Re: Preliminary Determination for Audit: Review, Evaluation and Monitoring of the Board of Education Retirement System's Employment Practices and Procedures from July 1, 2014 to December 31, 2016.

Dear Executive Director Rich:

On behalf of the members of the Equal Employment Practices Commission (Commission or EEPC), thank you and your agency for the cooperation extended to our staff during the course of this audit. This letter contains the Commission's findings and preliminary determinations pursuant to our audit and analysis of your agency's Employment Practices and Procedures for the period covering July 1, 2014 to December 31, 2016.

The New York City Charter, Chapter 36, Section 831(d)(5), empowers this Commission to audit and evaluate city agencies' employment practices, programs, policies and procedures, and their efforts to ensure fair and effective equal employment opportunity for employees and applicants seeking employment with city agencies. Section 832.c provides that this Commission may, pursuant to an audit, make a preliminary determination that any plan, program or procedure utilized by any city agency does not provide equal employment opportunity and recommend all necessary and appropriate procedures, approaches, measures, standards and programs to be utilized by agencies in these efforts.

The Board of Education Retirement System, which may herein be referred to as "the agency," falls within the Commission's purview under Chapter 36, Section 831(a) of the New York City Charter, which delineates city agency as any "city, county, borough or other office, administration, board, department, division, commission, bureau, corporation, authority, or other agency of government where the majority of the board members of such agency are appointed by the mayor or serve by virtue of being city officers or the expenses of which are paid in whole or in part from the city treasury..."

The purpose of this audit and analysis is to evaluate the agency's employment practices and procedures, not to issue findings of discrimination pursuant to the New York City Human Rights Law. This Commission has adopted *Uniform Standards for EEPC Audits*¹ and *Minimum Equal Employment Opportunity Standards for Community Boards* to assess agencies' EEO programs and policies for compliance with federal, state and local laws, regulations, policies and procedures which are designed to increase equality of opportunity for municipal government employees and job applicants. These standards are founded upon and consistent with federal, state and local laws, regulations, procedures and policies including, but not limited to, the Citywide Equal Employment Opportunity Policy - Standards and Procedures to be Utilized by City Agencies; the New York City Human Rights Law (NYC Administrative Code §§8-107(1)(a) and (d), 8-107.13, and 8-107.1); the New York State Civil Service Law §55-a; the Uniform Guidelines on Employee Selection Procedures (29 CFR §§1607.3 - 1607.7); the Americans with Disabilities Act and its Accessibility Guidelines; and the equal employment opportunity requirements of the New York City Charter. Prescribed corrective actions are consistent with the aforementioned parameters.

Since this Commission is empowered to review and recommend actions which each agency should consider including in its annual plan of measures and programs to provide equal employment opportunity (Annual EEO Plan), the audited agency should incorporate required corrective actions in its current EEO Program and prospective Annual EEO Plans.

Scope and Methodology

This Commission's audit methodology includes collection and analysis of the documents, records and data the agency provides in response to the *EEPC Document and Information Request Form*; responses to the *EEPC Interview Questionnaires* for EEO professionals and others involved in EEO program administration; and, if applicable, review of the agency's *Annual EEO Plans* and *Quarterly EEO Reports* and analysis of workforce and utilization data from the *Citywide Equal Employment Database System* (CEEDS).

This Commission reviews the workforce statistics and utilization analysis information available via CEEDS to understand the concentrations of race and gender groups within an agency's workforce. (CEEDS may be unavailable for certain non-mayoral agencies. In such cases, the EEPC requests that the agency submit similar statistics and analysis.) EEO Program Analysts examine imbalances between the number of employees in a particular job category and the number that would reasonably be expected when compared to their availability in the relevant labor market. Personnel transactions are reviewed in order to ascertain the agency's employment practices. Where underutilization is revealed within an agency's workforce, EEO Program Analysts assess whether the agency has undertaken reasonable measures to address it.

EEO professionals (including, but not limited to, past or current EEO Officers, Deputy or Co-EEO Officers, EEO Counselors, EEO Trainers, EEO Investigators, Disability Rights Coordinators, Career Counselors, 55-a Program Coordinators) and others involved in EEO program administration such as the Principal Human Resources Professional are given a two-week deadline to complete and return their individual questionnaires. The Commission's EEO Program Analysts also conduct

additional research and follow-up discussions or interviews with EEO professionals, when appropriate.

