thousand two hundred and seventy dollars and thirty-seven cents ($163,128,270.37), remaining after deducting therefrom the sum of five million three hundred and fifty-five thousand one hundred and twenty-four dollars and eighty-four cents ($5,355,124.84), being the aggregate of the county charges and expenses of the counties of New York, Kings, Queens and Richmond, included therein, which sum is hereinafter levied and imposed upon said counties in the manner provided by section 902 of the Greater New York Charter; and after also deducting the sum of thirty-two million thirty thousand nine hundred and eighty-nine dollars and forty-five cents ($32,030,989.45), supplied by the General Fund for the Reduction of Taxation, as stated by the Comptroller of The City of New York in a communication dated June 6, 1910, transmitting his certificates of the amount of the appropriations made for the year 1910, copies of which communication and certificates and of the said Budget are as follows:

Department of Finance, City of New York, Bureau of Municipal Investigation and Statistics, June 6, 1910.

To the Honorable the Board of Aldermen:

Gentlemen—Section 900 of the amended Greater New York Charter provides as follows:

"It shall be the duty of the comptroller of said city to prepare and submit to the board of aldermen, at least four weeks before its annual meeting in each and every year, for the purposes of imposing the annual taxes, a statement setting forth the amounts by law authorized to be raised by tax in that year, on account of the corporation of the city of New York, as hereby constituted, or for city purposes within said city as created by this act, and purposes for which said city is liable, and on account of the counties of New York, Kings, Queens and Richmond, and also an estimate of the probable amount of receipts into the city treasury during the then current year from all sources of revenue of the general funds, including surplus revenue from the sinking funds of the mayor, aldermen and commonalty of the city of New York and of any of the municipal and public corporations, or parts of municipal and public corporations, by this act consolidated with the municipal corpora-

tion known as the mayor, aldermen and commonalty of the city of New York, other than the surplus of revenues of any such sinking funds for the payment of interest on the city debt of the municipal corporation known as the mayor, aldermen and commonalty of the city of New York, or the like debts of the municipal and public corporations by this act consolidated as aforesaid, and the said board of aldermen is hereby authorized and directed to deduct the total amount of such estimated receipts from the aggregate amount of all the various sums which by law they are required to order and cause to be raised by tax in said year, for the purposes aforesaid, and to cause to be raised by tax only the balance of such aggregate amount after making such deductions."

Section 902 of the amended Greater New York Charter provides as follows:

"In the statement submitted by the comptroller to the board of aldermen, as above provided in this chapter, he shall each year include and state specifically the sum or sums necessary to be raised to pay during the current year the salaries of the county officers and the other county charges and expenses in the counties of New York, Kings, Queens and Richmond, respectively, and the board of aldermen is hereby authorized and directed to levy upon and collect from the taxable property within each of said counties, respectively, the sum or sums so necessary to be raised to pay the salaries of county officers and other county charges and expenses of such county; to the end that each of said counties shall ultimately bear and pay all expenses necessary to be incurred within the county for county as distinguished from city purposes."

BUDGET FOR 1910.

Resolved, That, pursuant to the provisions of section 226 of the Greater New York Charter, the Board of Estimate and Apportionment makes this the Budget of The City of New York for the year one thousand nine hundred and ten, being: First, the amounts estimated to be required to pay the expenses of conducting the public business of said City for the said year, viz., one hundred and fifty-three million seven hundred and seventy-five thousand one hundred and forty-five dollars and fifty-three cents ($153,775,145.53); Second, the amounts estimated to be required to pay the charges and expenses of the Counties of New York, Kings, Queens and Richmond for the said year, viz., five million three hundred and fifty-five thousand one hundred and twenty-four dollars and eighty-four cents ($5,355,124.84), and, Third, the amount estimated to be the deficiency on January 1, 1909, in the product of taxes theretofore levied, deemed to be uncollectible and not otherwise provided for, as required by chapter 209 of the Laws of 1906, viz., four million dollars ($4,000,000).

Be it further Resolved, That, in pursuance of the provisions of section 226 of the Greater New York Charter, the Board of Estimate and Apportionment makes this the Budget of The City of New York for the year one thousand nine hundred and ten, with the exception that the items contained in the schedules under the titles "Salaries" or "Salaries and Wages," in the different Boards, Offices, Bureaus and Departments of the City and County governments, shall be administered under the following terms and conditions:

First—That no change shall be made by any Board or head of an Office, Bureau or Department in the City or County governments in the schedules of "Salaries" and "Salaries and Wages," herein contained, except when authorized thereto by twelve (12) votes of the Board of Estimate and Apportionment, and when such change will not increase the monthly rate of the total amount herein appropriated for the said schedules of "Salaries" and "Salaries and Wages" for monthly payrolls in the different Boards, Offices, Bureaus and Departments of the City or County governments.

Second—(a) That the heads of the several Boards, Offices, Bureaus and Departments of the City and County governments shall prepare their several payrolls for audit by the Department of Finance in accordance with the items of the aforesaid schedules, entitled "Salaries" and "Salaries and Wages"; and (b) set forth on monthly payrolls the monthly pro rata expenditures of (said) appropriations for monthly payrolls; (c) affix to all payrolls a certificate made by the person preparing such payrolls to the effect that there is a time record on file in said Board, Office, Bureau or Department, certified by the person or persons having knowledge of the facts, showing the character of service and the exact time of employment of such person or persons on said payrolls, and that the distribution or division of the time of such person or persons as shown on such payrolls is in accordance with such time record.

Be it further Resolved, That all appropriations for (1) supplies; (2) general supplies; (3) materials for repairs and replacements; (4) fuel, and (5) forage, to any Board, Office, Bureau or Department of the City or County governments, made in this Budget, be made under the following conditions:

First—That, in so far as practicable, all contracts and open market orders for the purchase of such "Supplies," "General Supplies," "Materials for Repairs and Replacements," "Fuel" and "Forage" be based upon specifications which are definite and certain as to character and quality, and which conform with standard specifications for the various classes of supplies, materials, fuel and forage hereafter to be promulgated by this Board.

