Present—William L. Strong, Mayor; Ashbel P. Fitch, Comptroller; Anson G. McCook, Chamberlain and William M. K. Olcott, Chairman, Committee on Finance, Board of Aldermen.

The minutes of the meetings held on September 27, 1895, October 1, 1895, and October 3, 1895, were read and approved.

The following communication was received from the Board of Docks :

DEPARTMENT OF DOCKS, September 27, 1895.

Honorable WILLIAM L. STRONG, Mayor, and Chairman of the Commissioners of the Sinking Fund :

SIR—I have the honor to inform you that at a meeting of the Board of Docks held the 26th day of September, 1895, the following resolution was adopted :

Resolved, That, pursuant to the provisions of section 712, chapter 410 of the Laws of 1882, as amended by chapter 397 of the Laws of 1893, the map or plans submitted by the Engineer-in-Chief for the improvement of the water front on the westerly side of the Harlem river, at Sherman's creek, which were approved by the former Board of Docks, March 29, 1894, and transmitted on that date to the Commissioners of the Sinking Fund for their approval, and referred by said Commissioners to the Comptroller, be and they hereby are approved, and the Commissioners of the Sinking Fund be and hereby are requested to approve same.

Respectfully yours, E. C. O'BRIEN, President.

Hon. Edward C. O'Brien, President of the Dock Department, and Mr. John Haven, for the property owners, addressed the Board in relation to the proposed improvement.

The communication was then referred to the Comptroller.

The following communication was received from the Board of Docks relative to the purchase of the Budke property on West street, near Perry street, North river (Minutes, October 3, 1894, page 521, and April 11, 1895, page 70) :

DEPARTMENT OF DOCKS, October 3, 1895.

Hon. WILLIAM L. STRONG, Mayor, and Chairman of the Commissioners of the Sinking Fund :

SIR—April 11, 1895, a resolution was adopted approving the contract entered into by this Department for the purchase of the Budke property on the westerly side of West street, next northerly of Perry street.

The agreement was sent to the Counsel to the Corporation, in order that the title may be searched, and under date of the 9th ultimo we received a communication from him, a copy of which is herewith inclosed.

At a meeting of the Board of Docks held this date I was directed to request that the resolutions adopted by the Commissioners of the Sinking Fund be amended so as to provide that the title be taken subject to the outstanding lease, provided an assignment of said lease be delivered to the Comptroller simultaneously with the deed.

Yours respectfully, GEO. S. TERRY, Secretary.

OFFICE OF THE COUNSEL TO THE CORPORATION, NEW YORK, September 9, 1895.

Hon. E. C. O'BRIEN, President, Department of Docks :

SIR—The examination of the title to the wharfage rights appurtenant to the bulkhead on the westerly side of West street, next northerly to Perry street, owned by Mrs. Budke, is about finished, but the title has not yet been certified to the Comptroller.

The contract for the purchase of this property calls for a free and clear title, while the deed shows that there is an outstanding lease which expires May 1, 1896.

Will you kindly inform me whether it is the desire of the Dock Department to take the title subject to this lease and to procure an assignment of the same to the City, or whether this office should reject the title on the ground that it is not free and clear from incumbrances?

If you are willing to take the title subject to this lease, I would suggest that you bring the matter to the attention of the Sinking Fund Commissioners, so that the resolution of April 11, 1895, approving the contract entered into for the purchase of this property may be amended so as to provide that the title be taken subject to the outstanding lease, provided an assignment of said lease be delivered to the Comptroller simultaneously with the deed.

Yours respectfully, FRANCIS M. SCOTT, Counsel to the Corporation.

