ARMORY BOARD.

ARMORY BOARD—OFFICE OF THE SECRETARY,
No. 280 BROADWAY,
NEW YORK, September 25, 1894.

PROPOSALS FOR ESTIMATES FOR FUR-
NISHING MATERIALS AND WORK
IN THE ERECTION OF AN ARMORY
BUILDING ON THE NORTHERLY
SIDE OF FOURTEENTH STREET, 175
FEET 2 1/2 INCHES WEST OF SIXTH
AVENUE, NEW YORK CITY.

PROPOSALS FOR ESTIMATES FOR FURNISH-
ing materials and work in the erection of an Armory
Building on the northerly side of Fourteenth street, 175
feet 2 1/2 inches west of Sixth avenue, in the City and
County of New York, will be received by the Armory
Board at the MAYOR'S OFFICE, CITY HALL,
UNTIL 12 O'CLOCK M., WEDNESDAY, THE
10TH DAY OF OCTOBER, 1894, at which time and
place they will be publicly opened and read by said
Board.

Any person making an estimate for the above work
shall furnish the same in a sealed envelope to the Presi-
dent of said Armory Board, indorsed "Estimate for
Furnishing Materials and Work in the erection of an
Armory Building on the northerly side of Fourteenth
street, 175 feet 2 1/2 inches west of Sixth avenue," and
also with the name of the person or persons presenting
the same, and the date of its presentation.

Any bidder for this contract must be known to be
engaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract, by his or their bond, with two sufficient
sureties, in the amount of ONE HUNDRED
THOUSAND DOLLARS (\$100,000).

Bidders are required to submit their estimates upon
the following express conditions, which shall apply to
and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal ex-
amination of the location of the proposed work, and by
such other means as they may prefer, as to the accuracy
of the estimate, and shall not at any time after the sub-
mission of an estimate dispute or complain of the
statement of quantities, nor assert that there was any
misunderstanding in regard to the nature or amount of
the work to be done.

2d. Bidders will be required to complete the entire
work to the satisfaction of the Armory Board, and in
substantial accordance with the specifications of
the contract and the plans therein referred to. No extra
compensation, beyond the amount payable for the work
before mentioned, which shall be actually performed, at
the prices therefor to be specified by the lowest bidder,
shall be due or payable for the entire work.

Bidders will state in their estimates a price for the
whole of the work to be done, in conformity with the
approved form of contract and the specifications therein
set forth, by which price the bids will be tested. This
price is to cover all expenses of every kind involved in
or incidental to the fulfillment of the contract, including
any claim that may arise through delay, from any cause
in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in
figures, the amount of their estimates for doing this work.
The person or persons to whom the contract may be
awarded will be required to attend at this office, with the
sureties offered by him or them, and execute the
contract within five days from the date of the service
of a notice to that effect; and in case of failure or
neglect so to do, he or they will be considered as having
abandoned it, and as in default to the Corporation; and
the contract will be readvertised and relet, and so on,
until it be accepted and executed.

Bidders are required to state in their estimates their
names and places of residence; the names of all
persons interested with them therein; and if no
other person be so interested, the estimate shall dis-
tinctly state the fact; also, that the estimate is made
without any connection with any other person making
any estimate for the same purpose and that it is in all
respects fair, and without collusion or fraud; and also,
that no member of the Common Council, head of a
department, chief of a bureau, deputy thereof or clerk
therein, or other officer of the Corporation, is directly
or indirectly interested therein, or in the supplies or
work to which it relates, or in any portion of the profits
thereof; which estimate must be verified by the oath,
in writing, of the party making the estimate, that the
several matters stated therein are in all respects true.
Where more than one person is interested, it is
required that the verification be made and subscribed
to by all the parties interested.

Each estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders of
the City of New York, with their respective places of
business or residence, to the effect that if the contract be
awarded to the person or persons making the estimate,
they will, on its being so awarded, become bound as
sureties for his or their faithful performance; and
that if said person or persons shall omit or refuse to
execute the contract, they will pay to the Corporation
of the City of New York any difference between the sum
to which said person or persons would be entitled upon
its completion and that which said Corporation or
the Armory Board may be obliged to pay to
the person to whom the contract may be awarded
at any subsequent letting; the amount in each
case to be calculated upon the estimated amount
of the work to be done by which the bids are tested.
The consent above mentioned shall be accompanied by
the oath or affirmation, in writing, of each of the per-
sons signing the same, that he is a householder or
freeholder in the City of New York, and is worth the
amount of security required for the completion of
the contract and stated in the proposals, over and
above all his debts of every nature, and over and above
his liabilities as bail, surety and otherwise; and that
he has offered himself as a surety in good faith and
with an intention to execute the bond required by law.
The adequacy and sufficiency of the security offered is to
be approved by the Comptroller of the City of New

York after the award is made and prior to the signing
of the contract.

No estimate will be received or considered unless
accompanied by either a certified check upon one of the
State or National banks of the City of New York,
drawn to the order of the Comptroller, or money, to the
amount of FIVE THOUSAND DOLLARS (\$5,000).
Such check or money must not be inclosed in
the sealed envelope containing the estimate, but
must be handed to the officer or clerk of the Board
who has charge of the estimate-box; and no estimate
can be deposited in said box until such check or
money has been examined by said officer or clerk and
found to be correct. All such deposits, except that of the
successful bidder, will be returned by the Comptroller
to the persons making the same within three days
after the contract is awarded. If the successful bidder
shall refuse or neglect, within five days after notice that
the contract has been awarded to him, to execute the
same, the amount of the deposit made by him shall
be forfeited to and retained by the City of New
York as liquidated damages for such neglect or refusal;
but if he shall execute the contract within the time
aforesaid, the amount of his deposit will be returned to
him by the Comptroller.

No estimate will be accepted from, or contract awarded
to, any person who is in arrears to the Corporation,
upon debt or contract, or who is a defaulter, as surety
or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or esti-
mates, to use a blank prepared for that purpose by the
Board, a copy of which, together with the form of the
agreement, including specifications, and showing the
manner of payment for the work, can be seen upon ap-
plication at the office of W. A. CABLE and E. A. SAR-
GENT, Associate Architects, No. 68 BROAD STREET,
New York City.

The Board reserves the right to reject any or all esti-
mates not deemed beneficial to or for the public interest.

Plans may be examined and specifications and blank
forms for bids or estimates obtained by application to
the Architects at their office, No. 68 BROAD STREET,
New York City.

That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate, or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reserves the right to reject all bids received for any particular work if he deems it for the best interests of the city.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant, obligation and liability in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York drawn to the order of the Comptroller, or money to the amount of five hundred (\$500) dollars. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet, as provided by law.