Description of the Agency

The Board of Education Retirement System of the City of New York (BERS) was founded in 1921 to provide a retirement system to New York City Department of Education employees other than those eligible to join the New York City Teachers' Retirement System. The Board of Education Retirement System's structure, procedures, and benefits are determined by administrative rules and regulations, and by law. BERS itself is governed by a Board of Trustees which is composed of thirteen Panel for Educational Policy members, eight of whom are appointed by the Mayor, the Schools Chancellor and two employee-members elected by the membership.

BERS had 77 employees at the end of the period in review. See workforce composition, attached as Appendix 1.

RE: Audit Resolution #2017/212-521: Final Determination Pursuant to the Review, Evaluation and Monitoring of Board of Education Retirement System's Employment Practices and Procedures from July 1, 2014 to December 31, 2016.

Dear Executive Director Rich:

On behalf of the members of the Equal Employment Practices Commission (Commission or EEPC), thank you and your agency for the cooperation extended to our staff during the course of this audit.

As the EEPC did not receive the Board of Education Retirement System's response to its June 14, 2017 Preliminary Determination within 14 days from the date of its issuance, and consistent with the audit protocol referenced therein, the attached Determination is now Final.

As indicated in our Preliminary Determination, this Commission has adopted uniform standards¹ to assess agencies' employment practices and programs for compliance with federal, state and local laws, regulations, policies and procedures which are designed to increase equality of opportunity for municipal government employees and job applicants. The attached Determination contains the Commission's findings and required corrective actions pertaining to the referenced review, evaluation and monitoring of your agency's employment practices and procedures.

¹ Founded upon and consistent with federal, state and local laws, regulations, procedures and policies including, but not limited to, the Citywide Equal Employment Opportunity Policy - Standards and Procedures to be Utilized by City Agencies; New York City Human Rights Law (NYC Administrative Code, §§8-107.1(a) and 8-107.13(d)); New York State Civil Service Law §55-a; Uniform Guidelines on Employee Selection Procedures (29 CFR §§1607.3 - 1607.7) and the equal employment opportunity requirements of the New York City Charter.

Chapter 36, Section 832.c of the New York City Charter requires that: 1) the EEPC assign a 6-month compliance period to monitor your agency's efforts to eliminate remaining required corrective actions; and 2) the agency provides a written response within 30 days from the date of this letter indicating corrective action taken.

The assigned compliance-monitoring period is: August 2017 to January 2018.

If corrective actions remain: Your agency's response should indicate what steps your agency has taken, or will take, to implement the corrective actions during the designated period. Documentation which supports the implementation of each corrective action shall be uploaded to TeamCentral, the EEPC's Automated Compliance-Monitoring System. Your agency will be monitored monthly until all corrective actions have been implemented. Instruction on how to access and navigate TeamCentral is attached. Upon your agency's completion of the final corrective action, this Commission requires that your agency upload a final memorandum signed by the agency head which informs employees of the changes implemented pursuant to our audit and re-emphasizes commitment to the EEO program. Upon receipt of the final memorandum, the EEPC will issue a *Determination of Compliance*.

If no corrective actions remain: Your agency is exempt from the aforementioned monitoring period. However, this Commission requires a final memorandum signed by the agency head which informs employees of the changes implemented pursuant to our audit and re-emphasizes commitment to the EEO program. This will be considered your agency's final action. Upon receipt of the memo, a *Determination of Compliance* will be issued.

Re: Preliminary Determination for Audit: Review, Evaluation and Monitoring of the Board of Education Retirement System's Employment Practices and Procedures from July 1, 2014 to December 31, 2016.

Dear Executive Director Rich:

On behalf of the members of the Equal Employment Practices Commission (Commission or EEPC), thank you and your agency for the cooperation extended to our staff during the course of this audit. This letter contains the Commission's findings and preliminary determinations pursuant to our audit and analysis of your agency's Employment Practices and Procedures for the period covering July 1, 2014 to December 31, 2016.

The New York City Charter, Chapter 36, Section 831(d)(5), empowers this Commission to audit and evaluate city agencies' employment practices, programs, policies and procedures, and their efforts to ensure fair and effective equal employment opportunity for employees and applicants seeking employment with city agencies. Section 832.c provides that this Commission may, pursuant to an audit, make a preliminary determination that any plan, program or procedure utilized by any city agency does not provide equal employment opportunity and recommend all necessary and appropriate procedures, approaches, measures, standards and programs to be utilized by agencies in these efforts.

