year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof of
exemption; if liable, he must also answer in person, giving
full and correct name, residence, etc., etc. No attention
paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines, received from those
who, for business or other reasons, are unable to serve at
the time selected, pay the expenses of this office, and if
unpaid will be entered as judgments upon the property of
the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable jurors, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prose-
cuted.

GAS COMMISSION.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE, ROOM 19, CITY HALL,
NEW YORK, March 24, 1879.

PROPOSALS FOR LIGHTING THE
PUBLIC LAMPS.

PROPOSALS FOR FURNISHING THE GAS OR
other illuminating material for, and Lighting,
Extinguishing, Cleaning, Repairing, and Maintaining the
Public Lamps (and supplying Gas, etc., for New Lamps
when required) on the Streets, Avenues, Piers, and Places
in the City of New York, under the care and charge of the
Department of Public Works, excepting the Twenty-third
Ward, and that portion of the Twenty-fourth Ward for-
merly known as the town of West Farms, for the period of
one year, commencing May 1, 1879, and ending April 30,
1880, both days inclusive.

Proposals for the above, made in accordance with sec-
tion 73, chapter 335, Laws of 1873, and chapter 125 of
Laws of 1878, and Revised Ordinances of 1879, chapter 8,
article 2, and inclosed in a sealed envelope indorsed
"Proposals for furnishing the Illuminating Material for,
and Lighting and Extinguishing, Cleaning, Repairing and
Maintaining the Public Lamps," with the name of the
party making the same written thereon, will be received
at the office of the Commissioner of Public Works until
12 o'clock M. of Monday, April 7, 1879, at which place and
hour they will be publicly opened by said Commissioner
and read.

Bidders are required to state in their proposals their
names and places of residence; the names of all persons
interested with them; and if no other person be so in-
terested, they shall distinctly state the fact; also that it
is made without any connection with any other
person making any estimate for the same supplies
and work, and that it is in all respects fair, and without
collusion or fraud; and also that no member of the
Common Council, head of a Department, Chief of a
Bureau, Deputy thereof, or Clerk therein, or other
officer of the Corporation, is directly or indirectly in-
terested therein, or in the supplies or work to which it
relates, or in any portion of the profits thereof; which
proposals must be verified by the oath, in writing, of the
party making the estimate, that the several matters stated
therein are in all respects true. Where more than one
person is interested, it is requisite that the verification be
made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in
writing, of two householders or freeholders of the City of
New York, with their respective places of business or resi-
dence, to the effect that if the contract be awarded to the
person or persons making the bid or proposal, they will,
on its being so awarded, become bound as his or their
sureties for its faithful performance; and that if he or they
shall omit or refuse to execute the same, they will pay to
the Corporation any difference between the sum to which
he or they would be entitled upon its completion, and
that which the Corporation may be obliged to pay to
the person to whom the contract may be awarded at
any subsequent letting; the amount in each case to be
calculated upon the estimated amount of the work by which
the bids are tested; the consent above mentioned shall
be accompanied by the oath or affirmation, in writing,
of each of the persons signing the same, that he is a
householder or freeholder in the City of New York, and is
worth the amount of security required for the completion
of the contract, and stated in the proposals, over and
above all his debts of every nature, and over and above
his liabilities as bail, surety, and otherwise; that he has
offered himself as a surety in good faith, and with an
intention to execute the bond required by section 27,

article 2, chapter 8, of Revised Ordinances of 1879, or-
ganizing the Municipal Government of the City of New
York, if the contract shall be awarded to the person
or persons for whom he consents to become surety. The
adequacy and sufficiency of the sureties offered to be de-
termined by the Comptroller.

Bidders are required to state in their proposals the
several streets or parts of streets in which they propose to
perform the requirements herein contained, and also the
illuminating or candle power of the gas they propose to
furnish, when tested at a distance of not less than one mile
from the place of manufacture; and bidders proposing to
furnish any illuminating material other than illuminating
or coal gas, must state distinctly what kind of material they
propose to furnish, and the illuminating power of the
burner they propose to use for the same.