Whereupon the Comptroller offered the following :

Resolved, That the resolution of the Commissioners of the Sinking Fund adopted October 3, 1894, as amended on April 11, 1895, be and hereby is further amended so as to read as follows :

Resolved, That the Commissioners of the Sinking Fund hereby approve of an agreement made on the 21st day of February, 1894, between George H. Budke and the Mayor, Aldermen and Commonalty of the City of New York, acting by the Department of Docks, for the purchase of all the wharfage rights, terms, easements and privileges, etc., appertaining to the eighty-nine feet and six inches, more or less, of bulkhead on the westerly side of West street, beginning at the northerly line of Perry street, and more particularly described in said agreement, provided the consideration therein mentioned, five hundred dollars per running foot on West street, be reduced to the sum of four hundred and seventy-five dollars per running foot on West street, and that the title be taken subject to the outstanding lease, and an assignment of said lease be delivered to the Comptroller simultaneously with the deed.

Which was unanimously adopted.

HEADQUARTERS FIRE DEPARTMENT, October 1, 1895.

To the Honorable Commissioners of the Sinking Fund :

GENTLEMEN—Referring to my letter of the 20th ultimo, relative to a lot for temporary quarters for Engine Company No. 48 on Kingsbridge road, near Highbridge road, and the old temporary quarters for the same company at No. 585 Kingsbridge road, I have to say that it has been found impossible to complete the temporary structure upon the lot first named in time to vacate the premises No. 585 Kingsbridge road at the expiration of the lease yesterday, and it, therefore, becomes necessary to continue therein for another month. Adopted by the Board of Aldermen October 1, 1895, a majority of all the members elected voting in favor thereof.

Approved by the Mayor October 1, 1895.

WM. H. TEN EYCK, Clerk of the Common Council.

In connection therewith the Comptroller presented the following :

FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, October 7, 1895.

To the Commissioners of the Sinking Fund :

GENTLEMEN—By a resolution of the Board of Aldermen, adopted October 1, 1895, and approved by the Mayor October 1, 1895, permission was given to the estate of Nathan S. Hunting and David I. Hammond, proprietors of the Murray Hill Hotel, Park avenue and Forty-first street, to lay a temporary iron pipe, not more than six inches in diameter, for conducting steam from No. 55 East Forty-first street immediately across Forty-first street to the Murray Hill Hotel, as shown on a diagram herewith submitted, upon payment to the City as compensation for the privilege such amount as may be determined upon as an equivalent therefor by the Commissioners of the Sinking Fund, provided the said estate of Nathan S. Hunting and David I. Hammond shall stipulate with the Commissioner of Public Works to save the City harmless from any loss or damage that may be occasioned by the exercise of the privilege thereby given during the progress or subsequent to the completion of laying said pipe.

From an examination made by the Assistant Engineer of the Finance Department, whose report is herewith submitted, it appears that \$60 per annum, or any portion thereof, would be a fair charge for the privilege, with a fee of \$10 for opening the street.

I accordingly submit the following resolution for such action as the Commissioners of the Sinking Fund may deem advisable.

Respectfully,

ASHBEL P. FITCH, Comptroller.

Resolved, That the compensation to be paid to the City by the estate of Nathan S. Hunting and David I. Hammond, proprietors of the Murray Hill Hotel, for the privilege of laying a temporary iron pipe not more than six inches in diameter for conducting steam from No. 55 East Forty-first street immediately across Forty-first street to the Murray Hill Hotel, shall be sixty dollars (\$60) per annum or any portion thereof, and a fee of ten dollars (\$10) for opening the street, to be paid to the Department of Public Works, the opening of the street and the relaying of the pavement to be done at the expense of said estate of Nathan S. Hunting and David I. Hammond, under the direction of the Commissioner of Public Works, and subject to such conditions as he shall prescribe ; provided also, that the said estate of Nathan S. Hunting and David I. Hammond shall give a satisfactory bond for the faithful performance of all conditions prescribed by the said Commissioner of Public Works, and by a resolution of the Board of Aldermen, passed October 1, 1895, and approved by the Mayor October 1, 1895, said bond to be approved by the Comptroller and filed in his office ; and provided further, that the right be reserved to revoke such permission at any future time, if necessary, in the interest of the City.

