Draft Scope of Work for an Environmental Impact Statement (EIS)

Gun Hill Square

NOTICE IS HEREBY GIVEN that a public scoping meeting will be held on Wednesday, August 13, 2014 beginning at 6:00 P.M. at the Bronx Community Board 12 Office, 4101 White Plains Road, Bronx, NY 10466. **Please note that any person wishing to speak must register not later than 8:00 P.M. Guidelines for public participation will be available at the scoping meeting.**

The purpose of the scoping meeting is to provide the public with the opportunity to comment on the Draft Scope of Work proposed to be used to develop a Draft Environmental Impact Statement (DEIS) for the proposed Gun Hill Square project. Comments on the Draft Scope of Work are invited and may be presented at the public scoping

meeting and/or may be submitted in writing to the Mayor's Office of Environmental Coordination until 5:00 P.M. Monday, August 25, 2014.

Directing that a DEIS be prepared, the Environmental Assessment Statement, Positive Declaration, and Draft Scope of Work were issued by the Office of the Deputy Mayor for Housing and Economic Development on July 2, 2014, and are available for review from the contact person listed below and on the website of the Mayor's Office of Environmental Coordination (<http://www.nyc.gov/html/oc/html/home/home.shtml>).

The applicant, Gun Hill Square LLC, is proposing a development including a six-building pedestrian-oriented open-air urban shopping center with accessory parking, and an up to 11-story senior housing building on a site (Block 4804, part of Lot 100) generally bounded by East Gun Hill Road to the southwest and Edson Avenue to the northeast and south ("the project site") in the Baychester neighborhood of the Bronx. Directly east of the project site is the New England Thruway (I-95). The irregular-shaped project site comprises the southern approximately 12.6 acres of Lot 100. The project site is currently owned by the City of New York and is covered by a Master Lease between the City and New York City Transit (NYCT).

The proposed project would contain approximately 390,400 gross square feet (gsf) of commercial space (shopping center), of which up to 40,000 gsf would include a fitness center, 92,000 gsf of residential space (senior housing building including up to 100 units), 238,500 gsf of parking space (garage), and a total of 1,170 parking spaces (garage and parking lot) accessory to these uses, for a total of 720,900 gsf of new development.

The proposed shopping center, which would occupy the majority of the project site, would be comprised of six 2- to 3-story buildings located around two central squares which would be solely accessible to pedestrians. The commercial uses for the project site would include both local and destination retail, restaurants, a fitness center, and approximately one acre of privately-owned public open space as well as accessory parking to these uses. More specifically, 467 parking spaces would be provided at-grade and 680 parking spaces in a 4-story garage building, for a total of 1,147 parking spaces accessory to commercial uses. The shopping center would have three main points of entry for pedestrians and vehicles, including a signalized intersection on East Gun Hill Road and two additional entrances on Edson Avenue. There would also be three points of egress from the project site including two on East Gun Hill Road and another on Edson Avenue.

The proposed senior housing building, fronting on East Gun Hill Road, would be up to 11 stories tall and include up to 100 units. An at-grade parking lot accessible from East Gun Hill Road would provide 23 accessory parking spaces.

It is anticipated that site preparation and construction for the project would commence in early 2016 and is expected it would be complete and operational in 2018. It is currently anticipated that the proposed project would seek the following approvals to facilitate the proposed project:

- Approval from the Metropolitan Transportation Authority (MTA) Board of Directors authorizing the surrender of the MTA's leasehold interest in the project site (prior to disposition).
- Disposition of City-owned property (the project site) to a private developer, which requires approval through the City's Uniform Land Use Review Procedure (ULURP) pursuant to New York City Charter Section 197(c) and separate Mayoral and Borough Board approval pursuant to New York City Charter Section 384(b)(4).
- Zoning Map amendment (Map No. 4a) for a portion of Lot 100, Block 4804, would include changing the zoning designation from a M1-1 manufacturing district to a C4-3 commercial district.
- Zoning Special Permit pursuant to New York City Zoning Resolution Section 74-74, to allow, by City Planning Commission Special Permit, the design of the proposed project under a Large-Scale General Development (LSGD) special permit with waivers for exterior signage, side yard requirements, rear yard requirements, and height and setback regulations related to the proposed senior housing building.
- Zoning Special Permit pursuant to New York City Zoning Resolution Section 73-36 to allow, by Board of Standards and Appeals Special Permit, to include a physical culture or health establishment (fitness center) in the commercial component of the proposed development.

