#### APPROVED PAPERS.

Whereas, The sad intelligence of the death of the Hon. Fernando Wood, officially announced in this Board in a message from his Honor the Mayor, calls from us, the representatives of the people of this city, an expression of their profound sorrow, and imposes upon us the mournful duty of testifying in a marked manner to the general sorrow occasioned by the demise of our illustrious fellow citizen. The deceased statesman was, in his lifetime, well-known, honored, and beloved by the people of this city. He was a representative in Congress during the years 1841 and 1842; was chosen Mayor in 1854, and held that exalted office during the years 1855, 1856, 1857, 1860, and 1861. In 1865 he was again chosen a Representative in Congress, and was re-elected at each successive election for that office, up to and including the year 1880, when he was chosen for a full term, commencing December, 1881. He was pre-eminently a self-made man, having commenced active life in this city as an apprentice when but twelve years of age, where by untiring industry, patient application, persistent energy, and indomitable perseverance he secured for himself high public honors at the hands of a grateful and admiring constituency, and the world-wide reputation certain to result from the intelligent exercise of the unusual ability he possessed. His life was an eloquent commentary on the blessings and advantages of our popular system of republican government, which not only admits of, but assists in, the elevation of its citizens from the humblest walks in life, as it did him, to the highest honors and dignities in the State, and a prominent place in the affections of its people. His death is a public loss, as we look in vain for one so well qualified, either in ability or experience, to fill the place thus made vacant; be it therefore,

Resolved, That out of sorrow for the death and respect for the memory of Hon. Fernando Wood, it is hereby recommended that our citizens close their respective places of business, and refrain from any secular employment on the afternoon of the day to be set apart for solemnizing the funeral rites and ceremonies; that the members of the Common Council will attend his funeral in a body, with their staves of office draped in mourning, and that his Honor the Mayor, and the heads of the several departments of the city government, be requested to unite with the Common Council on the sad occasion; that the usual badge of mourning be worn for a period of thirty days; that the flags on the City Hall, and the other public buildings, be displayed at half-staff from sunrise until sunset on the same day; and the owners or masters of vessels in the harbor, and the owners or occupants of buildings in the city be requested to display their flags in like manner; that a special committee of five be appointed to proceed to the City of Washington, D. C., to represent this municipality at the obsequies in that city, and to accompany the remains to the City of New York; that the Governor's room in the City Hall be placed at the disposal of the committee, prepared appropriately for the reception of the remains, and that another special committee of five be appointed to perfect the above, and after consultation with his Honor the Mayor, and heads of departments, make such other and further arrangements as to them may appear better calculated more clearly and impressively to manifest sorrow for the death and reverence for the memory of the deceased.

Adopted unanimously by the Board of Aldermen, February 18, 1881, and Aldermen McAvoy, Finck, Murphy, B. Kenney, and Hilliard appointed the Special Committee to represent the City of New York, on the occasion of solemnizing the obsequies in the City of Washington, and Aldermen Sauer, Perley, Keenan, Waite, and Sheilds appointed the Special Committee to perfect arrangements for funeral obsequies in the City of New York.

Approved by the Mayor, February 18, 1881.

## JURORS.

NOTICE  
IN RELATION TO JURORS FOR  
STATE COURTSOFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice" requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,  
County Court-house (Chambers street entrance).

NEW YORK, February 16, 1881.

## TO CONTRACTORS.

(No. 128.)

PROPOSALS FOR ESTIMATES FOR FURNISHING ABOUT 4,000 BARRELS OF "PORTLAND" CEMENT.

ESTIMATES FOR FURNISHING THIS MATERIAL will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, Nos. 117 and 119 Duane street, in the City of New York, until 12 o'clock M. of

WEDNESDAY, MARCH 9, 1881,

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Twenty-five Hundred Dollars.

The cement required under the contract must be "Portland" cement, fully up to the standard of the best brands imported, and average at least 400 pounds gross weight to the barrel.

The quantity to be delivered under the contract is 4,000 barrels, and the delivery is to be made in such a manner as shall be necessary to furnish at least 500 barrels on or before the 10th day of April, 1881, and at least 500 barrels within every ten days thereafter, until the whole quantity shall have been delivered. The contract is to be fully completed and to terminate on the 1st day of July, 1881.

The damages to be paid by the Contractor for each day that the contract, or any part thereof, may be unfulfilled, after the respective times specified for the fulfillment thereof may have expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

The empty barrels will be relinquished to the Contractor, as provided for in the specifications, and bidders must estimate the value of the empty barrels, when considering the price for which they will furnish the Cement under the contract.

Bidders will state in their estimates the price for each barrel of Cement to be furnished in conformity with the annexed specifications. By this price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the delivery, including any claims that may arise through delay, from any cause, in the receiving of the material by the Department.

Bidders will distinctly write out, both in figures and in words, the amount of their estimates for furnishing this material.

Should the lowest bidder or bidders neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give the proper security for forty-eight (48) hours after notice that the contract is ready for execution, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and re-let, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state that fact; also that the estimate is made without any connection with any other person making an estimate for the same purpose, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of

New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the material, is annexed.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application therefor at the office of the Department.

Passed April 15, 1880; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. At any time after the passage of this act, and before the first day of October, eighteen hundred and eighty, any person may pay to the Comptroller of the City of New York the amount of any tax upon real property belonging to such person, heretofore laid or imposed and now remaining unpaid, together with interest thereon at the rate of seven per centum per annum, to be calculated from the time that such tax was imposed to the time of such payment, provided, also, that the time when such payment may be made on the amount of any such tax laid or imposed in the years eighteen hundred and seventy-seven, eighteen hundred and seventy-eight, and eighteen hundred and seventy-nine shall extend to the first day of April, eighteen hundred and eighty-one. Sec. 2. Any revenue bond heretofore issued in anticipation of the taxes in the first section specified which may fall due and become payable before said taxes are collected, may be reissued by the comptroller of said city, in whole or in part, for such period as he may determine, not exceeding one year.