Second—That, in so far as such standard specifications may hereafter be established by this Board, the Comptroller, at the time of certifying as to the sufficiency of appropriations out of which contracts for "Supplies," "General Supplies," "Materials for Repairs and Replacements," "Fuel" and "Forage" are to be paid, shall also certify that the specifications for such supplies or materials for which standard specifications have been prescribed, are in conformance with such standard specifications.

Third—That all open market orders issued by any Department for supplies or materials, for which standard specifications shall have been prescribed, shall contain a description of the goods ordered, conforming with such standard specifications.

Fourth—That the Comptroller shall, in auditing claims for goods delivered on open market orders, determine, through inspection or otherwise, whether the goods delivered conform with such standard specifications.

THE CITY OF NEW YORK.

FOR CHARITABLE INSTITUTIONS.

Conditions Governing Payments to Charitable Institutions.

The appropriations in this Budget are made subject to the following conditions:

1. The accounts and records of all charitable institutions receiving public moneys shall be kept so as to show all receipts, disbursements and population in such form as shall be satisfactory to the Comptroller. Records must show the addresses of parents, guardians or nearest relatives of inmates and other information designed to facilitate inquiry into their financial inability to make provision for dependents in the institution.

2. Moneys received from the City Treasury shall be used by such institutions for recurring expenses of "care, support, education and maintenance."

3. All institutions receiving public moneys and all their books of record and accounts shall at all reasonable times be open to the visitation, inspection and examination of duly authorized representatives of the Department of Finance, and at all proper times the Department of Public Charities shall have access to the record of inmates.

4. Upon its appearing to the satisfaction of the Comptroller that it would be to the public interest to withhold payments to any charitable institution for which an apportionment has been made, he shall in his discretion suspend payments and give written notice to such institution of his intention to apply to the Board of Estimate and Apportionment for authority to cease making further payments, and upon the determination of such Board that such payments shall terminate, the right of any such institution to receive payment for services rendered thereafter shall thereupon end.

5. Where appointments are made upon a per capita basis for inmates of private charitable institutions, there will be no payments unless the inmates shall have been accepted by the Commissioner of the Department of Public Charities as proper charges against the City; and except in emergency cases, the Commissioner of Charities shall not accept as proper charges persons capable of paying for their own support, or for whose care adequate provision can be made in public hospitals.

In determining the acceptance of patients in private hospitals as proper charges, the Commissioner of Charities shall first consider the nature of the services actually rendered to the patients by the hospitals. The records of the institutions and the bed-card notes showing the treatment given shall be received as the essential evidence in deciding acceptances or rejections. *The City shall not be liable for any payment to charitable institutions in excess of the apportionment which may have been made to such institutions, notwithstanding the acceptances of the Commissioner of Charities or any per capita rates of payment that may have been fixed for the inmates thereof.*

6. All institutions receiving money from the City are required to state specifically the amount so received, as from the City Treasury, in their printed annual reports.

7. No money shall be paid to any private charitable institution which pays any salary to or gives consideration, financial or of any kind, for services to, or that has any business dealing with, or secures goods or merchandise, directly or indirectly, from any officer or trustee or member of its Board of Managers.

8. That charitable institutions for children now carried in the Budget and not sending their inmates to the Public Schools, and not sharing in the Corporate School Fund, and not receiving teachers and school supplies from the Board of Education, but giving in their own buildings secular education to the children resident in the institutions, shall be paid a per capita of 7 cents per day, five school days in the week, for each child receiving such instruction of four years of age and over during ten months in the year. This money to be paid under the authorization of section 230 of the Charter, but under the general conditions relating to institutions receiving Corporate School money, as provided in section 1154.

9. Magistrates are requested to transfer dependent, and when judicious, no proper guardianship children, and all cases coming to their attention in the courts where no crime is proven against the child, to the Commissioner of Charities, who can commit to institutions. Magistrates are earnestly requested not to commit a dependent child to an institution on a court commitment.

10. The Commissioner of Charities is instructed to take such steps either by appeal to the national authorities or by proper bills to the Legislature, as to provide that the children of emigrants abandoned within one year after arrival in this City be returned to the country whence they came.

11. No dependent child under sixteen years of age shall be accepted as a proper charge upon the City, and no money will be paid for the care, support, maintenance or education of such child unless it shall have been lawfully committed to a suitable private charitable institution having its own plant and equipment for the proper protection and care of children, under the supervision of the State Board of Charities, and has been placed in this Budget by the Board of Estimate and Apportionment.

This order has no relation to the class of children of such mental and physical condition as those cared for in the City Institution at Randalls Island.

12. The rates of payments to private charitable institutions, unless otherwise specially provided for, are fixed for the various classes of inmates as follows:

The Committee on Finance, to which was referred on May 24, 1910 (Minutes, page 522), the annexed request from the Coroners, Borough of Brooklyn, for $1,500 special revenue bonds for salaries of two Clerks, respectfully

REPORTS:

That these grades have been received from the Board of Estimate and Apportionment and have been reported by the Committee on Salaries and Offices for action at the meeting of the Board to-day (July 19). Funds must be provided, there having been no Budget allowance for these positions, and the committee therefore recommends that the accompanying resolution be adopted.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of one thousand five hundred dollars ($1,500), the proceeds whereof to be used by the Coroners, Borough of Brooklyn, for the purpose of providing means for payment of salaries of two Clerks.

Coroner's Office, Rooms 1 and 3 Municipal Building, Borough of Brooklyn, New York, May 17, 1910.

The Honorable the Board of Aldermen, New York City:

Gentlemen—Request is hereby made that the Board of Aldermen request the Board of Estimate and Apportionment, in accordance with the provisions of subdivision 8 of section 188 of the Charter, to authorize the issue of special revenue bonds to the amount of $1,500, to provide for the payment of the salaries of two (2) Clerks to the Coroners of the Borough of Brooklyn, whom it is desired to appoint from July 1, 1910.

At the present time, each Coroner of the Borough of Manhattan has a "Private Clerk," with compensation at $2,000 per annum, and, although each Coroner in Brooklyn is permitted to have a "Clerk to the Coroner," under the rules of the Municipal Civil Service Commission, such positions have never been filled.