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- **Win More Contracts at nyc.gov/competetowin**

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method:

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

AGENCY RULES**ENVIRONMENTAL CONTROL BOARD**

■ NOTICE

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) in accordance with Sections 1043 (a) and 1049-a of the New York City Charter and by Local Law 77 of 2013 (Local Law 77), as codified in Section 16-308 of the NYC Administrative Code. The Environmental Control Board (ECB) has amended its Sanitation Penalty Schedule found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. This schedule contains penalties for notices of violation issued by the New York City Department of

Sanitation (DSNY). The rule amends the Sanitation penalty schedule to reflect the relettering of certain subdivisions of section 16-308 of the New York City Administrative Code by Local Law 77. The penalty amounts for these violations remain unchanged. The rule was published in The City Record on May 9, 2014 and a Public Hearing was held on June 11, 2014.

Statement of Basis and Purpose of Final Rule

On October 2, 2013, Mayor Bloomberg signed into law Intro 1107-A, which became Local Law 77 of 2013 (Local Law 77), in relation to the collection of food waste. Specifically, this law codified the Department of Sanitation's (DSNY) organic waste collection pilot program and made several technical amendments to section 16-308 of the New York City Administrative Code.

The ECB held a public hearing on June 11, 2014 regarding amendments to its Sanitation Penalty Schedule found in Section 3-122 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York relating to organic waste recycling. Neither written comments nor oral testimony were presented at the June 11, 2014 public hearing concerning the proposed rule regarding amendments to its Sanitation Penalty Schedule.

Several subdivisions of section 16-308 that DSNY currently enforces were relettered. These sections relate to a city yard waste collection program. The rule amends ECB's Sanitation Penalty Schedule to reflect the relettering of subdivisions of section 16-308 by Local Law 77. The penalties for these violations remain unchanged.

The former subdivision (e) of section 16-308 of the Administrative Code establishes requirements related to the manner in which yard waste should be set out for collection by DSNY. Local Law 77 relettered subdivision (e) as subdivision (f).

The former subdivision (f) of section 16-308 of the Administrative Code, establishes requirements applicable to business that generate yard waste. Local Law 77 relettered subdivision (f) as subdivision (g).

ECB's authority for these rules is also found in section 1049-a of the New York City Charter.

New material is underlined.

Statement of Basis and Purpose of Proposed Rule

The proposed rule amends certain provisions of the Third Party Transfer program rules, in order to provide more specific guidance regarding evaluation of progress for the eventual ownership by tenants of a residential building that is subject to an in rem foreclosure judgment.

The City can convey residential property that is the subject of an in rem foreclosure judgment to a qualified third party. Under § 11-412.1(b)(2) of the New York City Administrative Code, the Department of Housing Preservation and Development (HPD) is responsible for promulgating rules about how third parties are deemed qualified and selected to acquire such property.

The rules governing how third parties may acquire such property as well as the third party transfer process are in Chapter 8 of Title 28 of the Rules of the City of New York (RCNY). Section 8-03(e) sets forth factors that HPD may consider in selecting a third party. Among those factors is "whether an application has been submitted under sponsorship of a Third Party on behalf of Tenants for eventual ownership by the Tenants of a property that is subject to an in rem judgment of foreclosure." 28 RCNY 8-03(e)(9). Section 8-06 describes how HPD evaluates the tenants' progress toward ownership of the property when a third party sponsor has submitted an application on their behalf. Section 8-07 describes how HPD determines whether or not to approve a transfer of property from a third party to tenants.