Bidders are also required to state the price for which
they will furnish the gas (of not less than sixteen candle
power by photometrical test, at a distance of not less than
one mile from the place of manufacture) or other illumi-
nating material for each lamp, including the lighting, exting-
uishing, cleaning, repairing, reglazing, and painting lamp-
posts and lanterns, and replacing the cocks, tubes, burners,
crossheads, lamp-irons, and lanterns thereto, for the period
from May 1, 1879, to April 30, 1880, both days inclusive;
stating the price for the above named period of one year
for each lamp.

Bidders are also required to state a price for which they
will repair lamp-posts, including straightening and relead-
ing, and for each new lamp fitted up, as follows:

For each lamp-post straightened, stating the price per
post.

For each column releaded, stating the price per post.

For each lamp-post refitted, stating the price per post.

For each lamp-post reset, stating the price per post.

The bidders are required to write out the amount of
their bids in their estimates, in addition to inserting the
same in figures.

The number of lamps to be contracted for is about
nineteen thousand.

The burners for illuminating gas are to be of a capacity
to burn three cubic feet of gas per hour under a pressure
of one inch, and in case the illuminating material shall be
other than illuminating gas, then the burners to be used for
such illuminating material shall give a light (by photo-
metrical test, equal to the light given by the gas-burners
in use in the public lamps in the City of New York).

Should any alteration or any attachment be required to
any portion of the lamps for which proposals are made,
in consequence of the use of illuminating material other
than gas, then such alterations shall be done, and
such attachment placed on the lamps without expense to
the city.

The number of hours the lamps are to be kept burning
during the contract is four thousand hours.

The amount of security required is \$60,000 on all con-
tracts, which will amount to \$100,000, or more, and on
smaller contracts the security shall be sixty per cent. of
the total amount of the bid.

The award of the contract will be made as soon as prac-
ticable after the opening of the bids.

Should the person or persons to whom the contract is so
awarded neglect or refuse to accept to contract within
forty-eight hours after written notice that the same has
been awarded to his bid or proposal, or if he accept but
does not execute the contract and give the proper security,
it may be readvertised and relet as provided by law and
ordinance.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless a written permission shall
have been previously obtained from the Mayor, Comptroller,
and Commissioner of Public Works.

The right is reserved to assign and designate to any
bidder, whose bid shall be accepted, the number and
location of the lamps to be lighted by such bidder, in any
portion of the city for which proposals are received, and to
increase or diminish such number.

The right is reserved to determine and designate, after
the proposals are opened, what illuminating material shall
be used in the public lamps, or any number of them, during
the period before mentioned; also to decline any or all
proposals if deemed for the interests of the Corporation;
and no proposal will be accepted from, or contract awarded to,
any person who is in arrears to the Corporation, upon
debt or contract, or who is a defaulter, as security or other-
wise, upon any obligation to the Corporation.

If the proposal of any bidder proposing to furnish
illuminating gas shall include any lamps with which the
pipes or mains of such bidder are not connected at the
time of the making of the bid, and a contract for furnishing
the gas for and lighting, extinguishing, cleaning, repairing,
and maintaining any such lamps, shall be awarded to such
bidder, in that case, thirty days from the date of the
execution of such contract, and such further time, not
exceeding thirty days, as may be deemed reasonable by
the Commissioner of Public Works, shall be allowed to
such bidder in which to connect such pipes or mains with
such lamps.

But no payment to such bidder, on account of any such
lamps, will be made for the time so allowed, nor until the
same shall have been connected with the mains of such
bidder, nor except for the time during which all the re-
quirements herein mentioned shall have been fully per-
formed.

Blank forms of proposals can be obtained on application
at the office of the Commissioner of Public Works.