The Board of Education Retirement System, which may herein be referred to as "the agency," falls within the Commission's purview under Chapter 36, Section 831(a) of the New York City Charter, which delineates city agency as any "city, county, borough or other office, administration, board, department, division, commission, bureau, corporation, authority, or other agency of government where the majority of the board members of such agency are appointed by the mayor or serve by virtue of being city officers or the expenses of which are paid in whole or in part from the city treasury..."

The purpose of this audit and analysis is to evaluate the agency's employment practices and procedures, not to issue findings of discrimination pursuant to the New York City Human Rights Law. This Commission has adopted *Uniform Standards for EEPC Audits*¹ and *Minimum Equal Employment Opportunity Standards for Community Boards* to assess agencies' EEO programs and policies for compliance with federal, state and local laws, regulations, policies and procedures which are designed to increase equality of opportunity for municipal government employees and job applicants. These standards are founded upon and consistent with federal, state and local laws, regulations, procedures and policies including, but not limited to, the Citywide Equal Employment Opportunity Policy - Standards and Procedures to be Utilized by City Agencies; the New York City Human Rights Law (NYC Administrative Code §§8-107(1)(a) and (d), 8-107.13, and 8-107.1); the New York State Civil Service Law §55-a; the Uniform Guidelines on Employee Selection Procedures (29 CFR §§1607.3 - 1607.7); the Americans with Disabilities Act and its Accessibility Guidelines; and the equal employment opportunity requirements of the New York City Charter. Prescribed corrective actions are consistent with the aforementioned parameters.

Since this Commission is empowered to review and recommend actions which each agency should consider including in its annual plan of measures and programs to provide equal employment opportunity (Annual EEO Plan), the audited agency should incorporate required corrective actions in its current EEO Program and prospective Annual EEO Plans.

Scope and Methodology

This Commission's audit methodology includes collection and analysis of the documents, records and data the agency provides in response to the *EEPC Document and Information Request Form*; responses to the *EEPC Interview Questionnaires* for EEO professionals and others involved in EEO program administration; and, if applicable, review of the agency's *Annual EEO Plans* and *Quarterly EEO Reports* and analysis of workforce and utilization data from the *Citywide Equal Employment Database System* (CEEDS).

This Commission reviews the workforce statistics and utilization analysis information available via CEEDS to understand the concentrations of race and gender groups within an agency's workforce. (CEEDS may be unavailable for certain non-mayoral agencies. In such cases, the EEPC requests that the agency submit similar statistics and analysis.) EEO Program Analysts examine imbalances between the number of employees in a particular job category and the number that would reasonably be expected when compared to their availability in the relevant labor market. Personnel transactions are reviewed in order to ascertain the agency's employment practices. Where underutilization is revealed within an agency's workforce, EEO Program Analysts assess whether the agency has undertaken reasonable measures to address it.

EEO professionals (including, but not limited to, past or current EEO Officers, Deputy or Co-EEO Officers, EEO Counselors, EEO Trainers, EEO Investigators, Disability Rights Coordinators, Career Counselors, 55-a Program Coordinators) and others involved in EEO program administration such as the Principal Human Resources Professional are given a two-week deadline to complete and return their individual questionnaires. The Commission's EEO Program Analysts also conduct

additional research and follow-up discussions or interviews with EEO professionals, when appropriate.

Description of the Agency

The Board of Education Retirement System of the City of New York (BERS) was founded in 1921 to provide a retirement system to New York City Department of Education employees other than those eligible to join the New York City Teachers' Retirement System. **EQUAL EMPLOYMENT PRACTICES COMMISSION
CITY OF NEW YORK**

RESOLUTION #2017/212-521: Final Determination pursuant to the Audit: Review, Evaluation and Monitoring of the Board of Education Retirement System's Employment Practices and Procedures from July 1, 2014 to December 31, 2016.