The proposed amendments modify or clarify portions of Sections 8-06 and 8-07. The amendments clarify that tenants must have continuously resided in the building after the conveyance of the property to the Third Party in order to be eligible for a transfer of ownership. The amendments also provide that at least 80% of such tenants must have expressed interest in ownership through subscriptions to buy units. The amendments clarify that among the factors that HPD may consider in making its determination for tenant ownership is whether the building can be financially viable as a cooperative. Finally, the amendments provide more flexibility in the timing of training for tenants and for determining the end of the interim evaluation period.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New material in the following rule is underlined, deleted material is in [brackets].

Section one. Section 8-06 of chapter 8 of title 28 of the rules of the city of New York is amended to read as follows:

§8-06 Interim Evaluation Period.

- (a) A property that has been transferred to a Third Party for which a Third Party has sponsored a Tenant application pursuant to §8-03(e)(9) of these rules shall be subject to an interim evaluation period during which progress toward eventual ownership by Tenants will be monitored by HPD. In addition to the definition provided in section 8-01 of these rules, for purposes of this section, the term, "Tenant" shall mean a Tenant who has continuously resided in the property since it was conveyed from the former owner to a Third Party.
- (b) No later than [thirty] ninety days after transfer to a Third Party of a property for which a Third Party has sponsored a Tenant application pursuant to §8-03(e)(9) of these rules, Third Party, or his or her designee, shall inform the Tenants that the property has entered into an interim evaluation period, and shall provide information to the Tenants about the process toward eventual ownership by the Tenants. Such Third Party shall make training available to such Tenants[, no later than ninety days] after such transfer. The training

may include courses in building management, maintenance, and managing building finances. HPD may also provide notice to the Tenants regarding commencement of the interim evaluation period.

- (c) The interim evaluation period shall include certain milestones for achievement which shall form the basis for HPD to either permit the property to move forward toward eventual ownership by Tenants, or to remove the property from the process toward such ownership. HPD shall evaluate progress toward eventual ownership by Tenants using the following milestones:
 - (i) whether Tenants have cooperated with the Third Party in renewing leases or establishing new leases where none exists;
 - (ii) whether at least 80% of the Tenants are actively paying rent;
 - (iii) whether Tenants have cooperated with relocation plans, where applicable;
 - (iv) whether Tenants have attended training programs offered by the Third Party; and
 - (v) any additional factors that HPD considers appropriate in evaluating the [tenants'] Tenants' progress toward ownership, provided that HPD notifies the Tenants of any such additional factors.
- (d) Such interim evaluation period shall commence upon transfer of the property to the Third Party and shall continue upon the transfer of the property to any subsequent Third Party. Such interim evaluation period shall end when any required rehabilitation of the property has been completed and permanent loan conversion has taken place, or at the conclusion of such [longer] shorter period as HPD shall determine with notice to the Tenants.
- (e) HPD shall evaluate compliance with the milestones listed in subdivision (c) of this section at regular intervals, and shall inform Tenants and the Third Party of its findings. HPD may also evaluate any other factors, including assessing the financial viability of the property for Tenant ownership, and may at any time remove a property from the process toward eventual ownership by Tenants based upon its evaluation. If HPD has not removed the property from such process, at the completion of the interim evaluation period it shall make a determination for such property pursuant to §8-07 of these rules.

§2. Section 8-07 of chapter 8 of title 28 of the rules of the city of New York is amended to read as follows:

§8-07 Transfer from Third Party to Tenant Ownership.

- (a) Unless a determination has otherwise already been made, HPD shall make a determination whether or not to approve the transfer from a Third Party to Tenant ownership upon completion of the interim evaluation period. In addition to the definition provided in section 8-01 of these rules, for purposes of this section, the term, "Tenant" shall mean a Tenant who has continuously resided in the property since it was conveyed from the former owner to a Third Party. HPD will consider the following criteria when making such determination:
 - (1) That an application was submitted to HPD pursuant to and in accordance with §8-03(e)(9) of these rules;
 - (2) The time period that has elapsed since transfer of the property to the Third Party;
 - (3) Whether the property has been rehabilitated and permanent loan conversion has taken place;
 - (4) The number of Tenants who have signed a petition affirming that there is a functioning [tenant] Tenant organization, that they wish to own the property, and that they understand the extent of the responsibilities of ownership of the property;
 - (5) The amount of time that a Tenant organization has been in existence at the property;
 - (6) The number of members of the Tenant organization who have participated in any training offered by HPD, including, but not limited to, courses in building management, maintenance, and managing building finances;
 - (7) The number of Tenants who have attended a presentation by HPD regarding ownership of the property;
 - (8) The level of Tenant interest in ownership as indicated through subscriptions to buy units, which shall be not less than 80% of those actively paying rent;

