of the Board the request was granted.

On motion of the Counsel to the Corporation and by the concurrent action of all the members of the Board, the following was adopted:

Resolved, That the estimate of James H. English & Son for furnishing the blank books called for by the various departments, courts and bureaus of the City, for the year 1898, to be delivered before the 1st of January, 1898, embracing two lots, the first amounting to the sum of six thousand eight hundred and twenty-nine dollars and thirty-four cents, and the second, four thousand six hundred and fifty-two dollars and four cents, as specified in the lists hereto annexed, be accepted, and that the said James H. English & Son be authorized to complete the work for the consideration named, and

named, and
Resolved, That in case there should be any change in the specifications for the books required
before January I, 1898, by any of the departments, courts or bureaus of the City, as per the lists
annexed, or if a smaller or larger number should be required than that embraced in the lists
annexed, that the difference in price shall be adjusted by the Supervisor of the City Record, subject

to the approval of the Board of City Record.

The Supervisor of the City Record submitted a requisition from the Board of Health, dated November 13, 1897, for printing the mouthly Indices of Births, Marriages and Deaths, for the ensuing year. As the said requisition contained a stipulation that the contract must be extended to "include new Boroughs on the same basis," the Board decided to take no action but to leave the matter to be disposed of by the incoming administration.

On motion of the Commissioner of Public Works the following was adopted:
Resolved, That, pursuant to the provisions of regulations 37-41 of the New York City Civil Service Regulations the New York City Civil Service Commission be requested to hold an examination for promotion from the position of Deputy Supervisor and Expert, to the position of Supervisor of the City Record.

Further, That this Board recommends for promotion to the aforesaid position, Henry McMillen, who now holds the position of Deputy Supervisor and Expert, and is the only one in the next lower grade eligible for promotion, said promotion to date from December 14, 1897.

conditions, which shall apply to and become a part of

(t) Bidders must satisfy themselves, by personal
-xamination of the location of the proposed work, and
by such other means as they may prefer as to the accuracy of the foregoing Engineer's estimate, and shall not
at any time after the submission of an estimate dispute
or complain of the above statement of quantities, nor
assert that there was any misunderstanding in regard
to the nature or amount of the work to be done.

(2) Bidders will be required to complete the entire
work to the satisfaction of the Department of Docks
and in substantial accordance with the specifications of
the contract, and the plans therein referred to. No
extra compensation beyond the amount payable for the
work before mentioned, which shall be actually performed at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the receipt of a notification from the Engineer-in-Chief that the work, or any part of it, is ready to be begun, and all the work to be done under the contract is to be fully completed on or before the expiration of one hundred days after the date of service of said notification, and the damages to be paid by the contract for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired are, by a clause in the contract, determined, fixed and liquidated at One Hundred Dollars per day.

The contractor will provide and maintain in a safe condition all necessary temporary railing-in and fencing-off to properly protect the public against secident of any kind, or damage to life or limb during the interval between the occupancy of the structure and its completion.

Where the City of New York owns the what purpor

wan between the occupancy of the structure and its completion.

Where the City of New York owns the wharf, per or oulkhead, at which the materials under this contract are to be delivered, and the same is not leased, no charge will be made to the contractor for wharfage upon vessels conveying said materials.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of greement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work will be made to the bidder who is the lowest for doing the whole of the work, and whose estimate is regular in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it he accepted and executed.

Bidders are required to state in their estimates thair

a notice to that effect, and in case of failure or neglect so to do he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertsed and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact, also that the estimate is made without any consultation, connection or agreement with, and the amount thereof has not been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market pruce for the same kind of labor or material, and is in all respects fair and without collusion or traud; that no combination or pool exists of which the bidder is a member, or in which the bidder is directly or indirectly interested, or of which the bidder has knowledge, either personal or otherwise, to bid a certain price, or not less than a certain price, for said labor or material, or to keep others from bidding thereon; and also that no member of the Common Council, Head of a Department, Chie of a Bureau, Deputy thereof, or Clerk therein, or any other officer or employee of the Corporation of the City of Indirectly interested in this estimate or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder, or anyone in his behalf, with a view to influencing the action or judgment of such officer or employee in this or any other transaction herestore had with this Department, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects for any other transaction herestore.

In case a bid shall be submitted by or in behalt of any corporation, it must

returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or retusal; but if he shall execute the contract within the time atoresaid the amount of his deposit will be returned

to him

Bidders are informed that no deviation from the specifications will be allowed unless under the written in
structions of the Engineer in-Chief.

No estimate will be accepted from or contract
awarded to any person who is in arrears to the Cor
poration, upon debt or contract, or who is a detaulter,
as surety or otherwise, upon any obligation to the
Corporation.

In case there are two or more bids at the same price, which price is the lowest price bid, the contract, if awarded, will be awarded by lot, to one of the lowest bidders.

Bidders.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE
INTEREST OF THE CORPORATION OF THE
CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the
Department, a copy of which, together with the form of
agreement, including specifications, and showing the
manner of payment for the work, can be obtained
upon application therefor at the office of the Department.