The salaries which it is desired to pay these "Clerks to the Coroner" in Brooklyn, are $1,500 per annum each; their salaries from July 1 to December 31, one-half year, amounting to $1,500, the amount for which an authorization for the issue of special revenue bonds is desired. Respectfully,

ALEX. J. ROONEY, M. D.; EDWARD GLINNEN, Coroners.

Under Rule 21, consideration of this report was deferred. Subsequently Alderman Dowling moved the adoption of this report.

The Committee on Finance, to which was referred on June 21, 1910 (Minutes, page 1433), the annexed request from the Park Commissioner, The Bronx, for $3,500 special revenue bonds for an automobile, respectfully

REPORTS:

That Commissioner Higgins appeared before the Committee and stated that his work was much hampered by the lack of a machine, the one now belonging to the Department being useless. The parks in The Bronx cover 4,000 acres and have 64 miles of roads. Constant supervision is needed, and for such purpose an automobile is essential. The Committee recommends that the accompanying resolution be adopted:

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of three thousand five hundred dollars ($3,500), the proceeds whereof to be used by the Park Commissioner, Borough of The Bronx, for the purpose of providing means for the purchase of an automobile.

New York, June 21, 1910.

Hon. JOHN P. MITCHEL, President, Board of Aldermen:

I respectfully request that your Honorable Board issue revenue bonds to the sum of three thousand five hundred dollars ($3,500), for the purchase of an automobile for the use of the Park Department, Borough of The Bronx. T. J. HIGGINS, Commissioner of Parks, The Bronx.

The Committee on Finance, to which was referred on June 21, 1910 (Minutes, page 1439), the annexed resolution in favor of an issue of $4,500 special revenue bonds for purchase of an automobile for the Park Commissioner, Manhattan and Richmond, respectfully

REPORTS:

That having examined the subject, it believes the proposed automobile to be necessary. The Park Commissioner at present uses a team of horses and a light wagon, and finds it impossible to visit the various parks and playgrounds. The latter are becoming so numerous that a machine is an absolute necessity if proper supervision is to be given them. The Committee recommends that the said resolution be adopted.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of four thousand five hundred dollars ($4,500), the proceeds whereof to be used by the Park Commissioner, Boroughs of Manhattan and Richmond, for the purpose of purchasing an automobile.

Fire Department of The City of New York, Office of the Commissioner, June 16, 1910.

Hon JOHN PURROY MITCHEL, President, Board of Aldermen, City Hall, New York:

Sir—I have the honor to transmit herewith for your information copy of application made under date of the 11th inst., to the Board of Estimate and Apportionment for a special revenue bond issue of $800, for maintenance of Creedmoor Hose Company 1, Creedmoor, Borough of Queens, from June 1, 1910, to June 1, 1911.

Respectfully, R. WALDO, Fire Commissioner.

Headquarters, Fire Department, City of New York, Nos. 157 and 159 East 67th St., Borough of Manhattan, June 11, 1910.

Hon. WILLIAM J. GAYNOR, Mayor and Chairman, Board of Estimate and Apportionment:

Sir—The certificate of incorporation of Creedmoor Hose Company 1 of Creedmoor, Borough of Queens, was approved by Mr. Justice G. L. Garretson of the Supreme Court, August 5, 1907; on November 19, 1909, by the Fire Commissioner, and on November 24, 1909, by his Honor the Mayor.

The long interval between the date of the approval of the certificate of incorporation by the Court and that of the City officials was due to the fact that it was thought it would be practicable to extend to the Creedmoor section of the Borough of Queens the paid fire system, and in the event of such official action the necessity of adding to the number of volunteer fire companies would be obviated.

An appropriation was asked and allowed in the Budget for 1909 of $800 for the maintenance of this company for the period extending from June 1, 1909, to June 1, 1910, that being the amount specified in section 722 of the Greater New York Charter for the maintenance of a volunteer hose company. It, however, having subsequently developed that the certificate of incorporation had not been approved by the Fire Commissioner and the Mayor, the amount was not paid over.

The Deputy Fire Commissioner, Boroughs of Brooklyn and Queens, in a communication dated December 4, 1909, stated that the company had been performing duty continuously during the year for which the money was appropriated, and in his opinion was entitled to the entire amount, $800. He, however, recommended that to avoid litigation, the matter be submitted to the Corporation Counsel for advice. This was done and the Corporation Counsel, under date of December 14, 1909, advised my predecessor in office that the company was entitled to funds for maintenance only from November 29, 1909, until June 1, 1910, as provided in section 722 of the amended Charter, and it was compensated accordingly.

An appropriation of $800 for the company was not requested in the departmental estimate for 1910 for the period from June 1, 1910, to June 1, 1911, for the reason that the incorporation papers had not been approved by the Fire Commissioner and the Mayor at the time of submitting said estimate.

In order that the company may be paid for its services for the year extending from June 1, 1910, to June 1, 1911, I have the honor to request that pursuant to the provisions of subdivision 7 of section 188 of the Greater New York Charter, the Comptroller be authorized to issue special revenue bonds in the sum of $800, the proceeds to be applied to this object. Respectfully,

R. WALDO, Fire Commissioner.

Under Rule 21, consideration of this report was deferred; subsequently Alderman Dowling moved the adoption of this report.

At this point Alderman Kenneally took the chair.

The Chairman pro tem. put the question whether the Board would agree to accept such report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Barton, Becker, Bolles, Boschen, Brush, Campbell, Carberry, Cole, Coleman, Cornell, Cunningham, Davis, Delaney, Desmond, Diemer, Dotzler, Dowling, Downing, A. S. Drescher, W. Drescher Dujat, Ehntholt, Eichhorn, Esterbrook, Fagan, Fink, Finnigan, Gaynor, Grimm, Hamilton, Hannon, Heffernan, Herbst, Hickey, Hoertz, Kenneally, Kenney, Levine, Loos, McAleer, McCann, Markert, Meagher, Mulhearn, Nicoll, Potter, Reardon, Schloss, Shipley, Snell, Sohmer, Stapleton, Towen, Volkmann, Van Nostrand, Wendel Weston, White, Willard, President Cromwell, President Gresser, by Joseph Sullivan, Commissioner of Public Works; President Miller, by Thomas W. At this point the Vice-Chairman resumed the chair.