- (9) The record of payment of all existing loans, status of rent payments, and adequacy of management of the property;
- (10) HPD's evaluation of the progress made toward [tenant] Tenant ownership during the interim evaluation period as set forth in §8-06 of these rules; and
- (11) Any other criteria that HPD deems relevant to the request, including, but not limited to, assessing the financial viability of the property for Tenant ownership, and any information provided to it by the Third Party.

■ NOTICE

Notice of Adoption of Rules clarifying how the fees are calculated for intercity bus permits and expansion of the methods by which permit holders in the intercity bus permit system may mark their buses for identification.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Transportation by Section 1642-a of the New York State Vehicle and Traffic Law and subdivision (a) of Section 2903 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Transportation hereby adopts new subdivision (h) of Section 2-14 of Chapter 2 of Title 34 of the Official Compilation of the Rules of the City of New York, the Highway Rules. This rule was first published on April 23, 2014, and a public hearing was held on June 3, 2014. This rule shall take effect 30 days from the date hereof.

STATEMENT OF BASIS AND PURPOSE OF RULE

The rules related to the Intercity Bus Permit System went into effect on July 25, 2013. The rules require intercity bus operators to apply for a permit from DOT in order to be assigned on-street bus stops in the City. The rules require applicants to pay a fee for each permit issued. The rules also require permit holders to mark their buses in accordance with specific guidelines so that customers and enforcement officers can readily identify them. Due to concerns raised by some bus operators, this rule will cap the permit fee to a maximum of \$275 for each bus that is operated during the permit term and expand the methods by which intercity bus permit system permit holders may mark their buses for identification.

New text in the following rule is underlined, and deleted material is in brackets [].

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subparagraph (i) of paragraph 2 of subdivision (d) of section 4-10 of chapter 4 of title 34 of the Rules of the City of New York is amended by adding a new clause (H) to read as follows:

(H) The total number of buses that will be used for the permitted bus operations during the full permit term.

Section 2. Paragraph 5 of subdivision (d) of section 4-10 of chapter 4 of title 34 of the Rules of the City of New York is amended to read as follows:

(5) Permit fees. Permittees must pay an annual fee of thirty dollars for each scheduled weekly pick-up or drop-off listed on the Intercity Bus Permit issued by the Department. If the total permit fee exceeds \$275 per vehicle used in the permitted bus operations, based on the documentation provided by permittee in its application, the permit fee will be reduced by the department to a maximum total of \$275 per vehicle actually used in such permitted bus operations. If the permittee adds any buses to its operations not listed in its application pursuant to section 4-10(2)(H) of these rules during the term of such permit, and if the permittee's fee has already been reduced to a \$275 per vehicle fee as provided for herein at the time of permit issuance, then the permittee shall be charged a fee of \$275 for each additional vehicle.

Section 3. Subparagraph (iii) of paragraph 7 of subdivision d of section 4-10 of chapter 4 of title 34 of the Rules of the City of New York is amended to read as follows:

(iii) Display on each intercity bus using the designated location(s) the operator's name, address and telephone number permanently affixed in characters at least five inches high on both sides of the vehicle, with such display being in a color contrasting with that of the vehicle and placed approximately midway vertically on doors or side panels. Permittees may also meet the display obligations by prominently marking buses in such a way that such markings clearly identify the bus operator when observed from the closest sidewalk that the bus stop at which the bus in question is stopped.

This fee will apply to heating oil invoices only. The fee collections began April 1, 2014. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit of \$1.00 per gallon on B100 expired on December 31, 2013. Therefore, for deliveries after January 1, 2014, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