Which was unanimously adopted. The following communication was received from the Architect of the work of the Criminal Court Building:

NEW YORK, September 27, 1895. Hon. RICHARD A. STORRS, Secretary, Commissioners of the Sinking Fund: DEAR SIR—On my return to the city, I find your letter dated August 27, together with a copy of the resolution of the Commissioners of the Sinking Fund, at a meeting held August 21, 1895, by which the architects of the work on the New Criminal Court Building be and hereby are requested to furnish plans and estimate for the changes required for access of the newly-assigned rooms and library, and for the arrangements of partitions in the District Attorney's office, and for the furniture required for these rooms, including the library and prisoners' pen, and also for the lockers and conveniences in the Judge's Chamber, Court of Special Sessions.

I have examined the work involved in the above, and desire to say that our charges for professional services will be 5 per cent. on the cost of said work. Please notify me if this is satisfactory, so that I may proceed with the work at once. Very respectfully yours, JAMES W. WILSON, Of THOM, WILSON & SCHAARSCHMIDT, Associate Architects, New Criminal Court Building.

On motion of the Chairman Committee on Finance, Board of Aldermen, the Comptroller was instructed to notify the architect to furnish the plans and estimates for this work as requested by the resolution adopted on August 21, 1895, provided his claim at the rate of five per cent. as compensation is waived, and he agrees to accept two per cent. therefor.

The Comptroller called up the papers relating to the proposed buildings for Gouverneur Hospital (Minutes, October 3, 1894, page 515, June 28, 1895, page 142, and September 27, 1895, page 243) authorized by chapter 703, Laws of 1894, as amended by chapter 399, Laws of 1895.

Discussion followed, in the course of which Mrs. C. L. Couper, of the State Charities Aid Association, was heard in relation to the site of the new hospital. Whereupon the matter was referred to the Mayor, the Chamberlain and the Chairman Committee on Finance, Board of Aldermen, for examination and report.

The Mayor announced that the sale of the Bay Ridge Ferry franchise would now be considered (Minutes, March 30, 1894, page 376, and April 10, 1894, page 414.)

The Comptroller said that Mr. Alrick H. Man bid in the franchise at the sale at public auction on October 8, 1894, agreeing to pay 2 1/10 per centum of the yearly gross receipts, which should not be less than fifteen thousand dollars, but that he refuses to sign the lease, and has not paid one dollar to the City.

Mr. Edward Man, attorney, addressed the Board on behalf of Mr. Alrick H. Man, and submitted a statement of the condition of affairs in regard to this ferry.

He stated that two litigations affecting the ferry franchise remain pending, and that his client should not be required to take the lease unless the City would guarantee him against loss from these law suits.

Col. George W. Wingate, attorney, and Mr. Alrick H. Man were heard also in relation to the proposed guarantee.

After discussion, on motion, the matter was laid over for conference with the Counsel to the Corporation. Adjourned. RICHARD A. STORRS, Secretary.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or

them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within ten days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—The prices must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interests of the City so to do, and to readvertise until satisfactory bids or proposals shall be received. But the contract when awarded, in each case, will be awarded to the lowest bidder.

Blank forms for proposals and forms of contract which the successful bidders will be required to execute, can be had at the office of the Department, Arsenal, Sixty-fourth street and Fifth avenue, Central Park.

No estimate will be received or considered after the hour mentioned.

The form of the agreement, with specifications, may be seen and forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above shall present the same in a sealed envelope, directed to said Commissioner of Street Cleaning, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to reject any and all bids or estimates if deemed to be for the public interest.

No bid or estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the

same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the persons interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of \$100,000; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money for five per cent. of the amount for which the work bid for is proposed in any one year to be performed. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct.

All such deposits, except that of the successful bidder will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

A special deposit of ten thousand dollars in cash will be required to be made with the Comptroller of the City of New York, on or before the execution of the contract, as a security for the faithful performance of the same.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

No extra compensation, beyond the amount payable for each class of the work before mentioned, which shall be actually performed at the price therefor per cubic yard, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under this contract is to be commenced within five days after receiving a notification from the Engineer-in-Chief of the Department of Docks that the premises are in such condition that the work can proceed. And all the work done under this contract is to be fully completed on or before the 1st day of January, 1896.

The damages to be paid by the contractor for each day that the contract, or any part thereof that may be ordered or directed by the Engineer may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true.

Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested. Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, NEW YORK, October 28, 1895.

PROPOSALS FOR PRINTING AND DISTRIBUTING THE CITY RECORD.

SEALED BIDS OR ESTIMATES FOR PRINTING, folding, binding and distributing the CITY RECORD (a publication provided for by section 111 of chapter 335, Laws of 1873, section 1 of chapter 631, Laws of 1875, and sections 66, 67 and 68 of chapter 410, Laws of 1882, otherwise known as the New York City Consolidation Act), for one year from January 2, 1896, in accordance with specifications filed in the office of the Supervisor of the City Record, City Hall, New York, will be received in the office of the Supervisor until 12 o'clock m. on Monday, November 18, 1895, at or about which time they will be publicly opened and read in the office of the Mayor of the City of New York. The award of the contract will be made as soon thereafter as practicable.

Each estimate must state the name and place of residence of the person making the same, and his place of business, the names of all persons interested with him therein, and, if no other be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same work, and without collusion or fraud, and that no member of the Common Council or other officer of the Corporation is directly or indirectly interested therein or in any portion of the profits thereof. Each estimate must be made in strict conformity to the ordinances of the City and the specifications; it must be verified by the oath of the party making the same, accompanied by the consent and oath or affirmation of two sureties, householders or freeholders of the City of New York and placed in a sealed envelope. The envelope must be indorsed, "Estimate for Printing and Distributing the City Record," together with the name and place of business of the party making the estimate, and the date of its presentation. The security required on the contract will be twenty-five thousand (25,000) dollars.

No estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of one thousand two hundred and fifty (1,250) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record or clerk who has charge of the estimate-box, at the office of the City Record, No. 2 City Hall; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

BIDS ARE INVITED AS FOLLOWS: First—A price per thousand ems of plain or ordinary composition (which shall include the arrangement and classification of and type-setting on the registry lists), and a price per thousand ems of rule and figure work, which prices shall include the entire cost of printing, furnishing, folding, binding and distributing during the year 1896, commencing on the second day of January, 1,050 copies of each issue and supplements, and such number of the registry lists and indices, as may be required (not exceeding 1,050 of each), of the paper known as the CITY RECORD, in conformity with the specifications given, and in conformity with the laws as they now exist or as they may exist during 1896, except what may be paid under the terms of the contract for changes and alterations. The RECORD to be a paper in size and general form like the publication of 1895 (which, estimated approximately, contained about nineteen million ems of plain or ordinary composition, and about twenty-six million ems of table matter, and five million one hundred and thirty-six thousand ems of plain matter embraced in the registry lists), and to contain such matter only as is authorized and required by law to be published therein, and at the times and in the manner required by the present laws, and matter that may be required during the year by any new or amended laws.

Second—For changes and alterations per hour. Third—The total price per token of four pages for all additional expense incurred in printing, furnishing, folding, binding and distributing any additional number of copies of the CITY RECORD and supplements that may be required beyond the stipulated number of 1,050, said additional copies to conform in every respect to the specifications of the regular authorized edition.

Fourth—The price per volume for binding in quarterly volumes, one hundred, or less, of the copies of the CITY RECORD and indices, which the contractor is to set aside and preserve for each quarter during the year, said binding to be similar and equal in kind and quality to the binding of the CITY RECORD volumes during the present year. The bound volumes of each quarter are to be delivered within six weeks after the copy for the index for that quarter has been given to the contractor.

A contract will not be made upon an estimate unless it appears that the party making the estimate has a printing establishment, with adequate facilities, in the City of New York.

The undersigned officers reserve the right to reject any or all proposals if in their judgment the same may be for the best interests of the City.

Copies of the specifications and the form of contract to be entered into may be had at the office of the Supervisor of the City Record, No. 2, City Hall.

By order of WILLIAM L. STRONG, Mayor; FRANCIS M. SCOTT, Counsel to the Corporation; WILLIAM BROOKFIELD, Commissioner of Public Works. JOHN A. SLEICHER, Supervisor of the City Record.