Whereas, pursuant to Chapter 36, Section 831(d)(2) and (5) of the New York City Charter, the Equal Employment Practices Commission is authorized to audit and evaluate the employment practices, programs, policies, and procedures of city agencies and their efforts to ensure fair and effective equal employment opportunity for minority group members and women, and to make recommendations to city agencies to insure equal employment opportunity for minority group members and women; and

Whereas, pursuant to Chapter 36, Section 831(d)(2), this Commission has adopted *Uniform Standards for EEPC Audits and Minimum Equal Employment Opportunity Standards for Community Boards* to assess agencies' EEO programs and policies for compliance with federal, state and local laws, regulations, policies and procedures which are designed to increase equality of opportunity for women, minorities, and other employees and job applicants identified for protection from discrimination in employment within municipal government; and

Whereas, pursuant to its audit of the Board of Education Retirement System's (BERS) Employment Practices and Procedures, the Equal Employment Practices Commission (EEPC) issued a Preliminary Determination letter, dated June 14th, 2017, setting forth findings and the following required corrective actions:

1. Issue a general EEO Policy statement or memo reiterating commitment to EEO, declaring the agency's position against discrimination on any protected basis, advising employees of the names and contact information of EEO professionals, and attaching, or providing employees pertinent electronic links to, an EEO Policy/Handbook.
2. Distribute/Post a paper or electronic copy of the Equal Employment Opportunity Policy, Standards and Procedures to Be Utilized by City Agencies – or an agency EEO Policy that conforms to city, state and federal laws – for use by managers, supervisors, and legal, human resources and EEO professionals. Include, or attach as addenda: uniform and responsive procedures for providing reasonable accommodations; an up-to-date list of protected classes under NYC and NYS Human Rights Laws; and current contact information for the agency's EEO professionals, and federal, state and local agencies that enforce laws against discrimination.
3. Establish and implement an EEO training plan for new and existing employees to ensure that all individuals who work within the agency, including managers and supervisors, receive training on unlawful discriminatory practices under local, state and federal EEO laws; EEO rights and/or responsibilities; discrimination complaint and investigation procedures; prevention of sexual harassment; and reasonable accommodation procedures.

4. Assess recruitment efforts to determine whether such efforts adversely impact any particular group. To the extent that adverse impact is discovered, at a minimum, identify relevant professional and community organizations serving women, minorities, and other protected groups throughout the City, review and update listings of recruitment outreach sources, and contact these organizations when provisional positions become available or where the agency may otherwise use discretion in hiring.
5. Ensure that the principal EEO Professional, HR Professional and General Counsel, review the agency's statistical information (i.e. workforce, hires, promotions, and separations by race/ethnicity and gender), the annual number of EEO complaints, and the agency's employment practices, policies and programs on an annual basis to identify whether there are barriers to equal opportunity within the agency and determine what, if any, corrective actions are required in order to correct deficiencies (e.g. underutilization or adverse impact). If necessary, consult with the Law Department, Division of Citywide Diversity and EEO, or another resource for guidance.
6. Assess the manner in which candidates are selected for employment to determine whether there is any adverse impact upon any particular racial, ethnic, disability, or gender group. To the extent that adverse impact is discovered, determine whether the selection criteria being utilized are job-related. Discontinue using criteria that are not job-related, and adopt methods which diminish adverse impact.
7. If women, minorities, or other protected groups are underrepresented in titles where there is discretion in hiring, advertise in minority- or female-oriented publications; contact organizations serving women, minorities, and other protected groups; participate in career fairs/open houses; or use internships to attract interested persons and to develop and hire interested and qualified candidates.
8. If women, minorities, or other protected groups are underrepresented in civil service (list) titles, review the competencies, skills and abilities required (as presented in job vacancy notices and notices of examination) for available positions to ensure that these standards are updated, job-related and required by business necessity. (This includes working with DCAS or the Civil Service Commission if applicable.) Then advertise in minority- or female-oriented publications, contact organizations serving women, minorities, and other protected groups; participate in career fairs or open houses; or use internships to attract interested persons and to develop and hire interested and qualified candidates.
9. Ensure that human resources professionals, managers, supervisors, and other personnel involved in recruiting and hiring are trained to consider EEO laws/policies and use uniform, job-related techniques to identify, interview and select the most capable candidates (e.g. structured interview training or guide).
10. Promote employees' awareness of opportunities for advancement and transfer within the agency by: administering incentive programs; publicizing promotions, including promotions into, or changes in, the managerial ranks; and/or using other methods to communicate internal opportunities.