No. 1705.

The Committee on Finance, to which was referred on July 5, 1910 (Minutes, page 8), the annexed request from the President, Borough of Brooklyn, for $6,500 special revenue bonds for construction of an outlet for the S. 6th st. sewer, respectfully

REPORTS:

That, having examined the subject, it believes the proposed improvement to be necessary, and inasmuch as the Chief Engineer of the Board of Estimate and Apportionment states that the cost of assessment on the property to be benefited would be much larger than by issuance of revenue bonds, the Committee recommends that the said resolution be adopted.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of six thousand five hundred dollars ($6,500), the proceeds whereof to be used by the President, Borough of Brooklyn, for the purpose of providing means for the construction of an outlet to the S. 6th st. sewer, Borough of Brooklyn.

The City of New York, Office of the President of the Borough of Brooklyn, Brooklyn, June 23, 1910.

To the Honorable Board of Aldermen, New York City:

Gentlemen—A resolution was adopted on June 28, 1909, by the Local Board of the Williamsburg District for the construction of an outlet for the S. 6th st. sewer, as follows, and transmitted to the Board of Estimate:

"Beginning in the centre line of S. 6th st., about 30 feet west of Kent ave.; thence northerly across S. 6th st. to and across land of The City of New York (now under the jurisdiction of the Department of Bridges) to a point in S. 5th st. about 180 feet west of Kent ave."

I enclose herewith copy of report made relative thereto by the Chief Engineer of the said Board of Estimate and Apportionment, part of which is as follows:

"The cost of the work is estimated to be about $6,200, and that the assessed valuation of the property to be benefited is $21,291,600. It is evident that the cost of preparing an assessment for this improvement would amount to as much or more than the construction itself and that the case is similar to one recently considered by the Board relating to an outlet sewer at the foot of Clarkson st., in the Borough of Manhattan, where it was deemed inadvisable to assess for benefit. In the latter case the cost of the work was met through an issue of special revenue bonds, and I see no reason why the improvement now proposed should not be similarly treated."

In accordance therewith, I would respectfully request that your Honorable Body adopt a resolution authorizing the issuance of special revenue bonds amounting to $6,500, for the construction of an outlet to the S. 6th st. sewer, in accordance with the resolution adopted by the Local Board of the Williamsburg District and recommendation of the Chief Engineer of the Board of Estimate and Apportionment.

Yours very truly, L. H. POUNDS, Acting Borough President.

Under Rule 21, consideration of this report was deferred. Subsequently Alderman Dowling moved the adoption of this report.

The Vice-Chairman put the question whether the Board would agree to accept such report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Barton, Becker, Bolles, Boschen, Brush, Callaghan, Campbell, Carberry, Cole, Cornell, Cunningham, Davis, Delaney, Desmond, Diemer, Dotzler, Dowling, Downing, W. Alderman Wendel asked and obtained unanimous consent to introduce the following:

No. 1803.

City of New York, July 19, 1910.

To the Board of Alderman of The City of New York:

In his message to this Honorable Board on the 5th inst. his Honor the Mayor transmitted a report in connection with the stoop line permits made by an Examiner in the Finance Department and a letter from the Bureau of Licenses. My name was mentioned in said report and also in the public press, thus leading the public to believe that all that was stated in both documents applied to me. In order that my position may be properly understood by you, my fellow members of the Board, his Honor the Mayor, and the public, I submit the following:

Your attention is called to the statements made by the individuals mentioned in said report, and you will perceive that they consist of conversations had with third persons for whose acts I am in no wise accountable, and such conversations as are alleged to have been had with me in no wise show any misconduct on my part, and I would let the matter rest right there, did I not feel that the publication of said report in connection with my name has unjustly reflected upon my reputation.

Ever since I have been in office all applications for licenses in my district were required to be made and were made to me personally. The application blanks received by me from the City Clerk I have kept within my own control, and none are given out except by me personally. No application is signed by me unless it is first properly executed by the applicant and the owner of the premises, and before delivering the same I furthermore satisfy myself that the applicant is the proper person to receive same.

I have never authorized any one to act for me in issuing licenses and no one was or ever has been empowered by me to use my name for the purpose of making any bargain as a condition for receiving my approval of a license. I never asked any one, or authorized any one in my behalf to demand from an applicant that he join any political club with which I am affiliated before obtaining my consent to a license. The Democratic leader of my district, Senator Thomas J. McManus, has never requested me to withhold any license, or in any way tried to influence me in my actions in connection therewith.

Whenever I signed an application for a license I made a memorandum thereof and I find upon examination of the same that up to date I have indorsed 51 applications, the greater portion of which were granted to Italians, and upon further investigation find that of those not more than three are members of my political club, besides the two mentioned in the said report.

On the southwest corner of 51st st and 8th ave. is conducted a saloon by Devanney Brothers. Residents in that street have called my attention to the conditions which prevailed on that corner and, having ascertained that the complaints were true, I decided to use my best efforts in stopping the nuisance. I have observed that men congregate in front of said saloon and alongside of the bootblack stand, the chairs of which when not in use for blacking shoes were occupied by loungers and hangers-on of said saloon, and when women would pass remarks would be made to them by some of these men and by some of the bootblacks, to the annoyance of said women. On or about March 9, 1910, an application for a bootblack stand at said corner was presented to me signed by David W. O'Brien, No. 847 8th ave., applicant, and James Devanney, same address, owner. Upon inquiry I was informed that the applicant, David W. O'Brien, was a barkeeper in the employ of said James Devanney. I declined to give my consent to said application for the reasons hereinabove mentioned, believing it one of the effective means of removing the nuisance from said corner. I annex hereto the application presented to me. Subsequently I called at the office of the Bureau of Licenses and informed Mr. Francis V. Oliver that I declined to consent to the issuing of said license on account of the reasons herein mentioned, and at the request of various residents of that vicinity. The fact, however, remains that although the license for a bootblack stand on said corner expired over four months ago, the business of blacking boots on said corner is still continued without any interference from the police authorities and without the issuance of any permit.

