### BOROUGH PRESIDENT - BROOKLYN

#### ■ PUBLIC HEARINGS

**NOTICE IS HEREBY GIVEN** that, pursuant to Section 201 of the New York City Charter, the Brooklyn borough president will hold a public hearing on the following matters in the Courtroom of Brooklyn Borough Hall, 209 Joralemon Street, Brooklyn, NY 11201, commencing at 6:00 P.M., on April 30, 2018.

### Calendar Item 1 — 80 Flatbush Avenue Rezoning (180216 ZMK, 180217 ZRK, 180218 ZSK)

Applications submitted by the New York City Educational Construction Fund (ECF) and 80 Flatbush Avenue, LLC, pursuant to Sections 197-c and 201 of the New York City Charter, for a zoning map and text amendments intended to facilitate the redevelopment of a block in Downtown Brooklyn. The zoning map amendment would change a property, bounded by Flatbush Avenue, Schermerhorn Street, State Street, and Third Avenue, and located within the Special Downtown Brooklyn District (SDBD), from a C6-2 to a C6-9 district. The zoning text amendments would designate the project a Mandatory Inclusionary Housing (MIH) area, amend SDBD regulations to set the maximum permitted floor area for a C6-9 district to a Floor Area Ratio (FAR) of 18.0 for commercial and community facility use, and 12.0 FAR for residential use, make the C6-9 district subject to Tower Regulations in New York City Zoning Resolution (ZR) Section 101-223, and establish a new special permit modifying ZR Section 74-752. Pursuant to this permit, the City Planning Commission (CPC) would allow modifications of certain regulations as necessary, to facilitate an ECF project within a C6-9 district within the SDBD, in order to achieve the massing of the development site, as proposed in the application documents.

The requested special permit, pursuant to ZR Section 74-752, would permit modifications for the applicants' project per the following:

- Ground-Floor use regulations in order to permit the proposed configuration of the residential and school lobbies on Flatbush Avenue and State Street, which will contain significant retail frontage
- MIH requirements so as to allow Phase I construction of the proposed school without affordable housing, which would be constructed in Phase II of the development
- Minimum street wall height regulations along Flatbush Avenue to allow the configuration of building volumes on the development site, and provide larger floorplates, as well as an outdoor terrace for the proposed schools
- Tower lot coverage requirements in order to permit a maximum lot coverage of 56.7 percent in a tower taller than 150 feet

- e. Off-Street accessory parking regulations in order to waive the requirement to provide an off-street parking facility, due to the project's location in a Transit Zone
- f. Loading berth requirements, to reduce the number of loading berths required in Phase I of the project

Such actions are intended to facilitate the creation of a new, mixed commercial, community facility, and residential development that will replace the existing Khalil Gibran International Academy (KGIA) public high school building with a new facility in a larger space, as well as a new elementary school that would share an auditorium and gymnasium with KGIA. In addition to school uses, the proposed development would provide residential space comprising of approximately 700 units of market-rate housing and 200 units of affordable housing; 201,000 sq. ft. of commercial office space, 42,200 sq. ft. of retail space, and 10,300 sq. ft. of non-school cultural space (within the existing KGIA building). The project is proposed to proceed in two phases in order to permit continued occupancy by KGIA until its new facility is complete. The first phase will result in the completion of the two schools and a mixed-use building fronting Flatbush Avenue and State Street; the second phase will be developed along Third Avenue, with segments of the existing KGIA building to remain at the corner of Schermerhorn and State Streets.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”*

**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general

service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