11. Ensure that employees are considered internally for career enhancement, development opportunities and transfer by: providing and encouraging training, development or mentorship programs to improve their performance and skills; establishing internal talent pools via cross-training, cross divisional assignments, job transfers, and/or job rotation; and identifying internal successors with applicable knowledge/skills/abilities.
12. Use and maintain a candidate log or tracking system which, at minimum, includes the position, applicants'/candidates' names, identification number, ethnicity, gender, disability or veteran status, interview date, interviewers' names, result, reason selected/not selected (or disposition) of each applicant, and recruitment source. Ensure that the process avoids the appearance of bias by delegating the responsibility for recording and maintaining this information to an individual other than the hiring manager.
13. Designate a professional (may be referred to as the Career Counselor) with appropriate training, knowledge and familiarity with career opportunities in City government to provide career counseling to employees upon request. Remind employees of the identity/type of guidance available from the Career Counselor at least once each year.
14. Ensure that employees have access to information regarding job responsibilities, performance evaluation standards, examinations, training opportunities, and job postings.
15. Ensure that information regarding employee rights and obligations, and the complaint, investigation and reasonable accommodation procedures is made available in appropriate alternative formats (i.e., large print, audio tape and/or Braille) upon request to employees and applicants for employment with disabilities.
16. Appoint a principal EEO Professional to implement EEO policies and standards within the agency. The principal EEO Professional is trained and knowledgeable regarding city, state, and federal EEO laws; the requirements of the agency's EEO policies, standards and procedures; and the prevention, investigation, and resolution of discrimination complaints.
17. Maintain appropriate documentation of meetings and other communications between the agency head (or a direct report other than the General Counsel) and the principal EEO Professional regarding decisions that impact the administration and operation of the EEO program.
18. Establish and administer an annual managerial/non-managerial performance evaluation program to be used for probationary periods, promotions, assignments, incentives and training.
19. Ensure that the managerial performance evaluation form contains a rating for EEO (which covers responsibilities and processes for assuring their ability to make employment decisions based on merit and equal consideration, or treat others in an equitable and impartial manner).

20. Submit to the EEPC an Annual Plan of measures and programs to provide equal employment opportunity, and quarterly reports (up to 30 days following each quarter) on efforts to implement the plan.

Whereas, the agency did not submit a response to the EEPC's Preliminary Determination letter within 14 days from the date of its issuance, and consistent with the audit protocol referenced therein, the Preliminary Determination became Final; and

Whereas, in accordance with Chapter 36, Section 832(c) of the New York City Charter, the EEPC issued the Final Determination on July 6, 2017, which indicated that corrective actions nos. 1 through 20 require compliance monitoring; and

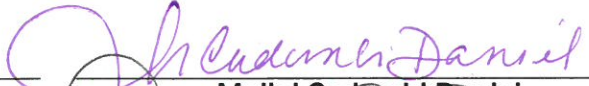

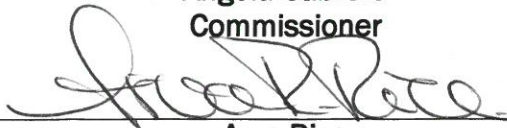

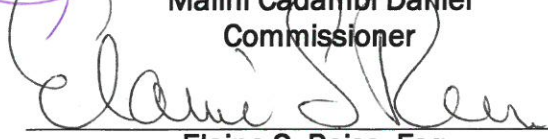

Whereas, in accordance with Chapter 36, Section 832 (c) of the City Charter, the EEPC is required to monitor the agency for a period not to exceed six months, from August, 2017 through January, 2018, to determine whether it implemented remaining required corrective actions; and

Whereas, in accordance with Chapter 36, Section 832 (c) of the City Charter, the agency is required to respond in 30 days and make monthly reports thereafter to the Commission on the progress of implementation of such corrective actions; and

Whereas, all of the EEPC's corrective actions are required by, or are consistent with, federal, state and local laws, regulations, policies and procedures which are designed to increase equality of opportunity for women, minorities, and other employees and job applicants identified for protection from discrimination in employment within municipal government; Now Therefore,

Be It Resolved, that the Commission approves issuance of this Final Determination to Sanford Rich, Executive Director, of the Board of Education Retirement System.

Approved unanimously on August 17th 2017.
