Whereas, Under the opinion referred to, such expenditures are held to have been incurred in and to be chargeable to the appropriation for the current year; and

Whereas, The action referred to was taken by this Department under a misapprehension and in the absence of any authorized construction of the provisions of law, and was in conformity to a custom prevailing during the last five years, and countenanced by the Finance Department; and

Whereas, The appropriation for new apparatus, etc., has been reduced year by year, and is fixed for the current year at an amount below the actual and indispensable requirements and necessities of the Department; and

Resolved, That the Board of Estimate and Apportionment be and is hereby requested to transfer the sum of \$26,000 from the appropriation for the year 1877 to the appropriation for new apparatus, etc., for the year 1878; the said amount not being required for the year 1877, and necessary for the uses and purposes of this Department for the current year.

## JURORS.

NOTICE  
IN RELATION TO JURORS FOR  
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,  
 NEW COUNTY COURT-HOUSE,  
 NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,  
 County Court-house (Chambers street entrance)

#### SALE OF FERRY FRANCHISES.

THE FRANCHISES TO RUN THE FOLLOWING  
ferries and a lease of the wharf property belonging to  
the city, if any, set apart for ferry purposes at each of  
said ferries, will be sold at public auction to the highest  
bidder, at the office of the Comptroller of the City of New  
York, on Thursday, November 8, 1877, at 12 o'clock, noon,  
for the period of five years from November 1, 1877, except  
as otherwise stated:

Ferry from Peck Slip, New York City, to the foot of  
One Hundred and Thirtieth street at Third avenue, Har-  
lem, with an intermediate landing at or near Eighty-  
fourth street, East river.

Ferry from Fulton Market slip, New York City, to  
Mott Haven, with an intermediate landing at or near  
Eighty-fourth street, East river, until May 1, 1879.

Ferry as now established from foot of Roosevelt street,  
in the City of New York, East river, to South Seventh  
street, Brooklyn, Eastern District, together with the bulk-  
heads and slips adjacent to and east of the wharf property  
at foot of Roosevelt street, East river, owned by the Bridge  
Company, and now occupied for said ferry.

Bidders must bid for the franchise and lease of wharf  
property of each ferry separately, but no bid will be  
received unless it includes an offer for both the ferry  
franchise and wharf property.

The form of the lease required to be executed by the  
highest bidder can be seen at the office of the Comptroller.

All bids will be regarded as made with reference to  
said form of lease, and in case the highest bidder shall  
neglect to execute a lease according to said form, for ten  
days after said sale, his bid will, at the option of the  
Comptroller and the Board of the Department of Docks,  
be rejected.

The leases will contain a covenant requiring the lessees  
to pay rent quarter-yearly to the Comptroller.

The minimum rate for which the ferry franchise or  
license to operate such ferries shall be used or enjoyed has  
been appraised and set by the Commissioners of the Sink-  
ing Fund at five per cent. per annum upon the gross  
receipts for ferriage collected at the New York landing-  
place for the ferry as now established from the foot of  
Roosevelt street, New York, to South Seventh street,  
Brooklyn, and at two and one-half per cent. per annum  
upon the gross receipts collected for ferriage for the ferries  
from Peck slip, New York, to the foot of One Hundred  
and Thirtieth street, Third avenue, Harlem; and from  
Fulton Market slip, New York, to Mott Haven, such  
percentage to be paid quarter-yearly to the Corporation,  
and a covenant will be contained in each lease requiring  
the lessees to make and deliver to the Comptroller of the  
City of New York, quarter-yearly, a statement in writ-  
ing, verified by oath or affirmation of the lessee, or of  
such proper officer of the lessee as may be designated by  
the Comptroller, of the actual total gross receipts for  
ferriage received by such lessee during the preceding  
three months, and also, that the lessee shall keep regular  
books of account, showing the daily gross receipts of the  
ferry leased, and allow said Comptroller, or any person  
designated by him, to examine such books.

The franchise will be put up and knocked down to the  
person offering to pay the largest percentage.

All moneys received for the conveyance of passengers,  
animals, vehicles, or freight from New York to be col-  
lected at the landing place in New York, or, if collected  
elsewhere, to be included in the receipts upon which such  
percentage is to be calculated and paid.

No bid less than such percentage on such gross receipts  
will be entertained.

The successful bidder will be required to pay to the  
Collector of City Revenue the sum of fifteen hundred  
dollars immediately after the franchise shall have been  
struck down to him, as security for the execution and  
performance of the lease, such amount to be credited on  
the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be re-  
quired for the punctual performance by the lessees of the  
covenants of the lease of the franchise in their behalf.

Each purchaser of a lease will be required, at the time  
of the sale, and in addition to the auctioneer's fees, to pay  
to the Department of Docks twenty-five per cent. of the  
amount of the annual rent bid for the wharf property, as  
security for the execution of the lease, and which twenty-  
five per cent. will be applied to the payment of the rent  
for such property first accruing under the lease, when  
executed, or forfeited if the lessee neglects or refuses to  
execute the lease and bond after being duly notified that  
the lease is prepared and ready for signature, or, in case  
the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf  
property quarterly, in advance, in compliance with a  
stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if  
any, of each ferry will be put up and sold together to the  
highest bidder, subject to the condition hereinafter ex-

pressed, and subject also to the right of the Comptroller  
and the Board of the Department of Docks to reject any  
or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the  
interest of the City of New York, is reserved by the  
Commissioners of the Sinking Fund.

By order of the Commissioners of the Sinking Fund.