I herewith submit to you the affidavits of the following persons who are among those who requested me to withhold my consent for a new license on the Devanney corner and who state that they have been accosted by men standing in front of same and insulted by improper proposals from habitues of said saloon, and that said saloon has become a disgrace to the neighborhood:

Hannah Diss, of No. 312 W. 51st st., 49 years of age, and the mother of five children.

Agnes Sherman, of No. 312 W. 51st st., 19 years of age.

Clara A. Kirkland, of No. 358 W. 51st st., mother of a daughter.

I find among the applications on file in the Bureau of Licenses one dated April 12, 1910, for a newsstand at No. 614 10th ave. When I consented to the same it was signed by Petro Dinapoli, No. 634 9th ave., but the applicant's name and address had been erased in a clumsy manner, and Flory Calzaretta, of No. 603 9th ave., written over said erasure, without my knowledge or consent. The application is a forgery and no license should have been granted thereon.

On or about May 20, 1910, I consented to an application for a bootblacking privilege in front of the premises No. 369 W. 50th st., by William Marro, No. 455 W. 45th st. Subsequently I was informed by the owner of the premises, Mr. Wolf, of No. 454 W. 49th st., that his name had been forged to said application, and I told the said Mr. Wolf that he had better make his complaint to the Bureau of Licenses. I find said application on file in the Bureau of Licenses and the permit granted thereon is still in force.

The foregoing instances illustrate certain abuses practiced by the applicants for licenses, and that all the iniquities of the present system are not to be charged to the Alderman.

In conclusion, I beg to submit the aforesaid to my fellow members of the Board of Aldermen, His Honor the Mayor and the public at large, and further beg to state that the insinuations against me were not prompted by any public spirited citizens, but rather by men disappointed in politics, opposed to me politically, and who have since become petty office-holders. Respectfully,

LOUIS WENDEL, Jr., Alderman, 11th District.

State of New York, City of New York, County of New York, ss.:

Hannah Diss, being duly sworn, deposes and says:

For the past five years I have resided, and do now reside, at No. 312 W. 51st st., between 8th and 9th aves., in the Borough of Manhattan, City of New York. I am forty-nine years of age and the mother of five children, three daughters and two sons. I am a Roman Catholic and my children are communicants of the Church of the Sacred Heart.

That on the southwest corner of 8th ave. and 51st st. is situated a saloon conducted by Devanney Bros. One of the proprietors, I am informed, is James Devanney, an ex-policeman. That by reason of said saloon being situated on the same side of the street as the premises in which I reside, I have occasion to pass said saloon whenever going east. I am, however, compelled to avoid passing said saloon by crossing the street and passing along the northerly side thereof, for the reason that men congregate in front of the Devanney saloon and alongside of and within the bootblack stand, who would accost passing women and girls and insult them with improper proposals. That about last November, while out on an errand in connection with my household matters, at about 7 p. m., one of the men standing in front of the Devanney saloon came up to me and made such indecent and revolting proposals to me, a woman with grown-up children, that I became frightened and did not cease running until I had reached my home. I had a similar experience on another day, at about 1 o'clock in the afternoon.

My daughter by a former husband, Agnes Sherman, whom I almost daily send to the stores on 8th ave., and who is compelled to pass said saloon, has been repeatedly insulted by men standing in and about said saloon and the bootblack stand, and I have instructed her to avoid a repetition of such occurrence by advising her to cross the street and pass along the northerly side of 51st st.

I have seen men coming from said saloon in a drunken, filthy condition, and on one occasion we had one of them lying in our hall, and he had to be evicted by the janitor. I have heard from neighbors that they have had similar experiences and have been annoyed by drunken and filthy looking individuals entering their halls and causing a great deal of annoyance and fear to the tenants.

That the said Devanney's saloon is frequented by men who conduct themselves in an improper, ungentlemanly and indecent manner towards females who have occasion to pass by the same, and there are other women in the neighborhood who have had similar experiences, and the reputation that said saloon has acquired is a bad one.

It is the talk of the neighborhood what influence permits the Devanney Bros. to conduct such a disgraceful place in a respectable residential street.

When Alderman Wendel was elected I asked one of my sons to communicate with him and request him to do what he could to stop the nuisance that existed on said corner.

I am 19 years of age and reside with my mother at No. 312 W. 51st st., between 8th and 9th aves., in the Borough of Manhattan, City of New York.

I am daily sent out by my mother to make purchases for the family, and in going to the stores I am required to pass the southwest corner of 8th ave. and 51st st., on which is situated a saloon conducted by Devanney Bros. That men congregate in and about the saloon and bootblack stand in front of the same and apply insulting epithets and remarks to women and girls who pass there, and I personally have been repeatedly insulted by these men with improper proposals. I informed my mother and she advised me to cross the street and walk along the northerly side thereof when going to 8th ave., which advice I have tried to follow.

I have seen men coming from said saloon in a drunken, filthy condition, and on one occasion we had one of them lying in our hall, and he had to be evicted by the janitor. I have heard from neighbors that they have had similar experiences and have been annoyed by drunken and filthy looking individuals entering their halls and causing a great deal of annoyance and fear to the tenants.

I suggested to my brother that he see Alderman Wendel and get him to do what he could to stop the nuisance on the Devanney corner.

On Wednesday, July 13, 1910, at about p. m., in passing the Devanney saloon on my way to I was again accosted and insulted by men standing in front of the same.

I reside at No. 358 W. 51st st., between 8th and 9th aves., in the Borough of Manhattan, City of New York, and have resided in the said block for the past 10 years. I am married and am the mother of a daughter.

That on the southwest corner of 8th ave. and 51st st. is situated a saloon conducted by Devanney Bros. That almost daily I pass the said saloon on my way toward 8th ave., and have seen men congregate in front of said saloon and the bootblack stand, and have seen some of said men speak to passing women and insult them by improper remarks. I myself have been accosted by some of these men both in the daytime and in the evening, and have been insulted by the improper proposals made by them. My daughter, Agnes Kirkland, has also complained to me of the actions of these said men towards her when she passed the Devanney saloon, and I have advised her to avoid passing the same by walking along the other side of the street.

