DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS.

117 and 119 DUANE STREET,
NEW YORK, May 26, 1880.

TO CONTRACTORS.

PROPOSALS FOR DREDGING AT THE FOLLOWING NAMED PLACES ON THE NORTH RIVER: SLIP BETWEEN PIERS AT WEST TWENTY-SECOND STREET AND WEST TWENTY-THIRD STREET; SLIP BETWEEN PIERS AT WEST TWENTY-THIRD STREET AND WEST TWENTY-FOURTH STREET; PIER AT WEST THIRTY-FIFTH STREET; PIER AT WEST FIFTY-SEVENTH STREET.

SEALED PROPOSALS FOR DREDGING AT the above-named places on the North river, indorsed as above, and with the name or names of the person or persons presenting the same, and the date of presentation, and addressed to "The Board of Commissioners of the Department of Docks," will be received at this office until 12 o'clock M. of

MONDAY, JUNE 7, 1880,

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be well prepared for the business, and the bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of four thousand dollars.

The Engineer's estimates of the quantities of material necessary to be dredged in order to secure at each of the premises mentioned the depth of water set opposite thereto, as named in the specifications, are as follows:

	Cu. yds.
Slip between piers at West Twenty-second street and West Twenty-third street	15,000
Slip between piers at West Twenty-third street and West Twenty-fourth street	15,000
Pier at West Thirty-fifth street	4,000
Pier at West Fifty-seventh street	12,000
Total	46,000

But these estimates are approximate only, and form no part of the contract, and persons bidding are cautioned that neither the Department of Docks nor the City of New York is to be held responsible that any of them shall strictly obtain in the work, and bidders are required to examine the premises and to judge for themselves of the quantity and other circumstances affecting the cost of the work.

The time allowed for doing the work is ninety days from the date of signing the contract; and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for fulfillment has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at fifty dollars per day.

All the material excavated is to be removed by the contractor, and deposited in all respects according to law.

Bidders will state in their proposals the price per cubic yard for doing such dredging in conformity with the annexed specifications, by which the bids will be tested. The price is to cover all expenses of every kind involved in or incidental to the completion of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will write out the amount of their estimate for doing this work in addition to inserting the same in figures.

Should the lowest bidder neglect or refuse to accept to contract within forty-eight (48) hours after written notice

that the same has been awarded to his bid or proposal, or if, after acceptance, he should refuse or neglect to execute the contract and give the proper security, for forty-eight (48) hours after notice that the contract is ready for execution he will be considered as having abandoned it, and as in default to the corporation; and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state the fact; also that the bid is made without any connection with any other person making an estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the bid, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if said person shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in these proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6 of chapter 374, Laws of 1871, and by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if deemed for the interest of the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, is annexed. Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

PROPOSALS FOR FURNISHING FRESH BURNT "PORTLAND" CEMENT.

SEALED PROPOSALS FOR FURNISHING THIS material, indorsed as above, and addressed to "The Board of Commissioners of the Department of Docks," will be received at this office until 12 o'clock M., of

MONDAY, JUNE 7, 1880,

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner pre-

scribed and required by ordinance, in the sum of four thousand dollars.

The cement required under the contract must be fresh burnt "Portland" Cement, fully up to the standard of the best brands imported, and average at least 400 pounds gross weight to the barrel. No cement will be received that shall have been ground or burnt for a longer period than four months prior to the date of delivery; the Manufacturer's Certificate of date of manufacture will be required with each delivery, and said date must be marked on each barrel with a stencil plate.

The quantity to be delivered under the contract is 5,000 barrels, and the delivery is to commence within 10 days after the date of signing the contract, and is to be continued in such manner as shall be necessary to furnish at least 1,000 barrels on or before the 1st day of July, 1880, and at least 500 barrels within every 10 days thereafter, until the whole quantity shall have been delivered. The contract is to be fully completed and to terminate on the 1st day of October, 1880. The damages to be paid by the Contractor for each day that the contract, or any part thereof, may be unfulfilled, after the time specified for the fulfillment thereof may have expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at (\$50) Fifty Dollars per day.

The empty barrels will be relinquished to the contractor, as provided for in the specifications, and bidders must estimate the value of the empty barrels, when considering the price for which they will furnish the cement under the contract.

Bidders will state in their proposals the price for each barrel of cement to be furnished in conformity with the annexed specifications, by which the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the delivery, including any claim that may arise through delay, from any cause, in the receiving of the material by the Department.

Bidders will write out the price bid in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept to contract within (48) forty-eight hours after written notice that the same has been awarded to his or their bid or proposal, or if, after acceptance, he or they should neglect or refuse to execute the contract and give the proper security, for (48) forty-eight hours after notice that the contract is ready for execution, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested, the proposal shall distinctly state that fact; also that the bid is made without any connection with any other person making an estimate for the same purpose, and that it is in all respects fair, and without any collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6 of chapter 374, Laws of 1871, and by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if deemed for the interest of the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the material, is annexed. Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application therefor at the office of the Department.

Purchasers will be allowed three months, from date of commencement of their leases, in which to notify the Department that dredging is required at the premises leased; and the Commissioners guarantee to do all possible dredging, as soon after being notified of the necessity therefor, as the work of the Department will permit, except that no dredging will be done at any of the above-named premises where it is stated that they will not be dredged by the Department; but in no case will the Department dredge where a depth of ten feet at mean low water already exists, nor after that depth shall have been obtained by dredging; and no claim will be received or considered by the Department, for loss of wharfage or otherwise, consequent upon any delay in doing the work of such dredging, or consequent upon the premises being occupied for dredging purposes. Two sureties, each a freeholder and householder in the City of New York, and to be approved by the Commissioners of Docks, will be required, under each lease, to enter into a bond jointly with the lessee in the sum of an amount double the annual rent for the faithful performance of all the covenants of the lease; and each purchaser will be required to submit, at the time of the sale, the names and address of his proposed sureties.

Each purchaser will be required to agree that he will, upon being notified so to do, execute a lease prepared upon the printed form adopted by the Department, which can be seen upon application to the Secretary, at the office, 119 Duane street.

No person will be received as lessee or surety who is delinquent on any former lease from the Corporation; and no bid will be accepted from any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders are cautioned to examine the specifications required, before making their estimates.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
