No. 10

CD 9 C 170420 PPK  
IN THE MATTER OF an application submitted by the Department of Citywide Administrative Services (DCAS), pursuant to Section 197-c of New York City Charter, for the disposition of one city-owned property located at 1555 Bedford Avenue (Block 1274, Lot 1), pursuant to zoning.

NOTICE

On Tuesday, September 19, 2017, at 9:00 A.M., in the Manhattan Municipal Building, Mezzanine level, 1 Centre Street, New York, NY 10007 (access through the North Entrance), a public hearing is being held by the City Planning Commission to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City (NYC) Economic Development Corporation (EDC), on behalf of the New York City (NYC) Office of the Deputy Mayor for Housing and Economic Development (ODMHED), in coordination with Bedford Courts LLC (the "Applicant"), and along with the New York City Department of Citywide Administrative Services (DCAS), for a series of discretionary actions including a zoning text amendment, a zoning map amendment, a special permit for a large-scale plan, and a parking related special permit (the "Proposed Actions"), to facilitate the redevelopment of the historic Bedford Union Armory (the "Armory") located at 1555 Bedford Avenue (Block 1274, Lot 1) in the Crown Heights neighborhood of Brooklyn (the "Project Site") into an approximately 542,393 gross square feet (gsf) three-building mixed-use development. DCAS is the applicant only for the disposition action. In addition, in the future the Applicant may seek public financing by the New York City Department of Housing Preservation and Development (HPD) and/or the New York City Housing Development Corporation (HDC) to facilitate the Proposed Development. Depending on the public funding source additional review under the State Environmental Quality Review Act (SEQRA) may be required at a later point in time.

The redevelopment of the historic Armory would result in approximately 390 residential dwelling units (DUs), including approximately 177 affordable DUs; up to 48,997 gsf of office space; up to 18,122 gsf of academic space; approximately 72,252 gsf of community facility space; and a minimum of 118 parking spaces (the "Proposed Development", or "Analysis Scenario 1"). In order to provide a conservative analysis, the DEIS also considers a second Reasonable Worst Case Development Scenario (RWCDS), "Analysis Scenario 2", which assumes 25 additional DUs (including 14 affordable DUs) would be incorporated into the Proposed Development in lieu of the 18,122 gsf of academic space and associated office space (approximately 8,278 gsf).

Written comments on the DEIS are requested and will be received and considered by the Office of the Deputy Mayor for Housing and Economic Development, the Lead Agency, through Friday, September 29, 2017, at 5:00 P.M.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 16DME005K.

The public hearing has been scheduled for **Tuesday, September 19, 2017, at 9:00 A.M., and will be held at the Manhattan Municipal Building, 1 Center Street - Mezzanine Level (access through the North Entrance), New York, NY 10007**, in conjunction with the City Planning Commission's Citywide public hearing pursuant to ULURP. Translation services will be accommodated upon request at a minimum five business days before the public hearing.

**PLEASE NOTE:** This is the public hearing that was originally scheduled to be held at 22 Reade Street. This notice is to advise the location change to **Manhattan Municipal Building, 1 Center Street - Mezzanine Level (access through the North Entrance), New York, NY 10007, and a change in start time to 9:00 A.M.**

The New York City Economic Development Corporation (NYCEDC) in coordination with Bedford Courts LLC, (the Applicant, is seeking a series of discretionary approvals to facilitate the redevelopment of the historic Bedford Union Armory, located at 1555 Bedford Avenue (Block 1274, Lot 1), in the Crown Heights neighborhood of Brooklyn (the "Project Site"), into an approximately 542,393 gross square feet (gsf) three-building mixed-use development. Specifically, the redevelopment would result in approximately 390 residential dwelling units (DUs), including approximately 177 affordable DUs; up to 48,997 gsf of office space; up to 18,122 gsf of academic space; approximately 72,252 gsf of community facility space; and a minimum of 118 parking spaces (the "Proposed Development"). Should the 18,122 gsf of academic space be determined infeasible, 25 additional DUs (including 14 affordable DUs) would be incorporated into the Proposed Development in lieu of the 18,122 gsf of academic space and associated office space (approximately 8,278 gsf).

The Applicant is seeking discretionary approvals including the disposition of City-Owned property, zoning map and text amendments, and special permits to facilitate the Proposed Development (the "Proposed Actions"). The analysis build year for this project is 2020.

The DEIS analyzed the potential environmental impacts of the Redevelopment Project and disclosed the potential for significant adverse impacts with regard to: historic resources, transportation (traffic), and construction (traffic and noise). The DEIS identified measures and/or potential measures that would fully or partially mitigate most significant adverse impacts; some impacts would remain unmitigated. Between DEIS and Final Environmental Impact Statement (FEIS), potential mitigation measures are being studied further to determine whether they are feasible and whether any significant adverse impacts would remain unmitigated. The DEIS considered alternatives to the Proposed Actions that included a No-Action Alternative and a No Unmitigated Significant Adverse Impacts Alternative.

Copies of the Final Scope of Work, the DEIS, and the Notice of Completion may be obtained by any member of the public from:

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