That particularly during the past two years the said saloon is frequented by men who seem to have nothing else to do but insult passing women, and the reputation of the Devanney saloon is a notoriously bad one and is the talk of the neighborhood. In my talks with other people of the neighborhood I was informed that one of the Devanneys is an ex-policeman and therefore exercises great influence with the authorities and can do as he wishes.

AN ORDINANCE to amend the Code of Ordinances of The City of New York relating to "Stands within stoop lines and under elevated railroad stations."

Be it Ordained, by the Board of Aldermen of The City of New York, as follows:

Section 1. Article 4 of chapter 7 of title 2 of part 1 of the Code of Ordinances of The City of New York, relating to "Stands within the stoop lines and under elevated railroad stations" is hereby amended by adding thereto a new section to be known as section 372a and to read as follows:

Sec. 372a. Any license issued in pursuance of the provisions of this article shall be not transferable, with or without consideration, and any license transferred to another person shall immediately thereupon cease and determine, and the privileges thereunder come to an end. Any person who shall be guilty of a violation of the provisions of this section shall not thereafter be granted a license or permit or other privilege to keep a stand or stands within the stoop lines or under the elevated railroad stations for the sale of newspapers or periodicals or both, of fruits or soda water or both, or of all the foregoing items, or for the blacking of boots. Further, any persons found guilty of violating any provision of this section by a court of competent jurisdiction shall be subject to a fine of not less than fifty dollars ($50), nor more than five hundred dollars ($500). It shall be the duty of the City Clerk and the Chief of the Bureau of Licenses to have the language of this section printed in bold type on all applications for and licenses granted to persons under the provisions of this article.

Sec. 2. This ordinance shall take effect immediately.

Adopted by the Board of Aldermen June 30, 1908, a majority of all the members elected voting in favor thereof.

Approved by the Mayor July 9, 1908.

P. J. SCULLY, City Clerk and Clerk of the Board of Aldermen.

Which was referred to the Committee on Rules.

Alderman Hamilton asked and obtained unanimous consent to introduce the following:

No. 1804.

Resolved, That a Committee consisting of two (2) members of the Board of Aldermen from each of the Boroughs, be appointed by the Rules Committee to investigate thoroughly by an examination of witnesses and such other means that may be necessary, what foundation, if any, exists for the general charges made by his Honor the Mayor, the Chief of the License Bureau, and the Newsdealers' Association that graft is extorted from the licensees of stands by members of this Board.

Said Committee to report to this Board at as early a date as possible, so that some definite action can be taken to counteract the impression that this evil is general in the Board, an impression which the newspapers are conveying generally to the public by the publication of the statements of the Mayor and others.

Which was referred to the Committee on Rules.

GENERAL ORDERS.

Alderman Dujat called up General Order No. 57, being a report and resolution, as follows:

No. 1086—(G. O. No. 57).

The Committee on Finance, to which was referred on May 31, 1910 (Minutes, page 621), the annexed resolution in favor of an issue of $15,000 special revenue bonds for Special Commission on Congestion, respectfully

REPORTS:

That the Committee has held a public hearing in this matter, and is in receipt of many letters for and against the appropriation. It seems to the Committee that, inasmuch as this Commission was appointed by the Mayor in compliance with an ordinance of this Board, and as it is dominated by members of this Board who are members of the Commission, that it should be supplied with funds to do the work. Attached are letters from the President of the Allied Real Estate Interests and from the Chairman of the Commission, stating that the amount proposed will be sufficient. The Committee recommends that the resolution be adopted.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of fifteen thousand dollars ($15,000), the proceeds whereof to be used by the Commission on Congestion of Population for the purpose of paying salaries of clerical force and office expenses.

FRANK L. DOWLING, TRISTAM B. JOHNSON, DANIEL EHNTHOLT, WM. J. HEFFERNAN, WM. P. KENNEALLY, JOHN DIEMER, Committee on Finance.

The New York City Commission on Congestion of Population, Room 269, No. 280 Broadway, New York, June 15, 1910.

Hon. FRANK L. DOWLING, Chairman, etc., Committee on Finance, Board of Aldermen, City Hall, City:

My Dear Alderman—I am in receipt of the letter from the clerk of your Committee, dated the 14th inst., addressed to me as Chairman of the Commission on Congestion of Population, requesting the Commission to state whether the proposed issue of $15,000 special revenue bonds for the use of the Commission, if issued, will be all that will be required for the purposes of the Commission. I desire to say, in behalf of the Commission, that no further appropriation will be asked for. Truly yours,

JACOB A. CANTOR, Chairman.

Allied Real Estate Interest of the State of New York (Incorporated), New York, June 11, 1910.

Hon. FRANK L. DOWLING, Chairman, Finance Committee, Board of Aldermen, City Hall, New York, N. Y.:

Dear Sir—I am writing in regard to the request of the New York City Commission on Congestion of Population for an appropriation of $15,000. Unavoidable absence from town made it impossible for me to attend the hearing before your Committee on yesterday, so that I do not know the points made by those opposing favorable action by the Board of Aldermen on this matter. In the absence of specific knowledge on this point, I can only say in general:

That the Board of Aldermen in its wisdom saw fit to ask the Mayor to appoint such a Commission, and the Mayor, pursuant to this request, has done so.

That this Commission has a membership of nineteen, ten of whom are members of the Board of Aldermen.

Under the circumstances this Commission must investigate and report, and to investigate and report must have funds. The expenditure of those funds will be under the control of the Aldermanic members of the Commission, since they are in the majority. I cannot see any propriety in the request that no appropriation be made. That some appropriation is necessary would seem to be obvious, and the only question at issue, it seems to me, is for the Board of Aldermen to decide how much of an appropriation should be made.

I beg respectfully to call to your attention that this is no junketing trip; that the members of this Commission, if they do their work faithfully, as I believe all of them will, will have to give up a great deal of their time and energy to this work during the next eight months. The appropriation asked for is not in compensation for the work or efforts of the members of the Commission, but to permit the Commission to do its work as the Board of Aldermen meant it should when it passed the ordinance calling for the creation of the Commission. Very truly yours,

ALLAN ROBINSON, President.

The Vice-Chairman put the question whether the Board would agree to accept such report and adopt said resolution.

Which was decided in the negative by the following vote, three-fourths of all the members failing to vote in favor thereof.

Affirmative—Aldermen Becker, Bolles, Boschen, Brush, Callaghan, Campbell, Carberry, Cole, Cunningham, Davis, Diemer, Dowling, Downing, A. S. Drescher, W. Drescher, Dujat, Ehntholt, Eichhorn, Esterbrook, Fink, Grimm, Hamilton, Hannon, Heffernan, Johnson, Kenneally, Mulhearn, Nicoll, Potter, Schloss, Shipley, Snell, Sohmer, Towen, Wendel, Weston, White, President Cromwell, President Miller, by Thomas W. Whittle, Commissioner of Public Works; President Steers, by Lewis H. Pounds, Commissioner of Public Works, and the Vice-Chairman—41.

Negative—Aldermen Barton, Cornell, Herbst, Levine, McAleer, Reardon, Stapleton and Volkmann—8.

On motion of Alderman Dowling, the above vote was reconsidered and the paper was restored to the list of General Orders.

Alderman Dujat called up General Order No. 59, being a report and resolution, as follows:

No. 1632.

The Committee on Salaries and Offices, to which was referred on June 28, 1910 (Minutes, page 1455), the annexed resolution in favor of establishing position of Deputy Assistant District Attorney, Kings County, at $2,000 per annum, respectfully

REPORTS:

That this is not an increase in salary nor is it practically a new position. It merely fixes the title of an employee who has been doing this work at the same salary. The Committee recommends that the said resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a meeting held June 24, 1910:

"Resolved, That, pursuant to the provisions of section 56 of the Greater New York Charter, the Board of Estimate and Apportionment hereby recommends to the Board of Aldermen the establishment of the position of Deputy Assistant District Attorney, for one incumbent, at a salary of two thousand dollars ($2,000) per annum, in the office of the District Attorney of Kings County."

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the salary of said position as set forth therein.

WILLIAM J. HEFFERNAN, JOHN J. WHITE, JOSEPH SCHLOSS, WILLIAM DRESCHER, FREDERICK SNELL, JAMES H. FINNIGAN, FRANCIS P. BENT, Committee on Salaries and Offices.

The Vice-Chairman put the question whether the Board would agree to accept such report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Barton, Becker, Bolles, Boschen, Brush, Callaghan, Campbell, Carberry, Cole, Cornell, Cunningham, Davis, Desmond, Diemer, Dowling, A. S. Drescher, W. Drescher, Dujat, Esterbrook, Fagan, Fink, Finnigan, Grimm, Hannon, Heffernan, Herbst, Johnson, Kenneally, Kenney, Loos, McAleer, McCann, Markert, Meagher, Morrison, Nicoll, Potter, Reardon, Shipley, Sohmer, Stapleton, Towen, Volkmann, Van Nostrand, Wendel, Weston, White, President Cromwell, President Miller, by Thomas W. Whittle, Commissioner of Public Works, and the Vice-Chairman—50.

Alderman Ehntholt called up General Order No. 62.

Alderman Dowling asked unanimous consent to couple therewith General Orders Nos. 58, 60, 61 and 63.

Alderman Hamilton objected to consideration of General Order No. 58 in connection with the other numbers.

Objection was then made to having any of these General Orders coupled.

The Chair directed the Clerk to read General Order No. 58.

Alderman Esterbrook raised the point of order that inasmuch as Alderman Ehntholt had called up General Order No. 62, that number should be the first read and voted upon.

The Chair ruled that as Alderman Ehntholt had consented to the coupling of these General Orders, the point of order was not well taken.

Alderman Esterbrook appealed from the decision of the Chair.

The Chair thereupon put the question "Shall the decision of the Chair stand as the decision of this Board?"

The Chair was sustained by the following vote:

Affirmative—Aldermen Barton, Campbell, Carberry, Cornell, Cunningham, Delaney, Desmond, Dowling, A. S. Drescher, W. Drescher, Fink, Kenneally, Kenney, Levine, Loos, McAleer, McCann, Potter, Reardon, Stapleton, Towen, Wendel, White, President Gresser, by Joseph Sullivan, Commissioner of Public Works, and the Vice-Chairman—25.

Negative—Aldermen Becker, Bolles, Boschen, Brush, Callaghan, Cole, Davis, Diemer, Dotzler, Ehntholt, Eichhorn, Esterbrook, Fagan, Grimm, Hamilton, Johnson, Morrison, Nicoll, Schloss, Shipley, Volkmann, Van Nostrand and Weston—23.

On motion of Alderman Dowling the Board then returned to the regular order of business.

Alderman Ehntholt called up General Order No. 62, being a report and resolution, as follows:

No. 535.

The Committee on Salaries and Offices, to which was referred on March 15, 1910 (Minutes, page 1119), the annexed resolution in favor of establishing the position of Executive Clerk under the President of the Borough of Richmond, respectfully

REPORTS:

That it appears that the proposed incumbent has, under various designations, for ten years rendered faithful and useful services in a confidential capacity under the President, who avers that he places great reliance on him. The Committee therefore recommends that the said resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a meeting held March 11, 1910:

"Resolved, That, in accordance with the provisions of section 56 of the Greater New York Charter, the Board of Estimate and Apportionment hereby recommends to the Board of Aldermen the establishment of the position of Executive Clerk, in the office of the President of the Borough of Richmond, with salary at the rate of $3,000 per annum, for one incumbent."

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the salary of said position as set forth therein.

WILLIAM J. HEFFERNAN, WM. C. TOWEN, SAMUEL MARX, JOSEPH SCHLOSS, RALPH FOLKS, JAMES H. FINNIGAN, Committee on Salaries and Offices.

The Vice-Chairman put the question whether the Board would agree to accept such report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Barton, Becker, Boschen, Brush, Callaghan, Campbell, Cole, Cornell, Cunningham, Davis, Desmond, Dowling, A. S. Drescher, W. Drescher, Dujat, Ehntholt, Eichhorn, Esterbrook, Fagan, Fink, Hamilton, Kenneally, Kenney, McAleer, McCann, Markert, Nicoll, Potter, Reardon, Schloss, Shipley, Towen, Volkmann, Wendel, Weston, White, President Cromwell, President Gresser, by Joseph Sullivan, Commissioner of Public Works; President Miller, by Thomas W. Whittle, Commissioner of Public Works; President Steers, by Lewis H. Pounds, Commissioner of Public Works, and the Vice-Chairman—41.

Alderman Ehntholt called up General Order No. 58; being a report and resolution, as follows:

No. 1574.

The Committee on Salaries and Offices, to which was referred on June 21, 1910 (Minutes, page 1223), the annexed resolution in favor of establishing position of Confidential Inspector, Department of Street Cleaning, at $1,650 per annum, respectfully

REPORTS:

That Commissioner Edwards states that he has occasion for the services of such an employee in the matters requiring special investigation, and that the salary fixed seems reasonable. The Committee recommends that the said resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a meeting held June 17, 1910:

"Resolved, That the Board of Estimate and Apportionment, in accordance with the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment of the position of Confidential Inspector in the Department of Street Cleaning, with salary at the rate of $1,650 per annum, for one incumbent."

Alderman Eichhorn called up General Order 60, being a report and resolution, as follows:

No. 1633.

The Committee on Salaries and Offices, to which was referred on June 28, 1910 (Minutes, page 1455), the annexed resolution in favor of fixing various grades in the Department of Public Charities, respectfully

REPORTS:

That, having examined the subject, it believes the proposed changes to be such as will be advantageous to the service of the Department. The majority of the increases are for small amounts in the compensation of poorly paid workers, and where there are new positions they are justified by the growth of the Department. The Committee recommends that the said resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a meeting held June 24, 1910:

Resolved, That the Board of Estimate and Apportionment, in accordance with the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Department of Public Charities of the following positions and grades of positions, in addition to those already existing therein:

REPORTS:

That, as shown by the report of the Select Committee of the Board of Estimate and Apportionment, the present incumbent's salary is below that of persons employed in similar capacities in the other Boroughs. He has served five years without an increase. The Committee recommends that the said resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a meeting held March 11, 1910:

"Resolved, That, in accordance with the provisions of section 56 of the Greater New York Charter, the Board of Estimate and Apportionment hereby recommends to the Board of Aldermen the establishment of the grade of the position of Secretary to the Superintendent of Buildings, office of the President of the Borough of Richmond, with salary at the rate of $1,500 per annum."

The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior

walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

CORPORATION SALE OF BUILDINGS AND APPURTENANCES THERETO ON CITY REAL ESTATE BY SEALED BIDS.

AT THE REQUEST OF THE PRESIDENT of the Borough of Richmond, public notice is hereby given that the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law will offer for sale by sealed bids all the buildings, parts of buildings, etc., now standing upon property owned by The City of New York, acquired by it for street opening purposes in the

Borough of Richmond.

Being all the buildings, parts of buildings, etc., situated within the lines of the unnamed street from Gray st. to Gordon st., all of which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Department of Finance, Room K, No. 280 Broadway, Borough of Manhattan.

Pursuant to a resolution of the Commissioners of the Sinking Fund, adopted at a meeting held June 29, 1910, the sale by sealed bids of the above described buildings and appurtenances thereto will be held by direction of the Comptroller on

THURSDAY, JULY 21, 1910,

at 11 a. m., in lots of parcels and in manner and form as follows:

Parcel No. 1. Two-story and attic frame house with extensions and shed in the rear of same, No. 45 Gordon st.

Parcel No. 2. Three-story frame house with rear buildings, known as No. 49 Gordon st.

Sealed bids (blank forms of which may be obtained upon application) will be received by the Comptroller at the office of the Collector of City Revenue, Room 141, No. 280 Broadway, Borough of Manhattan, until 11 a. m. on the 21st day of July, and then publicly opened for the sale for removal of the above described buildings and appurtenances thereto, and the award will be made to the highest bidder within twenty-four hours, or as soon as possible thereafter.

Each parcel must be bid for separately and will be sold in its entirety, as described in above advertisement.

Each and every bid must be accompanied by a deposit of cash or certified check in a sum equal to 25 per cent. of the amount of the bid, except that a minimum deposit of $50 will be required with all bids, and that a deposit of $500 will be sufficient to entitle bidders to bid on any or all of the buildings.

Deposits of unsuccessful bidders will be returned within twenty-four hours after successful bidders have paid purchase price in full and given security, and those of successful bidders may be declared forfeited to The City of New York by the Comptroller upon the failure of the successful bidder to further comply with the requirements of the terms and conditions of the sale as set forth hereinafter.

Successful bidders will be required to pay the purchase money and deposit the required security within twenty-four hours of the receipt of notification of the acceptance of their bids.

The Comptroller reserves the right to reject any and all bids and to waive any defects or informalities in any bid should it be deemed in the interest of The City of New York to do so.

All bids must state clearly (1) the number or description of the building or buildings bid for, (2) the amount of the bid, (3) the full name and address of the bidder.

All bids must be inclosed in properly sealed envelopes, marked "Proposals to be opened July 21, 1910," and must be delivered, or mailed in time for their delivery, prior to 11 a. m. of that date to the "Collector of City Revenue, Room 141, No. 280 Broadway, New York City," from whom any further particulars regarding the buildings to be disposed of may be obtained.

The buildings will be sold for immediate removal only, subject to the following

TERMS AND CONDITIONS.

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay cash or a certified check drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price doe not equal or exceed the sum of $50, the sum of $50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed, in compliance with the directions of the Bureau of Sewers, Borough of Richmond, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances or any part thereof within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beamholes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made water-tight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
